After Yu Jia shouted these words in an imposing manner, she lifted her leg and kicked Gong Lingyu again without hesitation.

“Wuwuwuwu.” Gong Lingyu groaned in pain and bent over.

Yu Jia had been kicking his calf for the past few days, and it was already a big black patch, but she still picked the same place to kick him every time. Damn woman, a woman’s heart is indeed the most vicious!

Yu Jia turned around and held doctor Xu’s arm again. She smiled and said, ” “Wind, let’s go!”

“Good Yingluo.”

Dr. Xu’s eyes swept over Gong Lingyu without a trace. Without saying anything, he just dragged his luggage and let Yin Jia take him away.

Gong Lingyu gritted his teeth in anger. He wanted to chase after Yu Jia, but his feet hurt badly. He could only yell at Yu Jia’s back angrily, ” “Yu Jia, stop!”

Yu Jia naturally ignored him. He walked out of the hall with Dr. Xu toward the guest room area.

Gong Lingyu’s gaze was as if he wanted to see two holes in Yu Jia’s body. He gritted his teeth until they creaked. When the pain in his calf bone eased a little, he hurriedly limped after Yu Jia.

When Gong Lingyu caught up to the corridor, he happened to see Yu Jia opening the door with the door card, so he couldn’t help but speed up.

Yu Jia caught a glimpse of Gong Lingyu’s figure from the corner of her eye, so she quickened her movements and nimbly opened the door. Then, she pushed Dr. Xu in and slammed the door shut before Gong Lingyu could run over.

Gong Lingyu’s nose was knocked on by the door, and he gasped in pain.

This woman is always so ruthless. Damn it! He couldn’t help but pound the door.

Dr. Xu heard the sound of the door being slammed and glanced at the tightly shut door. Then, he looked back at Yu Jia and asked casually, ” are we just going to let him stay outside like this? ” I think you hit him when you closed the door.”

Yu Jia’s eyes flickered, and a trace of worry flashed through them, but it disappeared in a flash. He said coldly, ” he deserves it. Who asked him to meddle in everything? he’s not my family.

Yu Jia didn’t really want to talk more about Gong Lingyu with doctor Xu. After complaining, she directly changed the topic. don’t mention him, Feng. Come in and take a seat. It must be very tiring to take a plane. I’ll go turn on the hot water for you. You can take a shower first.

As she spoke, she walked towards him, wanting to help him bring his luggage in. However, he did not let go. Instead, he stared at her for a few seconds and said slowly, " Jiajia, you didn't tell me that Gong Lingyu was here too. You two should have a chat.

Yu Jia's heart skipped a beat. She had been talking to Dr. Xu on the phone these days, but in order to not let him misunderstand anything, she did not tell him that Gong Lingyu was also here. She did not expect him to suddenly come over by himself.

Yu Jia shook his head and explained hurriedly, " Feng, we just happened to run into each other. I didn't know he was here at first and only met him when I got off the plane. He's my best friend Wanwan's good friend. Also, he's my best friend's husband's younger cousin, so they invited Gong Lingyu to play with them.

"I, Yingluo, didn't tell you Yingluo because, because of Yingluo." Yu Jia bit her lower lip and pondered for a moment before saying, " "You misunderstood us before. I just don't want you to overthink it."

Dr. Xu listened to Yu Jia's words quietly, but she didn't feel relieved by her explanation. Instead, her eyes darkened.

A misunderstanding? If he was really honest, why would he deliberately hide it? it would only make people think more.
