The man's low voice suddenly sounded in her ear, with a hint of hoarseness. Wanwan, don't be angry. In the future, in the future, I'll tell you everything, okay? "

In the future? Who knew if it was an empty check? He had not told her anything about Xi Zhiwei!

However, she still couldn't help but ask, " when is the future? "

"It's in the future, Yingluo."

".....?"

She just knew it. Every time she played word games with her, su Wanwan angrily elbowed her back. PEI Munian snorted. Wanwan, are you trying to murder your husband? "

Husband?

Su Wanwan retorted without hesitation, " we still don't know whose husband he is? "

No wonder that day, Xi Zhiwei was so proud when she told her that it was not certain who was the outsider. Thinking of her face, su Wanwan couldn't help but be furious.

She quickly turned around from PEI Munian's arms and unceremoniously punched him. yes, it's best if I kill you and let you find another woman. And it has to be Xi Zhiwei! You know I hate her! Don't you know that she's a coward?"

She killed our child.

These few words were stuck in her throat, and she could not say them no matter what.

Damn it, without evidence, there was no way to say anything. Xi Zhiwei had planned this out, right? Therefore, every time he did something bad, he would be careful not to leave any traces.

She'd better pray that everything she did was perfect. Otherwise, if she caught her in the future, she would punish her!

PEI Munian did not Dodge and allowed her to hit her. Her large palm ruffled her hair and her voice was as gentle as water. hit her. Don't keep your anger in your heart. Let it out.

Bastard Qingqing

Su Wanwan grabbed PEI Munian's arm, gritted her teeth, and bit it without hesitation.

She bit su Wanwan without mercy. PEI Munian's brows were tightly furrowed and she groaned in a low voice, but she didn't pull her hand back or push her away. She let her bite until su Wanwan tasted a trace of blood in her mouth and then she let go.

The sulking in her heart dissipated a little, but su Wanwan still threw out a sentence, " don't think that I will forgive you like this!

She snorted and turned around, her back facing PEI Munian.

PEI Munian smiled helplessly and glanced at the bite marks on her arm. As long as she wasn't so lifeless and depressed, it was enough.

As the night grew deeper, the two of them in the bedroom slowly quieted down and fell asleep leaning on each other.

When su Wanwan was about to fall asleep in a daze, she vaguely heard her phone ringing. At first, she thought it was just her own illusion. It wasn't until she felt the person beside her move that her consciousness slowly returned.

When she was completely awake, PEI Munian had already stood up and picked up the phone.

It was unknown what the person on the other end said, but PEI Munian's lazy eyes suddenly became clear. As he spoke on the phone, he lifted the blanket and wanted to get out of bed.

Su Wanwan was completely awake now. She hugged the blanket and sat up, her black eyes fixed on PEI Munian.

There was no need to ask to know that it was Xi Zhiwei's phone.

She saw PEI Munian walking towards the changing room and her heart skipped a beat. PEI Munian couldn't be planning to go back to Xi Zhiwei's place at such a late hour, right?

Could she call him away with just one call?
