

## **Ditsy Wife 1091**

Chapter 1091 Don't think I won't shoot her!

"Cousin!"

...

Tian Cheng had just returned to the villa when she saw Gong mo fall from the tree through the floor-to-ceiling window. She immediately ran out, but all she saw was the car driving away.

She ran after him, and when the others saw her, they followed her.

After a few steps, Tian Cheng fell to the ground.

"Cheng Cheng!" Zeng Shuai stopped to help her up. are you okay? "

sis ... Tian Cheng looked in front of her.

Zeng Shuai looked and saw that the car had already driven far away. He wanted to chase after it, but he could not let go of Tian Cheng. Just as he was hesitating, someone kicked him on the back. He groaned in pain and looked up to see Sheng nanxuan running to the front.

It was obvious that the person who had kicked him was Sheng nanxuan.

He couldn't be blamed for valuing his lover over his friend. The car was really too fast, he couldn't catch up even if he wanted to!

"\*\*\*\*\*! Where's the car!" Sheng nanxuan stopped and shouted.

At that moment, a car suddenly braked in front of him. He rushed over and pulled the driver out of the car, then drove after him.

Sheng Dongyi's car was already parked on the tarmac. There were several helicopters on the tarmac. The one in the middle was painted in a romantic pink color, with red and white peach hearts painted on the pink background.

There were a few men standing around the plane. They were the bodyguards of the villa.

Sheng Dongyi pulled Gong mo out of the car and pointed a gun at her neck.

The bodyguard was shocked. Who was this? How dare you kidnap the bride!

"Get out of my way!" Sheng Dongyi pulled Gong mo to the plane.

The bodyguard didn't dare to move. He took Gong mo to the front of the plane and found no one inside. Just as she was about to climb up, Sheng nanxuan's car suddenly drove over. He got out of the car and shouted, "What are you doing? Put her down!"

"He's Sheng Dongyi!" Gong mo shouted.

Sheng nanxuan's eyes widened!

Sheng Dongyi suddenly pressed the muzzle of his gun against Gong Mo's arm and fired a shot at Sheng nanxuan.

Sheng nanxuan dodged the bullet, but Gong mo screamed in pain. He took a look and found that there was a large patch of blood on her arm!

The bullet had grazed her arm.

nanxuan Feifei! Gong mo cried out in pain.

“Sheng Dongyi!” Sheng nanxuan roared.

Sheng Dongyi pointed the gun at Gong Mo’s neck and said, ” “I’m warning you. Don’t think I won’t shoot her! Tell your people to back off!”

Sheng nanxuan glared at him and did not move.

Sheng Dongyi was about to shoot.

Sheng nanxuan glared at him fiercely. He raised his hand and waved it behind him. The people around him slowly backed away.

Sheng Dongyi dragged Gong mo to the computer. When Sheng nanxuan heard Gong Mo’s painful moans and sobs, his eyes seemed to have been quenched with fire!

Bang! Bang!

Sheng Dongyi closed the cabin door, threw Gong mo on the ground, and ran to the driver’s seat.

Gong mo struggled to get up. He covered his injured arm with his hand and stumbled to the cabin door.

The cabin door could not be opened. She moved to the window and looked at Sheng nanxuan.

The blood on her hand dripped onto the white wedding dress, and the Scarlet spots looked like red roses among thousands of white roses.

Sheng nanxuan rushed over and slammed into the cabin door.

The helicopter shook and Gong mo fell to the ground.

“Gong mo!” Sheng nanxuan nervously jumped onto the helicopter and looked at her.

Just then, the plane shook again. He looked at the pilot’s seat and saw Sheng Dongyi flying the plane.

Motherf \* cker!

Sheng nanxuan was furious. When did this guy learn how to fly a plane?

He couldn’t let Gong mo be taken away!

He reached out his hand and slammed it against the cabin door.

The plane rose shakily into the sky, and Sheng nanxuan grabbed the landing gear.

Gong mo got up and looked at the ground. He didn’t see him and said anxiously, ” ‘Nanxuan Yunjun’

Chapter 1092 He really came!

Where was he? Could it be coming up?

...

Gong mo didn’t even have time to care about the injury on his hand as he kept looking for him.

When Sheng Dongyi saw this, he deliberately tilted the plane, causing her to roll on the ground.

He swayed back and forth a few times, trying to throw Sheng nanxuan off! However, Sheng nanxuan stubbornly held on to the landing gear and refused to let go. He noticed that several other helicopters were chasing after him, so he had to leave quickly.

.....

At the entrance of joy garden, Yu qinghuan and King were stopped because they didn't have an invitation.

While King was arguing with the bodyguards, the helicopter started to rumble. He looked up and saw a person hanging under the helicopter. He couldn't help but call out, " "This marriage is so novel!"

Yu qinghuan raised her head and saw a few planes flying over her head. Her heart was filled with confusion.

"Who is this?" King took a pair of binoculars from his subordinate and looked at the helicopter. After a while, he said to Yu qinghuan, " "It seems to be Sheng nanxuan."

Yu qinghuan frowned and had a bad feeling. "Where's Sheng Dongyi?"

King took another look. he seems to be flying a plane.

Yu qinghuan snatched the binoculars and saw Sheng nanxuan hanging under the plane, and Gong mo inside the plane.

Gong Mo's skirt was dyed red. She frowned. She didn't like this kind of red.

She passed the telescope to King and asked, " "Do you have a helicopter?"

"Uh, Yingluo is in country Y."

Yu qinghuan glared at him-what's the use of having you?

.....

Gong mo tore off the hem of his wedding dress and wrapped it around the wound on his arm. After an unknown period of time, the sky gradually darkened. She leaned against the window, barely breathing, not knowing where the plane had flown to.

Suddenly, the plane shook heavily, as if it had scratched something.

Gong mo opened his eyes abruptly. It was pitch-black all around him.

She slowly got up and leaned against the window. The lights were bright in the distance.

After flying for such a long time, he was definitely not in the capital. He didn't know which city he was in. Could he have returned to Nanjiang?

She turned to look at the other side-the moon was hanging in the sky, and the ground was sparkling. Listening carefully, there seemed to be the sound of ocean waves.

Was this the seaside?

Suddenly, the plane took off again and glided toward the sea.

Gong mo turned around and saw a man running towards him from the beach.

It was Sheng nanxuan!

Nanxuan! Gong mo shouted in excitement.

He's here!

He really came!

Was he just going to hang around on the plane? How hard would that be?

Gong Mo's heart ached at the thought of that.

Suddenly, with a bang, the plane shook violently, and she fell backward.

She felt that she was falling. When she opened her eyes, she was surrounded by darkness. There was no light or water.

The sound of water splashing could be heard.

She looked in front of her in horror and felt water falling on her.

There was more and more water, and it had a salty and fishy smell. Not long after, the surroundings were filled with water.

Sheng Dongyi swam over, opened the door of the plane, took her hand, and swam out.

Gong mo felt the pain from his wound. He spat out a few mouthfuls of seawater and didn't even have the strength to struggle.

Sheng Dongyi brought her out of the water. She looked at the city in front of her and whispered for help, " 'Nanxuan Yunjun' "

Sheng Dongyi continued to swim with her. Soon, they arrived at a small boat.

He threw her onto the yacht and climbed up as well. He walked to the front and turned on the engine. The yacht quickly rushed towards the horizon.

Gong mo was lying on the deck, gasping for breath. The sky was full of stars.

After a while, she got up shakily, and the water on her body dripped onto the deck.

Chapter 1093 Wait for your husband to save you

She looked around, picked up the Lifebuoy on the ground, and threw it at Sheng Dongyi.

...

Sheng Dongyi seemed to have seen what she was doing. With a wave of his hand, the Lifebuoy flew into the sea. Gong mo also fell into the sea!

She fell into the sea with a plop.

Sheng Dongyi looked at her for a while, then reached out to pull her up, picked up the rope next to her, and tied her up!

be good ~”he patted her face. be good and wait for your husband to come and save you.

what are you trying to do, Yingluo?”Gong mo glared at him.

“What do you think?”

Kill him!

When nanxuan came to rescue him, they would ambush him in the dark and kill him. It was the same thought as Huo Cheng back then!

“You’re not his match!” Gong mo said with certainty.

“But you’re his weak spot.”

Gong mo was stunned and spat on his face, ” “An unfair victory!”

“He’s a monster, and I’m a human. It’s not fair to me if I don’t use you.”

“You’re the monster!”

“Oh, Yingluo, it seems like you’re very protective of him.” Sheng Dongyi smiled and touched her face with his finger. don’t worry. We’ll wait for him.

.....

Sheng nanxuan dove into the sea and swam to the place where the plane crashed. He found that Gong mo was no longer there.

He came out of the water, looked ahead, and continued to swim. After swimming for a few times, he swam back to the beach.

At that moment, his men arrived in a helicopter.

A few helicopters circled the sky twice and stopped on the beach.

Fang Yang got off the plane and ran to Sheng nanxuan. “BOSS—”

Sheng nanxuan exhaled. you’re actually here. Didn’t you accompany your girlfriend? ”

Yingluo, he’s not CEng Shuai! He didn’t even care about his BOSS when he had a woman!

Sheng nanxuan kicked him angrily, and Fang Yang felt wronged. He had chased after Gong mo when he saw that something had happened to him. Why did he kick him?

“Why are you stopping? Chase!” Sheng nanxuan roared.

“There’s not enough oil,” Fang Yang said with his head lowered.

Sheng nanxuan,”Yingluo.”

After a few seconds, he kicked them one by one. “What’s the point of raising you? Go find a boat! Hurry up!”

“Yes!” Everyone agreed and split up.

Sheng nanxuan felt around his body but could not feel anything. He said to Fang Yang, ” “Call Ding Yuan and ask him to arrange for people from the military to come and help me!”

.....

Gong mo drifted on the sea for a night and fell asleep.

The wet wedding dress stuck to her body, and she shivered in her sleep. She dreamed of being imprisoned by Huo Cheng.

When he opened his eyes again, the sun was glaring and a few seagulls were circling in the sky.

She moved and felt that she was still tied up. She looked down and screamed because it was not a rope but a bomb!

She looked up and saw Sheng Dongyi lying on the chair leisurely. She gritted her teeth. "Sheng! East! Whoosh!"

"Look at the surroundings, how quiet is it?" Sheng Dongyi asked.

Gong mo glared at him. Seeing that he was ignoring him, he also looked around.

There was no one on the surface of the sea.

Gong mo couldn't help but be afraid. He stared at the bomb on his body and curled up against the side of the ship. She hadn't eaten for a long time. Her stomach made an empty sound and her stomach ached.

Sheng Dongyi looked at her and smiled. I didn't expect you to still remember me. I'm so flattered.

Gong mo lowered his head. Her wedding dress was dirty and one of her beautiful crystal shoes had fallen off.

"Don't you love Sheng nanxuan?" Sheng Dongyi asked, " I've changed my face, but you can still recognize me at a glance. Do you really love me? " If that's the case, I can consider letting you go."

Chapter 1094 I finally met her

"Bah!" Gong mo raised his head and shouted, " stop dreaming! I've been with you for almost two years. Even if it's a dog, I'll still remember its voice!"

...

Sheng Dongyi was furious. He stood up with the gun and pointed it at her.

"You're a dog!" Gong mo shouted.

Sheng Dongyi gritted his teeth and looked at her. His fingers trembled as he slowly pulled the trigger.

Gong mo stared at the gun and was a little scared. But when she thought of Sheng nanxuan, she straightened her neck.

If she would kill Sheng nanxuan if she stayed alive, then she should die! Sheng nanxuan would definitely avenge her!

Bang! Bang!

ah ... Gong mo lowered his head in fear.

hahaha ... Sheng Dongyi laughed. do you think I'll kill you just because you made me angry? "

"....."

"I said that I'll wait for my good little brother with you. If he doesn't come, how can I bear to kill you?"

There was also a bomb wrapped around her neck. His hand slid over the bomb and landed on her skin from time to time.

"Today, the three of us will die together!" Sheng Dongyi said fiercely, " these bombs can blow up this ship into pieces!

Suddenly, a car whistle sounded.

Gong mo raised his head and saw a ship in the distance.

Gong mo was both worried and happy. Sheng nanxuan must have come to save her! But how could he save her?

Sheng Dongyi's expression changed. He turned around and walked away. He pressed the remote control. Gong mo heard a ding and looked down. He found a clock tied to the middle of the bomb.

The clock began to count down.

.....

"BOSS!"

On a small boat in the middle of the sea, Fang Yang held up his binoculars. "There's a boat in front!"

"Drive faster!" Sheng nanxuan said.

Soon, the small boat reached the ship, and a man appeared at the bow. He smiled at him and said, "Night God! I've long heard of your great name!"

Sheng nanxuan was stunned. He narrowed his eyes. King Qianqian, it's an honor to meet you.

After he finished speaking, he leaped into the air and stepped on the boat to fly up. He pulled out his gun and pointed it at King.

Ka ka!

The sound of bullets being loaded could be heard around them. Sheng nanxuan looked around and saw that they were surrounded by people. In front of the deck, there was a red shadow.

His eyes widened. Lily?! he exclaimed.

Yu qinghuan turned around and looked at him quietly.

Sheng nanxuan heaved a sigh of relief. He finally saw her, Yingluo.

“BOSS!” Fang Yang’s voice came from below the boat. I see Madam!

Sheng nanxuan hurriedly stopped. He didn’t care if the people around him would hurt him. He quickly ran to the bow of the ship.

On a small boat in front of them, Sheng Dongyi grabbed Gong Mo’s neck and stuffed the gun into her mouth.

The position he had chosen did not look like his temple. No matter how powerful Sheng nanxuan was, he would not dare to shoot to save Gong mo.

If he had pointed the gun at Gong Mo’s temple, Sheng nanxuan could have easily hit his arm and sent his gun flying.

But at this position, if Sheng nanxuan hit his arm, the gun in his hand would not fly away. Instead, it would likely force him to pull the trigger!

Furthermore, Gong Mo’s body was tied with bombs!

“\*\*\*\*!” Sheng nanxuan cursed. The ship was getting closer and closer, and he jumped over to Sheng Dongyi’s boat.

“Don’t move!” Sheng Dongyi shouted. He was afraid that he would get too close and cause the situation to go out of control.

Thump!

Sheng nanxuan was afraid that he would shoot, so he plunged into the water.

Wu Wu ... Gong mo sucked on the gun barrel and let out an excited sound.

Sheng nanxuan emerged from the water and glared at Sheng Dongyi. "Let her go!"

Chapter 1095 This mother is really too young!

sure ~ you can commit suicide. Sheng Dongyi said.

...

Sheng nanxuan glared at him and clenched the gun in his hand.

"Two more minutes." Sheng Dongyi looked at the time bomb on Gong Mo's chest.

"Oh ..." Gong mo looked at Sheng nanxuan excitedly. Don't believe him! He had already thrown the remote control away!

"I don't believe you," Sheng nanxuan said, " unless you hand Gong mo over to me first!

"I don't believe you either!" Sheng Dongyi roared, " unless you die first!

Sheng nanxuan raised his hand and threw the gun into the sea. "Shoot."

Sheng Dongyi looked at him, his fingers twitching nervously. He suddenly laughed."Okay, I'll shoot, Yingluo."

As he spoke, he prepared to shoot Gong mo.

Once Gong mo died, Sheng nanxuan would definitely pounce on him. By then, the bomb would have exploded. If he didn't let go of Sheng nanxuan, they would both die together!

But if he pulled out his gun and shot Sheng nanxuan ...

Sheng nanxuan would definitely take the opportunity to dodge the bullet and then pounce on her to tease her.

"Stop!" Sheng nanxuan saw that he was not fooled and shouted in panic.

Suddenly, Yu qinghuan jumped off the ship and landed on Sheng Dongyi's boat.

She stared at him and frowned. He suddenly felt a headache. He pulled out the gun in Gong Mo's mouth and fired it at her.

Yu qinghuan raised her hand and caught the bullet.

Sheng Dongyi was shocked. He pushed Gong mo away and jumped into the sea.

"Gong mo!" Sheng nanxuan hurriedly swam over.

Yu qinghuan pushed Gong mo, who was on top of her, away. The clock in front of Gong mo only had a few dozen seconds left.

Sheng nanxuan climbed onto the boat, grabbed the clock, and looked at it. He hurriedly exposed the lines at both ends.

"Don't be afraid!" He said to Gong mo, " you'll be fine after you cut it!

But which one should Yingluo cut?

That's right! Where were the scissors?

A slender hand suddenly reached out and pulled one of the strings.

The countdown stopped.

She retracted her hand, and Sheng nanxuan saw two broken wires. He looked at Yu qinghuan in a daze. "Yingluo is so powerful."

Yu qinghuan looked at him and revealed a gentle smile.

Sheng nanxuan's heart skipped a beat. He opened his mouth and wanted to call her 'mom', but he could not say it!

It was probably because of Yingluo.

This mother was really too young!

Fang Yang and King drove their dinghies over. They both ordered their men to look for Sheng Dongyi.

Sheng nanxuan lowered his head to untie the bomb on Gong mo. After that, he helped her up. Gong mo lost his balance and twisted his foot.

Suddenly, Yu qinghuan turned to look at the water and said to everyone, " "Board the ship!"

what?! King was stunned.

“He’s trying to get on the boat in the water!”

“What are you afraid of? I’ll catch him for you!”

“He’s mine!” Yu qinghuan stared at him.

“.....OK!” King had seen her capabilities and it seemed like she really didn’t need his help.

“Board the ship!” He called out to everyone.

Everyone had no choice but to drive the dinghy to the ship. Yu qinghuan looked at Sheng nanxuan.”I heard you got married yesterday?”

“Ran ran is holding a wedding.”

Yu qinghuan lowered her head and looked at the wedding dress on Gong Mo’s body. “It’s such a pity for this wedding gown.”

A gunshot rang out, and Yu qinghuan’s entire body trembled. She immediately raised her hand to cover her left chest.

Sheng nanxuan’s eyes widened. He saw her open her hand and there was a bullet stained with blood in her palm.

There was a bloody hole in her chest, and blood was gushing out.

Sheng nanxuan and Gong Mo’s eyes widened in horror. The small speedboat in front of them also changed direction.

Everyone looked in the direction of the bullet. A submarine emerged out of the water. Sheng Dongyi stood on the submarine, threw away the gun in his hand, and turned around to pick up the rocket launcher.

Chapter 1096 reduced to ashes

Yu qinghuan's entire body fell into the water.

...

mom ... Sheng nanxuan pounced on her and grabbed her.

Yu qinghuan raised her head, her eyes filled with an indescribable emotion.

She turned to look at Sheng Dongyi. She knew that he was after the bundle of bombs!

This bundle of bombs was enough to blow all of them up! Even if she and Sheng nanxuan had been modified, they would be nothing if they were blown to pieces.

When she saw the bullet fly out, she shook off Sheng nanxuan and hit the speedboat with her palm.

The speedboat slid back a few dozen meters with a whoosh, and she dragged the bomb away and dove into the water.

Bang-

The water splashed as Sheng nanxuan held Gong mo in his arms.

The semi-submarine drove over.

After passing through the water curtain, Sheng Dongyi saw that they were still alive. His eyes were full of hatred, and he picked up the rocket launcher again.

Bang! Bang!

Sheng Dongyi's body shook. He slowly lowered his head and saw that his heart was bleeding.

He raised his head and heard King order everyone, "Fire!"

Bang Bang Bang-

Countless bullets flew toward Sheng Dongyi. He looked at Sheng nanxuan unwillingly. Another string of bullets flew at him and hit his arm. The rocket launcher in his hand fell to the ground.

Bang! Bang! He was shot in the heart again!

He fell to the side of the ship, blood flowing down like a fountain.

Thump!

King jumped into the sea and quickly swam towards the place where Yu qinghuan had disappeared.

Sheng nanxuan handed Gong mo over to Fang Yang and jumped into the sea, swimming toward King.

Gong mo knew that they were looking for Yu qinghuan, so he laid on the boat and watched.

"Madam, let's board the ship first." Fang Yang said.

"I'm waiting for Nan Xuan." Gong mo shook his head.

Fang Yang looked at the sea, then at her. He had no choice but to call the doctor to bring the first aid kit.

Dean Yu and Mr. Gambino are here as well, but we didn't know Madam's exact location. Everyone is looking for her separately, but they will meet up with us soon.

Gong mo nodded, but he didn't hear what he said.

She stared unblinkingly at the sea. The blue sea was dyed red by the blood. She didn't know if the blood belonged to Sheng Dongyi or Yu qinghuan.

After a while, King emerged from the water.

Gong mo held his breath and waited for Sheng nanxuan.

Ten minutes later, Sheng nanxuan also came out and found himself in a pool of blood.

He wiped his face and swam towards Gong mo.

Gong mo reached out to grab him, but he didn't have any strength. He climbed up the ship by himself.

"Send people to search these waters!" you must find her! Sheng nanxuan said.

Fang Yang looked at him in a daze. After a long time, he answered, " yes. then, he looked at the sea that was dyed red.

There were so many bombs.

Forget it, this was the BOSS's order. Let's just look for it! I want to see him alive, I want to see his corpse dead, if I can't find him, I'll continue looking!

At this moment, Yu Qingliu, Gambino, and the rest had also arrived. Together with them, there was also a large ship and dozens of military straight planes.

Sheng nanxuan carried Gong mo onto the big ship and handed him to Yu Qingliu. He ordered someone to draw a tube of Sheng Dongyi's blood in the submarine.

Whether he was Sheng Dongyi or not, he had to do a DNA test before he could be 100% sure.

If that was the case, he would be able to rest easy in the future.

He handed the blood to Yu Qingliu and ordered his men to burn the small speedboat and the submarine that Sheng Dongyi had used.

Sheng Dongyi's body was hanging on the bow of the ship, slowly melting.

He stared at it for half an hour before he walked into the cabin.

Yu Qingliu had just finished checking Gong Mo's condition and said to him, "I caught a cold. Don't disturb her, she's just sleeping soundly."

Chapter 1097 If I don't see her corpse, I'll just treat her as if she's alive!

Sheng nanxuan gritted his teeth when he heard that. Gong mo couldn't stand the cold at this moment, but he was still in a daze.

...

where's Cindy? " He asked angrily.

Yu Qingliu was stunned. it's gone. I sent someone to the hospital to look for her yesterday, but the building was already empty!"

"Motherf \* cker!" Sheng nanxuan gritted his teeth and suddenly turned to Fang Yang. invite that bastard over. I have something to ask him!

That bastard?

King?

"Yes!" Fang Yang turned around and went to do it. After a while, he came back with a letter. BOSS, the Chengcheng bastard opposite us has run away. He asked me to give this to you.

Sheng nanxuan raised his eyebrows, took the envelope, and opened it.

King explained what had happened-someone wanted Cindy's life, and he had sent Sheng Dongyi on a mission. Sheng Dongyi couldn't distinguish between public and private matters, but all he wanted was revenge! Now, the mission wasn't completed, and he had to personally deal with Cindy.

Sheng nanxuan furrowed his brows and thought doubtfully, " Cindy was worth hiring someone to kill? What was her status?

He tore the letter into pieces and threw it into the sea. Then, he returned to his room to see Gong mo. As for the unimportant people, as long as they didn't provoke him, they weren't within his scope of concern.

.....

Gong mo had fallen asleep. Sheng nanxuan sat by the bed and gently stroked her forehead.

Suddenly-

ah! Gong mo shrieked and curled into a ball in fear.

Sheng nanxuan immediately hugged her tightly. don't be afraid! Momo, don't be afraid. We'll be able to go home soon."

Feeling his body temperature, Gong mo slowly relaxed.

She slept for a long time, and when she woke up, she was already in the VIP Ward of worriless hospital.

When she opened her eyes, she realized that it was already dark. There was no one in the house. He had probably gone out.

She closed her eyes again. After a while, the door opened and Sheng nanxuan's voice came."How is it?"

"It's Sheng Dongyi."

Sheng nanxuan heaved a sigh of relief. that's good. Oh, that's right. Why isn't gong mo awake yet? "

"I'm just tired. Don't worry."

"Can't you be more serious?"

Gong mo was worried that they would start a fight, so he opened his eyes in a hurry. nanxuan-"

Sheng nanxuan was shocked and ran over to her. "You're awake!"

He held her hand and said happily, " "Don't be afraid! He was fine now! Sheng Dongyi is dead. He asked his uncle to do a DNA test. It was indeed him. He won't come and cause trouble again."

Gong mo looked at him and recalled the situation. He asked in a daze, "What about Wanwan's mother? Did you find it?"

Sheng nanxuan was stunned.

Yu Qingliu was just about to leave when she heard this and walked over. you guys saw qinghuan? "

"It's my fault, Zhenzhen caused her death," Gong mo looked at him and said with guilt.

"It's me." Sheng nanxuan said, " if she's really dead, I'm the one who killed her. The harm you've suffered is also my fault. You don't need to blame yourself."

"I'm too useless! If I were useful, I wouldn't have to be in danger every time and have you guys save me!"

Alright, alright, Yingluo. Sheng nanxuan hugged her and comforted her. she's so powerful. Who knows where she's hiding? " If I don't see her body, I'll just pretend she's alive!"

"But ..."

"No buts. She's already hidden a few times, and I'm afraid she's just trying to take the opportunity to slip away from me this time, so you don't have to blame yourself."

Gong mo thought for a while but couldn't convince himself. He asked, "Really?"

He nodded and kissed her hand. "Of course. A person's death won't just disappear without a trace."

Gong mo thought about the bundle of bombs and the bazooka. It was possible that they had really blown people into pieces.

Did he not dare to accept it, or did he really believe in Yu qinghuan's abilities?

Yu Qingliu thought for a moment and left the ward.

Perhaps, she's really still alive, Yingluo.

## Chapter 1098 Ten years later

It was already the new year, but there was still snow in the capital from time to time. It was beautiful, but it was freezing.

...

The alarm clock rang and Gong mo turned it off. Just as she was about to get out of bed, Sheng nanxuan hugged her and kissed her face and neck with his eyes closed.

Gong mo pushed him away and said, "stop it!" Yiting's school is starting today, so we're going to send him to school!"

it's still early, Yingluo. Sheng nanxuan turned over and pressed her down, his hands constantly teasing her.

After a while, everything was ready except for the equipment. Sheng nanxuan opened the drawer at the head of the bed.

Eh? Why was there nothing?

no! Gong mo pushed him away shyly and angrily. if not, then get up!

but I'm already like this, Yingluo. he looked at her innocently.

Gong Mo's face burned. After a moment, he said in a low voice, "Then I won't wear Yingluo? Didn't uncle say that I'm almost fully recovered from the last physical examination? Besides, it's not like I'm going to get pregnant, so I'm in a safe period right now."

"That won't do either! It's not like you've fully recovered. If you really get pregnant, it'll be bad for your body." Sheng nanxuan would not be careless when it came to her health.

He got up, wrapped his sleeping robe around himself, and walked to the bathroom.

"Do you need my help?" Gong mo asked.

Sheng nanxuan turned around and looked at her with bright eyes. He walked over and picked her up. "Then let's shower together!"

"No!" Gong mo shouted.

"You were the one who said you would help me!"

f \* ck! Gong mo choked and buried his face in his father's shoulder.

Sheng nanxuan laughed heartily and carried her into the bathroom.

An hour later, Gong mo got dressed and left the room.

She walked to Sheng Yiting's room and knocked on the door twice. A moment later, she pushed it open- there was no one inside. The quilt was casually piled up in the corner of the bed. Obviously, the owner was already up.

Gong Mo closed the door and went to the kitchen.

The servants had already prepared breakfast, and there were many portions. Because Sheng Yiting was thirteen years old, the age of puberty, he had a huge appetite!

Gong mo turned on the tap and washed his hands with hot water.

The maid looked at her, "Sir will talk about Yingluo again later."

"Don't tell him." Gong mo said.

In the past few years, she had indeed been controlled by Sheng nanxuan and could not do anything. But now that her body had almost recuperated, she would occasionally do something in secret. As long as she knew her limits, Sheng nanxuan would turn a blind eye to it.

Gong mo helped to bring the breakfast to the table and a muffled voice came from behind, "Mother!"

Gong mo turned around and saw Sheng Yiting standing behind him listlessly. He frowned and said, "What's with your expression? Quickly sit down and eat!"

Sheng Yiting straightened his back and refused to sit down.

Gong mo was so angry that he slapped him on the back. "Sit down!"

you just think that I'm taller than you," Sheng Yiting mumbled.

"You still have the nerve to say that?" Gong mo choked and said angrily.

He was now 1.7 meters tall, and she was only 1.68 meters. She could not beat him without high heels!

"Why would I be embarrassed?" Sheng Yiting grabbed a piece of bread and stuffed it into his mouth, laughing out loud.

“Who’s bullying my wife?” Sheng nanxuan walked over.

Chapter 1099 You’re not as handsome as your dad!

“As the shortest person in the family, I feel a little inferior,” Sheng Yiting said. Dad, you have to pay attention to her psychological state!”

...

Sheng nanxuan raised his fist and was about to teach him a lesson when Gong mo stopped him.  
“Enough, you! Don’t you find it childish to argue with your son every day? Hurry up and eat, what if you’re late?”

Sheng Yiting’s eyes widened and he looked at Gong mo in dissatisfaction. Was she saying that he was childish?

Sheng nanxuan sat down and asked him, “is there a parent-teacher meeting today?”

Sheng Yiting nodded and stuffed his mouth with food.

“Are you going or should I go?” Sheng nanxuan asked Gong mo.

“I’ll go, you’re so busy.” Gong mo said considerately.

alright, I’ll send you to school. Come find me at the company after the meeting.

Gong mo nodded his head.

Sheng Yiting raised his eyebrows and glanced at them. His expression was exactly the same as Sheng nanxuan.

Hmph, mom and dad are definitely going on a secret date again. He had been used to seeing them being lovey-dovey since they were young.

After dinner, Gong mo asked Sheng Yiting to change his clothes.

Sheng Yiting heaved a long sigh and went back to his room reluctantly.

Gong mo was puzzled and asked Sheng nanxuan, "what happened to him?" He was fine two days ago, and now he's suddenly like this. Could it be that he's in his rebellion period?"

Sheng nanxuan raised his eyebrows and sneered. "Rebellious? Don't worry, if he dares to rebel, I'll teach him a lesson!"

Gong mo patted his back and said, "that's your son!" Don't treat me like an enemy!"

Sheng nanxuan was silent for a few seconds, then mumbled, " "From a certain perspective, they are enemies."

For example, he had stolen Gong Mo's attention!

After a while, Sheng Yiting came out in a handsome school uniform with a school bag in his hand.

He went to the best aristocratic high school in the country, and he had eight sets of school uniforms a year. These school uniforms were not the sportswear of ordinary middle schools. They were all designed by famous designers and were more beautiful than those in idol dramas.

The boys wore suits and ties all year round, and in winter, they even wore Western-style trench coats.

Gong mo was overjoyed to see such a handsome son. Seeing that his son's necktie wasn't tied properly, he reached out to fix it for him.

Sheng nanxuan glanced at him and snorted heavily.

Sheng Yiting laughed. dad, you have to admit that you're old. I'm indeed much more handsome than you. Don't you think so, mom? "

"Enough, you two!" Gong mo yanked his tie forcefully.

ahem-" Sheng Yiting pulled her away immediately- mom, are you trying to kill your own son?!

"Who told you to run your mouth on your dad?"

"I'm just telling the truth!"

"The truth? Look at your dad's face. If you dare to say the word 'ugly', you're definitely not his biological son."

Sheng Yiting glanced at Sheng nanxuan. Whether he was handsome or not was another matter, but he was immediately overshadowed by Sheng nanxuan in terms of aura!

He had to admit this! Who asked his father to be the night God~

Gong mo saw that he was listless and said proudly, " "You're not as handsome as your dad! You're just a little younger than your dad, right? It's as if your dad has never been young! Your dad was much better looking than you when he was in school! But then again, have you ever been mature?"

Hmph! Hmph! Sheng Yiting was depressed. I knew you two were in cahoots and always bullied me!

"It's done," Sheng nanxuan was relieved by Gong Moyi's words.

He knew that he was the most important person in Gong Mo's heart!

He picked up Gong Mo's coat and walked out with her in his arms, " "Let's go," he said.

"Aren't you going to wear a coat?" Gong mo turned to Sheng Yiting. I just saw that it was snowing outside."

"No, I'm not afraid of the cold!" Sheng Yiting said.

Chapter 1100 Is she in love with you?

"Just because you're not afraid of the cold doesn't mean you're not cold! Hurry up and put it on! Don't you know the spring cover and autumn freeze?"

...

Sheng Yiting wanted to argue, but Sheng nanxuan turned around. "Go and put it on!"

Sheng Yiting had no choice but to go back to his room to get his coat. After all, his father's fists were very powerful. If he didn't listen to him now, his father would take revenge on him for personal reasons when they went to the gym one day!

"What about you?" Gong mo pushed Sheng nanxuan away.

Sheng nanxuan opened his arms and took her into his arms. "It won't be cold like this."

"Aiya!" Gong mo pushed him away with a smile and secretly hit him. don't mess around! The child is at home!

“You can make a scene when you’re not at home?” He asked in a low voice.

“Shut up!” Gong mo secretly pinched him.

As soon as she said that, Sheng Yiting came out with his coat.

“Hurry, hurry, hurry!” we’re going to be late! Gong mo urged.

.....

Half an hour later, the car stopped outside the school. Sheng Yiting got out of the car, shook his coat twice, and then threw it on his back. The series of actions were clean and neat.

The girls who passed by couldn’t help but scream, ” ”

“I heard he’s a junior from the first year of junior high?”

Oh my God! Junior Brother, have you grown so tall? ”

“That’s why they’re called young hunks!”

Sheng Yiting’s movements stiffened. He twisted his arms uncomfortably and put on his clothes slowly.

In the car, Gong mo was also wearing his coat, but Sheng nanxuan helped her put it on.

After she was dressed, Sheng nanxuan cupped her face and kissed her. “Let’s go to the hospital together later.”

Gong mo nodded his head.

Sheng nanxuan smiled, grabbed Sheng Yiting's bag, and threw it out.

Sheng Yiting caught it immediately, suspecting that he was picked up from the streets. Otherwise, why would his father despise him so much?

Gong mo got out of the car and closed the door. He lowered his head and waved at Sheng nanxuan.

Sheng nanxuan also waved and asked the chauffeur to drive.

Watching the car drive away, Sheng Yiting put his hand on Gong Mo's shoulder. "Let's go, mom ~"

Gong mo glanced at him, shook off his hand, and walked into the school.

When they were outside Sheng Yiting's classroom, a girl suddenly jumped out and blocked the way. "Sheng Yiting!"

Gong mo was startled and looked at Sheng Yiting.

"She's our class 'Music Committee member,'" Sheng Yiting said, stunned.

Gong mo smiled at the Music Committee member.

The little girl was very beautiful. She probably hadn't started to develop yet. She was less than 1.5 meters tall and looked young and flawless.

She probably did not expect that someone would appear with Sheng Yiting. Feeling a little shy, she pinched the corner of her clothes and asked Sheng Yiting in a low voice, "Is this your sister?"

pfft-" Sheng Yiting couldn't help but laugh. my mother.

ah! the little girl looked at Gong mo in a panic. Hello, Auntie! I'm Sheng Yiting's classmate. My name is--"

"It's fine." I'll take Yiting to register first, " Gong mo interrupted her with a smile.

"Oh, Yingluo, good." The little girl timidly walked to the side and made way for the two.

Most of the classroom was filled with students, with only two or three parents. On the blackboard were the words: Students, please send your parents to Hall 1.

Sheng Yiting put down his bag and said to Gong mo, " "Let's go, mother!"

"Where did you learn that?" Gong Mobai rolled his eyes at him.

Sheng Yiting stuck out his tongue and led him out of the room. When they were out of the door, they saw the Music Committee member pacing back and forth at the back door.

The two of them left from the front door. Gong mo noticed that the girl seemed to be very disappointed, so he asked Sheng Yiting in a low voice, " "Does she like you?"

Sheng Yiting did not even turn his head. "Mother! Are you serious? I'm only 13 years old, and you're already worried about your daughter-in-law?"
