

Deeply 917

917 Do you want me?(7)

Fortunately, the proposal was late, but his happiness was not. He had been waiting for this moment. He had been waiting for the woman he loved to stand in front of him shyly. He could finally show her his heart without reservation.

“Wanwan, Will you marry me? Are you willing to spend the rest of your life with me?”

The man’s lips parted, and he spoke solemnly again, word by word. There was a never-before-seen focus and seriousness on his handsome face.

He clearly already knew each other’s feelings. He clearly knew that su Wanwan would definitely agree, but at this moment, he seemed to have returned to that day. He was like a young and inexperienced boy, on tenterhooks, apprehensive. He imagined all of su Wanwan’s possible reactions, sweet and throbbing.

Su Wanwan stood there in a daze, PEI Munian’s words ringing in her ears. They were all the words she wanted to hear the most and looked forward to hearing the most. Although she had imagined it countless times in her mind, although she had repeated it countless times in her mind, she was still fiercely shocked by every word he said.

From the first time she saw the man in front of her, her heart had been moved, and she had fallen for him. She would never change her feelings for him.

Other than him, she had never loved any other man, and her heart had never been moved by any other man. All her love was centered around him alone, and she had always been looking forward to his response.

She waited and waited. She wanted to give up when she was sad. She wanted to forget when she was in pain. She wanted to never see this man again when she was angry.

However, as Yingluo went around in circles, they still stayed in the same place. They stayed in the moment when their hearts were moved, stayed in the moment when they were deeply in love.

She thought that in this life, she, su Wanwan, would never be able to escape the curse of the three words ‘PEI Munian’.

Su Wanwan blinked. There were tears in her eyes, but a big smile bloomed at the corners of her lips.

She raised her chin and pretended to be proud. “What if I refuse?”

“Rejected?”

PEI Munian repeated those two words lazily. A trace of playfulness and danger flashed in her eyes as she said hoarsely, “ then I can only snatch it. I don’t accept rejections.

“Hooligan.” Su Wanwan complained.

I’m a hooligan, and so are you. So, we’re a perfect match.

“What do you mean I am?”

PEI Munian’s voice became even lower and hoarse. you stole my heart without my permission and are unwilling to return it. If you’re not-hooligan-what are you? ”

Su Wanwan couldn’t help but chuckle. niannian, you’re not only a hooligan, you’re also-scoundrel.

“Yes.” PEI Munian nodded in acknowledgment and then said, ” “So, can I have the beauty now?”

Who could resist the charm of this bad man?

He was so bad, but she loved him so much that she couldn’t stop herself from loving him. She loved him so much that she even loved his bad side.

Su Wanwan slowly nodded her head. Her red lips opened slightly and she answered word by word seriously, ” I’m willing, I’m willing to marry you. I’m willing to be with you for the rest of my life and never separate.

PEI Munian smiled slowly. A smile bloomed on her handsome face. No matter how beautiful things were in the world, they could not compare to his happy smile at this moment.

Su Wanwan stretched out her hand. PEI Munian held it and put the ring on her ring finger little by little. Then, she held her hand and planted a kiss on the back of it.

As the applause rang out, many people slowly gathered around. Everyone walked out from the darkness with smiles on their faces and shouted, ” kiss! Kiss!
