Ning Jingting was inevitably a little disappointed, but she concealed it very well. She curved her lips, took su Wanwan's arm, and led her to the dining table. sister Wanwan, I was so worried that you wouldn't come.

"How could I? I promised you that I would come."

Su Wanwan looked sideways at ning Jingting. The her today was very different from the her that day. That day, she was in such a sorry state that she didn't pay much attention to how she looked. She only knew that she was quite delicate and beautiful. But today, she obviously dressed up deliberately. Her facial features were exquisite and her makeup was charming. Especially her big eyes, when they blinked, they were very lively and actually somewhat similar to her.

Ning Jingting led su Wanwan to her seat and then looked at PEI Munian. Mr. PEI, please sit.

PEI Munian walked straight over, pulled out the seat next to su Wanwan, and sat down.

Ning Jingting lowered her eyes and smiled. She sat down opposite them and said to the waiter, "The dishes can be served now."

"Yes, miss ning. Please wait a moment." The waiter left respectfully.

The red wine had already been opened and poured into a crystal glass. Ning Jingting raised the glass and toasted them, saying softly, " sister Wanwan, Mr. PEI, I'd like to propose a toast to you two. Thank you for saving me that day. Otherwise, I don't know what would have happened to me.

don't mention the past. You'll be blessed after surviving a great disaster!

Su Wanwan also picked up her crystal glass and clinked it with ning Jingting's. Ning Jingting's gaze couldn't help but turn to PEI Munian. PEI Munian raised her hand and picked up the crystal glass but didn't clink with her. Instead, she directly poured the red wine in the glass into su Wanwan's glass and said lightly, " my wife represents me.

The smile on ning Jingting's lips froze for a moment, but she quickly regained her smile. Mr. PEI and sister Wanwan are so close.

Su Wanwan reproached and glared at PEI Munian. niannian, you actually want me to drink on your behalf? "

"Miss ning wants to thank you for saving her life, and you want to thank me for saving my life. Naturally, you should drink." PEI Munian's tone was still indifferent. It was just a simple sentence, but she had already cut off all connections.

Ning Jingting's eyes darkened. She took a sip of red wine, but it was bitter. She shouldn't have thought about it, but she couldn't help but test it out.

The waiter pushed the door open and entered. He served the special steaks to the three of them and placed the other side dishes on the table.

PEI Munian first laid out a napkin for su Wanwan out of habit. Su Wanwan returned a smile. He retracted his hand, picked up a knife and fork, and cut the steak into small pieces. Then, he picked up his own plate and placed it in front of su Wanwan. He then changed the plate in front of her to his side.

“Let’s eat,”

“Yes.”

These two simple words were filled with deep love. It was a space that no one could interfere with.

Ning Jingting laughed at herself and finally broke her false hope. If only she had known this man earlier. Could she be the one he was so deeply in love with?

PEI Munian’s phone suddenly rang. He glanced at it with his dark eyes and his eyebrows moved slightly. He made a gesture to su Wanwan, then got up and walked towards the floor-to-ceiling window with his phone.

After picking up the phone, he listened to the conversation on the other side and his eyes suddenly darkened.
