Gong Lingyu's handsome face darkened as he stared coldly at the man. His voice was low and dangerous as he warned, "this is my female companion. Get lost."

The man looked at Yu Jia subconsciously, but the latter shrugged and said innocently, "I don't know him. Who is he?"

"Yu Jia!"

Yu Jia curled her lips and pretended to be scared. She stood up and hid behind the man. She said pitifully, "Help me. This person has been following me since just now. I'm very scared."

Gong Lingyu laughed in anger when he heard her words. Yu Jia, what nonsense are you talking about? Come here, we need to have a good talk!"

As he spoke, he reached out to pull Yu Jia. Yu Jia's voice became more panicked. help me! I don't want to be taken away by him!

How could the man sit by and do nothing when the beautiful woman was pleading? he immediately blocked Gong Lingyu's hand and straightened his strong pectoral muscles. He said to Gong Lingyu, "Brother, she already said she doesn't know you, don't mess around!"

"Yu Jia, you!"

Behind the man-Yu Jia stuck out her tongue at him smugly, then turned around and ran towards the sea. Gong Lingyu was so angry that he wanted to chase after her, but he was stopped by the man who wouldn't give way no matter what.

After being entangled for a while, Gong Lingyu couldn't take it anymore. He knocked the big guy down with a punch and then hurriedly chased after him. However, the sea was vast and people were coming and going, so where was Yu Jia?

"SHIT!"Gong Lingyu couldn't help but curse. He kicked the sand hard, but his feet slipped and he fell. He was so angry that he pounded the sand several times.

Yu Jia, this woman, better not be caught by him, or else he'll f * ck her up, f * ck her up.

He was clearly filled with anger, but at this moment, he could not think of any way to punish her. His breath was stuck in his chest, making him feel extremely uncomfortable.

Gong Lingyu sat on the beach and sulked for a long time. Finally, he saw Yu Jia's beautiful figure swimming in the sea not far away. His lips curled up and he sneered, "Let's see if I can catch you!"

Gong Lingyu immediately got up from the sand and strode toward the seaside. He then jumped into the sea and chased after Yu Jia.

Yu Jia was originally swimming leisurely when she suddenly felt someone chasing after her. She turned her head and saw Gong Lingyu sliding his arm with all his might, closing the distance between them bit by bit.

Yingluo is really like a ghost that can't leave, Yingluo.

Yu Jia gritted her teeth, straightened her face, and began to swim seriously.

However, Gong Lingyu wasn't good at other sports, but he was quite good at swimming. Even if Yu Jia sped up, Gong Lingyu still slowly caught up to her. He soon caught up to her side and raised his eyebrows provocatively.

Yu Jia turned her face away from him and wanted to swim away, but he suddenly reached out to grab her. Yu Jia was shocked and reflexively raised her foot to kick him, hitting his abdomen.

Gong Lingyu immediately sank into the water, and Yu Jia quickly turned around and swam back.

Afraid that he would catch up with her again, Yu Jia swam quickly without looking back. After about three or four minutes, she finally returned to the beach. She was so tired that she sat there, gasping for air.

With her hands on her hips, she couldn't help but look towards the sea. She wanted to see if Gong Lingyu had caught up to her, but she didn't see him.

Yu Jia was stunned. His eyes suddenly widened and he quickly scanned the sea in front of him.
