Doctor Xu opened his mouth, and some words lingered on the tip of his tongue for a while. In the end, he did not say them. He pursed his lips and smiled. "So it's like this, Yingluo."

"Yup," Yu Jia couldn't help but heave a sigh of relief. He took the luggage from Dr. Xu's hands and dragged it to the sofa, then said, "Feng, come in. Don't stand at the door. By the way, do you want anything to drink?"

Doctor Xu hesitated for a moment before he walked in and sat on the sofa. He then replied, "Water will do."

"Alright," he said.

Yu Jia nodded and walked to the small bar in the room. She opened the refrigerator and took out a bottle of mineral water. She returned to the sofa and handed it to doctor Xu.

"Thank you," he said. Doctor Xu unscrewed the cap and took a sip.

"Sit here for a while. I'll go get you some hot water."

Yu Jia was about to walk toward the bathroom when someone suddenly grabbed her wrist. She was stunned and looked at Dr. Xu. Feng, what's wrong?"

Dr. Xu didn't say anything, but exerted force with her arm. Yu Jia screamed and was pushed to the sofa by the force. The distance between her and Dr. Xu suddenly shortened. She looked up and could see her own reflection in Dr. Xu's eyes.

Dr. Xu leaned forward, and his handsome face enlarged in front of Yu Jia's eyes. Yu Jia's heart skipped a beat, and she moved back reflexively. He suddenly stopped.

Only then did Yu Jia realize what she was doing. She was annoyed. Why was she hiding? Dr. Xu was her boyfriend. No matter what he wanted to do, wasn't it a matter of course? She should have accepted it!

Yingluo was just too sudden, so she was nervous and avoided it.

Right! It was like this! Now that she was mentally prepared, she would not avoid it!

Yu Jia took a deep breath and bit her lower lip. She didn't move back but stood there, waiting for Dr. Xu's lips to come close.

Dr. Xu looked into her eyes. There was no shyness, no anticipation, and no throbbing in her eyes. There was only a little surprise and panic, but she quickly returned to calmness.

Dr. Xu sighed in his heart. His lips moved, and he said in a low voice, "Jiajia, are you really going to let me stay here tonight?"

"A-Yingluo, aren't there no more rooms?"

Dr. Xu interrupted Yu Jia, "I mean, other than this, do you want me to stay here?"

Apart from this reason, Yingluo

Even though Dr. Xu didn't make it clear, Yu Jia understood his hint. She clearly wanted to improve her relationship with Dr. Xu, but at this moment, she unconsciously hesitated.

However, in just a second, she suppressed those emotions that she shouldn't have. She clenched her fists and nodded slowly. yes, I want you to stay here.

Even though she might not be saying what she really thought, doctor Xu thought that she was at least willing to take this step. She was already walking towards him, so how could he not be willing to accept her?

Dr. Xu curled his lips and a gentle smile appeared in his eyes. His hands slowly wrapped around Yu Jia's waist, and his face slowly leaned toward her.

The man's warm breath fell on her face, and Yu Jia's back couldn't help but stiffen.
