

Ditsy Wife 1031

Chapter 1031 She would still take the risk

“In business, integrity is the most important. Although it’s said that you can ignore it for the sake of your heart, you should avoid it if you can. Plus, Lu Yang has liked Xinran for many years. We can rest assured that he is willing to take care of Xinran.”

...

Gong mo nodded his head and looked up, “Should I go and see Yueyue?”

“Go.” Min Ling nodded.

She had already talked to Yu Xinran. Yu Xinran would marry Lu Yang properly. She wasn’t afraid of what Gong mo would say to waver Yu Xinran.

.....

Gong mo walked into Yu Xinran’s room, where she was looking at the design of the wedding dress. Seeing her, Yu Xinran was a little embarrassed. “Does ran ran know?”

Gong mo nodded and sat down beside her with mixed feelings.

Yu Xinran kept the wedding dress design.

“Are you sure you don’t want to be with your cousin anymore?” Gong mo asked.

“We’ve already broken up, what’s there to talk about being together?” Yu Xinran said calmly, “I won’t give up easily unless I have no other choice. If he gave up, he would completely give up. From the very beginning, I knew that the path with him would be difficult, but because I liked him, I was like a moth to a flame. At that time, I didn’t understand. I thought that with love, nothing could stop us. I’m Yu Xinran! I have such a good family, and my father and brother dote on me. What problems can I have? However, there are always things you can’t imagine in this world.”

“But cousin ...”

Gong mo didn't dare to say that Gong Bai had cut off all ties with his family, as that would make him seem heartless. After all, no matter how wrong Hu Yinghong and the others were, they were still his parents.

When she first heard this news, she was also very surprised. She had thought that Gong Bai would find a better solution.

However, judging from Gong Bai's look, he was really disappointed in his family, so she didn't persuade him to stay. She only told him that it was fine as long as he was happy.

She said to Yu Xinran, “although cousin didn't explicitly say that he would cut off all ties with his family, he probably won't contact them in the future.” If you're with him, you won't be hurt by Big Uncle and the others anymore. Are you really not going to consider giving him a chance?”

‘Gong mo Feifei’ looked at her with a serious expression. I've already promised Lu Yang. This isn't just about me anymore, this is about the Yu and Lu families! Now, everyone knows that I'm going to marry him. If I break off the engagement or run away, do you know how big of a deal that will be?”

Gong mo was speechless. After a long time, he said, “I'm sorry, Yingluo, it was just my own wishful thinking. It's just that the two of you were so good in the past, and you've both given so much. I, Yingluo, don't want you to give up just like that.”

“It's precisely because I've already paid what I should, that there's no need to struggle in death. I'm tired. I think he's tired. For the two of us, this relationship should be enough for now.”

“But doesn't Yingluo feel reluctant? Don't you have any regrets?”

Yu Xinran's body trembled, and her hands tightly clutched the blanket on her knees.

Gong mo understood that she was reluctant and regretful.

After all, their feelings for each other were still there. How could they not have any expectations?

If Gong Bai wanted to take her away, she would still take the risk!

This was the power of deep love! Even if I'm covered in wounds, even if the whole world objects, I want to be with him and try again!

.....

Gong Bai was still living in the same place, and the procedures to go abroad had almost been completed.

He had nothing to do every day, so he just lay on the sofa and watched movies.

He used to love watching movies with Yu Xinran. The two of them cuddled on the sofa, and he held her in his arms, feeding her snacks while they discussed the plot together.

There was a newspaper on the coffee table, and it published news of the Yu family and the Lu family's upcoming marriage.

Chapter 1032 Lu Yang would definitely be good to her

She was going to marry Lu Yang.

...

He closed his eyes, and a line of tears fell from the corner of his eyes, wetting the sofa.

The doorbell rang. He quickly wiped his tears, turned off the TV, and went to open the door.

It was Gong mo, followed by his bodyguards.

Gong Bai let her in. When she saw the newspaper on the coffee table, she heaved a sigh in her heart.

Many things were missing from the room. Since Gong Bai was going to leave, those things had been cleaned up. But fortunately, the whole place was clean and tidy, not as messy as the last time he came.

From the looks of it, he could be considered to have pulled himself together?

Gong mo sat on the sofa and read the news of the wedding in the newspaper. He said in a low voice, "I went to see her yesterday."

"How is she?" Gong Bai's body stiffened and he looked at her.

"It looks good. she seems to accept it very quickly, unlike you," Gong mo was afraid that he would think that Yu Xinran no longer liked him, so he hurriedly said, "but she still likes you."

"I understand," Gong Bai said quietly, "this result is within her expectations. She won't find it so difficult to accept. I've already expected this, so I tried my best. In the end, it still ended up like this. There was no other way. It wasn't that I didn't want to accept it, I just felt sorry for her. I should've taken care of her, but I didn't have Yingluo."

This was the regret and pain in his heart for a lifetime. If he had stayed by her side to take care of her after she had suffered a miscarriage and got injured, he would have felt less sorry for her.

But she said that he couldn't take good care of her.

That's right, all this while, he had not taken good care of her. He kept saying that, but in the end, he didn't do anything.

It was good like this now. Lu Yang could definitely take good care of her.

He looked at the newspaper and smiled, 'she's married to Lu Yang. I'm relieved.' Lu Yang will definitely be good to her. "

"What about you? Have you really given up?" Gong mo asked, " since you've decided to cut off all contact with first uncle, there won't be any more trouble in the future. Why don't you try to convince him? "

but she's already engaged to Lu Yang.

"The person she likes is you. If you go, she'll still go with you."

Gong Bai's throat moved, but he didn't say anything.

"I know that if you do that, you will have a hard time in the future," Gong mo sighed.

Just as Yu Xinran had said, this wasn't her personal matter. It was a matter of the Yu and Lu families. If she broke off the engagement and ran away, the Yu family would become enemies with the Lu family, and she would probably never be able to return to the Lu family.

However, there was no reason for human emotions. These factors could not be seen when one was impulsive. Even if they could see it, they would still do it even if they knew it was wrong.

Just like his current self. She knew that she shouldn't have persuaded Gong Bai to reconcile with Yu Xinran, as it would be better for everyone. If she managed to persuade them to reconcile, the Yu and Lu families would hate her, and they would also be suspicious of Sheng nanxuan. However, she had watched Gong Bai and Yu Xinran come all the way here. She knew that they still loved each other, so she couldn't just leave them be.

However, that was all she could do.

"She's going to get married at the place that you guys agreed to." Gong mo said.

Gong Bai stared at the newspaper without moving.

"I'll be leaving first." Gong mo stood up and said, " think about it carefully.

If he really ran away with Yu Xinran, she would have to take responsibility for the Yu and Lu families!

If he didn't go, she would have completely let go of this matter.

A few days later, Gong mo received a call from Gong Bai.

"I've already bought the plane tickets." He said.

Chapter 1033 Yu Xinran's wedding

Gong mo clenched his fists tightly.

...

He still decided to leave?

"When?" she asked.

"New Year's Day in Xuanji." Gong Bai said in a low voice.

New Year's Day, Yu Xinran's wedding day. Gong mo felt that he had done it on purpose.

good Yingluo. she couldn't help but sob.

She really didn't want this to be the outcome between them. However, this should be the best result.

There was nothing he couldn't get over. He and Yu Xinran had only been together for a few hundred days. In a few years, Yu Xinran might fall in love with Lu Yang after spending time with him. He had seen the vast world outside and would forget everything here.

.....

The day before Gong Bai left, he invited Gong mo and Tian Cheng to dinner.

In the hot pot restaurant, they sat by the window. It was snowing heavily outside.

There were a few mini Christmas trees on the window glass, and there were a few snowflakes and a few bells around the trees. They had been decorated for Christmas a few days ago.

Hu Zi's entire body was covered in fur. He stepped on the chair and reached out to ring the bell.

what do you want to eat? " Sheng nanxuan pulled him back. "

Hu Zi pointed at the beef in the red soup."This! Eat this!"

"You should eat this." Sheng nanxuan took out a quail egg from the clear soup.

"Give him more vegetables," Gong mo said.

Hu Zi immediately pouted and looked at her angrily.

Sheng nanxuan picked up a piece of quail egg and brought it to his mouth. He pursed his lips and refused to open them.

Hmph! If he did, his father would definitely take the opportunity to feed him vegetables! Daddy is mommy's Lackey! He didn't want to be fooled!

"Then you can eat it yourself." Sheng nanxuan placed the egg on the plate in front of him.

Gong mo picked up some food for Gong Bai and said, "you should eat more. It's hard to find authentic hot pot buns in M Nation."

"I can cook it myself if I want to. It's quite convenient," Gong Bai said with a smile.

Gong mo pursed his lips and continued to give him more food. "I don't care,"

"Hello, Yueyue." Gong Bai was defeated by her, so he had to eat all the food that she had put in his bowl.

Tian Cheng also gave him some food with her chopsticks. after I leave, " he said, " if you need anything, you can look for Gong mo. I can't take care of you anymore.

Tian Cheng frowned. give us a call when you're there. Keep in touch more often. Say hello during the holidays.

Gong Bai nodded and said to them, "don't send me off tomorrow. Go to the wedding on time. Don't let Xinran know that I'm leaving tomorrow." Just treat it as I'm going on a business trip, I'll be back soon."

alright, Zhenzhen, " Gong mo agreed reluctantly.

The next day, it was Yu Xinran's wedding.

Even though the Lu family was based in beimang, they had property in the capital. In order to take care of the Yu family, the wedding was held in the capital. This way, Yu Xinran could rush directly from home to the wedding scene, and Lu Yang could take her home the next morning.

Gong mo was sitting in the guest area when he heard the wedding march. She turned around and saw Yu Qingping holding Yu Xinran's arm as they walked over.

She smiled and looked at the door behind Yu Xinran, not knowing if she should be looking forward to it.

Yu Xinran smiled and walked towards Lu Yang, who looked at her excitedly and nervously.

Gong mo didn't know if Yu Xinran would be looking forward to Gong Bai's arrival, but she would definitely think of Gong Bai, right?

the bride and groom will exchange their rings.

Hearing the priest's voice, Gong mo turned around and looked at the door again.

Tian Cheng, who was beside her, looked at her in confusion. Then, she understood and was shocked. No way? Could it be that cousin would come to snatch the wedding?

Gong Mo's gaze returned to the stage. The newlyweds were exchanging rings.

Chapter 1034 safe journey

Lu Yang was a little excited. When he held Yu Xinran's hand, he accidentally pulled the veil. He clumsily lifted the veil and helped her put the ring on.

...

Yu Xinran was very calm, and every action and step was done in an orderly manner without any mistakes.

"The groom can kiss the bride now." The priest said.

Lu Yang removed the veil on Yu Xinran's head and lowered his head to kiss her gently on the lips.

The audience burst into applause, and Gong mo also applauded.

Lu Yang walked down with Yu Xinran. Gong mo looked at them and took out his phone. There were people taking pictures with their mobile phones around her, so her actions were not abrupt. She dialed Gong Bai's number and put the phone to her ear.

After a while, the call connected.

"Hello?" Gong Bai's calm voice came.

Gong Mo's throat was blocked and he suddenly didn't know what to say.

The air stewardess's gentle and polite voice came from the other end, "Sir, the plane is about to take off, please help me clear it."

"Alright," he said. I'm leaving," Gong Bai replied. He then turned to Gong mo.

"Have a safe journey, Yueyue." Gong mo said in a low voice.

Gong Bai was silent for a moment. Then, Gong mo heard the stewardess urging him again. "I'm hanging up," she said.

"She ..."

"It's pretty good." Gong mo raised his head and looked at the backs of Lu Yang and Yu Xinran.

good, ran ran," Gong Bai said in a low and hoarse voice and hung up the phone.

Gong mo felt that he was crying.

On the plane-

Gong Bai put down his cell phone and took out his SIM card while trembling. He bent his fingers hard, and the small phone card was bent.

“Sir, please fasten your seat belt.” The air stewardess reminded.

After fastening his seat belt, Gong Bai turned his head to look out of the window with red eyes.

.....

The wedding banquet was unusually lively.

“I’m going to the toilet,” Tian Cheng said to Gong mo as she put down her chopsticks.

“Do you want me to go with you?” Gong mo asked.

“No need,” Tian Cheng smiled and shook her head. “I’ll be back later.”

“Then be careful.”

Tian Cheng nodded, stood up, smoothed her dress, and left the hall.

Wu Li, who was not far away, saw this. He put down his wine glass and followed.

When Tian Cheng came out of the toilet, Wu Li came out from the men's room on the other side and stopped her with a smile. miss Tian, what a coincidence to meet you again. I told you that we were fated!

Tian Cheng ignored him and walked out, but he rushed over to block her.

Tian Cheng changed direction and he continued.

Tian Cheng stopped and glared at him in dissatisfaction. "What do you want?"

About two months ago, she had accidentally hit his car on the road and had been pestered by this man ever since.

In the beginning, he was worried that she had been injured and wanted to take responsibility for her, so he went to her school every day to show his concern. Seeing that she was still alive and kicking, his excuse was not valid, so he changed to brazenly pursuing her. He kept sending flowers and chocolates to the dormitory!

She couldn't be more annoyed. Every time she rejected him righteously, she couldn't stop this person from being so thick-skinned.

During Christmas, he was arranging flowers downstairs. She was so angry that she splashed a bucket of foot-washing water on him. Young master Wu suddenly became the laughing stock of their school. Now, not to mention chasing her, even the other girls in her school didn't dare to chase her.

Wu Li said, "I won't be calculative with you about the Christmas incident. It's all because I like you! I know you're playing hard to get. I'll play with you slowly!"

Someone was walking towards them. An idea came to Wu Li and he wanted to kiss her.

If others saw them, they would definitely think that they were a couple!

Tian Cheng realized what he was trying to do and kicked him in the calf.

Wu Huang gasped in pain and took two steps back.

Chapter 1035 Don't mention uncle in the future

Tian Cheng cursed angrily, 'to hell with your cat-and-mouse game! Do you think I don't know about you and Gong ye? Get lost! I don't like a man like you!"

...

you ... Wu lie pointed at her angrily.

"What's wrong?" The person asked.

Tian Cheng raised her head and saw that it was commander CEng. She immediately grabbed his collar and pointed at Wu Li."He wanted to molest me!"

"What?" Zeng Shuai's eyes narrowed dangerously as he rolled up his sleeves at Wu lie.

Wu Li was scared. He turned around and limped away.

Tian Cheng heaved a sigh of relief.

Zeng Shuai asked,"what happened?" How did you get on his bad side?"

"Who provoked him?" he's the one who provoked me! Tian Cheng said unhappily.

"Did you tell Madam?" Zeng Shuai asked after a pause.

I don't want Yingluo to worry about me. Don't tell her either! With a straight face, she turned around and left.

Zeng Shuai said innocently. If you want to talk, then talk. Why are you so cold?

When Tian Cheng returned to her seat, Yu Xinran and Lu Yang came over to propose a toast.

Yu Xinran followed Lu Yang with a sweet smile, looking happy and happy.

Gong mo knew that she was trying her best to be a perfect bride and not embarrass the Yu and Lu families. But who knew what her heart was feeling?

Yu Xinran was a little disappointed.

She hoped that Gong Bai would come, but she also didn't want him to come.

If he came, she might not leave with him.

He didn't come, but she felt that she was only so-so in his heart.

So it was good that he didn't come, so that she wouldn't be in a dilemma.

Hu Zi looked at them curiously. After Yu Xinran left, he leaned over to Gong mo and asked, "Mom, where's uncle?"

He looked at it all day and became more and more curious. Wasn't uncle the one who was with cousin-aunt in the past? Why did it change to an uncle I don't know at all today!

"Don't mention my uncle in the future!" Gong mo warned immediately.

Hu Zi looked at her, hurt.

She sighed, rubbed his head, and said in a low voice, "Just tell mom and dad."

"Ohoho." Hu Zi was unhappy. He turned to look around and became even more unhappy-it was so lively today, but his uncle was not here!

.....

On Valentine's Day, Sheng nanxuan and Gong mo brought Hu Zi to the Yu family.

Lu Yang and Yu Xinran came back to visit on the second day of the new year. They had not gone home yet and were at home.

Sheng nanxuan passed the child to Wu surong, and Yu Xinran carried the child over in a short while.

It was said that nephews were like uncles, and Hu Zi's face did resemble Gong Bai's. Yu Xinran hugged him and couldn't let go.

Everyone thought that she was particularly fond of children because she had an abortion. Only Lu Yang's eyes darkened. His hands clenched into fists and he pinched the sofa cushion.

cousin aunt Yingying. Hu Zi looked at her in confusion, and then looked at Lu Yang beside him.

Lu Yang smiled at him.

He leaned on Yu Xinran and wondered, "Who was this person? Uncle? Isn't uncle always with cousin-aunt? why haven't I seen him in a long time, Yingluo?"

“Then I’ll leave it to you guys to take care of it.” Sheng nanxuan said, “ I’m taking Gong mo out on a date. I’ll come and pick him up tomorrow.

Wu surong laughed. go on, go on. Hu Zi is about to go to kindergarten. You guys can give him a younger brother or sister.

Gong Mo’s smile froze.

Sheng nanxuan smiled and said,“there’s no hurry.” It wasn’t easy for me to wait until he went to kindergarten. He doesn’t have that much time to stick to us anymore and can spend some alone time with us. How can I give birth to another one to torment him?”

Wu surong laughed,“yes, yes, yes!” I know you love your wife!”

Chapter 1036 Wu Li’s arrival in Nanjiang

Gong mo blushed and pinched Sheng nanxuan’s arm gently.

...

He grabbed her hand and told everyone,“”Then we’ll be leaving first.”

Hu Zi! Gong mo shouted.

“What?” Hu Zi sat on Yu Xinran’s knees and raised his head to look at her.

“Mommy’s leaving ~”

“I’ll pick you up tomorrow.” Sheng nanxuan was afraid that he would catch up with them. He said hurriedly, “ you should stay with great-grandpa and great-grandma. I’ll give you meat tomorrow.

“Alright!” Hu Zi agreed loudly.

Gong mo was speechless. How could this kid be bribed with a piece of meat?

Wu surong saw them leave and said to Yu Xinran, “Give me the child. You and Lu Yang are going on a date too. This is the first Valentine’s Day you two are together!”

Yu Xinran smiled awkwardly and looked at Lu Yang.

“Then we’ll go out,” Lu Yang said with a smile.

“I’m going back to my room to change my clothes.” Yu Xinran got up and Lu Yang immediately followed.

Walking into the room, Lu Yang said, “if you don’t want to go out, our Yingluo can.”

“Since grandma has said so, let’s go out.”

Lu Yang was stunned. He nodded. alright, where do you want to go then? ”

She was despondent for a moment and recalled the Valentine’s Day she had spent with Gong Bai in the past.

“Xinran?” Lu Yang knew what she was thinking, but he had to interrupt her selfishly.

He didn’t want her to think of other people in front of him. Because when he was not by her side, she would only think of that person. Then why didn’t she give him the remaining time?

Yu Xinran looked at him and smiled, “You actually didn’t plan for a day like this?”

Lu Yang was stunned and said happily, "yes, yes, yes!" Of course! We'll go out now!"

Even if they didn't, he could still make some last-minute arrangements and make sure to take her to have a romantic Valentine's Day.

.....

Gong Gong's stomach had long been showing, but because he wore thick clothes in winter, sometimes it couldn't be seen.

When uncle Gong first found out that she was pregnant, he threw a huge tantrum. But Gong Ying insisted on giving birth, so he could only accept it.

After Gong Bai left and didn't call back for so long, he suddenly felt that Gong Bai might have been lying to him when he left. If Gong Bai really didn't come back, Han Fei could give birth to a child for him to carry on the family line! Anyway, Gong Bai had left a lot of money behind, so he could afford it.

In this way, Gong ye ate and slept all day, and did nothing at home.

She only woke up at 10 am when she received a call from Wu lie.

"I've arrived," Wu Li said.

"Wait a moment. My mom is going out to play cards in the afternoon. You can come back then."

"Fine!" Wu Li said impatiently. This person was unfamiliar with this place, and he had to wait for a few hours. How annoying.

Gong ze got up and ate some breakfast, while Hu Yinghong was already making lunch.

She was usually like this as well. When Hu Yinghong and uncle Gong were having lunch, she wasn't hungry yet, so she would sit on the sofa and watch television. After eating, Hu Yinghong cleaned up the house. She would cook for her at around two o'clock, and when she was done, she would go out to play cards and chat. She would come back in the afternoon to wash her bowl.

This afternoon, Gong ye was having lunch with them.

"You're quite proactive today," Hu Yinghong said, puzzled.

"I ate too little just now."

Hu Yinghong nodded. you should wake up earlier in the future. I'll cook five to six meals a day. Won't I be tired? "

"Alright, alright, alright, Yingluo, stop nagging!"

After eating, Hu Yinghong left the house half an hour earlier than usual.

Gong ze immediately called Wu lie.

it's too cold here. Why don't you hurry up? " Wu Li complained when he arrived.

Chapter 1037 Do you want me to call her over?

alright, go to my room first. I'll call Tian Cheng over immediately! Gong Ying pushed him inside.

...

After entering the room, Wu Li looked at her and pulled her into his arms. He smiled and said, "You're pregnant, and you're even prettier than before."

Gong Fei pushed him away with a straight face, "what are you doing?" You still want to f * ck a pregnant woman?"

you haven't had sex with a pregnant woman yet ~"Wu Li laughed. you're already a few months pregnant. It won't affect you. Don't you miss me? Let me try Yingluo."

As Wu Li spoke, he hugged her and started kissing her.

Gong Fei half-refused and half-accepted, scolding, ""You haven't been lacking women these days, have you? You didn't even come to see me yesterday on Valentine's Day. Who were you having fun with?"

"You're so long-winded, it looks like you're lacking work!" Wu Li unbuckled his belt and pushed her onto the bed.

.....

Tian Cheng didn't have a heater at home, so she turned on the air conditioner every day.

Gong xiaogu walked into the room and put a plate of walnuts and macadamia nuts next to the computer. She asked in confusion, "You're writing a novel again? Is it tiring to write every day?"

"Don't I have mom to take care of me? I'm not tired ~"Tian Cheng picked up the nuts, which were personally peeled by little aunt Gong. "Thank you, Mom!" She said with a smile.

"Do you write those kind of books about CEOs and young girls?" aunt Gong asked.

you ... Tian Cheng was stunned. how did you know? "

"I've read two articles on my phone."

“You’re still watching this?” Tian Cheng said with a smile.

“Aiya, I’m so bored!” Little aunt Gong was a little embarrassed. they all watched it, so I watched it too! I thought reading books to kill time was better than anything else, so I tried it.”

Tian Cheng nodded and said, “it’s indeed ran ran.”

“Did you also write this?” Little aunt Gong asked with concern.

“No, I’m writing about the ancient times, the Prince and the little maidservant!” Of course, it wasn’t as simple as the Prince and the maidservant, but it was easier for aunt Jie to understand.

“Then you can continue.” Aunt Gong stood up. I’ll call you when it’s time to eat.

Tian Cheng nodded. She picked up a plate of macadamia nuts and ate a few before continuing to write.

.....

After Wu Li and Gong ze finished their battle, they leaned against the headboard naked and smoked.

Gong Jie sat up and asked as he put on his clothes, “Do you want me to call her over?”

“Call him over!” Wu Li blew out a smoke ring at her. didn’t I come here for her? ”

Gong Fei coughed and waved away the smoke in front of her, “No smoking! I’m pregnant! If you want to call her over, you have to put on your clothes first. Otherwise, she’ll run away when she sees you like this!”

When Wu Li heard this, he put out the cigarette and got up, slowly putting on his clothes.

Gong Jie picked up his phone and glanced at him. "Can you still do it?"

When Wu Li heard this, he immediately hugged her. "Do you want to try again?"

"You better behave yourself!" Gong Mao slapped him away.

.....

Tian Cheng was in the middle of typing when her phone rang. She was a little upset that her thoughts were interrupted.

She picked up her phone and frowned. Why would Gong ye call her?

She picked up the phone and heard Gong ze's voice, "Tian Cheng, I think I left my wallet at your place."

"What?"

Wallet? She actually dared to renege on such an important thing!

"After I went to your house for dinner during the new year, I couldn't find you anywhere. Can you help me check if it fell into the gap of the sofa?" Gong Ying said.

"Alright!" as long as you don't blame me for stealing yours! Tian Cheng said unhappily.

"How can I?" Gong Ying laughed. how powerful are you now? you're hugging my cousin's thigh. How can you look up to my broken bag? " Besides, I'm so poor now and I don't have any money in my bag. How can I blame you?"

Tian Cheng ignored her and walked into the living room. Her younger aunt was sitting on the sofa, reading a novel on her mobile phone.

...

Tian Cheng walked over to the sofa.

“What’s the matter?” his aunt asked, puzzled.

“Gong ye said that she left her wallet at our house!” Tian Cheng held her phone in one hand and searched for it with the other.

Gong ye heard her words but didn’t say anything.

Wu Li hugged her and kept kissing her face.

She pushed her away in frustration and waited for Tian Cheng’s reaction. The last time she went to Tian Cheng’s house, she had deliberately left her wallet there in preparation for today.

Her younger aunt helped Tian Cheng and found a red wallet behind the sofa. “Is this it?”

Tian Cheng took a look. If it wasn’t hers, then it must be Gong Gong’s.

She opened it and saw Gong ye’s photo and ID card, as well as a few bank cards. As expected, there wasn’t much cash, only about 200 yuan.

“I’ve found it, come and get it yourself!” She said to Gong ye.

Gong Fei said lazily, “how am I supposed to get it?” The weather is so cold, and I’m pregnant. If I fall, can you afford to pay?”

you ... Tian Cheng was stunned. just you wait! she said angrily.

"I'll go over for a while," she said to her aunt after she hung up.

"Why don't I go?" his aunt said anxiously.

"It's fine. I'm tired from writing, so I'm going out to catch my breath."

.....

Tian Cheng walked to Gong Gong's door and found that it was not closed.

Puzzled, she pushed the door open and looked inside, but there was no one in the living room.

"Aunt?" she shouted.

"You're here?" Gong Fei walked out of the room in her slippers and went back in again after a brief encounter. come in.

Tian Cheng was taken aback. She walked into the living room and placed her wallet on the table."I'll leave it here for you. I'll be leaving first."

"You're not going to bring it in?" Gong Mao shouted anxiously. Did you take my money?"

"Who took your money?"

Tian Cheng grabbed her wallet and walked in, throwing it at her. "I didn't touch you at all, so don't blame me!"

Gong Ying stood up from the bed and opened his wallet suspiciously.

Tian Cheng felt that the air in her room was not good. There was the smell of smoke and a fishy smell.

“I’ll be leaving first.” Tian Cheng felt that something was amiss and turned to leave.

Wu Li was hiding behind the door. When he heard what she said, he was afraid that she would really run away, so he immediately pounced on her.

Gong Jie hurriedly dodged.

who?! Tian Cheng was scared out of her wits.

It wasn’t Gong Jie! There was another person in the room!

What did Gong Jie want to do by tricking her into coming here?

my dear ... Wu Huang grabbed her waist and turned her over.

Tian Cheng’s eyes widened, as if she had understood his purpose. She looked at Gong ze, who quickly walked out of the room with his wallet and closed the door.

Gong Gong! Tian Cheng shouted.

Wu Huang held her down, tugging at her clothes and his belt. “You little heartless thing! I’ve been chasing you for so long, but you didn’t move my heart, yet you want me to use force! Just bear with it, this young master’s skills are good, I’ll try not to let you feel pain!”

ah-” Tian Cheng screamed in horror, her hands and feet kicking wildly. let me go! Bastard!”

Gong Ying closed the door of his house, turned on the TV, and turned up the volume.

She could hear the sounds of banging coming from next door. She knew that Tian Cheng was resisting. But so what? It was only a matter of time before he was eaten clean!

She had placed a digital video camera in her room, and it would record the scene of her being defiled by Wu Li. After this, he wasn't afraid that she wouldn't listen to him!

One of the buttons on Tian Cheng's coat had been ripped off, and her ponytail had been pulled into a mess.

She grabbed everything she could and threw them at Wu Li. "You dare to come over! He won't die a good death!"

Chapter 1039 jumping off a building

"I'll let you ***** now!" Wu Huang laughed evilly.

...

Tian Cheng was extremely afraid. She kept throwing things while observing her surroundings.

The road to the door was blocked by Wu lie. If she went there, she would be walking into a trap. Moreover, the door couldn't be opened. Gong ze must have locked it from the outside.

There were also Windows!

Although Gong Fei's house was on the fourth floor, she had no other choice!

Fortunately, it was the fourth floor, and there were no anti-theft Windows. Otherwise, she would have been ruined by Wu Li today!

Tian Cheng lifted the bedside table with both hands and smashed it at Wu lie. Then, she rushed up to the window and frantically twisted the window lock.

“What are you doing?” Wu Huang shouted.

Whoosh-

Tian Cheng opened the window and a cold breeze blew in.

Wu Li shivered and pounced on her to grab her leg.

Tian Cheng clutched the window tightly, kicked it twice, and crawled out with great effort.

Wu Li hugged her foot and refused to let go, so Tian Cheng simply pulled her foot out of her boot.

Wu Li fell to the ground with the boots in his arms. When he got up, he saw that she had jumped down.

Bang—————

A series of heavy thuds could be heard. Wu Li was covered in cold sweat. He climbed to the window and saw that the canopy downstairs had been destroyed. Tian Cheng was lying on the ground, motionless.

From his position, he could only see Tian Cheng’s two feet. One of them was wearing a boot, while the other was not.

He was shocked and threw the boots on the ground. He turned around, opened the door, and walked out.

“What’s wrong?” Gong Jie walked over. What’s that sound?”

Wu Li buckled his belt as he walked and ran off in a panic.

Gong Gong walked into the room but didn't see Tian Cheng. He gasped.

Feeling the cold wind blowing in through the window, she ran to the window and saw a person lying on the ground. Although the upper body was covered by the canopy, she was most likely Tian Cheng.

There were already people downstairs who had heard the sound and appeared around Tian Cheng. They screamed and looked up.

Gong Ying was so scared that he hid. He heard the people downstairs discussing, "I think it fell from the fourth floor."

"Isn't this their niece? The one called Tian Cheng!"

"Yes, yes, yes. Ran ran's parents are divorced."

"Quickly make the call! Call her mother!"

Not long after, the ambulance arrived.

Gong Jie didn't dare to go down and take a look. He didn't know what the situation was like.

Hu Yinghong rushed back after hearing the news. She grabbed her and asked, "What's going on? What is Tian Cheng doing here?"

"I don't know!" "How is she?" Gong Ying asked. Are you alright?"

“I’m Yingying, how would I know?” Hu Yinghong didn’t dare to look at her. my ran ran, should I tell your dad first? ”

Gong ze thought about it in a panic and felt that it was good to let uncle Gong know about this. If Tian Cheng died, she wouldn’t have to go to jail! Then their family had to come up with a countermeasure to smooth this matter over!

.....

In the hospital, her aunt rushed to the operating room. Doctors and nurses were coming in and out. She grabbed the man and asked, ” “How’s my daughter?”

“Don’t worry, there’s no danger to his life.” The nurse took the time to answer.

Little aunt heaved a sigh of relief, clasped her hands together and chanted Amitabha while praying for the blessings of the gods and Bodhisattva.

When the nurse asked her to sign, she would sign. When the nurse asked her to pay, she would pay. After a long time, Tian Cheng finally came out of the operating room.

The doctor said,“he has multiple fractures all over his body. Fortunately, he didn’t hurt his head or spine, so there’s no risk of dementia or paralysis.” Her leg is severely fractured, and it depends on her recovery. She might have to sit in a wheelchair in the future.”

Her younger aunt’s body swayed, and she covered her face as she cried, ” “What sin have I committed?”

Chapter 1040 Why Don’t You Just Die!

Tian Cheng only woke up two hours later.

...

“What do you think?” his aunt asked anxiously. Are you thirsty?”

Tian Cheng looked at her. mom, ” she said. I’m still alive? ”

“Of course you’re still alive!” are you in pain? ” his aunt cried.

it hurts, Yingluo! Tian Cheng cried. it hurts, Yingluo!

She felt pain all over.

“Don’t cry, don’t cry. Mommy’s here.” Her younger aunt hugged her head.

Her arms, legs, and ribs were all broken, so little aunt didn’t dare to touch her other parts.

Tian Cheng gritted her teeth and said, “it’s gong Qianqian’s mother!” Quickly call the police! Catch her!”

“What’s wrong with her? She pushed you down?” Little aunt asked anxiously.

Tian Cheng shook her head. it’s not ran ran. She tricked me into her house and wanted to get someone to rape me.

“What?” Little aunt was shocked.

Tian Cheng sobbed. that person must be the Father of her child. I don’t know what she’s up to. If I don’t jump off the building, I’ll be defiled by them!

Little aunt trembled with anger, “Gong Gong!” She’s a bully!”

Tian Cheng cried for a long time, and her aunt cried as well. “We don’t have a man in our family, so we’ll let them bully Yingluo.”

Tian Cheng choked and helplessly tried to persuade her. After a long time of persuasion, she finally stopped crying and turned to comfort Tian Cheng.

Finally, seeing that it was getting late, she said, "I'm going to buy something to eat."

After the meal, youngest aunt went home to pack her things, preparing to go to the hospital to accompany her in bed at night.

When she got home, she got angrier the more she thought about it.

By doing this, Gong Gong was trying to take Tian Cheng's life!

Seeing the fruit knife on the table, she picked it up and walked towards uncle Gong's house with it in her clothes.

It was already dark. At the entrance of uncle Gong's residential area, a few tenants and security guards were discussing what had happened in the afternoon.

Little aunt hurriedly passed by in front of them. Everyone was stunned for a moment and hurriedly asked, "Isn't that Tian Cheng's mother? Quickly go and take a look, I hope nothing happens."

"It's not easy to meddle in other people's private affairs, right?" The security guard hesitated for a moment, then slowly followed.

Aunt Gong walked to the door of uncle Gong's house and pressed the doorbell.

Hu Yinghong saw her through the peephole, turned her head, and whispered, "Little sister is here, what should we do?"

"What can we do?" uncle Gong asked. It's all your daughter's fault! Tian Cheng is my niece!" She went to open the door.

little sister ... uncle Gong was a little guilty.

Although he knew that Gong ye was in the wrong, Gong ye was his daughter after all. He had not taught her well.

Little aunt Gong didn't hear what he said at all. She stared straight at Gong ze, crossed her arms in front of her chest, and slowly walked toward him.

Gong Ying hid behind Hu Yinghong and shouted, "It's not my fault! My boyfriend came to see me, but she seduced him!"

you ... youngest aunt was furious. She pulled out the knife in her arms. you still dare to slander me!

ah! Hu Yinghong shrieked. you're crazy! Hubby! Call the police! Call the police!"

His younger aunt raised the knife in her hand and stabbed it at Gong ze, but Gong ze kept hiding behind Hu Yinghong. Her younger aunt simply slashed Hu Yinghong's face. Hu Yinghong covered her face and ran away while screaming in pain. Her younger aunt rushed toward Gong ze and pushed her to the ground.

ah! Gong ye screamed. my child, my child!

Her aunt raised the knife and stabbed it into her stomach. "Who told you to harm my daughter! Who told you to harm my daughter! You grinding spirit! Why don't you just go to hell!"

ah! Ah! Gong Mao screamed.

"What are you doing? Stop!" The security guards rushed over and pulled her away.
