992 She's changed for the better?(8)

Su Wanwan raised her eyes in shock and looked at Xi Zhiwei.

Did she hear it wrong? Xi Zhiwei actually put in a good word for her? Or was she just pretending to be a good person in front of Mrs. PEI?

However, Mrs. PEI and Butler Xi were just as surprised as she was. Mrs. PEI opened her eyes in disbelief and looked at Xi Zhiwei. Weiwei, why are you speaking up for Su Wanwan? "

Xi Zhiwei lowered her eyes and smiled bitterly. I've gotten over it. I've liked Brother Mu Nian for so many years, but he doesn't like me. This proves that I'm not good enough. Sister Wanwan can make Brother Mu Nian like her, which means that she's really good, so I gave up. I wish them all the best. I'll strive to be a better person and meet someone who truly loves me in the future.

Although she spoke freely, her tone was full of melancholy and grievances, which made Mrs. PEI pity her even more. What a silly child.

However, now that things had come to this, she really had no way to force PEI Munian and Xi Zhiwei to be together. PEI Munian was not a child that she could control.

That's why, Auntie, you should also relax. Let bygones be bygones. Don't take it to heart and try to accept Sister Wanwan again. This way, Wanwan's relationship with Brother Mu Nian won't be so strained.

With Xi Zhiwei's gentle persuasion, Mrs. PEI's cold and hard heart melted a little. However, she still felt that it was a pity. Such a good child had always been by PEI Munian's side. Why couldn't she see her?

"Auntie, when Sister Wanwan comes later, don't give her that attitude again."

As soon as Xi Zhiwei finished speaking, she looked towards the door. Ah, Speak of the Devil and he's here. Sister Wanwan, you're here."

Xi Zhiwei's sudden change in attitude made Su Wanwan a little uncomfortable. She could only smile awkwardly and respond softly. Then, she greeted Mrs. PEI, "Mom."

Madam PEI glanced at her coldly. Although her expression was still cold, she did not say anything sarcastic.

Mr. PEI and PEI Munian were unable to make it because of the delay in the meeting. Mrs. PEI also saved them the trouble of going back and forth, so she was discharged from the hospital in advance. Butler Xi went to handle the discharge procedures and Xi Zhiwei helped Mrs. PEI out. When Su Wanwan wanted to go forward, Mrs. PEI said, "Help me carry my luggage."

Su Wanwan looked at the luggage bag on the sofa and didn't say anything. She went over and picked it up.

Because she was discharged early, the car that was supposed to pick Mrs. PEI up hadn't arrived yet. Also, because of the traffic jam, she didn't know when it would arrive. Mrs. PEI had just recovered and it

wasn't good for her to get exposed to the wind. Su Wanwan quickly said, "I drove here. How about I send you back?"

Madam PEI did not speak, but Xi Zhiwei said, Auntie, let's take sister Wanwan's car. Otherwise, it won't be good for you to catch a cold standing here in the wind.

PEI Munian glanced at her. I'm only doing this for your sake.

"Yes."

After sending Mrs. PEI back to the old house, Mrs. PEI said that she wanted to rest. Su Wanwan knew that she didn't want to see her and tactfully took her leave. When she walked out, Xi Zhiwei caught up from behind.

Su Wanwan didn't notice. She sat in her car and started the engine. She couldn't start it for a long time. She frowned and muttered, "it seems that I have to take the car for repair."

Xi Zhiwei stood at the door and heard her words. Her eyebrows moved slightly. She slowly stepped forward and said softly, "What's wrong with the car?"
