

Deeply 963

963 Who's that on the phone (9)

The woman on the phone was clearly not Xi Zhiwei. Why would PEI Munian's car be here? Or did this woman just happen to live in this building?

However, if PEI Munian really wanted to keep a mistress in her house, why would she be so foolish as to hide beside someone she knew?

Perhaps she was mistaken about Yingluo? Just from the unfamiliar female voice on the other end of the phone, she thought that there was something unspeakable between PEI Munian and this unfamiliar woman. Perhaps this unfamiliar woman just happened to help her pick up the phone and the person on the phone was Xi Zhiwei?

After all, Xi Zhiwei had so many assistants around her. If she was busy, it was possible for her to help her answer the phone.

After so many twists and turns, was it still Xi Zhiwei?

Su Wanwan's body couldn't help but tremble and the light in her eyes shattered bit by bit.

If it had been any other woman, perhaps she would not have suffered such a huge blow today. However, Xi Zhiwei was the one who had ridiculed PEI Munian. She clearly knew how much PEI Munian hated her and how much she hated her.

After she made up with PEI Munian, she had wanted to tell him countless times that their child was killed by Xi Zhiwei. However, Wanwan had no evidence, so every time the words reached her mouth, she swallowed them back.

But she had never hidden her dissatisfaction with Xi Zhiwei. He knew it.

Why did Xi Zhiwei call him so frequently, even in the middle of the night? she had disturbed them time and time again, but he let her do as she pleased? He said that he had nothing to do with Xi Zhiwei. Was this how he looked like?

He had been so cold to Xi Zhiwei in front of her. Was he just putting on an act for her to see?

That's right, Xi Zhiwei, that child, what Xi Zhiwei said about that night, and then he wanted to marry Xi Zhiwei, he had never explained anything. Did he ever have feelings for Xi Zhiwei, or did he still have feelings for her?

Perhaps this was the reason why she could not tell him about the child. She was not sure what his attitude towards Xi Zhiwei was.

While she was still in a daze, PEI Munian had already gotten out of the car and was walking towards the apartment.

Su Wanwan sat in the car in a daze and watched as PEI Munian's tall figure slowly disappeared behind the door. She wanted to chase after her and ask her about it, but her whole body seemed to be nailed to the seat and she couldn't move.

She was afraid that if she caught up, she would see an unacceptable scene or hear something unacceptable.

She still couldn't let go of what she had seen and heard at the door of her office a year ago. She had thought that she had forgotten about it, but now that it had suddenly surfaced in her mind, it was so clear.

Unable to catch up, but unwilling to leave like this, Su Wanwan sat there stiffly.

The sky slowly darkened and time passed by. Su Wanwan moved her stiff eyes and picked up her phone to look at the time. PEI Munian had been online for almost an hour and still hadn't come down.

He couldn't be urging her to stay here the entire night, right?

Su Wanwan's hand that was holding the phone unconsciously tightened, the veins on the back of her hand popping out one by one. No, she absolutely couldn't tolerate it!

In the past, her relationship with Niannian wasn't good. Now that they loved each other and had opened their hearts to each other, how could she let Xi Zhiwei continue to stand between them?

What was Niannian hiding from her? she couldn't run away like before, she couldn't be an ostrich anymore!
