Once it ended, su Wanwan's head almost tilted and her whole person fell into a deep sleep.

PEI Munian got down from her and lay beside her. After panting for a long time, his breathing finally calmed down. He turned his head and looked at the woman beside him, his eyes full of gentleness and love. He reached out his hand and caressed her face gently. Then, he propped himself up and kissed her forehead with his thin lips before sitting up.

He carefully picked her up and walked to the bathroom. After cleaning her body, he carried her back and put her on the bed. He pulled the blanket over her and carefully tucked her in. Then, he kissed her slightly red and swollen lips.

The corners of his lips curled up unconsciously. He was obviously tired, but his brain was too excited and he couldn't sleep. He was actually like a young boy again. He laughed hoarsely.

The phone on the bedside table suddenly vibrated. PEI Munian's gaze turned over reflexively. Through the lit screen, he saw the name of the text message. The corners of his lips slowly fell and his eyes turned cold. He reached out and picked up the phone. Instead of clicking on the text message, he deleted it.

Since doctor Xu decided to come at the last minute, he didn't make a reservation at a hotel. It happened to be the tourist season, so the hotel rooms were full. He called the nearby hotels, but they were all full. Yu Jia thought about it and simply said to doctor Xu, "Wind, you can stay in the same room with me."

Her room was huge, and so were the bed and sofa. If Dr. Xu moved in, he could sleep on the sofa. If he didn't want to sleep on the sofa, he could sleep on the bed. Besides, wasn't Huahua's original intention of traveling with him to develop further with him? They were in the same room. If anything happened, she wouldn't resist. She didn't want to make herself hesitate anymore, so she might as well be direct.

As soon as Yu Jia said this, doctor Xu couldn't help but be stunned. Before he could react, Gong Lingyu, who came from behind, was the first to speak. no! You can't stay in the same room!"

Is Yu Jia okay? How could she so brazenly invite a man to share a room with her?

Yu Jia looked at Gong Lingyu speechlessly. She was annoyed at him for following her again. Didn't she say she didn't want to see him again? Are you deaf?

"We're lovers, why can't we stay in the same room? Besides, what does our business have to do with you?"

Yu Jia retorted coldly and then said to doctor Xu, "Ignore him. Let's go. I'll take you to my room."

With that, Yu Jia took Dr. Xu's arm and was about to walk toward her room, but Gong Lingyu stepped forward and blocked Yu Jia with a frown. He couldn't think of anything to stop her, so in a hurry, he said without thinking, "Yu Jia, can you be a little more reserved as a woman? Have some face, okay?"

Yu Jia was so angry that she laughed. She let go of doctor Xu and took a step forward. She looked up and met Gong Lingyu's eyes fiercely. Gong Lingyu, are you my father or my mother? ”

“Ah?”

“Do you have any relationship with me?”

“.....?”

“Or is it because you live by the sea that you like to interfere so much?”

“Whether I'm reserved or not, whether I'm shameless or not, it's none of your business! I'm sleeping in the same room as my boyfriend, so it's none of your business!”
