

## Deeply 910

910 Kneel down and call her Queen (10)

Before PEI Munian could finish her words, su Wanwan bent her elbow and fiercely hit PEI Munian's lower abdomen. He groaned and stopped talking. Su Wanwan took the opportunity to push him away, covered her face, and ran away.

PEI Munian's hand caressed her lower abdomen as she shook her head and laughed.

His Wanwan was always so shy, but what should he do? He still wanted to unlock all kinds of positions with her.

—

PEI Munian and su Wanwan returned to the hotel room, took a shower, changed their clothes, and snuggled up together to rest for a while. Su Wanwan was hungry, so she dragged PEI Munian to have lunch.

As soon as he walked out of the room, Yu Jia and Gong Lingyu came back, both wet. Both of them looked exhausted, and it was obvious that the battle later on was quite intense.

Su Wanwan raised her eyebrows and asked, "how is it? Which one of you won?"

"Of course it's me, how could he be my opponent?" Yu Jia raised her chin arrogantly and glanced at Gong Lingyu in disdain.

Like a kitten whose tail had been stepped on, Gong Lingyu immediately retorted, "That's because I'm a man and I didn't want to argue with a woman. I let you have your way!"

"Ha." With a sneer, Yu Jia crossed her arms and scanned Gong Lingyu from head to toe. "What a waste of such a big build! You've lost and you still don't want to admit it!"

"Yu Jia, you!"

"Alright, alright." Su Wanwan quickly tried to dissuade him, "competition comes second, friendship comes first. It's fine as long as you have fun.

"We're going to eat now. Should we wait for you?"

"I don't need it." Yu Jia waved his hand. I'm exhausted after playing for a few hours. I'll rest in my room this afternoon.

"En, what about you, Lingyu?"

"I'm sleeping in my room too. I won't be going out." Gong Lingyu replied.

alright then. Have a good rest. Call me if you need anything.

Su Wanwan turned around and held PEI Munian's hand. She said softly, "Niannian, let's go."

PEI Munian lightly nodded at the two of them and left with su Wanwan.

The corridor slowly quieted down. Yu Jia and Gong Lingyu looked at each other for a second. Gong Lingyu opened his mouth as if he wanted to say something, but Yu Jia's lips curled up coldly. She turned around and walked to her room. She took out the door card, opened the door, walked in, and slammed it shut.

".....?"

Gong Lingyu stared at the tightly shut door and angrily kicked the wall. He then frowned in pain and hugged his leg as he jumped on the spot for a long time.

This woman, Yu Jia, was definitely the biggest nemesis in his life!

If she didn't care about him, he couldn't be bothered to pay attention to her. If he stuck his warm face to her cold butt again, his name, Gong Lingyu, would be written upside down!

—

Su Wanwan and PEI Munian went to a famous restaurant on the island to eat. The food was quite good. Because they were late in the morning, her stomach was already growling with hunger. So as soon as the food was served, she ate it like a whirlwind.

PEI Munian's lips curled up into a smile as she watched her eat without a care for her image.

Su Wanwan looked at him suspiciously. niannian, what are you laughing at? "

"Yingluo, no wonder people say that marriage is the grave of love." PEI Munian muttered.

"Eh? What's the meaning of this?"

Su Wanwan blinked her big eyes, her thick, curled, long eyelashes flickered. Her eyes were clear and the bottom of her eyes was shimmering, which was extremely fascinating.

Why was PEI Munian sighing all of a sudden, and with such a sigh?

PEI Munian did not reply immediately. Instead, she reached out her hand and placed it on her lips.
