PEI Munian took the phone and looked at the caller ID without answering.

Su Wanwan borrowed the light from the phone screen and saw that PEI munianjun's expression was a little heavy. She couldn't help but say: "Did you call from the hospital? Could something have happened to Xuxu's mother again?"

"Don't worry, continue sleeping." PEI Munian consoled her, then lifted the blanket and got out of bed, walking towards the balcony.

Su Wanwan's eyes were half-open and half-squinted as she stared at his back.

He quickly turned back and saw su Wan struggling to wake up. He quickly said: "It's nothing. Go to sleep."

"Are you really fine?"

"Yes, I'm fine."

PEI Munian sat by the bed and patted her back gently, as if coaxing her. go to sleep.

Su Wanwan was already sleepy. His hand stroked her back again and again, so gentle, with an endless sense of security. In just a few minutes, su Wanwan fell asleep again.

As her consciousness blurred, she seemed to hear PEI Munian getting up. After the sound of her clothes being put on, she heard his footsteps getting further and further away, and then the sound of him gently closing the door.

Niannian went out in the middle of the night. Did she go to the hospital? Or was she dreaming?

Su Wanwan wanted to open her eyes to take a look, but she couldn't resist her dazed consciousness. In the end, she completely fell into darkness.

The next day, the sun shone into the bedroom at an angle. A few rays of light mischievously fell on her eyelids. Her long, curly eyelashes trembled slightly and su Wanwan slowly opened her eyes.

She subconsciously looked up and PEI Munian's handsome face was reflected in her eyes. Her lips curled up and her arms and legs were wrapped around his body, rubbing against him slightly.

What you think in the day, you will dream of at night. Last night, she actually dreamed that he went to the hospital. Since he didn't go, then Mrs. PEI should be fine, and she was relieved.

But the strange thing was, why did Yingying still feel a little cold after sleeping for an entire night?

L city was not like the Maldives. It was already autumn here and the temperature had dropped. She had to be careful not to catch a cold.

Su Wanwan hugged PEI Munian even tighter, trying to transfer her body temperature to him and let his body warm up. Suddenly, a low, hoarse, and lazy voice came from above her head. why are you so proactive? ”

Su Wanwan raised her head. She didn't know when PEI Munian had woken up. There wasn't much confusion in her eyes from just waking up. Instead, they were clear. Su Wanwan was stunned and then quickly explained, ” “What initiative? I'm just worried that you'll be freezing.”

“Oh? Are you worried that I'm cold?”

PEI Munian raised her eyebrows, turned over, and pressed su Wanwan's soft body under her. She smiled evilly. but your method can't keep me warm. Why don't we change to another kind of Kasaya? ”

As soon as she finished speaking, PEI Munian's kiss also fell. Su Wanwan was stunned for a few seconds and repeatedly dodged. It wasn't that she was unwilling, but this was not the right time.

Su Wanwan pushed PEI Munian a few times and said, ” stop fooling around. Let's quickly get up and wash up. We'll go to the hospital to see mom.

Yesterday, PEI Munian had brought her away. Her parents must have been unhappy the entire night. She did not know if they had rested well. She had to hurry to the hospital to have a look.

PEI Munian didn't really have that intention, so she let go of su Wanwan. He propped up his body, his big palm gently caressed su Wanwan's cheek, and said in a hoarse voice, ” Wanwan, don't mind what dad and mom say. What you care about, just me alone is enough, okay? ”
