Panic flashed in Tang Rongling's eyes, he stared furiously at the unresponsive Gu Qingxin, "Gu Qingxin, Xiao Ci is already in this state, what else do you want?"

"Tang Rongling, you bastard!"

Gu Qingxin stared angrily back at him. They were both shamelessly intertwined, was it now her creating a scene disrespectfully?

"If something happens to Xiao Ci and Baobao, I won't let you off!" Tang Rongling picked up Gu Yunci, took great strides away, and his body bumped against hers. Gu Qingxin staggered back a few steps.

"Such a despicable pair!" Bai Qianqian finally realized what it meant for a person to be invincible when shameless.

"Qianqian, I'm tired, I want to go home." Gu Qingxin wiped the tears from her face and turned to leave.

"Alright, I'll go with you." Bai Qianqian left with Gu Qingxin, deeply concerned about her condition.

After the two girls left, a tall figure emerged from the corner at the end of the corridor, pressing a button on his ear and reporting what just occurred to an unseen party.

When Bai Qianqian offered to accompany Gu Qingxin home, she was refused. All she wanted right now was to be alone and quiet.

Overnight, her life had been turned upside down. Tang Rongling had another woman, and she had lost the most treasured thing of a girl.

What's more miserable, the incident happened in the same hotel, on the same night.

At the moment when she was almost violated by someone, her fiancé was entangled with her sister.

Baobao...

The two words deeply pained Gu Qingxin's heart.

As she looked up, she saw a pharmacy across the street. She seemed to have thought of something and rushed into the shop.

Seeing her agitated appearance, the staff in the pharmacy asked, "Miss, what do you wish to buy?"

"I... I..." Gu Qingxin opened her mouth a few times, but she couldn't say the name of the medication.

"What exactly do you want to buy?"

"Emergency... co... contraceptives."

As soon as Gu Qingxin words came out, the clerk looked at her with contempt, "We have the 48-hour ones, and 72-hour ones, which ones do you need?"

"The 48-hour ones." Gu Qingxin put the money on the counter, grabbed the medicine when the clerk took it out, and ran out.

"Hey, I need to give you your change."

"Young girls nowadays, they have no self-respect."

"Exactly, if it was my daughter, I would kill her."

Gu Qingxin exited the pharmacy and found a deserted place. She immediately took out the medicine, and without even buying water, she swallowed the pill.

As soon as Gu Qingxin left the pharmacy, Ye Qi entered. His all-black attire exuded a chilling aura. His handsome face bore no extra expression.

"What did the girl who just left buy?"

"E... Emergency contraceptive." The clerk was so frightened he stuttered.

Only when Ye Qi left did the clerks come to their senses, breathing heavily, they had forgotten to breathe out of fright.

After Gu Qingxin returned home, she went straight into her room. Lying in bed, she couldn't fall asleep, her mind was filled with the events from last night till now.

In her dazing sleep, she heard a knock at the door, "Qingxin, wake up for dinner."

Gu Qingxin's eyes snapped open, only then did she realize it was already dark, "I know, mom."

Her voice was hoarse, Lin Yin could tell and so she walked into the room.

"Qingxin, what's the matter? Why do you look so pale? Have you been crying?" Lin Yin sat beside her daughter's bed, looking at her astonished.
