Su Wanwan's heart immediately hung in the air and she unconsciously held her breath, thinking that she couldn't escape from PEI Munian's evil claws, but he didn't do anything to her. She didn't know when his hand had produced an ointment and then unscrewed the lid.

Su Wanwan looked at him in surprise. What is this? "

"Medicine,"

"Medicine? What medicine?"

PEI Munian didn't answer, but su Wanwan quickly knew what medicine it was. PEI Munian squeezed some ointment on her finger, then directly separated her legs and applied it to a certain place.

Su Wanwan's whole body was like being struck by lightning. She suddenly clamped her legs together, but she felt his fingers teasing her cheeks. She forcefully grabbed PEI Munian's hand and pushed him away. She shrank back into the quilt and said hatefully, " "Niannian, you're flirting with me, you're obscene!"

"Obscene?"

PEI Munian did not know if she should be angry or laugh at this inexplicable accusation. Wanwan, I was too tired last night, so you're a little injured there. That's why I needed to apply the medicine.

To think that he could still say these words in such a serious manner! Wait, Wuwu

"You, where did you get the medicine?"

"The pharmacy."

"Then you, how did you know what medicine to use?"

"I asked Yu Jia. She's a gynecologist, so she knows about this."

Yingluo, I don't want to live anymore. Don't stop me, I want to jump into the sea!

It was so embarrassing. Now Yu Jia knew what they had done. How could they be injured? Oh my God!

PEI Munian looked at her embarrassed look and gritted her teeth. Her smile widened. before you jump into the sea, you should apply the medicine first.

"Get lost, I don't want to see you, you're so annoying!"

Su Wan burrowed into the blanket and wrapped herself tightly inside, but PEI Munian effortlessly pulled her blanket away and pressed her down on the bed.

His breathing was a little breathless, and his hot breath sprayed on her face. He said in a hoarse voice, " Wanwan, I'm warning you. Don't move around. Otherwise, I don't mind applying the medicine for you using another method.

Another way?

Su Wanwan's thoughts unconsciously followed the hint in PEI Munian's words and then thought of some indescribable scenes. Her body trembled slightly and she stopped moving.

PEI Munian caressed her face in satisfaction and said gently, " good girl.

Su Wanwan lay there, trying her best to ignore the movement of his fingers. She bit her lower lip hard, not letting herself make any strange sounds. PEI Munian didn't have any other thoughts at first, but when she saw her like this, she couldn't help but have some teasing thoughts.

He deliberately slowed down the application of the medicine and applied it one by one. Su Wanwan's breathing slowly became heavy. Her hands couldn't help but clench the bed sheet under her body and she bit her lower lip even more tightly.

The corners of PEI Munian's lips curved and her fingers slightly slid over a certain place. Su Wanwan suddenly gasped. When her eyes swept over PEI Munian, she saw the smile on his lips and knew that he did it on purpose. She was so angry that she raised her foot and kicked PEI Munian ruthlessly.

PEI Munian dodged it quickly. Su Wanwan rolled up from the bed and threw a punch at him again. bastard, you did it on purpose!

He let her hit him as she wished. He stretched out his long arm and pulled her into his embrace. He said in a smiling voice by her ear, " Wanwan, you can't blame me. Who asked you to be so charming? "

"You're the one who's a bastard, and you still want to blame it on me?" Su Wanwan used both her hands and feet to hit him.

"Alright, alright, alright. I was too much of a bastard, alright?" PEI Munian's Black eyes swept over su Wanwan. Her bathrobe fell down again, and her fair skin was completely exposed. He narrowed his eyes and said pointedly, " maybe I'll have an even more Rascal Yingluo later.
