However-in the next second, her face was pulled back by that hot big palm. PEI Munian's kiss became more and more entangled. Su Wan panted and-small voice came out of her mouth- nianqian, niannian-don't you want to take it-do you want to take it? "

PEI Munian did not reply and only used her actions to answer her.

His kiss deepened, and his lower body moved faster and faster. The pain and discomfort slowly disappeared and was replaced by an inexplicable pleasure. She couldn't help but hug the man tightly, and she was slowly immersed in him.

After an unknown amount of time, everything finally calmed down. PEI Munian was still on top of su Wan, gasping for breath. Su Wanwan's mind was blank and her eyes were in a daze for a long time before they gradually became clear.

They snuggled up to each other like this and felt each other's body temperature and heartbeat, which made su Wanwan feel even more attached. Her head rubbed against PEI Munian's shoulder.

When she moved like this, PEI Munian snorted softly. Then, su Wanwan felt something in her body reignite and she couldn't help but stare.

Wasn't PEI Munian busy with work every day? How could he still have so much extra energy?

Su Wanwan didn't have time to protest when PEI Munian quickly said in her ear, " Little Vixen. Then, he covered her lips with his again and started a new round of their journey.

The two of them continued to pester each other. Su Wanwan didn't know how many times she had been on the verge of death. When it finally ended, she was so sleepy that she couldn't open her eyes. As soon as PEI Munian got down from her, her head tilted, she lost consciousness and fell into a deep sleep.

PEI Munian lay on the side for a moment. She turned her face and looked at su Wanwan. The yellow light shone on her delicate face. At this moment, she was shockingly beautiful.

PEI Munian propped her body up and caressed her face with her large palm, her lips curling into a smile.

As expected of a Little Vixen, once Yingying touched her, all her self-control turned to zero, and she only lost control.

But his Wanwan was so charming.

Her forehead was beautiful, her eyes were beautiful, her nose was beautiful, and her red lips were even more beautiful. He lowered his head and kissed each and every one of them before he got up.

After helping su Wanwan clean her body, he moved her body to the middle of the bed, pulled the quilt over her body, and carefully covered the corner of the quilt.

He sat quietly by the bed and looked at her for a long time. Then, his gaze moved to the phone on the bedside table. He picked it up, unlocked the screen, and saw the missed call on it. The light in the bottom of his eyes was dark and gloomy.

When su Wanwan woke up, PEI Munian was already gone. She touched the space beside her longingly and couldn't help but sigh. She didn't know when he would be back next time.

But she missed him so much, even if she had just seen him last night, even if they had been so intimate last night.

Su Wanwan was depressed for a while. She got up and washed up. When she went downstairs, she smelled a fragrance. She followed the smell to the kitchen and saw aunt Wu busy. She couldn't help but say: "Auntie Wu, what are you cooking? It's so fragrant?"

Auntie Wu replied with a smile, " young Madam, I'm making soup. The weather is getting cold today. Have some soup to warm your body.

Su Wan nodded her head and suddenly thought of something. She said: "Then cook more. I want to take it to the office for niannian. He's been so busy recently, he must not have had a good meal."

Su Wanwan came out of the kitchen, took out her phone, and called assistant Wu!
