Shin release a helpless sigh before saying to himself. 'Here we go again. This guy is keep saying things every time I respawn, but starting at my fifth death he stopped saying things that might become helpful to me.'

Shin stopped his steps at 15-meters away from Sean and said. "Senior, it is your turn to take the first move."

Sean shrugged his shoulders before swinging his glowing greatsword in a right to left diagonal motion, sending a golden crescent sword wave at Shin's direction.
