"What's going on?" His voice was deep and a little worried. is it serious? "

"Okay, I know."

"Book the earliest flight for me. Yes, sure."

After hanging up the phone, PEI Munian strode back. Su Wanwan saw that his expression was not good and the smile on her lips couldn't help but fade. niannian, what's wrong? "

PEI Munian did not answer. Wanwan, " she said, " we have to go back immediately.

"Ah?"

PEI Munian directly pulled su Wanwan up. She held her hand with one hand and picked up her bag with the other. Then, she said to the surprised ning Jingting, " miss ning, thank you for your hospitality. I have something urgent to attend to, so I have to leave now.

After saying that, without waiting for ning Jingting's reaction, he pulled su Wanwan out of the private room.

Ning Jingting was stunned in her seat for a few seconds before she suddenly reacted. She quickly got up and chased after PEI Munian, calling out to her, " "Mr. PEI, I'll get the driver to give you a ride."

"No need,"

PEI mu didn't even turn back and took su Wanwan far away.

Ning Jingting stood rooted to the ground, staring at PEI Munian's gradually disappearing figure. The light in her eyes dimmed, and her beautiful face could not hide her disappointment.

If Yingluo had the chance to meet him again, perhaps she wouldn't give up so easily?

Su Wanwan didn't react until PEI Munian shoved her into a taxi. niannian, what happened? "

After PEI Munian told the taxi driver the address of the hotel, she turned to look at su Wanwan. Her voice was a little low and deep. something happened to mom.

Mom?

Su Wanwan blinked and was slightly shocked. She originally thought that PEI Munian meant to go back to the hotel. It turned out that she was going back to China. It was just that she didn't expect that something would happen to Mrs. PEI.

"What happened to mom?"

she suddenly fainted while shopping at the mall today. She's been sent to the hospital now. The specific situation is still unclear, but the doctor's preliminary judgment is that she needs surgery.

After the operation, Hanhan was definitely not a small illness. Su Wan's heart couldn't help but clench. She quickly held PEI Munian's hand, not knowing if she was comforting him or herself. it's okay. Mom will definitely be fine. Don't worry.

PEI Munian's lips curved up, but the smile didn't reach her eyes. Seeing su Wanwan's worried and nervous appearance, the hand holding his hand was cold. He raised his hand and pulled her into his arms, saying hoarsely, " you look even more nervous than I am. Don't worry, I'll be there for you, okay? "

"Yes."

Su Wanwan leaned into PEI Munian's arms, stretched out her arms, and hugged him tightly.

After returning to the hotel, PEI Munian and su Wanwan packed their luggage. Su Wanwan knocked on Yu Jia's door and told her that she and PEI Munian had an urgent matter and needed to return to China. She could stay here for a few more days. After all, Dr. Xu had just arrived.

Yu Jia nodded and told her to be careful and to call if anything happened.

After saying goodbye, PEI Munian took su Wanwan out of the hotel and the car sent them to the airport. Along the way, PEI Munian's phone calls kept coming. Su Wanwan looked at his face that was getting more and more serious. Her whole heart was hanging high and she couldn't relax at all.

Mrs. PEI's health had always been healthy. For her to suddenly fall ill at this time, it was very likely because of her and PEI Munian's matter. Please don't let anything happen to her, Yingluo.

After PEI Munian hung up the phone, su Wanwan quickly asked about the situation. how is mom now? "
