979 The responsibility I want is to get married (5)

Tonight?

Xi Zhiwei's eyes were not happy. They were still as dark as ever. Her voice was faint. only tonight? " What about tomorrow? What about the day after tomorrow? Brother mu Nian, you said you would take responsibility for me. Can you stay with me forever? I don't want to be alone."

"Come down first,"

no, you promise me first. Otherwise, you'll coax me every time and then disappear. I call you but you don't pick up, I send you text messages but you don't reply. I can't find you when I go to look for you. You only think of su Wanwan in your heart. You don't care about me at all. I've done so many things for you, how can you treat me like this? " The more Xi Zhiwei spoke, the more excited she became. Her voice became louder and her feet kept moving back.

The doctor below saw Xi Zhiwei's manic mood and nervously said to PEI Munian, boss PEI, why don't you agree to her request first? it's really dangerous to agitate her any further.

PEI Munian's dark eyes were dark and the light in them flickered. Her thin lips were tightly pursed.

Su Wanwan stared fixedly at PEI Munian's back and her heart was in her mouth. She finally understood why PEI Munian was unwilling to let her know about Xi Zhiwei. She was simply committing a crime while she was sick. If PEI Munian wanted to comfort her, she would inevitably say some things that would make her uncomfortable. It was better to hide it from her. At least she wouldn't have to worry.

Indeed, even in such a situation, a white lie was not wrong, but understanding was understanding. Who would be willing to listen to their man make a promise to another woman? Even if it was fake!

She didn't know how PEI Munian would answer Wanwan.

In the dark night, su Wanwan seemed to feel PEI Munian turning his face to look in her direction, but it was as if he didn't. Then, his thin lips opened slightly and he said in a low voice, " I will fulfill what I said. I will definitely get someone to treat you. You're not alone. You have all of us to accompany you.

Let's all cheer up

He really knew how to talk. Every time he said it, it was so watertight. Every time, she was deceived by him and gave birth to a ridiculous hope. She was tired of taking a step back like this every time.

"I don't want everyone. I only want you. Brother mu Nian, you promised to marry me. You said in front of my brother's grave that you would take care of me. You left me again and again for su Wanwan. I can't tolerate it anymore. I want you to fulfill your promise now!"

Xi Zhiwei's words, along with the wind, entered su Wan's ears one by one. Her whole body suddenly froze there.

She had always thought that PEI Munian had special feelings for Xi Zhiwei, so she was particularly tolerant and tolerant of her, allowing her to always come between them. Little did she know that their

relationship was also mixed with PEI Munian's promise to senior brother Xi and the so-called matter that Wanwan had mentioned?

What was that matter?

Could it be the night that Xi Zhiwei was talking about a year ago? At that time, she had asked her to go to the office and heard the ambiguous words between her and PEI Munian. She had mistakenly thought that there was something going on between them. However, PEI Munian had said that there was nothing between them. In other words, that night was not what she had imagined. The two of them had had sex or something. In that case, the child in Xi Zhiwei's stomach at that time was not PEI Munian's?

What other secrets were there between PEI Munian and Xi Zhiwei? To make PEI Munian agree to take responsibility for Xi Zhiwei?
