"Mom, have a good rest. I, I'll be leaving first. I'll come to see you next time."

As soon as her words fell, without giving PEI Munian any time to react, su Wan quickly turned around and walked towards the door of the ward in a hurry.

However, just as she reached the door, she heard Mrs. PEI's anxious voice from behind her. Munian, where are you going? "

Su Wanwan was stunned. Then, she heard the footsteps behind her getting closer. Her hand was held by a warm big palm. The man stood beside her and said without turning his head: mom, you've just finished your surgery. Have a good rest first. I'll send Wanwan home and come to see you later.

"PEI Munian!"

Mr. PEI's voice was filled with anger. His eyes were dark and filled with anger. your mother is still lying weakly on the hospital bed, but you only think of this woman? " he asked.

Su Wanwan said to leave first just now because she didn't want PEI Munian to have a conflict with her parents again. After all, Madam PEI had just finished her operation, but she was hesitant.

Su Wanwan forcefully broke free from PEI Munian's hand and lowered her voice to his ear, " "Niannian, I can go back by myself. You stay here with dad and mom. Don't make things unpleasant because of me."

it's fine. It's late now. I'll send you back first.

PEI Munian turned around and looked at her parents. dad, mom, Wanwan and I will be leaving first.

"PEI Munian!" Father PEI scolded again.

However, PEI Munian only nodded at him, then took su Wan's hand and led her out of the ward.

Father PEI was so angry that his chest heaved up and down. He lost his balance and staggered a few steps. Xi Zhiwei, who was beside him, quickly reached out to support him. uncle, are you alright? "

"This unfilial son!" Father PEI said hatefully, " you and Lihua are right. Su Wanwan, this woman, will only make Munian lose his mind. Look at what he's become now? "

"Uncle, don't be angry. Take care of yourself. Auntie still needs you to take care of her. Don't worry, I'll talk to brother mu Nian and make him come back."

"Alright, you can go now."

Xi Zhiwei helped father PEI to sit on the sofa, then let go of him and ran to the door of the ward.

PEI Munian and su Wanwan had already walked to the elevator and were waiting for the elevator. Su Wanwan was worried and hurried. niannian, you should go back. Dad and mom must be very angry. Didn't the doctor say that? " Mom can't be agitated now."

"If I'm here, mom will only be more agitated. When she calms down, I'll come over to accompany her. She'll be fine now, don't worry."

"Niannian Yingluo."

The elevator door opened. PEI Munian was about to walk in with su Wanwan in her arms when a voice came from behind. brother Munian, wait.

The two people's footsteps paused slightly. Su Wan reflexively turned her head back. Xi Zhiwei caught up from behind and stood two steps behind them. Her black eyes stared fixedly at PEI Munian's figure, and there was an unconcealable deep love in her eyes. brother Munian, are you really going to leave like this? "

That day, su Wanwan was at the entrance of the PEI family's old house. When her car passed by Xi Zhiwei's car, she saw that Xi Zhiwei's face was slightly pale and looked sick. During the operation, she was only worried about Mrs. PEI and didn't pay much attention to su Wanwan. Now, at a glance, her face was even paler than that day, almost without any blood. She looked like she had no spirit and was on the verge of collapse.
