

Deeply 990

990 She's changed for the better?(6)

She had always known that PEI Munian and senior Xi had a good relationship, but she did not expect it to be because of this. At that time, senior Xi was so young, but he was able to stand up to the kidnappers and let PEI Munian leave. No wonder he always thought of his good deeds. It was also because senior Xi had passed away and he had entrusted him to take care of Xi Zhiwei. It was because of his kindness to senior Xi that he had always treated her special.

Su Wan nodded her head late, digested this matter, and then continued: "what about the other part?"

"The other part is a Kasaya."

PEI Munian's voice deepened, and the look in her eyes was complicated. Wanwan, do you still remember the day Yueyue and I were both drugged? "

Drugged?

Su Wanwan was stunned for a moment, then her memory quickly rushed up. How could she forget such a deep memory? she gently nodded. why, you suddenly mentioned this? "

after you left that day, something happened. I met an enemy of mine in the business world when I was in the United States. He wanted to take revenge, but I was drugged and couldn't fight back. Weiwei happened to meet me there. In order to save me, she was taken away by the group of people.

"He took Xi Jue and Xi Zhiwei away? Take her away for what?"

Su Wanwan's eyes flashed with surprise. She unconsciously raised her eyes and looked at PEI Munian. His eyebrows were tightly knitted, as if he was unwilling to recall this memory. His handsome face was covered with a thick gloom.

Even though it had been so long since the incident, he still couldn't let go. Xi Zhiwei not only saved her, but she also urged her to suffer in su Wanwan's place.

Because that group of people mistook Xi Zhiwei for his woman. If it was su Wanwan who was teasing him at that time, he would not dare to imagine it.

This was the reason why he felt so guilty towards Xi Zhiwei.

Looking at PEI Munian's expression, even if he didn't say anything, su Wanwan could roughly guess what had happened. A group of men took a woman away, what else could happen?

No wonder, no wonder PEI Munian said that she owed Xi Zhiwei. For a woman to go through such a thing was indeed the greatest pain in her life.

"So, Xi Zhiwei's child ran ran."

yes, it's because of that incident. Because she's not in good health, the doctor advised her not to abort the child, or she might not be able to get pregnant again.

Unable to get pregnant in the future?

Su Wanwan's eyes suddenly glared again. but, didn't she lose her child in the car accident? then what's wrong with her body? "

yes, her body was severely injured in that car accident, and she lost her child in pain. The doctor also said that she might not be able to get pregnant again. During that period of time, Hanhan was in a lot of pain. She was depressed and fell sick.

"Because she became like this because she saved my mother. My mother felt very guilty and hoped that I could marry her and take care of her for the rest of her life, but I still refused. Because I knew that I would never fall in love with another woman in my life, let alone marry another woman. So, Wei Wei's condition at that time was that she wanted to become famous and use me to create hype. We can announce our marriage on the surface, but we won't be really married."

The truth was far more shocking than she had imagined. Su Wanwan listened and was almost dumbfounded.

PEI Munian looked down at her and smiled. this is all.

All of them died.

There was no ambiguity, only an inescapable responsibility, but he still stuck to his heart.
