

Ditsy Wife 1041

Chapter 1041 She stabbed Gong Gong eight times

Gong Mao's stomach was covered in blood as he cried, "Save me, Yingluo, save me, Yingluo!"

...

Her aunt was held down by the security guards and did not move at all. She cried like crazy, "It's good that she's dead. Otherwise, she'd hurt her brother and me, Chengcheng. Chengcheng, I only have one Chengcheng. My Chengcheng is so obedient, Chengcheng."

.....

Gong Jin quickly walked into the ward. Tian Cheng was shocked at first, then she was confused. "What are you doing here?"

He didn't bring any fruits with him when he visited her, so it must be something else!

Gong Jin walked to her and said with a complicated expression, "Little aunt ran ran, little aunt has been captured."

Tian Cheng was shocked. She wanted to sit up, but her body ached when she moved. She could only lie down obediently.

She asked anxiously, "what happened?!" She ran ran to find Gong ye?"

Gong Jin nodded, "she took a knife and stabbed the Auntie." Gong Ying was stabbed eight times by her and lost his child."

"What about Gong ye?"

"In the hospital."

“He didn’t die?”

Gong Jin was stunned. Did she want Gong ye to die?

However, Gong Jie had gone too far, so he deserved to die.

“Not yet,” he shook his head.

Tian Cheng heaved a sigh of relief. It was good that she was not dead. Her mother did not kill anyone.

“Hurry up and call big cousin!” She hurriedly said.

“I don’t have Yueyue’s number.”

“I’m Yingluo, I have it.” Tian Cheng turned her head and looked at her clothes. my phone ...

Gong Jin hurriedly took it over. She told him the password, and he helped to find Gong Mo’s number and called Yingluo.

It was already ten O’clock. Gong mo had just fallen asleep when Sheng nanxuan heard his phone ring. He answered the call before it started. Then, he got out of bed gently and went out to answer the call.

“Sister?” Tian Cheng’s anxious voice could be heard.

“She’s asleep.” Sheng nanxuan said.

Tian Cheng was stunned and mumbled, “I’m sorry, ran ran.”

“What’s wrong?”

Tian Cheng rarely spoke to him directly. He was only friendly to her because of Gong mo. Would he agree if she asked him for help directly?

Tian Cheng had no choice but to explain the situation.

“I’ll send someone over immediately,” Sheng nanxuan said.

“Thank you!” Tian Cheng cried tears of joy. thank you, brother-in-law, Wanwan!

“Your sister and I will come over tomorrow.”

Tian Cheng was taken aback. She wanted to say that there was no need to trouble them since someone was coming. However, if Gong mo knew that she was injured, he wouldn’t just leave her be, right?

“Alright,” she agreed.

“Rest well, don’t worry.”

“Yes.”

.....

Zeng Shuai was taking a bath when his phone rang.

He put down the book in his hand, picked up the phone, and answered, ” “What are you doing?”

“Do me a favor!” Fang Yang said anxiously. Something happened to Tian Cheng. Help me make a trip to Nanjiang.”

Zeng Shuai was stunned and immediately got up from the water. He wiped his body with a towel as he walked out, but he said reluctantly, "Boss asked you to do it, why did you have to trouble me?"

I'm going on a date. It's a matter of life and death. Please help me! Fang Yang said, "I'll meet up with you tomorrow morning."

"Valentine's Day is over. Why are you going on a date?" Zeng Shuai wiped his hair in frustration and quickly took out a few clothes from the closet and threw them on the bed. He was wearing all of them.

"It's just that I didn't have a date on Valentine's Day, so I have to hurry now. If you don't go, I'll have to ask Lin Lei to help me."

"....."

Zeng Shuai didn't say anything and just put on his clothes silently.

hahaha ... Fang Yang laughed smugly. I already noticed that you were looking at Tian Cheng weirdly. Stop pretending!

Chapter 1042 You'll be in jail for at least a few years

Zeng Shuai's face was a little embarrassed as he put on his pants with one hand. "Which eye of yours saw that?"

...

"Then are you going or not?"

go! I'll trouble you the next time I have something on!

“Alright! Remember to bring along a lawyer and an orthopedist.”

Zeng Shuai was stunned. Orthopedist?

“Should I trouble Dean Yu?” He asked.

“Do you think Dean Yu will go now?” Ding dang was going to give birth in about a month.

“Alright, I got it.” Zeng Shuai quickly hung up the phone and frowned.

She wanted a lawyer and a doctor, what was going on?

Ran ran, why did he feel a little flustered?

.....

It was already two in the morning when CEng Shuai arrived at Nanjiang. While he was waiting for his flight in Beijing, he had already called the Nanjiang police to find out what had happened.

He had arranged for someone to capture Wu lie. When he arrived in Nanjiang, he received news that Wu lie had already escaped overseas.

CEng Shuai laughed coldly, “he runs fast!” So what if he fled abroad? If you have the ability, escape from Earth!”

When he arrived at the hospital, he quietly entered Tian Cheng’s ward.

Tian Cheng was lying on the bed, frowning as if she was in great pain. She was probably in too much pain.

He stared at her for a while. When he saw that her breathing was regular, his heart finally stopped panicking, but it still hurt a little.

Tian Cheng was shocked. She opened her eyes and stared at him guardedly.

He was also shocked and stood up straight.

Tian Cheng recognized him and heaved a huge sigh of relief. She had thought that the wicked Wu Li was here again.

Zeng Shuai guessed that she hadn't slept well, so she woke up very quickly when he appeared by the bed. She should be worried that something like that would happen again when Wu GE returned.

"Have a good sleep," he said in a low voice. I've brought a lawyer with me, your mother will be fine. Wu Li has escaped overseas. He has arranged for people to look for him. If he dares to come back, he will definitely be caught immediately. He won't come and hurt you anymore."

thank you, ran ran. Tian Cheng recalled the scene back then and felt a wave of fear.

If Wu Li really got her, what should she do?

She did not know.

There were no 'ifs' in life. Fortunately, that incident didn't happen. She didn't need to think about it.

"Then, Yueyue, have a good rest." Zeng Shuai didn't know how to comfort her. you can tell me if there's anything.

"Thank you, I understand."

"I'll go to the police station first," Zeng Shuai nodded.

my mother ... Tian Cheng said, " if she has any news, please let me know immediately.

"Don't worry, I've already understood the situation. She'll be fine. The BOSS had arranged for a lawyer to ensure that she was not guilty and would be released. As for Gong Gong, he'll be in jail for at least a few years."

Tian Cheng gritted her teeth. I'm fine with sitting here for a lifetime! she replied.

Hearing this, Zeng Shuai reached out his hand to touch her face.

She glared at him.

His hand froze in mid-air, and after a moment, he awkwardly retracted it. "Then you should rest first."

.....

At 10 am, Gong mo and Sheng nanxuan rushed to the hospital. The police were taking Tian Cheng's statement.

"Aunty-" Hu Zi called out.

Tian Cheng, who was lying on the bed, turned to look at them and said with a smile, " Hu Zi, cousin, cousin-in-law Yingluo"

Gong mo walked over quickly and saw that she was wrapped in bandages like a mummy. His heart ached."What did the doctor say?"

"I'm fine. Fortunately, it's only a fracture." Tian Cheng smiled. I think I'm very lucky too.

“Don’t say such silly things.” He was already lying on the bed, how could he still be considered lucky?

aunty Ying Ying! Hu Zi reached out to touch Tian Cheng.

don’t touch aunty, she’ll be in pain. Gong mo pulled him back.

Chapter 1043 Third uncle as a lobbyist

Oh, Yingluo. Hu Zi looked at Tian Cheng. Auntie, don’t be afraid. We’re here.

...

Tears welled up in Tian Cheng’s eyes and she said, touched, ” “Alright, thank you, Hu.”

Gong mo saw that the police were waiting at the side. It was obvious that they hadn’t finished recording their statements.”You guys continue.”

The police officer nodded and continued to ask Tian Cheng questions.

Gong mo was sitting at the side with Hu Zi in his arms. His back broke out in cold sweat when he heard her describe the scene.

This Wu Li! Damn it!

And Gong Jie, he deserved to die!

Gong Gong was also in the hospital at the moment. After the police had recorded Tian Cheng’s statement, they went to find her.

Gong Gong wanted to push all the blame onto Tian Cheng, but the police said, " we found a DV camcorder in your room, and it recorded everything that happened to Tian Cheng. If you lie again, we'll Sue you for obstruction of justice and falsifying evidence!

Gong ze knew that they would not be able to escape this time. Tian Cheng had Gong Mo's support. Although Wu Huang's family background was poor, a starving camel was still bigger than a horse. He was better than her, who had no family background at all! In the end, she would definitely be the one to take the blame!

She cried and told the police, " "I'm also a victim! My aunt is trying to kill me! Look at my ran ran, my child is gone!"

the judge will decide when the court session starts. We're just collecting evidence. The police officer said expressionlessly.

In the afternoon, his younger aunt was released on bail.

Tian Cheng wanted to Sue Gong Gong and Wu Li, and Gong Gong also wanted to Sue his aunt. However, two of the parties involved were lying in the hospital, and the other one was on the run. The court session would take at least a few months.

Her aunt walked into the ward and hugged Tian Cheng as she cried. "Mother is useless! If I don't avenge you, I'll have to go to jail!"

"Aunt, don't worry. It depends on how the lawyer will defend the case and how the judge will decide." Nanxuan has hired the best lawyer for you. At most, you'll be sentenced to a two-year delay. You don't even need to go to jail. Don't talk nonsense in front of outsiders and the police. In a court defense, every word can be a trap. You don't know which words you said wrong, so just leave everything to the lawyer."

Little aunt was stunned for a moment before she hurriedly nodded and wiped her tears. "It's fine. Even if I end up in jail, it's fine. At least I can still take care of Cheng Cheng."

cousin has already said so, “Tian Cheng said helplessly. don’t cry. It made Sheng nanxuan seem very useless.

“Little sister!” Third aunt Gong’s voice suddenly sounded.

Little aunt immediately stopped crying. She wiped her tears and stood up, watching third uncle Tong’s family walk in.

Gong Jin greeted everyone in a daze.

long time no see, “third uncle and third aunt said to Gong mo. you’re such an obedient child.

As the two of them spoke, they wanted to touch Hu Zi. However, Hu Zi immediately hid behind Gong mo with a look of disgust.

The two of them smiled awkwardly and passed the fruits in their hands to their aunt. “We’re here to see Tian Cheng.”

“Have a seat.” Little aunt said indifferently.

The two of them sat in front of the bed. Third aunt asked Tian Cheng, “Are you alright now? Does it still hurt?”

“It hurts,” Tian Cheng said.

“Then you should take good care of yourself,” third aunt said awkwardly.

After sitting for a while, third uncle said to little aunt, “Little sister, I actually came here today to help big brother.”

“Don’t help him!” if you’re speaking up for him, don’t call me little sister anymore! his younger aunt shouted.

“Don’t be so impulsive. We’re siblings.” brother, sister-in-law, you know that Fei Yan is in the wrong, but you’ve stabbed her so many times, and sister-in-law is injured. We’re even now, right?” third uncle said earnestly.

Chapter 1044 Tian Cheng and I cut off all contact with them

“How do we call it even?” his aunt looked at him in disbelief.

...

“Big brother and sister-in-law want to see if we can settle this privately. In the future, they’ll pay for Tian Cheng’s medical and rehabilitation fees, so we can stop the lawsuit. We’re all a family, it won’t look good if we fight. Besides, you almost killed someone. If we go to court, you’ll go to jail!”

“Then I’ll go to jail! I won’t be private anymore!” Little aunt cried, “Gong ye is so vicious. I won’t let her go! Tell big brother and sister-in-law that Tian Cheng and I will cut off all contact with them from now on. We’re enemies in the future, not relatives!”

“You ...”

“If you speak up for them, I won’t acknowledge you either!”

Third aunt opened her mouth, but didn’t dare to say anything because Gong mo and Sheng nanxuan were beside her. you’re putting us in a difficult position by doing this!

“You guys just help me and don’t have any contact with them. What’s so difficult about that?”

“What are you talking about?” third uncle was stunned and laughed. He’s my big brother!”

"I'm your sister too!" Her younger aunt cried. The younger sister can't compare to the older brother, right? At the end of the day, I'm a woman and my Cheng Cheng is also a woman. You're all here to bully me and think that we should listen to you and get lost, aww! I don't want to listen! I'm going to fight this lawsuit. At most, I'll go to jail!"

Third uncle and third aunt still wanted to say something, but Gong Jin stopped them. "Forget it, let's go back. This is eldest uncle's family's matter, let them handle it themselves, you guys don't need to get involved."

"You child!" Third aunt glared at him and said to youngest aunt, "then we'll be leaving first. We'll come back another day to visit Chengcheng."

"If you're here to be a lobbyist, you don't have to come!" Little aunt called out.

Third aunt choked and said gloomily, "you really don't know what's good for you!" What's there to be unhappy about as a family? Do you have to send her to prison? How are you going to keep in touch with big brother's family in the future if you're so cowardly?"

"I've said it! Let's Not Keep in Touch!" Little aunt cried out excitedly. She looked at third uncle and cried, "do you think that we are easy to bully? Aren't you afraid that mom and dad will come to find you tonight?"

Alright, alright, Yingluo. third uncle pulled third aunt out and said to her, "take good care of Chengcheng. We won't come here again!"

He felt that something was wrong after he finished speaking. His aunt and Tian Cheng hugged Gong Mo's thigh. It would be a pity if they lost contact. Although he couldn't bear to part with his biological brother, he didn't offend them, so he could continue to keep in touch with them!

He said, "call Gong Jin here in the future!" So that we won't be an eyesore to you!"

MMH! Just like that. Anyway, he was already a few decades old. He would be like this for the rest of his life. It was impossible for him to leave Nanjiang. He would still stand on his big brother's side. But Gong

Jin still had a future, so he had to stand on his little sister's side. It was a good thing for their family that the father and son put their eggs in different baskets.

After third uncle left, little aunt sat by the bed and cried, scolding uncle Gong and third uncle Gong.

"Don't cry," Tian Cheng advised. I'm lying on the bed, let me persuade you."

Little aunt choked. She wanted to scold her but couldn't bear to. She cried, "Isn't it because I feel bad for you?"

we have cousin sister. Cousin sister will help us.

Hearing this, his aunt wiped her tears and said to Gong mo, "When did you guys arrive? I don't even know how to entertain you Yingluo in such a mess."

"There's no need to entertain me." we're here to visit Tian Cheng, " Gong mo said. if we need you to waste your time entertaining us, wouldn't we be causing more trouble? "

Chapter 1045 Never come back

"That night--"

...

"We'll eat dinner on our own, and we have a place to stay. You don't have to spend any more time cooking. I'll get someone to bring it to you later."

"How can I accept this?"

"It's okay, we're family."

“I didn’t treat you well in the past, but you still treat me as a family in the end, Zhenzhen!”

Gong mo looked at Tian Cheng helplessly.

Tian Cheng was also helpless. She said to Gong mo, “cousin, you’ve been here with me for the whole day. Go back and rest first.

“I’ll come and see you tomorrow,” Gong mo nodded.

“Cousin, are you going to stay here for a long time?” Tian Cheng asked, puzzled.

“Since you’re back, I’ll go and sweep my dad’s grave tomorrow.”

Gong hang was still alive in Gambino’s body. She and Shan Rong did not feel that he was dead, and they had not taken the matter of sweeping the grave to heart. But since he was back, it didn’t seem right for him to not go.

.....

A few days later, Gong mo and Sheng nanxuan planned to return to the capital and bring Tian Cheng over for treatment.

However, Tian Cheng was unwilling. that’s too troublesome. You can recuperate anywhere.

“How can that be the same? Beijing’s medical facilities are so good. With such heavy injuries, of course you should go there. Nanxuan’s youngest uncle can’t leave now and can’t come here to show you. But when you go to the capital, he can still find time to take a look at you.”

“But Yueyue, I’ve already discussed it with mom.”

It was almost time for her to start school, but she couldn't move now. She would have to lie in bed for at least a few months. She didn't want to drop out of school. She planned to take three months off and self-study at home. She would return to school after she recovered.

In the next few months, if she were to go to the capital, her younger aunt would follow her to take care of her. The two of them would have to spend a lot of money in the capital, but it was different at home.

"Aunt doesn't even plan to keep in touch with Big Uncle, what are you guys still doing here?" Gong mo advised.

"There's still a lawsuit."

"Then I'll come back when the time comes!" Gong mo said, "it's precisely because you have to file a lawsuit that you should leave. Otherwise, what if they come to make trouble again when nanxuan and I return to the capital? When you go to the capital, you'll be out of sight and out of mind. You'll recuperate well, and aunt will be at ease. Do you still have any memories here? Why don't you just live in the capital with your aunt and never come back?"

but, ran ran. Tian Cheng felt a little embarrassed, mainly because she thought that she would get a lot of help if she went to Beijing.

"Think about it yourself and tell aunt. You have to take into account the factors of Big Uncle and the others. It's not like you don't know their temper. When they come to your door and you can't move, they might even kill you to silence you." Gong mo said.

Tian Cheng shuddered.

She wasn't afraid of uncle Gong and Hu Yinghong, but she was afraid of Gong ze. Gong Jie was a pervert and too vicious. Who knew what she would do!

"I'll discuss it with my mom."

She told her younger aunt about Gong Mo's worries. Her younger aunt agreed to go to the capital immediately without any further persuasion. I thought about it later and was a little scared. They didn't dare to come when Momo was here, so they asked your uncle to come. After Momo left, they would definitely come by themselves. When that time comes, you won't be able to recuperate in peace. If I bump into you again, it'll be a lifetime thing."

"Let's go to Beijing then," Tian Cheng said. We have some money on hand, so let's rent a house there and stay there for now. Just focus on taking care of me and don't disturb my cousins. Just treat it as if you're at home."

Chapter 1046 Do you have a crush on her?

After arriving in Beijing, Tian Cheng asked Gong mo to apply for leave from school.

...

Sheng nanxuan would not let Gong mo handle such trivial matters, so he let Fang Yang handle it. Fang Yang still threw it to CEng Shuai.

Zeng Shuai went to the school to complete the procedures and helped Tian Cheng collect her books and class schedule. Although she didn't need to attend classes, she could see the number and importance of the classes from the timetable. Moreover, the teacher's name was on the timetable. If she encountered any problems during her self-study, she could contact the teacher.

Zeng Shuai walked out of the ward with a book in his hand and saw Tian Cheng and her aunt talking to each other on their laptops.

He knocked on the door. His aunt looked at it and quickly put away the computer.

Zeng Shuai walked in and put the book aside. He said to Tian Cheng, " "You've taken too long of a leave of absence, and the school can't handle it, so they've approved you to take a year off. If you recover halfway, you can go back at any time, but you'll have to make up for the missed classes. Your form teacher told the Head of Department that you don't have to worry. The most important thing is to recuperate."

alright, ran ran. Tian Cheng nodded and said politely, " thank you.

Zeng Shuai was at a loss for words when he saw her being so polite. Although he had a rich History of Love, he had never taken the initiative and had no experience in talking to girls.

He thought about it for a long time. Seeing that he was standing there in a daze without saying a word, Tian Cheng asked in confusion, " "Is there anything else you need?" If there's nothing, then hurry up and leave!

Zeng Shuai suddenly thought of something and said,"Wu Li has been caught and is currently being sent back to his country." After you've recovered, the court will inform you to start the court session."

Tian Cheng was stunned for a moment before she hurriedly nodded.

"Then I'll take my leave first." Zeng Shuai turned around and walked back after taking two steps. He handed over his business card. you can contact me if you need anything.

Tian Cheng held the business card in her hand. On it was simply written, " Star Entertainment's CEO, CEng Shuai.

"I've been troubling you recently," she said, raising her head.

"I should." Zeng Shuai turned around and left.

After a while, her aunt carried the computer back to Tian Cheng. the people working for husband Mo Mo are all very scary.

Tian Cheng couldn't help but laugh,'how is it scary? He's even more handsome than a celebrity, and he actually scared you?"

“I’m not talking about his looks, I’m talking about his aura, understand?” Her younger aunt rolled her eyes and suddenly felt that something was wrong. She stared at her with bright eyes and asked, “you said he’s handsome? Don’t tell me you’re ...”

Tian Cheng was speechless, ‘what are you guessing? I’m just stating an objective fact! Hurry, hurry, hurry, help me write my chapter!”

Because of her injury, she had not updated her online novel for a few days. Now that his arm was broken, although he could move his fingers, it was too troublesome to type. Moreover, if he pulled one, it would affect the whole body, and it would hurt his chest and ribs.

It just so happened that her younger aunt had nothing to do all day, so she thought of a wonderful way- She was teaching her younger aunt how to use a Word document.

“Don’t change the subject!” His aunt said with a straight face. Do you have a crush on her?”

“Who would like him?” look at his business card, ” Tian Cheng said. he’s the president of an entertainment company and is surrounded by big stars. Do you know how much of a womanizer he is? Do you think I’d like such a person?”

is that so, Yingluo? “his aunt was a little disappointed. I was just saying that this young man is quite energetic. You can seize the opportunity.

“Yingluo,” how old was she? Mom actually started planning this kind of thing!

“Come, teach me,” his aunt said as she set the computer in place.

Tian Cheng stared at the computer screen, unable to focus for a moment. Recalling Zeng Shuai’s words, she said, “can you sell the house? you’ll need a lawyer’s fee to file a lawsuit.” The lawyer my cousin-in-law knows must be very expensive. Let’s prepare first and pay as much as we can. I don’t think he’ll dare to ask for too much.”

Chapter 1047 I'll be sending you to kindergarten in a few days

"How are we going to sell the house here?" His aunt asked.

...

Tian Cheng thought for a moment and said, 'whether it's handed over to an agent or posted online, the buyer has to look at the house if he's interested. You're here, there's nothing you can do, Yingluo.'

"Yeah!"

"I'm not worried about leaving it to cousin, but I'm afraid she'll buy it behind our back!"

"It can't be!" Little aunt was shocked.

"Even if she doesn't know how to do it, cousin-in-law might have arranged it," Tian Cheng scoffed. Cousin-in-law is a person who would go crazy when he meets cousin."

Little aunt poked her on the head, "What nonsense are you spouting?"

ah-" Tian Cheng yelled in pain. be gentler! Fortunately, my spine wasn't injured. Otherwise, your stab would have made my head fall to the ground!"

you ... little aunt's eyes widened as she imagined the scene. She was shocked.

"Forget it, we'll settle the house problem ourselves!" Tian Cheng hurriedly said, "hurry, hurry, hurry! I've been inspired. I know how this Crown Prince is going to die!"

.....

Sheng nanxuan and Gong mo took Hu Zi to the Yu family for dinner.

Yu Xinran had already followed Lu Yang back to beixiao. Gong mo was not used to the absence of one person in the house, but the Yu family seemed to be used to it.

great-grandpa! Great-grandma! Hu Zi ran towards Yu Zhengming and Wu surong.

Wu surong carried him to the sofa, and he called out to the others.

Wu surong laughed and said, "good, good!" So obedient! Come, great-grandma has prepared a gift for you."

Hu Zi blinked, "What day is it today?" Why was there a gift?

Wu surong took out a small bag from behind the sofa, " here! Your parents said that they'll send you to kindergarten in a few days. Great-grandma will give you a small school bag!

Hu Zi hugged his bag curiously and asked in confusion, " "A school bag?" What was it?

"Quickly thank great-grandma." Gong mo reminded.

"Thank you, great-grandma!" Hu Zi raised his head and said loudly.

good girl. Wu surong chuckled. open it and see. There are stationery and toys your granduncles and granduncles bought for you.

When Hu Zi heard this, he opened it with the help of an adult and looked at it. Then, he thanked the people who gave him the gifts.

"Let's try." Wu surong helped him carry his bag.

He didn't know what it was, but he was curious and liked it. He carried it everywhere and went on adventures in the house. Soon, he learned to take it down himself and put in any snacks and toys he saw.

"Stop!" Gong mo laughed so hard that he was out of breath. That's your aunt's!"

"Little aunt?" Hu Zi did not understand. What was a little cousin?

He continued to stuff it into his bag and ran around with it.

Yu Qingliu grabbed him, opened his bag, and took out the rattle-drum.

Hu Zi looked at him innocently and thought, "my bag is empty, I'm just playing with it!" I won't take it away!

"Do you know about her?" Yu Qingliu pointed the rattle-drum at ding dang's big belly.

Hu Zi carefully crawled over and stared at ding dang's stomach.

Ding dang, who was munching on melon seeds, passed the melon seed in her hand to him.

He shook his head and continued to stare at her stomach. "Younger brother? Younger sister?"

"Not a little brother or a little sister," ding dang said with a smile.

"If you want a younger brother or sister, go to your father!" Yu Qingliu picked him up.

Just then, a servant walked over and said to Wu surong, "Old Madam, second master Wu is here."

"Second brother Wu?" Wu surong frowned. what is he doing here? "

Yu Zhengming also frowned and helplessly said, "Ask him to come in."

Chapter 1048 second brother Wu complains

The servant nodded and turned to leave.

...

"You take ding dang up," Wu surong said to Yu Qingliu.

"Then let's bring Hu up too." Sheng nanxuan said.

Wu surong nodded. After they left, she said to Yu Zhengming, "This old thing, the older he is, the more shameless he is. I don't know what trouble he is looking for!"

"Let's take a look." Yu Zhengming frowned.

After a while, second brother Wu walked in with a walking stick. As he walked, he shouted, "Cousin, please save my grandson!"

Wu surong's head hurt. She said unhappily, "If you have something to say, say it properly! Don't mess up!"

When Sheng nanxuan heard this from upstairs, he frowned-so it was because of Wu Li.

Gong mo saw his strange expression and asked, "What's wrong?"

He shook his head and handed the Tiger to her. you stay here. I'm going down for a while.

“Eh?” Gong mo was stunned for a moment before he suddenly understood.

Wu Li had been sent back to his country and was now being detained for trial. If second brother Wu knew that Sheng nanxuan was behind this, he would have to ask Wu surong for help.

When Sheng nanxuan went downstairs, second brother Wu was complaining to the two elders about him.

“It’s all because of that good grandson of yours! My grandson has a girlfriend. She’s the cousin of your granddaughter-in-law. That girl was pregnant, so Wu Li went to visit her. In the end, he met your granddaughter-in-law’s cousin. That cousin insisted on seducing him and deliberately climbed onto the window to threaten my family’s Wu Li. After that, she fell down from the window, sob sob.”

Wu surong frowned and looked at him, “And then?”

and then ... Wu Lao ‘er pretended to cry. your grandson and granddaughter-in-law insisted that it was my Wu GE’s fault and called the police to arrest him! He wanted to send him to prison! Cousin, I only have one grandson. You can’t harm him!”

“How did I harm him?” Wu surong pulled a long face. When she saw Sheng nanxuan coming down, she hurriedly asked, “is Tian Cheng alright?”

“In the hospital.” Sheng nanxuan said, “a few days ago, I asked uncle to go and see her. She’ll probably be lying in bed for a few months.

Wu surong was shocked when she heard this. How many more months? How serious was this!

Wu Lao ‘er immediately got up and looked at Sheng nanxuan warily. I-I’m telling you, we’re a family. You can’t harm my Wu Li like this!

“Who’s your family?” Wu surong roared, “if your Wu lie had thought that we were family, would he have caused my Xinran to have a miscarriage? If he did not do anything wrong, my nanxuan would never harm him! The police will judge for themselves!”

Second brother Wu pointed at Sheng nanxuan and roared, "what justice is there?" Who didn't know that he was extremely capable! The police still listen to him!"

Sheng nanxuan was expressionless and could not be bothered with him.

He was stunned for a moment, then rolled his eyes and started to make a scene, "Oh, my grandson! I only have one grandson! If anything happens to him, I'll just kill myself here!"

Wu surong took a deep breath and said, "stop!" You're just an old man, yet you're acting like an old woman. Don't you feel embarrassed?"

Second brother Wu was still embarrassed. The more Wu surong scolded him, the fiercer he shouted.

Yu Zhengming took his walking stick and slammed it on the ground, creating a loud sound.

Wu surong continued to threaten, "you're going to make a scene again?" It's the first month of the lunar year and my second wife is about to give birth. If you cry again, I'll beat you!"

Wu Lao er was so scared that he hiccuped and didn't dare to cry.

Wu surong glared at him and asked Sheng nanxuan, " "What's going on?"

Chapter 1049 Sheng nanxuan's threat

Sheng nanxuan gave a brief account of what had happened. Second brother Wu wanted to make a scene, but he said coldly, " "Gong Gong put a video camera in the room and wanted to record the process of forcing Tian Cheng to submit. The video is now in the police's hands. The video clearly shows how Wu Li forced Tian Cheng to jump off the building. It's not a set-up."

...

Second brother Wu gasped and his body shook. He looked at Wu surong and said, "Cousin, you have to help me! I only have one grandson!"

"What did I say last time?" Wu surong scolded him, "I told you to discipline him properly. Is this how you discipline him?" You still dare to come and find me? My granddaughter ..."

"Didn't your granddaughter marry a better man?" Wu laoer said unhappily.

"You ..." Wu surong was so angry that she almost fell over.

"Granduncle," Sheng nanxuan hurriedly said to second brother Wu, "as long as Tian Cheng is alive, the judge will not sentence Wu Li to death no matter what. But if you continue to make a scene, I'll get someone to dig up all the things he has done in the past! I'm sure you know what kind of person he is. Do you think he has done anything wrong in the past?"

Wu Lao er held his breath, and his hand holding the walking stick trembled.

"The police have already made a case. Do you want him to run out like nothing happened and even throw Tian Cheng in jail? No matter how powerful I am, I will not disobey the law! Since you're not even as good as me, don't even think about it."

Wu Lao er's face turned ashen.

"Alright, you can go back now!" Wu surong said angrily, "if you have the time to make a scene here, why don't you find a lawyer for him?! You clearly know what kind of person Wu Li is, yet you still have to pretend to be blind. Do you think you can save him by making a scene here?"

Wu Lao er knew that what they said made sense, but he felt indignant in his heart. He turned around and said, "You're just bullying me because I'm not capable!"

Wu surong grabbed a walnut from the table and threw it at him."Don't ever come to my house again!"

.....

On a sunny day, Gong mo and Sheng nanxuan took Hu Zi to kindergarten.

Sheng nanxuan had chosen the best elite kindergarten in the capital. The teachers and staff added together almost outnumbered the students.

They were here today to bring Hu Zi around to familiarize himself with the environment. They would officially send him in tomorrow.

The kindergarten was huge and had all sorts of facilities.

Hu Zi had played with many of the game facilities and toys in the park and at home, but he had never attended the kindergarten's lessons. Furthermore, this was the first time he had seen a teacher leading the children to play games, so he was still very curious.

Gong mo and Sheng nanxuan took him to class, played games with him, and ate with other children in the cafeteria.

He was in high spirits and left with a bit of interest.

"Can you come back tomorrow?" Gong mo asked on the way home.

"Alright!" Hu Zi nodded.

He had done a lot of things today, and there were some things he didn't understand. It would be best if he could come tomorrow.

"Can you come by yourself tomorrow?" Gong mo asked again.

Hu Zi was stunned and looked at her.

“You’ve grown up. It’s time for you to study. Other children have to go to kindergarten, but you’re about to start too. Those kids were cute, weren’t they?”

Hu Zi nodded.

“Then, Daddy and Mommy will send you over tomorrow. You can play with them alone. When you’re tired, Daddy and Mommy will come and take you home, okay?”

Hu Zi did not nod this time. He lowered his head and pinched the little Ragdoll in his hand.

“Don’t you want to play with your friends?” Gong mo asked.

Hu Zi nodded.

“Do you miss me or not?” Gong mo was taken aback.

Chapter 1050 Hu Zi in kindergarten

Hu Zi raised his head and looked at her pitifully. I miss mommy, Yingluo. he wanted to play with his friends, but he wanted to be with his mommy more.

...

Gong mo hugged him and said, “mom missed you too.” But you’re all grown up now, you have to study!”

Sheng nanxuan reached out and patted his head. You’ll have to go even if you don’t listen.”

Hu Zi hugged Gong mo tightly and began to cry.

Daddy is so bad! His mother had advised him with nice words, but his father had threatened him!

The next morning, after Hu Zi had his breakfast, Gong mo checked his attire excitedly.

Sheng nanxuan stood at the side, carrying the small bag that Wu surong had given him.

Gong mo adjusted Hu Zi's hat and said with a smile, " "So handsome! Don't move, baby, mommy will take a photo for you!"

Hu Zi smacked his lips,"mommy's so bored, patting Yingying every day."

Gong mo picked up his DSLR and took two pictures. Then, he took the small bag from Sheng nanxuan's hand and asked,""Look at your bag. Do you like it? This is a gift from great-grandma ~"

Hu Zi's face was calm.

It wasn't the first time they'd met. After playing with it for the whole day, there was nothing new today.

However, in order not to disappoint his mother, he still opened his arms and looked like he wanted his mother to help him.

Gong mo laughed as he carried him on his back. He took out his camera and took a few photos of him."This is your first day of school, so it's very memorable. Let's go!"

Sheng nanxuan personally drove Hu Zi to school, surrounded by luxury cars. The teacher stood at the door to pick up the child, gentle and amiable.

Sheng nanxuan carried Hu Zi out of the car and placed him on the ground.

Gong mo fastened his coat for him and said, " "If you pee, you have to tell the teacher, okay?"

Hu Zi immediately frowned and buried his face in her.

There was no way he would tell a stranger about such an embarrassing thing!

Gong mo laughed heartily, "Alright, alright, don't be shy." Anyway, you can tell the teachers and the aunties whatever you want to know. If you miss them, don't worry, they'll come to pick you up in the afternoon."

Hu Zi pouted and nodded.

"Let's go," he said. Gong mo held his hand and led him to the door. Sheng Yiting. he called the teacher.

Sheng Yiting ... the teacher squatted on the ground and smiled at Hu Zi. you're welcome ... Come in with me, okay? "

Hu Zi looked at Gong mo. Gong mo squatted down in front of him and said, " don't call me Huzi anymore. That's just a pet name for my family. The teachers and children will call you Sheng Yiting.

Hu Zi nodded and felt that this was not bad. He didn't want everyone to call him Hu Zi. Only those closest to him could.

He held the teacher's hand, and because he was wearing thick clothes, he rolled into the school gate like a ball.

He turned around and waved at Gong mo and Sheng nanxuan.

Gong mo waved at him with a smile. After he left, he couldn't help but shed tears.

"What's wrong?" Sheng nanxuan asked hurriedly.

I just want ran ran to grow up slowly like this. Gong mo sobbed. from now on, ran ran will spend less and less time with us.

Sheng nanxuan was speechless. He hugged her and turned around."Why do you have so many good and bad feelings? It was still too early for that. He was only three years old! Nowadays, people get married and have children late. He might not even get married by the time he's thirty. You'll be so anxious then."

"Nonsense!" Gong mo glared at him.

"How am I talking nonsense?"

"I'm not in a hurry if he doesn't get married at 30. Who knows, he might get married at 31?"

Sheng nanxuan paused and asked,"what if you're as cowardly as your uncle?"
