912 Do you want me?(2)

“You want it? Come and get it yourself!”

PEI Munian raised her long arm high. Su Wanwan jumped a few times but her hand couldn’t hook his hand. Her eyes widened, she grabbed his arm and bit it hard.

PEI Munian winced in pain and retracted her hand. Su Wanwan took the opportunity to pull his arm down and quickly snatched her phone back. Then, afraid that he would catch her, she broke into a run.

As she ran, she proudly waved the phone in her hand at him. niannian, come and chase me!

This woman, Yingluo.

PEI Munian raised her eyebrows. so what if I manage to get you? ”

“If you catch me, I’ll let you have fun hehehehehehehehehe.”

Su Wanwan’s shy smile came from the front. Anyway, PEI Munian didn’t understand these internet phrases, so she used them to tease him.

“Hehehe?” PEI Munian frowned, but she quickly smiled. Wanwan, don’t go back on your words.

“Yingluo niannian, do you know what that means?”

“I’ll let you know what it means when I get you!”

As soon as she finished speaking, PEI Munian strode towards su Wanwan. Su Wanwan couldn’t care about anything else and lifted her legs to run with all her might. However, how could she outrun PEI Munian, who had long arms and legs? in less than a minute, her slender waist was wrapped around by PEI Munian’s strong arms. His hard chest pressed against her from behind and firmly trapped her in front of him. His thin lips were close to her ear, and his hot breath sprayed on her ear. His voice was low and charming, “ Wanwan, It seems like you can’t let me sleep on the floor tonight.”

“Hmph, that’s not certain yet!”

As soon as su Wanwan spoke, she pushed her hand back with force. PEI Munian quickly dodged it, but su Wanwan quickly kicked her back, hitting PEI Munian’s calf.

Su Wanwan struggled out of PEI Munian’s arms and ran forward with a smile. She turned around and said to him, “ “Niannian, don’t you know that a hero can’t overcome the beauty?”

PEI Munian raised her eyes and looked at the woman’s smiling face in front of her. The sun shone from behind her, as if she was surrounded by a ring of light. The breeze blew, and her hair and skirt flew. She was running and smiling. That scene was fixed in PEI Munian’s eyes. It was the most unforgettable scene in his life. He thought that no matter what happened between him and su Wanwan in the future, all the beauty in her at this moment would be his happy collection in his life.

“Ah, it’s sister Wanwan.”

Su Wanwan's laughter spread to the boulevard beside the beach. Ning Jingting stood there and looked out. Her eyes unconsciously fixed on the tall and straight figure by the sea, PEI Munian.

She looked at them in a daze, her eyes unblinking. So they hadn't left this place yet. She thought that they were just people who met by chance, but she didn't expect that it would be such a coincidence that they would meet again.

A few days ago, PEI Munian was a name that she couldn't be unfamiliar with. However, in just one day, this name had been deeply engraved in her heart and could not be forgotten.

Ning Jingting's lips curled up unconsciously. She stared at him for a while, then turned to the bodyguard beside her and said, " help me check if PEI Munian and sister Wanwan are staying at the hotel in front.

The bodyguard nodded, " yes, miss.

Ning Jingting's eyes returned to the handsome figure on the beach. Her hand unconsciously covered her chest, and her heart was beating fast.
