Chapter 93 What do you take me for (13)

There were no words in the message. There were only two pictures. One was a picture of su Wanwan and Gong Lingyu snuggling together in the bar, and the other was a picture of Gong Lingyu carrying su Wanwan to the car.

He had never expected that she would run back to look for Gong Lingyu after being married for only a month. She even hugged her ex-boyfriend, not caring about her status as a married woman.

At that time, he didn't want to wrong her and even found excuses for her.

Perhaps she had just met Gong Lingyu by chance, or perhaps she had not stood firm and accidentally fell on Gong Lingyu. After all, from the photo, she seemed a little drunk.

So, he still waited for her to come home. As long as she came home, he would believe her.

However, he had given in again and again, but all he got was her staying out the entire night, reeking of alcohol, and even lying.

Meeting a client?

Was Gong Lingyu her client?

She didn't come back the whole night. Was she with Gong Lingyu the whole time? What had they done?

He didn't want to think about such a thing, but his mind couldn't stop those terrible and dirty images from floating. He suddenly threw the shower head down, one hand pressed su Wan against the wall, and the other hand directly tore her clothes.

If su Wanwan dared to do anything to let him down, he would definitely not let her off!

Su Wanwan had already given up on resisting, but she didn't expect PEI Munian to suddenly pull her clothes. She thought that PEI Munian was going to do those unbearable things to her again and use money to humiliate her wantonly. Her whole body suddenly quivered and she grabbed PEI Munian's hands with both hands. She shook her head hard and blurted out, "no, I don't want your money anymore. I don't want to make that kind of deal with you again!

PEI Munian's hand movements suddenly paused, and her black eyes looked at her coldly, as if there was a turbulent undercurrent in the bottom of her eyes.

Su Wanwan's heart trembled badly, but she still forced herself to remain calm. She organized her words a little, swallowed her saliva, and said in a low voice, "I've already discussed cooperation with other companies to develop the company's projects together, so I hesitated.

Although she had yet to agree to work with Gong Lingyu, she would still think of other ways even if she did not work with the Gong Corporation. No matter what, she would not make a deal with him again.

Su Wanwan's words paused for a moment, her hands clenched tightly and she continued to finish the rest of her words, "so, so I don't need your money. Let's clear up the deal between us and end it here.

I don't need your money.

The deal was over!

When PEI Munian heard su Wanwan's words, it was as if she had heard a big joke. He actually laughed out loud.

"You've already discussed cooperation with other companies? Which company? The gong family? Talk to Gong Lingyu? Are you using your body to talk to him again? Now that you have him, you're trying to get rid of me?"

The bottom of PEI Munian's eyes was cold and her whole body was shrouded in a huge haze. The hand that grabbed her shoulder seemed to want to crush her bones. su Wan, what do you take me for? You'll use them when you can, and ignore them when you can't?"

Su Wanwan was stunned by PEI Munian's sudden words and anger.

She did not expect PEI Munian to know that she was with Gong Lingyu last night. She also did not expect that he would think of her in such a bad way.
