951 Let's see who will have the last laugh (7)

Su Wanwan's heart was filled with warmth. Yes, how could Huahua and niannian not believe her? It was as if she trusted him.

They had missed each other for so many years because they didn't trust each other. They couldn't make the same mistake again!

"Yes, yes." Su Wanwan nodded hard. niannian, go do your work. Don't worry about me. I will take good care of myself.

PEI Munian smiled and pulled her into her arms.

After leaving the hospital, PEI Munian wanted to send her back to the villa, but his phone rang. Assistant Wu called to inform him that he had an emergency meeting. Su Wanwan quickly said, "Niannian, you don't have to send me. You can go to the company. I can go back by myself."

PEI Munian pondered for a moment and nodded. alright then. Be careful.

"Yes."

Su Wanwan stood there and watched as PEI Munian's car slowly drove away and disappeared into the traffic. She then retracted her gaze and was about to reach out to hail a taxi when a car drove over and stopped in front of her.

The car door was pushed open and Xi Zhiwei came out.

Su Wanwan looked at Xi Zhiwei with slight surprise. Yesterday, she still had a sickly look and her face was pale. Today, it was as if she had recovered overnight. Her entire person was radiant and no longer had the lifelessness of yesterday.

Su Wanwan looked at her face carefully. Although she had put on a little makeup, the spirit between her eyebrows couldn't be put on by makeup.

What was going on? She had not recovered from her illness for so many days. How did she recover completely in just one night?

When Xi Zhiwei saw su Wanwan, her lips curved and she walked towards her with her head held high. She stood in front of her and sneered. su Wan, your skin is really thick enough. Auntie already said that she doesn't want to see you, but you still came to the hospital. Why? Do you think that Auntie will accept you again? Can you keep your position as the PEI family's young Madam like this?"

Su Wanwan was still confused when she heard Xi Zhiwei's sarcastic words. She lazily opened her eyes and said in a faint voice, "I'm mom's daughter-in-law. It's only natural for me to come to the hospital to visit mom. But you, an outsider, come so often. What's wrong? Do you think that by pleasing mom like this, you can interfere in my marriage with Munian and be a shameless third party?"

Xi Zhiwei's ridicule, su Wanwan threw it back indifferently, causing her face to turn green and white. you're teasing.

Her chest heaved up and down violently. Xi Zhiwei's hands clenched tightly and her black eyes glared at su Wan. But very quickly, she seemed to have thought of something and slowly smiled. who is the outsider, it's not certain yet.

Su Wanwan's eyebrows slightly furrowed. What did she mean?

She recalled the words she had said to PEI Munian when she had chased after her yesterday. if you get together with her like this, what about me? " Now, he's saying such fanciful words again.

No, no, no, she could not be bewitched by Xi Zhiwei. Niannian had said that he had nothing to do with Xi Zhiwei, so there was absolutely nothing between them. No matter what others said, she only needed to believe in niannian.

"I'm sure that you'll be an outsider forever!"

Su Wanwan said word by word firmly. The smile on Xi Zhiwei's lips froze a little. She no longer paid attention to her and walked forward. When she passed Xi Zhiwei, she even bumped into her shoulder.

Xi Zhiwei staggered a few steps and gritted her teeth in anger. She turned around and stared at su Wanwan's back as she left, her hands clenched tightly.

Su Wanwan, let's see who can laugh to the end!
