"Bang Bang Bang."

A hurried knock on the door suddenly sounded, and the two people were so shocked that their eyes immediately recovered from their dazed state and they stopped moving.

Doctor Xu glanced at the door and said, "Did you order anything else?"

Why the hell did he call Yingluo? who else could it be other than that bastard Gong Lingyu to knock on the door at such an inappropriate time? She would never let him ruin her plan tonight!

no, you must have knocked on the wrong door. We'll just ignore you.

Doctor Xu smiled. okay.

"Shall we continue then, Yingluo?"

Yu Jia's voice was low, and her cheeks were slightly red. Although it was a bit unreserved of her to take the initiative to say these words, she couldn't care so much at the moment. She wanted to end the battle as soon as possible.

Dr. Xu's smile widened. He didn't say anything but got up, took Yu Jia's hand, and pulled her up. Then, he put one hand around Yu Jia's waist and the other hand on the back of her neck. He slowly lowered his head and searched for Yu Jia's lips with his thin lips.

Yu Jia quickly closed his eyes, and his hands clenched unconsciously, the veins on the back of his hands popping out.

However, the knocking on the door sounded again, louder and longer than before. It continued, as if it would not stop until the door opened.

The atmosphere was instantly ruined. Doctor Xu's lips were only a little bit away from Yu Jia's, but he was forced to stop.

".....?"

".....?"

Dr. Xu and Yu Jia looked at each other, speechless.

A moment later, Dr. Xu let go of Yu Jia and stepped back. "Let's go and take a look. Maybe it's an emergency."

Yu Jia nodded with a smile. wait for me.

However, the moment she turned around, the gentle smile on her face immediately disappeared, and a thin layer of ice quickly covered her beautiful face. She bit her lip hard with her pearly white teeth, and her eyes turned cold. Gong Lingyu, you're dead!

She stomped to the door angrily and pulled it open.

As expected, Gong Lingyu's tall figure was standing there with his hand still hanging in the air. Seeing this, Yu Jia's anger exploded at that moment. He couldn't help but growl, "Gong Lingyu, you're so stubborn."

However, before she could finish her sentence, Gong Lingyu had already said, "I'm not looking for you. I'm looking for doctor Xu!"

Before Yu Jia could react, he pushed Yu Jia to the side and squeezed into the room. He saw the awkward atmosphere in the room and gritted his teeth. Then, he saw Doctor Xu sitting there drinking red wine. He forced a smile and walked toward him.

you guys are so mean. We're all friends here, but you guys didn't call me when you were drinking!

After Yu Jia came back to her senses, she quickly turned around and ran back to her room. She grabbed Gong Lingyu and asked, "what are you doing here? Get out!"

"I said I'm not here for you." Gong Lingyu shook Yu Jia off and strode forward. He sat down on Yu Jia's seat and picked up Yu Jia's glass of red wine. He drank the red wine in one gulp and clicked his tongue as he savored the aftertaste. However, he shook his head and said, "this wine is just average. It's not very good to drink it. Dr. Xu, it's rare for you to come over to play. As a friend, I have to treat you well. How about this? I know a bar nearby. The wine there is good. Let's go out for a drink."

Yu Jia was so angry that she laughed at Gong Lingyu's mumbling. Her face darkened and she said coldly, "
