Before su Wan came at night, before she rushed into this room, when she couldn't find PEI Munian on the first floor, her heart couldn't help but float with a little joy. She thought that maybe ran ran's matter was not what she thought. Maybe PEI Munian just happened to come here for something and might not be here to find Xi Zhiwei.

However, the moment she saw PEI Munian, she realized how ridiculous she was.

There would always be a glimmer of hope that would unconsciously be magnified and find an excuse for him. In the end, reality would give him a tight slap.

Su Wanwan's feet were a little unstable and she staggered two steps. you're stunned.

"What are you doing here?" PEI Munian's shock flashed past, and her handsome face returned to its usual calmness.

Su Wanwan still looked at him in a daze. She really didn't expect that when he saw her here, his first question was actually to ask why she was here? Under such circumstances, how could he still ask this question so indifferently?

Su Wanwan's lips moved slightly and she was about to say something when a figure walked out of the room on the side. It was Xi Zhiwei.

She couldn't help but look over and saw that she was wearing a bathrobe. Her hair was slightly wet, and it was obvious that she had just taken a shower. Her face was a little pale, but there was also a hint of laziness, which made one's imagination run wild.

Just took a shower?

Su Wanwan's Black eyes suddenly widened and her black pupils suddenly contracted. Did they just do something?

When Xi Zhiwei saw su Wanwan, her eyes were also slightly surprised. However, they quickly disappeared and were replaced with a smile. sister Wanwan, why are you here? "

It was really the same words.

Su Wanwan's thin lips were tightly pursed and her hands were clenched tightly. Her sharp nails pierced her palms and there was a sharp pain. Her gaze was fixed on PEI Munian's face and she tried hard to control the trembling in her voice. She tried to make herself look calm so that she would not embarrass herself in front of Xi Zhiwei.

"Niannian, let's go home."

Even though she had so many things to say and ask, it was not the time to do so now, and not in front of Xi Zhiwei. There was no need for Xi Zhiwei to be here to see what was going on between her and PEI Munian. That was their own business.

"Ha."

Xi Zhiwei chuckled. She had really underestimated su Wanwan. She saw that PEI Munian was with her, but she could still be so calm. She didn't question PEI Munian at all and only asked PEI Munian to go home with her?

Indeed, without this little trick, how could she have made PEI Munian fall head over heels for her, forgive her time and time again, let her stay by her side all the time, and even fall out with her parents?

However, she would not give in again. She had waited for so many years, waited for so many years, and PEI Munian still could not see her. In that case, she should not be so passive anymore.

Su Wanwan was able to pursue PEI Munian. Wasn't it because she was shameless and unscrupulous?

She could do it, she could do it too, or even more!

Xi Zhiwei interrupted before PEI Munian could speak, "Brother mu Nian won't go with you!" As she said this, her dark eyes looked at PEI Munian, a hint of pity in her eyes. With her pale face, she had an irresistible charm. brother Munian, you promised me that you would stay with me tonight, right? "

He agreed to stay and accompany her? Did PEI Munian really say such things to Xi Zhiwei?

Su Wanwan stared at PEI Munian in disbelief. Her black eyes widened and her pearly white teeth bit her lower lip so hard that it almost bled.
