905 Kneel down and call her Queen (5)

PEI Munian's lips curled up and a helpless smile flashed across her eyes.

Su Wanwan, this woman, was lying more and more naturally. They were clearly lying on the beach not far away and had a full view of Yu Jia and Gong Lingyu's situation. She was worried that they would really fight, so she rushed over to be the peacemaker. She was really worried about them.

However, he would always indulge his woman in whatever she wanted to do.

PEI Munian's dark eyes swept across the beach. There were many things to play with here, such as diving, rowing, fishing, and so on. However, none of them were suitable.

He furrowed his brows, and his gaze inadvertently fell on the beach. There was a group of people chasing and playing with a volleyball in their hands. They were passing the ball to each other, and his eyes lit up.

"Let's play water volleyball."

That was a group activity, and everyone played together to eliminate the tension.

Su Wanwan understood PEI Munian's meaning and couldn't help but blink at him to express her appreciation. Then, she said to Yu Jia, "Yu Jia, you'll play with us, right?"

"Wanwan, Wanwan, Wanwan." Yu Jia really didn't want to see Gong Lingyu right now because she was really worried that she wouldn't be able to hold back and beat him up!

However, before she could refuse, Gong Lingyu suddenly provoked her, "Yu Jia, do you dare to play?"

The words that were on the tip of her tongue were stuck in her throat when she heard Gong Lingyu's name. Yu Jia looked at Gong Lingyu in disbelief as if she had just heard the funniest joke in the world. She asked in return, "I don't dare to play?"

"If you dare to play, then come!"

Gong Lingyu lifted his chin and swept a glance at her. Then, he turned around and walked toward the sea.

Yu Jia was instantly angered by his arrogant attitude and curled his lips coldly. who's afraid of who?"

She threw the clothes and bag in her hands back onto the recliner, took a step forward, and chased after him.

Su Wanwan and PEI Munian looked at each other, then su Wanwan said, "If they start fighting later, niannian, remember to protect me! I don't want to be cannon fodder!"

PEI Munian walked over and wrapped her arms around her waist. She curled her long fingers and gently reproached her. who asked you to be so nosy?"

"Then what's that? Yu Jia is my best friend, and Lingyu is also my important friend. For a good friend, it's only right for me to risk my life!"

“Oh? Is your friend more important or am I more important?”

“Wuwuwuwu.”

PEI Munian’s Black eyes narrowed and the expression on his handsome face sank. Anger flashed in the bottom of his eyes. su Wanwan, you actually still want to consider? ”

Su Wanwan quickly shook her head and fawned: ” “You, you, you, you, you, of course, it’s you. In my heart, niannian, you are the most important!”

“Hehe.”

It was too late to say it now!

PEI Munian suddenly let go of su Wan and strode towards the sea. After a few steps, he stopped, turned around, and said with a fake smile: Wanwan, I think you need to worry more about yourself from now on because Wanwan, wait for me. I won’t show any mercy!

“Yingluo, niannian, I didn’t mean it that way. I’m telling you the truth. You’re the most important person in my heart, the most, most, most important person! Niannian.”
