PEI Munian's brows furrowed without a trace. He didn't respond to Xi Zhiwei's words. Instead, he lifted his feet and walked towards su Wanwan. He held su Wanwan's wrist and pulled her downstairs.

Xi Zhiwei hurriedly took two steps forward and shouted at PEI Munian's back resentfully, " brother Munian, are you really leaving? You promised me, Yingluo."

PEI Munian's footsteps paused and su Wanwan's heart suddenly tightened.

Did he really want to stay? If he stayed, what would she be? What a complete joke!

Her relationship with PEI Munian was no longer the same as it was in the past. They loved each other deeply, but he was in another woman's room in the middle of the night. She did not know how she was suppressing the shock and anger in her heart. Now, her emotions were tense and every cell in her body was on the verge of breaking down. If he really agreed to stay, she did not know what would happen to her!

Seeing that PEI Munian had stopped in her tracks, Xi Zhiwei's eyes brightened and were filled with joy. She took a few more steps forward, raised her hand, and grabbed PEI Munian's arm. Her voice was soft and sweet as she said-" brother Munian, you won't leave, right, Huahua-"

Su Wanwan couldn't help but look sideways at PEI Munian. If he dared to promise Yingluo, if he dared to Yingluo ...

PEI Munian's eyes were dark and his handsome face was expressionless. He moved his lips and said slowly, " I'll send Wanwan home first.

First.

When this word entered her ears, su Wanwan thought she had heard it wrong. He didn't want to go home with her, but to send her home first. Then, if Wanwan sent her home, would she still come back here to accompany Xi Zhiwei?

Xi Zhiwei was a little unhappy. Every time su Wanwan appeared, it would affect PEI Munian's mood and affect him, making him ignore everyone else.

She pursed her lips and wanted to say something, but she swallowed her words.

Her black eyes swept over su Wanwan's pale face and the corners of her lips curled up slightly. She was also ridiculing her for fighting for this momentary anger? If he wanted to last long, he had to be patient.

She had endured it for so many years, was this moment really necessary?

Xi Zhiwei said considerately, " brother mu Nian, come back soon. I'll wait for you.

Come back early, I'll wait for you

Su Wanwan turned around and glanced at Xi Zhiwei. She saw the smug look in her eyes and then looked at PEI Munian's expressionless face. She felt that it was ridiculous, but the corners of her lips twitched. However, she couldn't curve it.

PEI Munian didn't respond. Without a word, she pulled su Wanwan down the stairs one by one. Su Wanwan resentfully let him pull her. They went downstairs and walked to the entrance. She changed out of her slippers and put on her leather shoes.

Su Wanwan's line of sight inadvertently swept over.

The dark blue slippers were obviously men's. She had also seen Xi Zhiwei's dark blue slippers earlier. They were of the same style and were women's.

The slippers are for couples? He already had his own slippers, which meant that he wouldn't just come here once in a while, but often?

In the year that she left, his relationship with Xi Zhiwei became closer, to the point that they were about to get married. She could understand why he came to her place, but now that Hanhan and the others had made up and there were no misunderstandings between them, they were truly in love. Then, no matter what happened between him and Xi Zhiwei, shouldn't Hanhan completely cut off all ties?
