

Deeply 908

908 Kneel down and call her Queen (8)

Su Wanwan reacted and a big smile bloomed on her face. She couldn't help but cheer, "Lingyu, Lingyu, did you see that? I got a point! I hit niannian!

"Yes, I saw it. It's very good!"

Gong Lingyu gave su Wanwan a thumbs up. we have to keep up the good work and beat them up!

"Alright!"

Su Wanwan looked at PEI Munian triumphantly and shouted, "Niannian, you only have this much skill. Watch how I defeat you!"

PEI Munian lazily smiled back. continue!

Once again, the game started. PEI Munian's ball rushed over and Gong Lingyu barely managed to catch it. Yu Jia slammed it back with force. Su Wan went to catch it at night, but the next second, Yu Jia jumped again and unceremoniously smacked the ball in Gong Lingyu's direction. He couldn't catch it in time and his whole body rushed into the water. He lay there and prostrated himself on the ground, facing Yu Jia's direction.

hahahahaha!!

Yu Jia laughed so hard that tears came out of his eyes. Gong Lingyu, you don't have to be so polite. You even gave me such a big bow. I appreciate it!

".....?"

Su Wanwan ran over and helped Gong Lingyu up from the water. She looked at his drenched appearance with sympathy. She held back her laughter and asked softly, "Lingyu, are you alright? "

Yu Jia's motor skills were stronger than the average girl's, and she often practiced Muay Thai, so her hands and feet were more powerful. She was obviously better than a young master like Gong Lingyu.

It was just that a man couldn't win against a woman and was beaten up by her. This was simply humiliating!

"I! No! Matter!"

Gong Lingyu seemed to have been completely enraged. He gritted his teeth and spat out word by word. He glared at Yu Jia and said, "Continue!"

The battle started again, but it was almost Gong Lingyu and Yu Jia's battle. This was because on her and PEI Munian's side, she couldn't catch the balls that he hit, and PEI Munian would miss a few times after she hit the balls. It was considered a harmonious battle, but the two of them seemed to treat the ball as the fire in their hearts. They went back and forth, not giving in to each other!

Gong Lingyu's head and face were hit by the ball countless times, while Yu Jia's hands and feet were hit by the balls Gong Lingyu smacked over several times, causing her to fall into the water.

After playing for about 30 minutes, su Wanwan was so tired that she kept panting. She made a hand gesture to stop him. I, I can't do it anymore. I'm so tired. I'm not playing anymore. I'm not playing anymore.

Gong Lingyu and Yu Jia were in an intense battle. Both of them were on steroids and naturally wouldn't let it go. Wanwan, you can't betray your teammate now. Didn't you say you'd kill her until not a single piece of her armor was left? "

"I want to as well, Yingluo." Su Wanwan gasped for breath and swallowed her saliva. but I really can't hold on anymore. Lingyu, I'm sorry.

"This Yingluo."

it's okay, I'm tired too. Wanwan and I will back out. If you guys want to continue, then go ahead.

PEI Munian strode away with her long legs, bent over, and jumped over the net. She walked towards su Wanwan, then put her arm around her waist and took her to the beach, leaving Gong Lingyu and Yu Jia behind.

The two of them looked at each other for a few seconds before Yu Jia spoke first. are we still going to fight? "

Gong Lingyu curled his lips. you're scared? "

you're joking. Let's continue then! As soon as Yu Jia's words fell, he simply and nimbly hit a ball over, which heavily hit Gong Lingyu's head.

Gong Lingyu's eyes were filled with rage. Yu Jia, I'm not done with you!
