

Deeply 923

923 Do you want me?(13)

That night, he called Dr. Xu to pick up Yu Jia. He stood there and watched them leave. He felt like he had lost something in his heart, and now, he felt the same way again.

At that time, he thought it was an illusion, but it turned out that it wasn't. He seemed to have lost something very important without knowing it.

Gong Lingyu's hand could not help but cover his chest, which felt as if a large part of it was missing.

PEI Munian hugged Su Wanwan and watched the fireworks for a long time. Every cluster of fireworks bloomed with PEI Munian's deep love. She didn't want to miss it.

There were people singing and dancing on the beach. PEI Munian took a step back and extended her hand, making an inviting gesture. "would you like to dance with me?"

Su Wanwan smiled. She raised her hand and it fell into his palm. He held her hand and held it. The other hand wrapped around her slender waist, pulled her in front of him, and led her to dance.

Su Wanwan simply snuggled up to him, her chin on his shoulder, her red lips slightly opened, and she breathed into his ear like orchids, " why did you dance the waltz? "

The people around them were dancing to their heart's content while they were dancing the two-person Waltz. It was a little too abrupt.

PEI Munian wrapped her arms around her and spun her around. She turned her out and pulled her back. Her beautiful dance posture attracted the attention of everyone. He pulled her back in front of him again and his thin lips came close to her ear. His voice was slightly hoarse and had a charming magnetism to it. "because you've danced with another man."

She had danced with another man? When was this?

Su Wanwan's eyebrows moved, and her mind slowly recalled that time on the cruise ship, she did dance with Lu Sheng and brother Ziwei.

At that time, he was standing in the corner and was so cold that he didn't even look at her from the corner of his eyes. She didn't expect him to be jealous now.

Su Wanwan couldn't help but chuckle. "niannian, you're really a miser. You still remember this."

Lu Sheng was his good brother and brother Ziwei was almost like her own brother. Why would he be jealous?

"of course, I'm stingy about everything about you. I can't let any other man pry into it. The man's overbearing tone was very matter-of-fact. "from head to toe, you can only belong to me."

Su Wanwan's Black eyes turned and she pretended to tease, " "oh? What if we have a son in the future?"

PEI Munian did not hesitate at all and replied decisively, " we will only have a daughter.

".....?"

Su Wanwan couldn't help but mourn for her future son. He was despised by his father even before he was born. Wouldn't the father and son have to fight every day when he was born?

"No, I like a son. He can protect me in the future."

"You don't need a son. I'll protect you."

but you'll grow old. You won't be able to protect me when you're old.

"I can still protect you even if I'm old. Why don't you test my strength?"

"Ah?"

Before su Wanwan could react, her body suddenly rose into the air. She exclaimed and her hands subconsciously wrapped around PEI Munian's neck, " "Niannian, w-what are you doing?"

PEI Munian's dark eyes fell on su Wanwan's delicate face. His eyes were burning and abnormally hot. He held the woman in his arms tightly and pressed his handsome face down. When his thin lips were about to touch su Wanwan's lips, he turned to her ear and spoke word by word in a low and hoarse voice.
