

## Deeply 915

915 Do you want me?(5)

Su Wanwan sat in front of the dressing table, arranged her cosmetics in a line, and began to put on makeup for herself. She was careful, exquisite, and strived to present her most perfect side.

About half an hour later, su Wan stopped. She carefully looked at herself in the mirror. Her smile rippled, beautiful and exquisite. She nodded with satisfaction and then stood up. She spun one round in front of the full-body mirror, her skirt flying, that posture was like a fairy descending to the mortal world.

Su Wanwan picked out a pair of beautiful high heels. The broken diamonds on them shimmered slightly, like bright stars in the dark night.

After dressing up, su Wanwan picked up her bag and walked to the door.

As soon as she opened the door, she saw an arrow on the ground, indicating her to go forward. Su Wanwan chuckled, raised her feet, and walked forward step by step in the direction indicated.

Every once in a while, an arrow would appear, extending from the room all the way to the entrance of the hotel. As soon as she walked out of the hotel, a few people came up to her. They were all holding an enchanting and gorgeous rose in their hands. They walked towards her and handed her the flower in their hands.

Su Wanwan took it in a daze and suddenly had some doubts, not knowing the intention.

Unexpectedly, when she took a few more steps forward, a few more people came over. They were also holding roses in their hands. They walked towards her and handed the roses to her.

The distance from the hotel entrance to the beach wasn't very far, but along the way, she kept meeting people holding roses. They all smiled and handed the roses to her.

The roses in her hands gradually gathered into a large cluster. Although she did not count, there were at least ninety roses.

As she approached the beach, she saw Gong Lingyu and Yu Jiaqi walking towards her, each of them holding a rose in their hands. She opened her mouth to ask what was going on, but Gong Lingyu handed her the Rose first and said, "Wanwan, you must be happy.

Yu Jia did the same. After giving her the roses, she hugged her emotionally and smiled. "Wanwan, you must be happy."

After the two of them handed the roses to her, they pushed her forward.

Su Wanwan held that large cluster of roses and her heart trembled slightly. At this moment, if she still didn't know what was going to happen, then it must be fake.

She was starting to look forward to the surprise PEI Munian would give her.

The huge beach was not as lively as it was the night before. It was quiet and there was no light at all. It was dark in front of them, and only the sound of the waves could be heard.

Su Wanwan walked forward step by step. Even if it was dark in front of her, she was not afraid at all because her PEI Munian would be waiting for her there.

She didn't know what she touched under her feet. It was a little hard. Su Wanwan stopped and lowered her eyes to look.

Before she could make out what it was, there was a sudden light in front of her. She looked over reflexively and saw the lights coming on one by one, like stars in the night sky, illuminating everything around them.

In front of her eyes, a huge heart slowly appeared. It was completely surrounded by stones.

Her black pupils dilated slightly. Su Wanwan covered her mouth in surprise and looked at everything in front of her in disbelief.

In front of him, he heard footsteps.
