Chapter 90 What do you take me for (10)

No matter what happened between her and PEI Munian, she did not want outsiders to know too much, especially Gong Lingyu. After all, she had once talked about marriage with him, and now she was PEI Munian's wife.

Su Wanwan lowered her eyes and restrained the emotions in her eyes. She then curved her lips and pretended to be relaxed: "No, I'm fine with mu Nian."

"Very good? Very good, you would get drunk in a bar? You don't want to go home? Very well, your company needs funds, but you didn't tell me? Very good. You didn't return home last night, and I didn't even call you? Wanwan, am I really that easy to fool?"

Gong Lingyu's series of questions made su Wanwan speechless.

She was stunned for a moment and bit her lower lip subconsciously.

She couldn't stay here any longer. The longer she stayed, the more exposed she would be. She shouldn't have indulged herself in drinking yesterday. She had always been drinking and messing things up, but she had never learned her lesson.

"Lingyu, thank you for yesterday. I'm going home now."

After saying that, su Wanwan hurriedly got up from the bed, tidied up her clothes and hair a little, and without waiting for Gong Lingyu to speak, she directly lifted her feet and walked towards the door.

Gong Lingyu clenched his fists tightly, closed his eyes, and took a deep breath. Then, he suppressed the anxiety in his heart, turned around, and gave chase.

He chased after su Wanwan and said softly, "I'll send you."

"No need, I can walk on my own." Su Wanwan refused without hesitation.

Gong Lingyu was silent for a second. don't worry. I won't ask you again if you don't want to tell me.

"Lingyu, I really don't want to."

Su Wanwan still wanted to refuse, but Gong Lingyu changed the topic. I'm sending you because I have something to tell you about your company's project investment.

Su Wanwan's words paused and she looked at Gong Lingyu in surprise.

Gong Lingyu's lips twitched and he smiled helplessly. if you don't want to talk about private matters, can't you talk about business? "

Su Wanwan hesitated for a moment, pursed her lips lightly, and opened her mouth. what do you want to talk about? "

The two of them found a coffee shop and sat down. Gong Lingyu habitually helped su Wan to order her favorite cabbino later and added a bag and a half of sugar according to her taste. After stirring it, he pushed it in front of her.

Su Wanwan looked at the cup of coffee in front of her and her heart felt a little heavy. She didn't drink it but went straight to the point. I'll be going back to the company later. If you have anything to say, just say it.

Gong Lingyu's Black eyes fixed on su Wanwan and he said, " I've already read the report you made last night. I'm very optimistic about the prospects of your company's project. I hope we can cooperate.

Su Wanwan vaguely guessed what he might say, but she didn't expect him to say so straightforwardly that he wanted to invest in a company. This was a relatively large sum of money.

Moreover, although he said that they were cooperating, he actually wanted to help her, right?

you're teasing Lingyu? stop joking.

Previously, the gong family was willing to invest in the SU family because she was going to marry him, so the gong family was willing to help her tide over the difficulties. But now, she had nothing to do with him anymore. How could she accept such a large sum of money to help her?

Gong Lingyu seemed to know what she was thinking and couldn't help but chuckle. Wanwan, don't think too much. I'm a businessman too. I won't take out so much money to help you. I'm just optimistic about your project, so I want to invest.
