998 You want to fight a bloody battle?(6)

“What?”

The man raised his head slightly and looked at her with his deep and hot eyes. His thin lips were still stained with a touch of water, teasing and charming, making su Wanwan unconsciously swallow her saliva.

“You don’t want it?” The man’s low, magnetic voice entered su Wan’s ears word by word, as if he wanted to take away all her rationality, as if she was bewitched. She nodded her head, but the next second, she thought of something and quickly shook her head.

PEI Munian raised her eyebrows. what’s this answer? ”

Su Wanwan raised her hand and put it around PEI Munian’s neck. Her voice was a little hoarse. I do want Yueyue to want you, but my period doesn’t allow it.

“Period?” PEI Munian’s mind didn’t understand for a moment.

Su Wan nodded her head. didn’t I just tell you? I’m not pregnant because my period is here.”

“.....?”

The expression on PEI Munian’s handsome face froze. She subconsciously glanced at su Wanwan’s lower body. Her skirt had been lifted by him and the White sanitary towel stuck to her underwear was very conspicuous.

PEI Munian helplessly got down from su Wanwan’s body and lay beside her. She panted heavily and eased her breathing. Her voice was hoarse and contained some forbearance. Wanwan, we’d better have a child later.

“What?”

an aunt takes away seven days of my time every month. If you’re pregnant, it’ll take away ten months of my time. So, let’s not have a child first, Qingqing.

“.....?” Su Wanwan was so angry that she laughed. She couldn’t help but kick him. you’re really good at calculating, ran ran.

“What else?”

Su Wanwan’s Black eyes turned and she smiled: ” “You don’t have me, but don’t you still have your five-fingered girl? You can keep her company.”

As she said that, her eyes swept over PEI Munian’s hand teasingly.

Didn’t he also go through those days without her?

“Miss five-fingers?”

PEI Munian mumbled and a light flashed in the bottom of her eyes. The next second, he pressed on su Wanwan again and the corners of his lips raised evilly. Wanwan, you reminded me of Wanwan.

He deliberately spoke slowly, word by word. Su Wan's heart suddenly had an ominous premonition. Sure enough, his hand suddenly grabbed her hand and directly led her to a hot place. I can use the five-fingered girl, but Zhenzhen, I want to use you, Zhenzhen.

Su Wanwan remembered when they were in the Maldives. She was soft-hearted and helped him. As a result, her fingers were sore for several days. She couldn't repeat that painful experience again.

"No,"

Su Wanwan quickly pulled her hand back, but she couldn't resist PEI Munian's strength. He even smiled evilly. otherwise, you want to fight a bloody battle even more? "

".....?"

To be able to say the words 'bloody battle', PEI Munian, you are indeed a super big hooligan and pervert!

Blood rushed up and su Wanwan's cheeks were red, like black grapes soaked in water. She stared at him with round eyes. It was obviously an angry glare, but it had an indescribable charm. The fire in PEI Munian's body instantly burned to a strong fire. He lowered his head again and kissed her eyes. Then, he moved down and captured her lips.
