

## Deeply 964

964 Who's that on the phone?(10)

Her pearly white teeth bit her lower lip hard. Su Wanwan closed her eyes and opened them again. A touch of determination flashed in the bottom of her eyes. She still believed in PEI Munian's feelings for her and she might not have lost the game.

Su Wanwan pushed the door open and got out of the car. She lifted her feet and walked towards the apartment step by step.

Xi Zhiwei's apartment was on the fifth floor. She pressed the button for the elevator and walked in. She pressed the fifth floor button and looked up at the number above her head.

One, two, three, four, five.

With a ding, the elevator door opened. Su Wanwan took a deep breath and walked out.

There were only two households on this floor, one on the left and one on the right. She judged based on the position of the balcony. Xi Zhiwei's apartment was on the right, so she walked towards the right.

when she reached the door, su wanwan stared at the door for a few seconds. she was still a little afraid in her heart and even retreated. who knew what she would see after the door opened?

What if Wanwan was behind this door and PEI Munian was doing the same thing to Xi Zhiwei? Maybe he was hugging Xi Zhiwei, maybe he was kissing her, maybe he had a deeper connection with her.

In the past, she had seduced him and teased him, but he could endure it. Was it because he was with Xi Zhiwei?

She knew that she shouldn't be thinking about such things, but those terrible thoughts still emerged uncontrollably.

Su Wanwan shook her head hard and cut off those thoughts. The hands hanging on both sides of her body clenched hard and suppressed the hesitation and uneasiness in the bottom of her heart. She slowly raised her hand and knocked on the door.

You said you would face it, so don't run!

Su Wanwan knocked for a long time and finally heard footsteps from behind the door. Then, a voice sounded, " who is it? "

This voice didn't sound like Xi Zhiwei's. Was it the nanny or assistant she hired?

Su Wanwan pinched her throat and replied, " "A delivery man."

There was a pause on the other side. Then, su Wanwan heard the sound of a lock being unlocked. The door was slowly pulled open from the inside. A woman around the age of 30 stood at the door.

Su Wanwan's Black eyes quickly swept over her. She also looked at su Wanwan and frowned doubtfully. you're a delivery boy for ran ran? "

The beautiful woman in front of him was dressed exquisitely and had an outstanding temperament. She didn't look like a delivery man at all.

Su Wanwan quickly reacted. While she was still in a daze, she raised her hand and pushed her slightly, then strode into the room.

"Hey, what are you doing? Why did you just come in?" That woman cried out in alarm and quickly reached out to grab her. Su Wanwan dodged and sped up to run to the living room. There was no one in the large living room. She swept her gaze to the balcony and there was still no one. She raised her feet and ran towards the room.

"Hey, stop right there! Who are you? How can you break into private property? if you don't stop, I'm going to call the police!" The woman chased after su Wanwan, trying to catch her. Su Wanwan deftly scuttled around.

She did not see PEI Munian or Xi Zhiwei in the two rooms on the first floor either. She could not help but look at the stairs.

This was a compound apartment, and there was one floor above. Could they be upstairs?

Su Wanwan thought about it and ran towards the stairs again. Dong Dong Dong, she ran up. As soon as she reached the second floor, she saw PEI Munian's tall and handsome figure on the balcony.

Perhaps he was disturbed by the noise downstairs, he was walking back from outside to see what was going on.

As soon as he raised his eyes, he met su Wanwan's dull and shocked eyes and his footsteps suddenly stopped.
