924 Do you want me?(14)

The word "ambiguous" slowly entered her ears. Su Wanwan's white cheeks quickly flushed red and her beautiful eyes widened. The light in her eyes was so beautiful that it made people intoxicated. PEI Munian looked at her in-daze. The corners of her lips curled up and she walked towards the hotel with long legs.

Su Wanwan was shocked by the two words he said and didn't come back to her senses for a long time. When she reacted, she was already carried back to the room by PEI Munian. The next second, she was thrown into the soft bed.

When PEI Munian's tall body pressed down on her, su Wanwan's hands quickly pressed against his chest. niannian, no, you promised me to wait one more day!

PEI Munian's hand slowly tugged on his tie. Her thin lips parted slightly, and her voice was lazy. yes, I promised you that I'd give you one more day.

Su Wanwan couldn't help but let out a sigh of relief. then you can't do anything to me tonight. At most, I can let you hug me to sleep and you don't have to sleep on the floor.

"But Yingluo, I don't just want to hug you to sleep tonight." PEI Munian lazily added.

Su Wanwan's eyes were quickly dyed with a touch of vigilance. niannian, are you trying to make Wanwan break her promise? "

no, I've already kept my promise, so it's time for you to fulfill your promise, Yingluo.

What?

"What do you mean?"

PEI Munian undid her tie with one hand and then pressed her body down. Su Wan's body was forced to follow. She used both hands to hold him down and called out, "Niannian, you said you wouldn't force it!"

PEI Munian chuckled but didn't do anything to her. Instead, she stretched out her hand, went over her head, and went to the bedside table. She picked up the alarm clock and presented it to su Wan.

"The one day we agreed on has already ended."

It ended?

Su Wanwan's gaze fell on the clock. The time was exactly 12 o'clock. That is to say, from now on, it is a new day.

Su Wanwan naturally didn't agree. then it's calculated like this!

They had just mentioned it this morning, so of course it had to start from tomorrow, but he had directly counted today as a day?

"That's how it is for me!"

PEI Munian immediately threw the alarm clock in her hand away and pressed her body down again. His big palm caressed su Wanwan's cheek, his warm fingers caressing her lips. His eyes were burning and his voice was low and hoarse. so Wanwan, those who don't fulfill their promises will be Qianqian who will be severely punished.

His hot breath blew on su Wan's cheek. The heat seemed to spread from her cheek to her whole body, making her body tremble.

PEI Munian did not force him to do anything. Instead, she propped up her upper body and her slender fingers landed on the buttons of his shirt. She unbuttoned them one by one, revealing his sexy and firm chest.

His movements were slow, elegant, but also had a fatal charm. The moment his shirt was taken off, su Wan clearly saw the firm and well-proportioned muscles on his body, the charming mermaid line. Under the dim yellow light, that figure, that wheat-colored skin, fiercely impacted her vision. Su Wanwan's eyes stared straight and she unconsciously swallowed her saliva.

Seeing her like this, PEI Munian's lips curled up and she leaned down again. Her thin lips gently kissed her forehead, nose, and finally on her red lips. It was like a Dragonfly skimming across the water. It was extremely seductive.

"So, do you want me?"
