Chapter 1151 Great-grandfather is sick

“You just ate it, aren’t you afraid of getting fat?” Ye Zi asked.

...

what? “Tong Siyao asked back,” if I get fat, you won’t be friends with me anymore? ”

uh, Yingluo, you know that I’m obsessed with looks. I do need to consider it.

Tong Siyao pouted, feeling wronged.

Ye Zi took a look at the cake Sheng Yiting bought and said, ” “How about this, you eat the one I bought and I’ll eat the other half.”

Tong Siyao was stunned. She thought of the sky-high price of the private kitchen she had eaten yesterday and asked,” “What brand of cake did you buy, Mr. Sheng?”

the name ‘Yu family hotel’ is printed on the packaging. It must be made by the chef there ~ the desserts there are indeed top-notch and very expensive.

“Yingluo, you can have it.”

.....

In the morning, Sheng Yiting sent Sheng shuangxue to school. The damaged car was still under repair, so he drove a new one.

Sheng shuangxue was puzzled,”brother, why did you change your car?” I thought you didn’t like this car?”

"I like it now." He said.

Sheng shuangxue pouted and said,"perfunctory ~"

Sheng Yiting patted her head and drove off.

Sheng shuangxue knew that she couldn't chat while driving, so she played games on her phone.

"Stop playing games all day-" Sheng Yiting said.

I'm not playing that often. I'm just playing on the bus.

"It's not good for the eyes."

lalalala, I can't hear you. Sheng shuangxue shook her head deliberately.

Sheng Yiting sighed,'now I know why you want me to send you home. Because when mom and dad gave it to you, you didn't dare to play."

"Where?" Sheng shuangxue shouted, " they were the ones who didn't want to send me off.

"You'll get used to it." Sheng Yiting said sympathetically, " that's how our family is. For the sake of our love, we don't care about our children.

"Like Grandpa and Grandma?" Sheng shuangxue asked in a mischievous tone.

"Hahaha!" Sheng Yiting burst into laughter.

"I'll call my uncle!" Said Sheng shuangxue.

"Don't!" he's still sleeping! Sheng Yiting shouted.

After Simon graduated from high school, he returned to Italy. While he was studying in University, he also took over the family business from Gambino. After graduating from university, he became the new mafia boss, while Gambino brought Shan Rong on a world tour!

It had only been a few years since Simon took over the Mafia, and there were many things that he had to do personally. He was so busy every day that they had not seen each other for two years.

"Alright," he said. Sheng shuangxue continued to play the game as she had wished.

Sheng Yiting looked at her and shook his head helplessly.

When he arrived at school, his phone rang.

The caller ID showed that it was Gong mo. He got out of the car and picked up the phone.

He walked to the back seat and opened the door. Sheng shuangxue jumped out of the car.

"Goodbye, big brother!" She waved her hand and wanted to leave.

Hearing Gong Mo's words, Sheng Yiting grabbed her and said, " "We'll come over immediately!"

"What's wrong?" Sheng shuangxue asked.

"Great-grandfather is sick." Sheng Yiting carried her and stuffed her into the car. He fastened her seat belt and returned to the driver's seat.

When they arrived at the hospital, the Yu family, Gong mo, and Sheng nanxuan were all there, surrounding the door of the ward. Since Yu Qingliu wasn't here, she must be checking inside.

"How is it?" Sheng Yiting asked.

Gong mo shook his head and looked inside nervously.

Wu surong was old and had difficulty walking, so she was in a wheelchair.

"Great-grandma?" Sheng shuangxue walked over.

Wu surong raised her head and looked at her. She smiled, "Shuang...Shuangxue... Ah!"

"It's me," Sheng shuangxue smiled.

Chapter 1152 Can't let go of Yu qinghuan

Wu surong nodded and continued to stare at the ground in a daze. A few seconds later, she was shocked and wanted to stand up, but everyone held her down and asked her what was wrong.

...

She was so anxious that she stammered, "O-old man! The old man fell down! Where's the clear, clear flow? Come and save your father!"

Everyone hurriedly consoled her. Generations of people were shouting and all sorts of salutations were flying around, saying that Yu Qingliu was inside and was saving Yu Zhengming.

Wu surong was relieved to hear that. She started to wipe away Sheng shuangxue's tears. "I, I told him to drink less and tease him, but he didn't listen to me. Isn't this worrying?"

Yu Xinya squatted on the ground and comforted her. "Grandma, grandpa will be fine."

The others also tried to persuade him.

Wu surong raised her head and looked at Yu Xinya. "Who are you?"

Everyone,"hehe."

"Oh, I know. You're from the boss's family, right?"

Min Ling was also an old woman now, so her hearing was a little bad. She was wearing a hearing aid, so when she heard her say 'herself', she immediately said, " "Mom! I'm here!"

Wu surong glanced at her and shook her head, " "Who are you? Where did this old woman come from? My first wife is so beautiful!"

Everyone didn't know whether to laugh or cry. Min Ling was so touched that she kept wiping her tears.

Wu surong looked at the crowd and realized that she didn't know most of them. She had suffered from Alzheimer's disease ten years ago and gradually could not recognize people. She could only remember the people and things of her younger days, and these people were all old.

Only Yu Ze looked a little like Yu xinzhuo, and Yu xinzhuo looked very similar to Yu Qingping, so she treated her great-grandson as her son. She pulled Yu Ze aside and asked, " "Where's qinghuan? Why hadn't she come to see her father? She didn't want to be a rich young lady, but had to become a reporter! What's so good about that? She ran around all day, braving the wind and rain. The last time she went for her internship, she came back with a black face."

Everyone stopped talking and listened to her in silence.

However, she could forget anyone, but she firmly remembered Yu qinghuan. No matter what happened, she could always blame it on Yu qinghuan. Sometimes, when she was clear-headed and knew that Yu qinghuan was no longer around, she would hug Yu qinghuan's photo and cry.

Gong Mo's heart ached. He looked at Sheng nanxuan, who had a serious expression on his face. No one knew what he was thinking.

The door opened, and Yu Qingliu, the doctor, and the nurse walked out.

Everyone hurriedly gathered around, and Yu Qingliu said, "Go in, don't disturb him."

Everyone pushed Wu surong inside, leaving Sheng nanxuan, Yu Qingping, and Yu xinzhuo behind.

The few of them looked at Yu Qingliu, wanting to know Yu Zhengming's situation.

Yu Qingliu sighed. I'm not sick. I'm just old. I can't hold on much longer.

Yu Qingping's body swayed, and Yu xinzhuo hurriedly supported him. He shouted worriedly, "Dad?"

Yu Qingping shook his head and said, "I'm fine." Your grandfather is already so old, it's about time. It's just that I can't help but be a little reluctant to part with Yingluo."

"Dad still misses sister." Yu Qingliu said, "he doesn't have much to worry about.

Of course, he still remembered that the younger ones were getting married and having children. However, he had lived for four generations. If Sheng Yiting and Yu Ze got married and had children, they would live for five.

This was too wonderful, and he did not dare to hope for it. Young people always had their own good fortune. He couldn't care so much.

However, Yu qinghuan was his daughter. He had lived to almost 100 years old, but there had been no news of her for 50 years. He could not help but feel worried.

“Then what do we do?” Yu Qingping asked, “ why don’t you just say you found it? ”

“What did you find?” Yu Qingliu asked.

“Oh, spine, bones. Or else?”

Yu Qingliu looked at Sheng nanxuan.

Chapter 1153 We need to do something

actually, Yingluo is still alive, ” Sheng nanxuan said. the last time I saw her was at my wedding.

...

“What?” Yu Qingping was shocked. He looked at Yu Qingliu. why didn’t you say that?!

“Would you believe me if I told you?”

“Why don’t I believe you?”

“You won’t believe it when you see her!” He couldn’t believe it.

“How do you know I won’t believe you if you don’t let me see it?”

“Stop!” Yu xinzhuo shouted, “ we’ll talk about this later. What do we do now? ” Get my aunt back?”

Sheng nanxuan said,"she's like a ghost. I've been looking for her for the past twenty years." Actually, Yingluo might not be here anymore, but I don't see her body. I believe she's still alive."

"I also believe that!" Yu Qingliu said.

if she's still alive, Yingluo, " Yu Qingping sighed, " she's already 73 years old, so it's normal that she's no longer around.

Yu Qingliu thought,"but she's not normal, so she's probably still alive."

"We need to do something," Sheng nanxuan said to Yu xinzhuo.

"What is it?"

The next day-

All the newspapers and websites of Qing Yu media and Al Mo News agency had reported the news of Yu Zhengming's critical condition, and other media outlets had also reposted it.

In an instant, the whole world knew about this.

Yu Zheng would be close to a hundred years old next year. He had single-handedly created the Yu Corporation, a huge business empire. Now, he had a Hall full of children and grandchildren, all of whom were outstanding. Although he had given up his position as the country's richest man, the new richest man was his grandson. His life could be considered to be full of merit. When people talked about him, there was no sympathy or lament, only admiration and praise.

Only those close to him knew that he once had a daughter. He sighed and said, " Yu qinghuan's disappearance would probably be an eternal pain in his heart.

.....

Yu Zhengming lay for a day and a night before he woke up, relying on oxygen to maintain his breathing.

Yu Xinran and Lu Yang had also rushed over from Beiming City with Lu Rou. Lu Song had just left for Country M to study a few days ago. Yu Xinran had called him and told him that he would probably be back in two days.

Yu Zhengming was almost unable to speak. When everyone called for him, he would reply with a voice from his throat.

He looked at his children and grandchildren and was very pleased. He turned to look at Wu Surong and couldn't help but cry.

Wu Surong had been acting like a child for the past few years. He couldn't stop worrying!

However, he knew that Wu Surong didn't have many years left. After all, with her age, it was very likely that she would follow him the moment he left.

However, he was afraid that she would be sad if he left first.

Although she was muddleheaded now, she had not forgotten a single thing that she should remember. She would definitely be sad if he left.

And Yingluo.

Yu Zhengming looked through the crowd and lowered his eyes in disappointment.

There's no joy or happiness.

There was no Qinghuan.

He suddenly opened his mouth and made a gurgling sound.

"Dad, what did you say?" Yu Qingliu hurriedly leaned over.

"Let's go, ran ran," Yu Zhengming said, "to work, ran ran."

"Alright," he said. Yu Qingliu raised her head and said to everyone, "dad told you to go to work and go to school. You don't have to watch over him. Dad, is that what you mean?"

Yu Zhengming blinked his eyes and looked at him in admiration.

Yu Qingliu's eyes were a little hot. His father had scolded him for his entire life, but he finally knew how to praise him.

Everyone looked at each other and did not want to leave.

Yu Qingping said, "if you have to go to work, go to work. We'll guard you if you don't. If there's anything, we'll call you."

In the group, only a few people needed to clock in for work. It was now past eight, and they could still make it to the company in time, so they bade Yu Zhengming farewell.

Chapter 1154 Heart pounding

The others were the company's management or bosses, so it was fine if they didn't go. However, they were busy with work, and Yu Zhengming didn't need so many people here, so everyone went to work.

...

Yu Zhengming was very satisfied when he saw that his children and grandchildren were so motivated. In the end, only Yu Xinran, Lu Rou, and a few other elders stayed behind.

Sheng Yiting and the others entered the elevator. He suddenly remembered Tong Siyao and pressed the number for her floor.

“What are you doing there?” Gong mo asked.

“Uh, I’m here to see a friend.” He said calmly, “ you and dad can send shuangxue to school.

I heard from your granduncle that the girl lives here, ” Sheng nanxuan said. is that true? ”

“A girl?” Everyone looked at Sheng Yiting with keen eyes, especially Gong mo.

Sheng Yiting was under a lot of pressure. When the elevator stopped, he hurried out and said to everyone, ” “Goodbye!”

The elevator door closed. Sheng shuangxue looked up and asked, ” “Brother, you have a girlfriend?”

“You can ask him after school.” Gong mo said.

.....

Sheng Yiting pushed the door open and saw Tong Siyao sitting on the sofa, drinking water.

The nurse stood in front of her and told her, “The buns are on your left, and there’s a straw in the soy milk. I’ll get you some medicine after you’re done.”

“Thank you,” he said. Tong Siyao carefully put down the cup, and the nurse quickly took it away.

Tong Siyao touched the soy milk in her hand and took a bite of the bun.

The nurse suddenly noticed Sheng Yiting and called out, ” “Mr. Sheng!”

Tong Siyao choked and quickly looked up. She felt something was wrong, so she turned to the left. "Mr. Sheng?"

"Hello," he said. Sheng Yiting walked in.

Tong Siyao listened to the direction of his voice and realized that she was facing a different direction. She couldn't help but feel annoyed.

She suppressed her emotions and asked calmly, "What are you doing here? Didn't you say Yingluo?"

my great-grandfather is in the hospital, so I came to see you. Sheng Yiting walked up to her. how are you today? "

Tong Siyao nodded. I'm much better. Thank you for your concern. Your great-grandfather is old Mr. Yu? Is he alright?"

"I'm fine."

"That's good." After Tong Siyao finished speaking, she couldn't find anything else to say, so she held the bun in silence.

have a good rest, then, " said Sheng Yiting. I'll go to work first. I'll come to see you in the afternoon.

"No, no need." Tong Siyao's heart couldn't help but beat fast.

Although she knew that the other party didn't mean anything else, he was the only one who cared about her since she was living here.

it's okay. I'm here to see great-grandfather anyway. It's just a coincidence. Sheng Yiting said.

Since he already said so, Tong Siyao couldn't find a reason to refuse, so she said, "Then take care."

After eating, she listened to the news on her phone and heard that Yu Zhengming's life was in danger.

"Do you know which Ward old Mr. Yu is staying in?" she asked the nurse.

The nurse asked in surprise, "Miss Tong, you--"

Tong Siyao paused and shook her head. It's nothing. I'm just asking.

Since Sheng Yiting took such good care of her, she should visit Yu Zhengming. But what was his status? If he were to rush over, it would cause a misunderstanding. He hoped that Yingying hoped that he could live for a few more years, so that he could see more changes in the world and fulfill more of his wishes. If he really wanted to leave, he could leave without any regrets.

.....

Sheng Yiting went to pick Sheng Shuangxue up from school after work, and the two went to the hospital to see Yu Zhengming.

When she got out of the car at the entrance, she bumped into Tian Cheng and her ten-year-old daughter, Tian Yuan.

Chapter 1155 Get married early

"Aunt, Yuanyuan!" Sheng Shuangxue hurriedly greeted them.

...

"Cousin, cousin," Tian Yuan called out.

just in time, " Tian Cheng said to them. we're here to see your great-grandfather. Let's go in together.

yes. Sheng Yiting nodded. Yuanyuan just got out of school? "

"Yup," I specially waited for her to finish school and brought her along, " Tian Cheng said.

The four of them walked into the ward, where many people were sitting. Yu Zhengming said that he wanted everyone to go to work, but if there was someone to accompany him, he would be very happy.

Gong mo came over after dealing with the company's matters. Seeing Tian Cheng, he walked to the bedside and told Yu Zhengming, " Tian Cheng brought Yuanyuan to see you.

Oh ... Yu Zhengming replied and looked towards the door.

Tian Cheng handed the flowers and fruits to Yu Xinran and walked over with Tian Yuan. "Grandpa Yu, it's Cheng Cheng."

"Great-grandfather Yu," Tian Yuan called out.

"Alright," he said. Yu Zhengming lowered his chin and looked at Tian Cheng. you Wan Wan? "

Tian Cheng couldn't hear what he said, so she leaned in and whispered, " "Grandpa Yu, please tell me."

"Get, get married soon." Yu Zhengming said.

Tian Cheng's tears suddenly burst out. She lowered her head and covered her mouth, trying to restrain her surging emotions.

She promised Zeng Shuai that she would have a child, and she really did. However, just like she said, they were not married.

Tian Yuan took her last name and lived with her. She was like her own child.

Zeng Shuai was very good to her, and even better to Tian Yuan, but he didn't live with them. Although there were many things that belonged to him in her house, they were not cohabiting.

If he was married to someone else, she would be like a mistress.

But the fact was that she didn't want him. She didn't want anyone but Tian Yuan, so she never let him really enter her life.

After so many years, everyone had gotten used to their way of getting along and no longer tried to persuade them.

Tian Cheng did not expect this old man, who she had only met once during the holidays, to be so concerned about her marriage.

"Mom?" Tian Yuan looked at her worriedly.

She wiped her tears, took a deep breath, and looked up. "Mommy's fine, Yingluo."

She looked at Yu Zhengming, who had already closed his eyes. She held Tian Yuan's hand and walked to the side to greet Wu surong.

Wu surong nodded and sat in her wheelchair without saying anything.

grandma must be bored, " Gong mo said. Yiting, you should push her out for a walk.

"Alright," he said. Sheng Yiting walked behind Wu surong and pushed her wheelchair.

“Let’s go too,” Sheng shuangxue said to Tian Yuan.

Tian Yuan asked Tian Cheng for her opinion, and Tian Cheng said, ” “Listen to your cousin,”

“I know.” Tian Yuan left happily.

The three of them pushed Wu surong to the garden and walked around. There were many patients taking a walk in the garden. Wu surong’s attention was quickly attracted and she became more energetic.

She looked at Tian Yuan and asked,”whose child are you?” I’m old and my memory isn’t good anymore, I don’t remember who you are Yingluo ”

“It’s fine.” Tian Yuan said.

“Here, I’ll give you guys some candy.” Wu surong felt around in her purse but found nothing. She looked at Sheng Yiting. Qingliu, go buy candy for the child.

Sheng Yiting,”Yueyue.”

“Alright, alright, I’ll go now.”

He naturally wouldn’t leave the old man behind to buy things, so he sent a message to Yu Qingliu: Great-grandma asked you to buy candy for shuangxue and Tian Yuan.

Yu Qingliu replied, WTF?

Sheng Yiting explained the current situation in detail, and Yu Qingliu said, ” I’ll come over immediately.

“Why are you still not going?” Wu surong got angry and said unhappily, “ you’re disobedient all day! Why aren’t you getting married? The child is so cute, don’t you want one?”

Chapter 1156 A quiet face as if waiting for a kiss

Sheng Yiting didn’t dare to make a sound, while Sheng shuangxue and Tian Yuan stood opposite him and laughed secretly.

...

Sheng Yiting glared at them and saw Tong Siyao standing not far away. He quickly said to Wu surong, “ I’ll go now!”

Wu surong nodded in satisfaction.

He said to Sheng shuangxue and Tian Yuan, “ you guys look after great-grandma. I’m going to walk around. She might scold me.

Sheng shuangxue snickered and said,”go ahead.”

Sheng Yiting patted her head and walked toward Tong Siyao.

Tong Siyao sat on the bench with the nurse’s help. you can go ahead, ” she said to the nurse. I’ll sit here for a while.

“I’ll pick you up in an hour.” The nurse said.

Tong Siyao nodded. When she heard her leave, she took out her earphones and put them on.

After a while, Sheng Yiting walked to her side and gently took off her left earphone.

She was stunned and turned her head.

Sheng Yiting did not say anything.

She was a little nervous at first, thinking that she had met some bad people. Then, he remembered that he was in a hospital. He listened carefully and heard people chatting and singing nearby.

“Mr. Sheng?” she asked tentatively, breathing a sigh of relief.

“It’s me.” Sheng Yiting smiled and sat down beside her. He was very satisfied that she had called out his name the moment she opened her mouth.

“What are you listening to?” He picked up his headphones and put them in his ears.

it’s nothing, ” Tong Siyao said. it’s just a song.

She took off the earpiece on the right and put away the wire. She noticed that there was a pause on the left side and realized that he had taken it.

She didn’t know that he was listening and silently rolled the headphone cable in her hand.

Sheng Yiting did not hear a song, but a foreign news channel. “Why did you suddenly think of it?” he asked.

“It’s a little boring to be cooped up in the ward 24 hours a day,” Tong Siyao smiled helplessly.

“Yeah, it’s good to come out for a walk.” your eyes are only temporary, ” said Sheng Yiting. you won’t be able to experience the life you’re living now once you’re able to see again.

“What’s there to experience?” Tong Siyao was facing him.

Her eyes were covered with white gauze, and her hair hung obediently on her shoulders. Her quiet face looked as if she was waiting for a kiss.

Sheng Yiting’s eyes shifted to her lips and he could not help but swallow.

He was glad that she couldn’t see now, otherwise she would definitely think he was a hooligan!

“Mr. Sheng?” Tong Siyao was confused when she heard that he didn’t say anything.

“Oh!” Sheng Yiting quickly came back to his senses. I mean, you can feel the world from different angles and observe it with your ears.

“You mean the blind?” She asked.

“Yingluo, you can think like this, but don’t think that you’ll become blind. You were originally using your eyes to look at your surroundings, so you must have not heard the sound properly, right? If we use another method, we’ll find something different.”

Tong Siyao smiled and said, “you’re right.” My blindness is only temporary, so why complain? I’ll see it sooner or later anyway, so I might as well experience the world as a blind man now. Just treat it as an extra life experience that the heavens have given me. ”

Sheng Yiting heaved a sigh of relief. that’s right. Qianqian will spend a day when she’s happy. She’ll also spend a day when she’s sad. Why not be happy? ” There’s nothing that can’t be passed.”

Tong Siyao smiled and turned her head to listen to the sounds around her.

Getting used to a life without light before the stitches were removed, it wouldn’t be so uncomfortable if she really couldn’t see after the stitches were removed, right?

She pursed her lips and felt a little heavy in her heart. She hoped that she would not be so unlucky.

“What did you hear?” Sheng Yiting asked.

Chapter 1157 Shuang Xue is jealous

“There are children on the left, right?” Tong Siyao asked.

...

“What else?”

“There’s still Yingluo.”

Tong Siyao deduced the scene from the sounds she heard and explained it one by one.

you’re basically right. Not bad! Sheng Yiting praised.

Tong Siyao smiled and continued to listen.

Sheng shuangxue saw their situation from a distance. She pushed Wu surong over.

Tian Yuan hurriedly said, “let’s not go.” Cousin will be angry.”

“That’s definitely his girlfriend!” Sheng shuangxue shouted, “ I want to go and see! She’s my future sister-in-law, what if she bullies me in the future?”

“No, no way?” Tian Yuan couldn’t keep up with her thoughts.

“Why wouldn’t I? Brother likes me so much, she’ll definitely be jealous and bully me!”

Yingluo, I think you look more like you’re jealous now.

“You’re not allowed to go!” Wu surong suddenly said.

Sheng shuangxue was startled. She looked at her and said, ” “Great grandmother?”

Wu surong held her hand and tried to persuade her,”Xinran, don’t mess with your uncle.”

Sheng shuangxue felt helpless. Her great-grandma couldn’t recognize her again!

“Eh? Who are you?” Wu surong asked Tian Yuan.

“I’m Wanwan, I’m Yuanyuan,” Tian Yuan said.

Sheng shuangxue heaved a sigh of relief. Great-grandma didn’t recognize anyone else.

“Where’s your brother?” Yu Qingliu’s voice came.

The two of them turned around and saw Yu Qingliu walking in with a box of soft gummies in his hand.

“Granduncle!” Sheng shuangxue shouted and pointed to the front. over there!

Yu Qingliu saw that Sheng Yiting and Tong Siyao were talking happily, and she raised her eyebrows in surprise. “It seems like you have a sister-in-law.”

“Who is she?” Sheng shuangxue frowned and asked, her tone full of hostility, ” is she blind? ”

"Shush, don't talk nonsense." Yu Qingliu handed the candy to Wu surong. mom, the candy is here. Give it to the kids.

"I'll go take a look!" Sheng shuangxue suddenly ran toward Sheng Yiting.

Yu Qingliu was helpless. don't go, " she said to Tian Yuan. have some candy.

Tian Yuan nodded obediently, but she still stared at Tong Siyao curiously. She also wanted to see her cousin's girlfriend clearly.

.....

Sheng shuangxue ran up to Sheng Yiting and Tong Siyao. Sheng Yiting was startled and his words got stuck in his throat.

Sheng shuangxue stood with her hands on her hips and looked at him angrily.

He quickly turned his head and heaved a sigh of relief when he saw Yu Qingliu beside Wu surong.

"Mr. Sheng?" Tong Siyao asked in confusion, " why aren't you talking? "

Sheng shuangxue looked at her, squinting her eyes and sizing her up.

Tong Siyao approached Sheng Yiting and asked in a low voice, " "Who's here?"

She had just heard footsteps and a gust of wind. It was obvious that someone had run up to her. Judging from the running sound, it shouldn't be an adult.

Looking at Sheng shuangxue's angry little face, Sheng Yiting felt guilty for some reason. He said stiffly, " "She's my younger sister."

ah, Wanwan. Tong Siyao suddenly realized and looked forward. nice to meet you, miss Sheng.

“Are you blind?” Sheng shuangxue asked, frowning. How could her brother be with a blind man?

Tong Siyao’s heart ached and her expression froze.

Sheng Yiting stood up immediately and reproached her. “Shuangxue!”

“I’m fine,” she said. Tong Siyao said hurriedly.

“Apologize!” Sheng Yiting’s face darkened.

Sheng shuangxue looked at him in disbelief. He had never been so fierce to himself before! And now, for a blind woman, he was actually wailing.

Sheng shuangxue’s tears fell. She turned and ran away.

Chapter 1158 Daddy will hit him later

“Shuangxue!” Sheng Yiting shouted.

...

what? ” Tong Siyao stood up anxiously. how could you be so fierce to her? ”

Didn’t I Yingluo do it for you?

“Children are very sensitive. Quickly go and apologize to her.”

“Zhenzhen can do it.” Sheng Yiting had never said a harsh word to Sheng shuangxue before. He was worried. what about you? ”

“I’m fine. The nurse will be here to pick me up soon.”

then be careful. If you need anything, just shout. There are people all around.

Tong Siyao nodded.

Sheng Yiting chased after Sheng shuangxue, but she didn’t go to Wu surong. Instead, she ran straight to the hospital building.

As he walked past Wu surong, Yu Qingliu laughed gloatingly, ” “Women aren’t easy to deal with, right?”

Sheng Yiting sighed helplessly and looked at him. “It seems that granduncle is very experienced.”

.....

Sheng shuangxue rushed into the ward and threw herself on Gong mo while crying.

“What’s wrong with you?!” Gong mo asked anxiously.

Sheng nanxuan had just arrived and was looking at Yu Zhengming from the bedside. When he heard his daughter cry, he immediately walked over, looking as if he was going to fight it out with someone.”Who bullied you?”

“Wuwuwu, Qianqian is the Big Brother!” Sheng shuangxue raised her head and looked at him, her face full of tears.

Gong mo heaved a sigh of relief. She was still wondering what had happened, but it turned out that the siblings had a conflict. She was afraid that Yu Zhengming would hear her, so she shouted in a low voice, " "Don't cry,"

Sheng shuangxue was stunned. Seeing her looking at the bed worriedly, she immediately stopped crying.

Gong mo hurried to the bed. Sheng shuangxue followed him while wiping her tears.

Yu Zhengming was lying flat on the bed, his eyes wide open as he looked around in panic. He had obviously heard it.

Gong mo glared at Sheng shuangxue. Sheng shuangxue stuck out her tongue and sniffled as she complained to Yu Zhengming, " "Great-grandfather, brother actually shouted at me. Just now, I saw him talking to a big sister. I went to call him and he was unhappy. I don't want to call him big brother anymore. He must want to recognize that big sister as his little sister and doesn't want me anymore!"

Yu Zhengming blinked his eyes. He wasn't nervous anymore, and on the contrary, he revealed a smile. From the looks of it, his great-grandson Red Phoenix Star had moved. This was a good thing, a good thing!

Seeing his expression, everyone heaved a sigh of relief. They couldn't help but point at Sheng shuangxue. She was really mischievous.

Sheng shuangxue pouted and turned her head away in dissatisfaction. She was still angry with Sheng Yiting.

shuangxue-" Sheng Yiting pushed the door open and entered.

Sheng shuangxue glared at him and snorted. Then, she leaned against Sheng nanxuan.

As a daughter-lover, Sheng nanxuan stood firmly on his daughter's side!

"Don't worry, daddy will hit him later," he consoled.

Sheng Yiting's eyes widened in horror.

If dad said he was going to hit him, then he was definitely going to hit him! But he couldn't beat them! I can't win! I can't win! Important things must be repeated three times!

What was even worse was that his mother said that his father had been merciful and had not even used one-tenth of his strength on him.

Hehe, a mother who had such a beauty in the eyes of her lover must be drunk.

He didn't even use one-tenth of his strength and beat him into an idiot. Was his father's original form Superman?

When they got home, Sheng nanxuan really did ask Sheng Yiting to 'train' in the gym for half an hour.

They had wanted to train for a while longer, but Gong mo called them for dinner.

Sheng Yiting felt pain all over his body after he went out. However, he was in the prime of his life, and he was embarrassed to say that he couldn't beat his old father.

Gong mo could tell at a glance that he was in great pain. He said to Sheng nanxuan disapprovingly, "Don't keep hitting him. He's not married yet. What if you break him?"

Sheng Yiting thought, 'mom, are you helping me?' Is it, is it, is it?

Chapter 1159 Gong mo and Sheng nanxuan are still in love

Sheng shuangxue stole a glance at him, feeling a little distressed. When she saw him looking over, she immediately turned her head away, looking as if she didn't care at all.

...

"Hmph, tsundere!" Sheng Yiting reached out and touched her head.

"Don't touch me!" She shouted in dissatisfaction. You can't grow tall!"

Sheng Yiting's hand froze. My father used to touch me like this when I was young. Aren't I very tall now?"

"I told you not to touch it, so don't touch it!" Sheng nanxuan said sternly, " you're a boy and she's a girl. How can they be the same? "

Sheng Yiting felt that he couldn't continue living like this! In his father's eyes, his daughter was a treasure and his son was a blade of grass!

He turned to Gong mo and said,"mom!" I want to run away from home!"

"Don't mess around, you're already 25 years old!" I didn't run away from home when I was two or five years old. It's too late now, " Gong mo replied.

Yueyue's mother! You don't love me anymore either! He actually wanted me to run away from home when I was two or five years old! If he went out at that time, would he still be able to return?

by the way, shuangxue said you have a girlfriend? " Gong mo asked with concern.

Sheng Yiting was taken aback and looked at Sheng shuangxue-how could she say that?

Sheng shuangxue was confused,'I didn't say that.'

Sheng Yiting understood. Gong mo was trying to trick him!

He said, "when I accompanied great-grandma for a walk, great-grandma mistook me for granduncle and forced me to buy candy!" I had no choice but to walk to the side. Then, I met a patient and chatted with him for a while."

Gong mo looked at him suspiciously and asked Sheng shuangxue, " "Is that so?"

uh, hehe. Sheng shuangxue thought for a while and said, " even so, I think they've known each other for a long time!

"You're overthinking it." Sheng Yiting said.

Hmph! Sheng nanxuan sneered.

Sheng Yiting, "Yueyue."

Gong mo looked at them suspiciously. He narrowed his eyes and said to Sheng nanxuan, " "I think you're hiding something from me."

"Why would I?"

Sheng nanxuan didn't want her to know that Sheng Yiting had gotten into a car accident. Otherwise, she would have to care about Sheng Yiting again! His son was already so big, why would he need anyone to care about him? She should put all her heart on herself!

"I'll sleep in the study," Gong mo said with a serious face.

pf-ft-" Sheng Yiting choked.

When he was five years old, his mother had used this method to win over his father! Now that she was 25 years old, they were still in a daze.

Sigh, with dad's skills, he was indeed strong and healthy. Looking at her mother's face, she couldn't tell her age at all. The two of them must have had a very harmonious sex life!

Tsk, tsk, it's really torturing single dogs to death ~

Sheng shuangxue stared at the two of them curiously, as if she didn't understand what they were saying.

eat! Sheng Yiting pressed her head. eat!

Sheng nanxuan said,"alright, it's actually like this, Yingluo."

Sheng Yiting looked at him in horror as he watched him sell himself out.

Then, Gong mo and Sheng shuangxue exploded!

The two of them were worried about Sheng Yiting getting hurt, and at the same time, they blamed Sheng nanxuan for hiding it from them.

Sheng nanxuan was unhappy.

Why did she care about Sheng Yiting and blame him?

He said,"he's not injured at all. If I tell you, won't I be making you worry for nothing?" He was to blame for not driving properly and not explaining himself after the accident! I only found out about it from others!"

"This is where you're wrong!" Gong mo yelled at Sheng Yiting.

“That’s right!” Sheng shuangxue chimed in.

“Why don’t you educate me after dinner?” Sheng Yiting requested.

“You still want to eat?” Gong mo asked angrily.

“Let’s go and eat gasoline!” Sheng shuangxue said, “ walk faster in the future. Don’t drive, in case you get into an accident!

Chapter 1160 Apologize to her tomorrow

“Shuangxue, have your meal,” Gong mo said to her after a pause.

...

“Oh.” Sheng shuangxue obediently picked up the bowl.

Gong mo glared at Sheng Yiting and Sheng nanxuan. “Still not eating?”

eat, eat, eat! the father and son immediately picked up their bowls, their actions exactly the same.

.....

Sheng Yiting went to find Sheng shuangxue before he went to bed.

Sheng shuangxue had already climbed into bed and was ready to sleep. After Sheng Yiting knocked on the door, she asked who it was. When she heard his voice, she kept quiet.

Sheng Yiting knew that she was at loggerheads with him, so he asked, " "I'm coming in?"

Sheng shuangxue still didn't speak.

He waited for a while and pushed the door open. The lights were on in the room, and she lay on the bed and covered her head with the blanket.

"This is not good for your health," he said as he walked over and pulled the blanket away.

Sheng shuangxue turned over and lay straight. She asked in dissatisfaction, " "Why aren't you sleeping in the middle of the night? what are you doing?"

"I'll talk about what happened this afternoon."

"What's there to say?" She was still angry!

"Don't you know that's very impolite?" Sheng Yiting said seriously.

Sheng shuangxue's eyes widened, and she almost exploded!

She had thought that he was here to apologize to her, but she didn't expect that he was here to blame her!

"Do you like her?" she asked, displeased.

"I didn't!" Sheng Yiting retorted subconsciously. After retorting, she began to hesitate. Yingluo, do I like her? She had never liked anyone before. Could it be that she liked someone because she couldn't help but want to get close to them or even touch them?

"Then why are you talking to her?" Sheng shuangxue asked angrily, " you even helped her teach me a lesson!

"Because I was the one who caused her to be injured." Sheng Yiting said seriously, " just tell me. I hurt her, and we don't know if she can see. How could you say that in front of her and hurt her again? is it appropriate? "

uh ... Sheng shuangxue felt guilty.

It seems like I'm indeed in the wrong.

"Then what should we do?" she looked at him.

"Go and apologize to her tomorrow."

Sheng shuangxue pouted and said unwillingly, " "Alright! I'm going to sleep!"

Sheng Yiting patted her head, tucked her in, and said softly, " "Good night!"

"Good night!" Sheng shuangxue said fiercely.

Sheng Yiting smiled, turned off the lights, and went back to his bedroom.

Lying on the bed, he couldn't fall asleep. He tossed and turned for a long time, but his mind was filled with Tong Siyao.

She was studying abroad alone. No matter how good her friends were, they had their own things to do. If she stayed in the hospital at night, would there be anyone to accompany her? She couldn't see now. If she needed to go to the toilet in the middle of the night, she would be too embarrassed to disturb the nurse. What if she fell down?

Sheng Yiting thought for a long time before he got up and put on his clothes. After getting dressed, she took her car keys and prepared to go out.

When she walked to the door and was changing her shoes, Sheng nanxuan's voice was heard. "Where are you going?"

Sheng Yiting was startled. He looked up and saw him standing in front of him in his pajamas.

He panted and said, "I'm worried about great-grandfather, so I'm going to the hospital." I don't have to go to work tomorrow anyway. I'll go accompany him."

Sheng nanxuan looked at him deeply and nodded. be careful on the road. Don't let your mother worry.

I know, I know, ran ran, " Sheng Yiting replied hurriedly. Didn't you dislike me for taking up mom's attention when something happened to me? He's already so old, yet he's still so childish!

Sheng nanxuan turned around and returned to his room.

Lying on the pillow, Gong mo lazily got up and said, " "What's wrong?"

he said he's going to the hospital to accompany Grandpa. Sheng nanxuan lifted the blanket and snuggled in, holding her as they lay down.

Gong mo leaned on his shoulder and said, " "It seems like he really likes that girl. I wonder what kind of person she is, Hanhan."
