

Deeply 904

904 Kneel down and call her Queen (4)

Before he met Yu Jia, it was hard for him to imagine that he could be so relaxed, free, happy, and without any emotional burden when he was with a woman. They could care about each other, play together, and there was no need to hide or pretend. They could laugh and cry whenever they wanted. Even in front of su Wanwan, he had never been so relaxed.

So, he couldn't lose this friend. He was willing to do anything to get Yu Jia back.

The light in Yu Jia's eyes dimmed bit by bit. She lowered her eyes and could actually laugh at this moment. Fortunately, Yingluo didn't have any expectations of him, so she wasn't so hurt and sad.

Yu Jia tried hard to ignore the pain in her heart. She swallowed her saliva and opened her red lips slightly. you can make it up to me in any way you want, right? "

"Okay, just say it. As long as I can do it." Gong Lingyu nodded and said firmly.

Yu Jia curved her lips and smiled. you can do it.

Looking at her smile, Gong Lingyu felt as if the bright and beautiful sunlight was shining into the bottom of his heart. How long had it been since he saw her smile at him? " what? "

"It's simple."

Yu Jia pursed his red lips and paused. The next second, the smile on his face disappeared and he said coldly, " "I just want you to stay away from me!"

".....?"

As soon as she finished speaking, Yu Jia forcefully pulled her hand back from his and unceremoniously kicked his shoulder again. Gong Lingyu was caught off guard and was kicked backward, falling onto the beach.

Gong Lingyu had never expected that Yu Jia would not appreciate his sincere plea for peace and his sincere confession, and even kick him. This woman must have been reincarnated in the wrong world!

Gong Lingyu got up angrily and glared at Yu Jia. Yu Jia! Yingluo, don't think that I won't beat you up just because you're a woman. Try kicking me again!"

Yu Jia stood up without a word and walked toward him. you want to fight? " Come on!"

Gong Lingyu couldn't help but take a step back from Yu Jia's imposing manner. Then, he realized that he was too cowardly, so he straightened his back and took a few steps forward. fine, I'll come. Don't say that a man like me is bullying a woman like you!

"Ha." Yu Jia smiled contemptuously and slowly clenched his hands into fists.

Gong Lingyu's eyes were also filled with rage as he glared at her.

The battle between the two people seemed to be triggered at the slightest touch, but su Wanwan's voice suddenly came into his ears, " Yu Jia, Lingyu, so you're here. We've been looking for you.

The two people's gazes subconsciously followed the direction of the sound and saw su Wanwan holding PEI Munian's hand and quickly walking towards them. As they slowly approached, su Wanwan looked at Yu Jia, then at Gong Lingyu, and then at their confrontation. She asked in confusion, "What is Yingluo doing? Don't tell me they're going to fight?"

".....?"

".....?"

Yu Jia stepped back first. I don't want to talk to him.

She turned around and walked to the recliner, picked up her knitted sweater and bag, and said to su Wanwan: Wanwan, I'm a little tired. I'll go back to my room first.

don't. We've only played for a short while and you're already going back to your room. It's so boring to be alone. Why don't we all play together? " Su Wanwan quickly walked over and pulled her back. Then, she winked at PEI Munian. what should we play? "
