He wasn't as helpless and blank-headed as Gong Lingyu when he approached her. Instead, she only felt uncomfortable and flustered, and she wanted to avoid him.

However, she could not avoid doctor Xu's kiss. Since she had chosen him, she had to accept him.

Yu Jia restrained his desire to run away and closed his eyes hard. He clenched his hands even more tightly.

The man was getting closer and closer, so close that Yu Jia could feel his lips right in front of hers. In the next second, he would touch her lips. Her heart was almost at its highest point.

Someone suddenly knocked on the door, and Dr. Xu subconsciously stopped and turned to look at the door. From the corner of his eye, he saw Yu Jia letting out a sigh of relief.

Doctor Xu's eyes darkened.

Yu Jia opened his eyes and looked at the door as well. He asked in confusion, "Who is it?" "I'll go and take a look!" He said to doctor Xu.

She pushed doctor Xu's hand away without a trace, stood up, and walked towards the door.

As soon as she opened the door, she saw Gong Lingyu standing there with an angry face. Yu Jia twitched the corner of her lips speechlessly. why haven't you left yet? "

Gong Lingyu grabbed Yu Jia's wrist and dragged her out of the room despite her struggle. He then glared at her and said, "Yu Jia, do you know you hurt me? My calf is in so much pain that it feels like it's going to break. You have to accompany me to the doctor now!"

".....?"Yu Jia sneered. you deserve it. What does it have to do with me? " Don't pick a fight, or I'll really break your leg!"

Yu Jia wanted to pull her hand back, but Gong Lingyu wouldn't let go. She gritted her teeth and lifted her foot. Gong Lingyu was so shocked that he dodged backward and loosened his grip a little. Yu Jia shook his hand off fiercely, pushed her back into the room, and slammed the door again.

Gong Lingyu stood there, staring fixedly at the tightly shut door. He was so angry that he pounded on the door again.

It was definitely because the atmosphere just now was too good and he was infected by the happiness between PEI Munian and su Wanwan. That was why his mind was not clear for a moment and he thought that he liked Yu Jia.

She was violent, not gentle, not pretty, had a huge appetite, and was even fiercer than men when she drank. What did he like about her?

He was definitely not clear-headed right now. He was only temporarily bewitched. Yes, that was definitely the case!

That was why he didn't care about Yu Jia being alone with another man in the room. He didn't care what they were going to do in the room. He had nothing to do with anything that happened to her!

Hmph, she didn't need him to care. He didn't care! When she suffered a loss at the man's hands, she just had to stop crying and come to him!

Gong Lingyu gritted his teeth, turned around, and returned to his room, slamming the door shut.

—

Yu Jia returned to the room and looked at Dr. Xu sitting on the sofa. She explained uncomfortably, "it's Yingluo and Gong Lingyu. He has nothing to do after eating, so he likes to find trouble. I've already chased him away."

Doctor Xu smiled but did not say anything.

The atmosphere suddenly became a little awkward. Yu Jia's Black eyes turned left and right. She opened her mouth as if she wanted to say something to ease the tension, but she didn't know what to say.

In the end, it was Dr. Xu who spoke. aren't you going to turn on the hot water for me? "

Yu Jia nodded quickly. yes, you're going to take a shower, aren't you? I'll go and play it for you now."
