

Ditsy Wife 1221

Chapter 1221 I've known her since we were young

"If you want to be together in peace, Let's Go To The Movies. After the movie, today's gathering will come to an end." Sheng Yiting said.

...

"Uh, hehe."

"If you want to talk, let's go to the coffee shop."

"Let's go to the coffee shop!" Tong Siyao said.

Watching a movie was like sitting there, but in a coffee shop, they could still talk about their feelings.

After they arrived at the coffee shop, Tong Siyao was afraid that she wouldn't be able to sleep after drinking coffee, so she ordered a pot of black tea and two desserts.

The wall of the cafe was turned into a bookshelf. Tong Siyao took a book from it, but she didn't read it. She just flipped open a page and leaned on Sheng Yiting to chat.

As they chatted, Sheng Yiting suddenly picked up the book and looked at the cover.

"What's wrong?" Tong Siyao was confused. She realized that the author of the book was not sweet.

Cheng not Tian's real name was Tian Cheng, the most famous scriptwriter in the entertainment industry. This person was a mystery. Whenever the girls talked about the entertainment industry, she would be mentioned, and Tong Siyao was no exception. However, Tong Siyao admired Tian Cheng's temperament. She was wise, calm, and looked down on everyone.

"My aunt." Sheng Yiting said.

Tong Siyao was shocked and looked at him in disbelief. "Your aunt?"

"That's right. She's my mother's younger cousin, and they're very close."

"Oh my God!" I suddenly feel so close to my idol," Tong Siyao said in a low voice.

"You regard her as your idol?"

"What's wrong?" Tong Siyao smiled.

"Yingluo, what do you admire about her?" Sheng Yiting said, speechless.

He had never dared to compliment this aunt of his. He felt a mountain of pressure when he saw her. It was like a primary school student seeing their form teacher or the principal.

"Temperament!" I also want to cultivate her temperament," Tong Siyao said.

'Her temperament is not bad, Zhenzhen.' Sheng Yiting heaved a sigh of relief. If you admire her view on marriage and her child is already ten years old and still not married, then wouldn't I cry to death?

Tong Siyao picked up the book and started reading. After reading a page, she raised her head and asked,
"When can you get me an autograph?"

"I'll take you to see her, you can ask for it yourself."

Yingluo. Tong Siyao did not dare to speak.

Sheng Yiting laughed in anger. He reached out and pinched the back of her neck. Then, he pulled her into his arms and read with her.

Tong Siyao liked to read in silence. With him around, her mind was all on him. How could she read?

After a while, she put down her book, took a sip of tea, and then took a bite of a snack, leaving the other half for him.

“Let’s go to a concert on Valentine’s Day,” he said as he ate from her hand.

Tong Siyao was shocked. She turned to look at him. Why did he suddenly mention Valentine’s Day?

Valentine’s Day was still a few days away.

“Do you know that Lu duo?” he asked.

Tong Siyao nodded, “she’s been very popular in the past few months.” When you went to pick me up at the Lantern Festival Gala yesterday, it was her program. Wait, I think Lu duo is from the Lu family of the Liu Guang group. I remember that the Yu family and the Lu family have a marriage alliance, Yingluo.”

“Yes, I’ve known her since we were young,” he nodded.

Tong Siyao suddenly didn’t know what to do. Did he mean that he and Lu duo were childhood sweethearts?

I suddenly realized that all the famous people in the world are related to you. As expected of the richest man in the world! She said gloomily.

Sheng Yiting held her hand and kissed it. “I only met her a few times when we were young. We didn’t see each other after she went abroad to study music.”

“Is that so?”

“Of course it is!” Sheng Yiting immediately confessed. He even told him how many letters Lu duo had exchanged with him before she left.

However, he kept this from Hu Zi’s brother.

Chapter 1222 Who will you help if I fight her?

He felt that he shouldn’t let his girlfriend know about such a thunderous name like ‘Hu Zi’. It would damage his tall and mighty image!

...

then, shall we go to Lu duo’s concert together? ” Tong Siyao asked.

“Yeah,”

“Why do you have to go?” Tong Siyao frowned. She felt uncomfortable when she heard him talk about his friendship with Lu duo when they were young. She didn’t want to go!

“She invited me, so I can’t reject her. Our friendship from childhood is in Xuanji.”

“If she’s treating you, why are you bringing me along?” She asked sourly.

“Because you’re my girlfriend! I already told her that she’s looking forward to seeing you.”

Tong Siyao thought about it and said irritably, “ “You have to wear formal clothes to the concert, right? Gown? I don’t have it, I’m not going!”

“I’ll go with you this weekend.”

"I don't have any money."

"Of course, I'll send you."

"I don't deserve a reward."

Sheng Yiting kissed her on the cheek. "I can take it now."

Tong Siyao turned around and hit him a few times. you're so annoying! she said.

go on, go on, Qianqian. Sheng Yiting looked like a Rascal. if you don't go, I won't go either. But I've already promised her. After all, the two families are long-time friends. How could I offend her?"

Tong Siyao hesitated for a while and said gloomily, " "Since you've already said so much, I have no choice but to go."

Sheng Yiting smiled and kissed her on the cheek. "I knew you're the best."

Tong Siyao rolled her eyes at him, " childhood sweethearts? I wonder who you'll help if I fight her?"

"She ..."

Sheng Yiting wanted to tell her that Lu duo was not that kind of person. When she was young, she was sensible and cute, just a little less than Sheng shuangxue now.

However, he had seen Sheng nanxuan flirting with Gong mo all year round. He had also been ravaged by Sheng shuangxue. Sheng shuangxue was even jealous when Lu duo called him " brother. it was clear that women were all the same.

"Of course I'm helping you," he said with a smile. Lu duo has been pampered since she was born. If they fight, it's definitely her fault!"

Tong Siyao laughed and said, "okay." I'll let you off for the sake of your sweet mouth."

Sheng Yiting blinked, 'spare me? Did I do anything wrong?"

"Hmph, think of it yourself!"

"....."

Women were all the same. Men should always think for themselves, but the things that a woman cares about are nothing in a man's eyes. How would he know what he did wrong?

Tong Siyao saw his depressed face and laughed. "Alright, I was just joking with you."

Her boyfriend was so honest that he even told her about their childhood sweethearts. What else could she complain about?

Although she still felt a little sour in her heart, she wished that she was his childhood sweetheart.

.....

When Sheng Yiting got home, Gong mo was urging Sheng shuangxue to go to bed.

He took out the sachet that Tong Siyao gave him. Sheng shuangxue was very curious. She saw a puppy-shaped sachet and happily took it in her hand. "Can I have this?"

"Of course you can." Sheng Yiting said, " your sister-in-law specially prepared this for you. You were born in the Year of the Dog.

Sheng shuangxue choked on the word 'dog'. She asked in dissatisfaction, " "You told her about me?"

“No, I didn’t. She also has a younger sister. We talked to each other and found out that you two were born the same year.”

Sheng shuangxue snorted and picked up the other sachets. She asked Gong mo in a low voice, “ did someone embroider this? ” Aren’t they machines?”

“Of course it’s a human.” Gong mo took a closer look and couldn’t help but praise, “ it’s so tempting to learn.

Chapter 1223 Have you received the gift?

“I want to learn.” Sheng shuangxue said.

...

“Are you serious?” Gong mo looked at her.

“Of course! Once I learn it, I can personally make a gift for everyone.”

“Alright!” Gong mo hurriedly nodded. I’ll find a teacher for you tomorrow!”

If she couldn’t learn embroidery, she could learn some handiwork, so that she wouldn’t have to follow Yu Qingliu and Yu Xinya to learn anatomy.

.....

On Valentine’s Day, school had already started.

Early in the morning, Tong Siyao was called downstairs by a courier. She received a beautiful bouquet of roses and a box of delicate chocolate.

Under everyone's envious gazes, she fled back to her dormitory.

Now, the other two people in the dormitory also knew that she had a boyfriend and clamored for her to treat them.

"They're going on a date today, how would they have the time to invite us?" ye Zi helped her.

Tong Siyao blushed and opened the chocolate. "Let's have some chocolate first. I'll treat you to a meal another day."

The two roommates had boyfriends and had treated Tong Siyao to a meal before. It was a custom in the college dormitory. Tong Siyao decided to mention it to Sheng Yiting another day.

Just as she was thinking about it, Sheng Yiting called.

She immediately went to the balcony and picked up the phone. "Hello?"

"Did you receive the gift?"

okay. Tong Siyao lowered her head and slowly rubbed the tip of her shoe against the ground.

"I'll pick you up in the afternoon."

"Good Yingluo."

"Have you had breakfast?"

“Not yet,” Tong Siyao smiled. I don’t have class this morning, so I just got out of bed.

“It’s my fault.” Sheng Yiting said. Sending things over early in the morning disturbed her sleep.

Tong Siyao chuckled and asked, ” “What are you doing now?”

“I’m driving to work,”

“You’re too early!” She couldn’t help but say.

She thought that since he was working at Huan mo group, he would be able to go to his own company whenever he wanted.

Did he start from the bottom and no one around him knew that he was the Crown Prince?

Or rather, her boyfriend was such a self-aware person!

don’t call when you’re driving, ” Tong Siyao said. see you in the afternoon.

“Alright, go back to sleep. Remember to have breakfast.”

I know, ” Tong Siyao replied sweetly.

When he returned to the dormitory, he found that half of the chocolate had already been divided by ye Zi and the others.

“I only took one,” ye Zi replied,”but who knew it would be so big that there weren’t many in a box.”

it’s okay, ” Tong Siyao smiled. I’ll just eat one. You guys can have the rest.

“Who wants to eat it?” Ye Zi shouted, “ you’ll get fat if you eat too much! I think your boyfriend only gave you a few because he didn’t want you to gain weight!”

that’s true, ” Tong Siyao said. after being with him, I’ve gained a few pounds. If you continue to put on weight, I’ll consider breaking up.”

Ye Zi sneered. you should control yourself when you’re showing off your love. A single dog will bite when it’s fierce!

In the afternoon, the other two roommates also received gifts from their boyfriends one after another. Only ye Zi was alone.

It was three in the afternoon when Tong Siyao came back from class.

She took a shower, washed her hair, tidied herself up, and went downstairs to wait for Sheng Yiting.

When he walked out of the dormitory building, he found someone singing in front of him with a guitar.

When she looked closely, she saw that it was her classmate.

“Tong Siyao, is ye Zi here?” the student asked.

Tong Siyao was dumbfounded,”you’re a Pixiu!”

The male student chuckled, lowered his head shyly, and scratched his head.

Tong Siyao, ” Yingluo, is this a confession? ”

She asked in a low voice,”is this appropriate?” If you have anything to say, it’s better to say it in private.”

Chapter 1224 The other is the smell of a bath

When the male student heard this, he was a little unhappy. He turned around and sang while playing the guitar. After he finished singing, he shouted upstairs, "Ye Zi! I like you!"

...

Tong Siyao: "Yingluo, their dormitory is on the other side.

With this level of intelligence, it's better not to pursue ye Zi.

She walked to the side and sent a message to ye Zi, telling her about the situation downstairs.

After a while, ye Zi appeared on the balcony of one of the dormitories. That dormitory was also occupied by the girls in their class, and they often visited each other.

The boy had seen ye Zi there before and thought that she lived there. Seeing ye Zi come out, he put his hand to his mouth to form a loudspeaker and shouted, "Ye Zi ..."

Ye Zi turned around and took out a basin. She poured the water in it down.

With a whoosh, the sound stopped abruptly.

Tong Siyao couldn't help but shake her head. She had already reminded him, but this unlucky child didn't listen.

"What are you looking at?" Sheng Yiting's voice was heard.

you're here! Tong Siyao turned around and smiled. you're here!

Sheng Yiting lowered his head and sniffed her hair. "It smells so good. Have you washed your hair?"

Tong Siyao nodded, embarrassed. don't you need to do the styling? "

"Let's go," he said. Sheng Yiting held her hand and felt that her hand was smoother than before. He didn't know if it was just his imagination.

When he got close to her just now, he actually smelled two things.

One was the smell of hair washing, and the other was probably the smell of bathing.

He couldn't help but imagine her bathing and couldn't help but feel excited.

.....

Sheng Yiting took Tong Siyao out for some food. Otherwise, the concert would not end until nine O'clock, and everyone would be famished.

Then, he went to the styling salon for a makeover.

Sheng Yiting was a distinguished guest no matter where he went, so the staff of the salon treated them warmly.

On the weekend, Sheng Yiting accompanied Tong Siyao to pick out a purple gown. It was made of silk, and it was difficult for a young girl to wear it. However, Tong Siyao didn't have the temperament of a young girl. She was a little mature and wore it just right. It was like it was tailor-made.

She changed her clothes and came out. Sheng Yiting stared at her intently. When she got closer, he lowered his head and whispered in her ear, " "You're a Queen."

Tong Siyao glanced at him, feeling uncomfortable.

This was the first time she had dressed like this without anyone watching.

Sheng Yiting held her by the shoulder and pushed her to get her makeup done.

The makeup artist applied nude makeup on her, and her hair was smoothly combed to one side and placed on her shoulder, revealing the other side of her shoulder.

Because she was young, the stylist did not tie her hair up. Her aura was too strong. Although she was born to be a big sister, she was still afraid that she couldn't suppress her.

This was good. She wouldn't appear too mature and would only feel elegant. When she smiled, she still had the innocence of a young girl.

After the makeup was done, Sheng Yiting took two steps back and sized her up.

"What are you looking at?" she turned her head away shyly.

Sheng Yiting walked over and whispered in her ear, "Look at how beautiful my girl is."

Tong Siyao's heart skipped a beat. She raised her head and looked at him. Her eyes were as gentle as water.

Sheng Yiting kissed her on the cheek and caressed her ear. His fingers slid down her neck and stopped on her collarbone.

He turned his head and said to the person behind him, "bring it over."

The staff immediately brought over a jewelry box. Tong Siyao immediately guessed what was going on.

Sheng Yiting took the box and opened it. There was a set of jewelry inside. He didn't know if it was made of diamonds or crystals. It looked ordinary, but it glowed brightly under the light.

No matter what it was made of, the things he took out would definitely be worth a lot.

Chapter 1225 Don't tell me you want to sleep with her?

Sheng Yiting picked up the necklace and tried to put it on her.

...

She subconsciously took a step back. Because there were people around, she didn't want to embarrass him, so she stopped and obediently let him put it on for her.

After putting it on, Sheng Yiting kissed her on the cheek, as if he was grateful for her cooperation.

He picked up her coat and draped it over her shoulders. let's go.

When he walked to the car, a driver had appeared out of nowhere. The chauffeur opened the door to the back seat and the two of them got in.

are you nervous? " Sheng Yiting lowered his head. are you? "

Tong Siyao smiled at him and shook her head.

His fingers slid down the necklace on her neck and he lowered his head."A holiday present."

Tong Siyao smiled. didn't you already give it to me this morning? "

“That’s just a signal to remind you to receive a lot of gifts today.”

“Do you mean there are more?”

She did feel a little uncomfortable that he had not mentioned the jewelry before.

She didn’t date him because she wanted anything from him, and she didn’t want him to spend too much money on her.

Otherwise, how would she know if he really liked her or if he was just keeping a female companion?

But on second thought, it was impossible to wear a gown to a concert without any jewelry. Since he had already put it on her, he had no reason to take it back.

It was just that the value was too great, and she was somewhat not used to it.

In the end, it was still a matter of the gap between the two.

Hearing her words, he smiled and asked, “If there are more, will you accept them?”

“I won’t be accepting today’s.” She quickly adjusted her state of mind and didn’t care about this. If you give too much at once, people will inevitably suspect that you’ve done something wrong. We still have a long way to go, and we’ll slowly receive your gifts in the future.”

The future is long!

When Sheng Yiting heard those words, he was so excited that he could not express it in words. He hugged her tightly.

Tong Siyao hurriedly pushed him away and glanced at the driver.

Sheng Yiting couldn't help but laugh. He stopped hugging her and put his arm around her shoulders."I can't wait to give myself to you."

you ... Tong Siyao's face turned red. She was so angry that she pinched his waist.

Sheng Yiting gasped in pain, but he refused to let go of her.

Tong Siyao retracted her hand and snorted. She turned her head to look out of the car, her heart beating fast. This person had been teasing her verbally recently, and he was just short of making dirty jokes out loud. Could it be that Yingluo wanted to sleep with her?

She wasn't against premarital sex, but they would have to be dating for at least three years and have the foundation to talk about marriage, right?

In short, it was a trial marriage.

She supported the trial marriage.

.....

The car stopped in front of the National Theater.

Sheng Yiting put a coat on Tong Siyao and led her out of the car.

It was very cold outside, and her coat was not enough, so she could only walk in quickly.

There were many cars around. Handsome men and beautiful women got off and walked into the theater hand in hand. Most of them were also here to listen to the concert.

It was warm inside the theater. Sheng Yiting and Tong Siyao went to the reception room, took off their coats, and left them there before going to the concert hall.

The concert hall was warm and pleasant, and she didn't feel cold even with her shoulders exposed.

Sheng Yiting took the invitation and followed the number on it to find his seat.

Actually, there was no need to look for them. The audience that the performer invited would definitely be distinguished guests and would definitely be at the front.

Sheng Yiting held Tong Siyao's hand and walked over. A few people were standing there chatting.

The people Lu duo invited were mostly from the same circle, so it was natural for them to greet each other when they met.

Tong Siyao observed quietly, wanting to see who they were.

Chapter 1226 First meeting with her boyfriend's family

Sheng Yiting, on the other hand, was looking for a seat seriously, not caring about his surroundings at all. Because no matter who it was, they would be the ones fawning over him, and he didn't need to take the initiative to attack.

...

"Here." He pulled Tong Siyao to sit down, but she didn't move.

He raised his head and saw Tong Siyao looking ahead in a daze.

At this moment, a familiar voice came from behind him. "Yiting,"

Sheng Yiting was shocked. He turned around and saw Gong mo and Sheng nanxuan.

Sheng shuangxue, who was sitting on a chair not far away, turned her head.

“Dad!” mom. Sheng Yiting called her in a daze.

Gong mo smiled and stared at Tong Siyao.

“Uncle, Auntie,” Tong Siyao said nervously.

After that, she pinched Sheng Yiting secretly.

She thought that he had deliberately chosen this day for her to meet his parents.

He didn’t even say hello! She was not mentally prepared at all. What if something went wrong?

Sheng Yiting quickly grabbed her hand and whispered, ” “I don’t know, Yingluo.”

He raised his head and said to Gong mo and Sheng nanxuan, ” This is my girlfriend, Siyao.

I’ve heard you mention it countless times. I’ve known her for a long time, so of course I know it’s Siyao.
Gong mo said with a smile.

Sheng nanxuan said, ‘I thought you were on a date. Why did you come to the concert?’ You’re too insincere.”

Sheng Yiting looked at him helplessly and begged for mercy. Dad! Can you not hit me when I’m down?
Didn’t you still bring mom to the concert?

Duoduo invited me, ” he said weakly. I can’t reject her.

Hearing that, Sheng nanxuan glanced at Tong Siyao and found that her smile had frozen.

Hmph Hmph, silly son, women are all jealous!

Tong Siyao was only distracted for half a second. She still maintained her decent smile, but she was a little angry. Duoduo? He called her that so affectionately. Yueyue, that wasn’t what he said the other day. He was calling her Lu duo. Was he afraid that she would be angry?

Tong Siyao told herself, ”it’s okay, it’s okay, don’t be angry, don’t be angry.” This proved that Sheng Yiting cared about her! If he really had something going on with Lu duo, he definitely wouldn’t have dared to bring her here.

At this moment, a few people were looking at them.

Sheng Yiting smiled and slowly called out, ” “Little granduncle, little granduncle, little granduncle,”

Almost half of the entire Yu family was here, not to mention the other relatives and friends.

Lu duo’s parents weren’t at home, so he had to help her with a lot of things. When she held her first concert in the capital, Yu Xinran naturally came forward to help her invite people to support her. Otherwise, Gong mo and Sheng nanxuan would not have come in person.

The two of them had come, and the rest of the people, including Wu Di, Tang Xinxin, Fang Yang, Wu Qianqian, Tian Cheng, and CEng Shuai, had also come.

Sheng Yiting shouted all the way, and Tong Siyao followed behind.

In the beginning, she was a little nervous. After thinking about it, it was just a meeting, and it wasn’t like he couldn’t see anyone.

Thinking of this, she calmed down and responded in a neither servile nor overbearing manner.

When everyone saw this, they all nodded in their hearts. She was elegant, capable, and could be Sheng Yiting's Good Wife.

After the greeting, everyone took their places.

Surrounded by Sheng Yiting's friends and family, Tong Siyao straightened her back and didn't dare to breathe.

Sheng Yiting held her hand and she looked at him. He said in a low voice, "Don't be afraid, they don't eat people."

Tong Siyao couldn't help but smile and gently pinched his hand.

Although it happened suddenly, they had only seen each other in a hurry this time. The next time they met, they wouldn't have to be so nervous. It was a good thing that the big problem of 'meeting your boyfriend's family for the first time' was solved.

Chapter 1227 CEng Shuai's suffering

Sheng Yiting gently caressed the back of her hand to comfort her.

...

At this moment, someone tugged at his sleeve.

He turned his head, but didn't see anyone. He lowered his head and found Sheng shuangxue, who was a head shorter than him, sitting there.

This was originally Gong Mo's seat, but she had switched seats with him.

Sheng shuangxue was wearing a White Princess dress, swinging her legs. She looked pretty and cute with her red leather shoes on.

She smiled at Sheng Yiting, and he patted her head helplessly.

Separated by a few seats, Tian Yuan craned her neck to look at them curiously.

sit down. Tian Cheng straightened her back. it's about to start.

Tian Qi pouted and slowly sat down.

Commander Zeng turned his head and saw Tian Cheng talking to Wu Qianqian, who was next to her. He put his hand on the armrest and lowered his head to Tian Yuan's ear, saying, " "Baby, can you exchange seats with daddy?"

Tian Yuan raised her head and looked at him with a frown. Seeing his clear eyes looking at her, she couldn't help but soften and nod.

The father and daughter quietly changed seats. Wu Qianqian saw this and gestured at Tian Cheng with her mouth.

Tian Cheng turned around. CEng Shuai held her hand and looked at the stage calmly.

Tian Cheng was both angry and amused.

What was he doing? By acting like this, everyone would think that they had mistreated him.

Apart from not marrying him, which part of her did she not treat him well?

She didn't even spend his money, and he didn't have to worry about raising his daughter. She could totally take care of it all by herself. How much freedom did she give him?

Tian Cheng couldn't help but laugh at this thought.

She didn't know if ordinary men were looking forward to this kind of life. A woman who didn't cry, didn't make a fuss, didn't ask for a status, and didn't need to be supported by money, but could maintain a physical relationship at any time.

She knew that this was not what Zeng Shuai wanted. He just wanted to marry her, establish a status with her, and make her rely on him for everything. He wanted her to spend his money ruthlessly.

The seven sufferings of life were birth, old age, illness, death, love, separation, resentment, and inability to get what they wanted.

He just happened to be suffering because he couldn't get it.

The sound of a violin rang out from the stage. Tian Cheng looked over and slowly leaned her head on Zeng Shuai's shoulder.

Zeng Shuai lowered his head and kissed her on the forehead.

Sometimes, he couldn't help but wonder if he was asking for too much.

Other than not having a marriage certificate, they were not much different from an ordinary couple. He could stay at her place all year round and make it a home.

It was just that she had bought that house herself, and he always felt like he was living off a woman when he moved in. Therefore, when he was busy, he would stay at his own house. On her side, he always appeared like a guest and could leave at any time.

Perhaps he should be a little more thick-skinned and continue to stay at her place. He would treat it as if they had proof, but he was afraid that the police would come to investigate their illegal cohabitation one day.

.....

Lu duo stood on the stage, fully engrossed.

The lights shone on her like moonlight, making her look like a glowing goddess.

She was elegant, beautiful, and stood at the top of the crowd, as if she was born nobler than others.

Tong Siyao turned to look at Sheng Yiting, who immediately looked over and asked in a low voice, "What's wrong?"

Tong Siyao smiled and shook her head.

The moment she looked at him, he knew that he wouldn't be entranced by Lu duo's brilliant performance. This strangely pleased him.

Sheng Yiting held her hand and asked in a low voice, "Let's go for supper after this. What do you want to eat?"

Tong Siyao didn't know whether to laugh or cry, "it's so nice!"

This glutton must have been a pain in the ass when he was young.

After the concert ended, the audience started to take their positions.

Sheng Yiting helped Tong Siyao up with one hand. Sheng shuangxue, who was beside him, rushed over and hugged him. "Big brother!"

“Why?” Sheng Yiting lowered his head.

“Mom and dad are going on a date,” Sheng shuangxue said innocently.

Chapter 1228 Lu duo’s heart sank

Sheng Yiting was stunned and looked at Sheng nanxuan.

...

your mother and I won’t be coming home tonight, ” Sheng nanxuan said frankly. you take good care of shuangxue.

Sheng Yiting,”Whoosh!”

Why me? I’m going on a date too, why do I have to bring a third wheel? You guys are already in your teens, what do you want to do? He actually didn’t go home!

Sheng Yiting wanted a duel with his father!

This was the first Valentine’s Day in his life, and his father had been through it. How could he treat him like this?

Sheng nanxuan ignored him. He helped Gong mo adjust his shawl and asked in a low voice, ” “Are you hungry? Let’s go and have some supper first.”

At this moment, Lu duo came over to greet everyone. She asked in a sweet voice, ” “Everyone has been sitting all night, are you hungry? Do you want to go eat something?”

Sheng nanxuan shook his head. I still have to go on a date with your aunt. I won't be going.

The others were also basically in pairs. Except for Tian Cheng and commander Zeng, they had all given their children to their parents, so they naturally had to go on a date.

go with Yu Ze and the others, " Yu Xinran said. we won't get involved anymore when we're older.

Lu duo nodded and said to her and Lu Yang, " "Then uncle, Auntie, take care."

Lu Song went to Country M, and Lu Rou had classes in beixiao city so she couldn't come. Lu Yang and Yu Xinran naturally had to go on a date.

Lu duo called the rest of the people over. Yu Ze was in his third year of high school. He said he still had homework to do and left immediately. Yu Xinya had just gone out for her internship and didn't come. In the end, only Sheng Yiting, Tong Siyao, and Sheng shuangxue were left.

Lu duo looked at Sheng Yiting pitifully. "Brother Yiting, Yingluo!"

Sheng shuangxue lowered her head, gritted her teeth, and rubbed the carpet with the tip of her shoe. That's my brother!

Sheng Yiting glanced at Tong Siyao and asked, " "Yueyue, why don't we go for supper with Lu duo?"

Lu duo's heart sank, Lu duo? Didn't he call her Duoduo?

She glanced at Tong Siyao, her eyes cold.

"Sure!" Tong Siyao smiled.

So, the four of them, along with Lu duo's manager David, went to a nearby restaurant.

David was from Country M. He had learned the violin before and later worked in music-related work. After Lu duo won an award for the first time in an international competition, he went to look for Lu duo and recommended himself to be her manager. When Lu duo had won all the awards that she deserved, he would plan for her to hold a concert.

Today was Lu duo's first solo concert. After that, she would be traveling the world.

.....

The few of them walked into the barbecue restaurant, all of them wearing coats over their evening gowns.

Tong Siyao's coat was hers. Her usual clothes were at most a few hundred Yuan each. This woolen shirt was slightly more expensive, more than a thousand Yuan.

Her style of dressing had always been simple, a mature and elegant old style. At the same price, this style looked more sophisticated than the complicated women's clothing.

She felt that her coat was barely presentable, so when Sheng Yiting wanted to buy her another one, she refused.

Sheng Yiting didn't argue with her in case she got upset.

However, Lu duo had grown up in luxury goods and could tell at a glance how cheap her clothes were. She couldn't help but laugh in her heart.

Lu duo was wearing a light pink dress and a white coat. She looked pure and had a pink aura. One look and you could tell that she was a young lady who didn't know anything about the world.

Sheng shuangxue was wearing a bright red coat. She was short, but she looked very stylish, and she was the most eye-catching among the group.

They found their seats and sat down.

It was midnight snack time, and there were not many people in the shop. The few of them had their own corner and space.

Chapter 1229 Why did it grow crooked?

At the long dining table, Lu duo and David sat on one side, while Sheng Yiting, Tong Siyao, and Sheng shuangxue sat opposite them.

...

When they were ordering, Lu duo asked Tong Siyao, "sister Siyao, what do you want to eat?"

After they started eating, Lu duo gave the three people opposite her food and said in a sweet voice, "Brother Yiting, here you go. Xue 'er, eat this. Sister Siyao, do you want some?"

"Thank you," he said. Tong Siyao smiled and took the bowl.

Lu duo had called her "sister Siyao" the moment she came up, and it made her feel very uncomfortable, but she didn't know what to say.

She didn't know if she was being petty, but she felt that Lu duo wasn't as simple as she looked. She wasn't as innocent as she seemed.

When Lu duo was about to pick it up for the second time, Sheng Yiting hurriedly said, "I'll do it myself, you eat too. You've been on the stage the whole time, so you're working much harder than us. Hurry up and replenish your energy."

"Thank you, brother Yiting!" Lu duo said happily when she heard him. After he finished speaking, he began to eat in big mouthfuls.

Tong Siyao slowly roasted the meat, but every time before it was done, Sheng Yiting would give it to her. After that, she simply stopped roasting and waited to be fed.

Sheng shuangxue sat between the two of them and only cared about eating.

Sheng Yiting had to take care of the two of them, and he was a foodie himself, so he kept himself busy.

Lu duo took a break after two bites and David roasted some for her. She had to maintain her figure and didn't eat much, but she was in the mood to chat. "Sister Siyao, where are you from? I've wanted to see you before, but brother Yiting said that you've returned to your hometown. Where is your hometown?"

"Western Plains." Tong Siyao replied neither obsequiously nor haughtily.

"Western Plains?" Lu duo was surprised and exclaimed, "I heard that's the poorest province in China! But I can't tell from sister Siyao at all!"

Tong Siyao felt uncomfortable hearing that. She frowned and asked, "Duoduo, how old are you this year?"

"22 years old, what's wrong?" Lu duo asked in confusion, looking at her with a carefree expression.

"I'm 22 years old too," she said indifferently. you don't have to call me sister.

"Then Yingluo is still an older sister." Lu duo teased.

She knew that Tong Siyao was angry, so she looked at her innocently, her face full of anxiety.

Tong Siyao was expressionless.

She looked at Sheng Yiting in a panic.

Sheng Yiting was looking at her in confusion. He was puzzled by her abrupt words.

How could Lu duo speak so abruptly?

He wouldn't have become so impolite after going abroad for a few years, would he?

She was from the Lu family of beixiao. The Lu family didn't suddenly become rich, so they naturally had some background and attached great importance to the education of their children. Although her parents were not around, she had never complained when she was young. Moreover, she lived with Lu Qian after she came to Vienna. If Lu Qian's character was problematic, Lu Yang and the others probably wouldn't hand her over.

Why did it grow crooked?

For Sheng Yiting, a family like theirs had a lot of education. Even if he was a popinjay, he would definitely know how to read people's expressions. However, Lu duo's current behavior seemed to be completely ignorant of the ways of the world.

Perhaps she did, but she did it on purpose. Then she would have grown up properly. No matter how delicate a rich young lady was, she would not be so tasteless.

Although they had known each other since they were young, Sheng Yiting still felt uncomfortable because the person Lu duo had offended was his girlfriend!

He didn't make a sound because he didn't want to embarrass the two families. Otherwise, the Yu family would be stuck in the middle and it would be difficult.

Fortunately, Tong Siyao wasn't a pushover. She didn't need his help.

After she heard Lu duo's words and saw that she actually asked Sheng Yiting for help, she was really angry!

Chapter 1230 Make him unable to reason with her, then pester him

"Then what month were you born?" she asked in a calm tone.

...

March. I'm an Aquarius. Lu duo said with a smile, as if she didn't know that her words just now were offensive.

"I'm in September." Tong Siyao spread her hands and smiled. look, I'm younger than you.

oh, oh, oh. Lu duo looked at Sheng Yiting in a hurry and said coyly, " what's the big deal? You're brother Yiting's girlfriend, so if I call him brother, I should call you sister!"

At this moment, Sheng shuangxue, who had been eating, raised her head. if you call him brother, shouldn't you call him sister Siyao and sister-in-law? "

Lu duo was stunned. She saw that the three of them were looking at her expressionlessly. Her eyes suddenly turned red and she asked uneasily, " "I, did I say something wrong? You guys hate me, Yingluo!"

"You're thinking too much. Hurry up and eat." Sheng Yiting said.

He sighed in his heart. So what if it grew out of shape? he didn't have to pay for it anyway. He just didn't want Siyao to be mistreated in front of him.

David laughed and consoled Lu duo. my little princess Duo Duo, you're too sensitive. Don't think too much. Hurry and eat something.

Lu duo sniffled and looked at Sheng Yiting. "Brother Yiting, Yingluo!"

"Brother!" Sheng shuangxue put down her chopsticks and fell on Sheng Yiting's body. I'm so tired. I want to go home!

"Alright!" Sheng Yiting had never liked his sister so much.

shuangxue is tired," he said to Lu duo. we'll be leaving first.

Lu duo looked at the three of them and nodded. Her tears fell like broken pearls.

"I'll send you off," she said as she wiped her tears and stood up.

"No need. I don't think you've eaten much, have some more."

Sheng Yiting got up, carefully helped Sheng shuangxue and Tong Siyao up, and walked out together.

Lu duo looked at their backs, and her expression kept changing.

Through the glass window of the dining room, she saw Sheng Yiting's car drive away, and the gentleness on her face disappeared.

She picked up a tissue and slowly wiped away her tears. Then, she picked up a pair of chopsticks and fiddled with the barbecue. Her eyes were cold and sinister.

David asked,"are you confident?" That was too stupid!"

"You don't understand," She frowned and said in a slightly threatening tone, " it's only when you've broken the limit that people can't do anything about it. If I'm too dignified, he'll reason with me. I just have to be so unreasonable, so that he can't be reasoned with, and then I'll pester him!"

.....

In the car, Sheng Yiting, Sheng shuangxue, and Tong Siyao were sitting in the back. Sheng shuangxue was still sitting in the middle, her little face angry.

The chauffeur drove uneasily and thought, " Who had offended the young miss again?

shuangxue, " Sheng Yiting said, " can I send you home first? "

"And then you left?" Sheng shuangxue turned her head and said fiercely. If you leave me alone at home, what if I get taken away by the Big Bad Wolf?"

"Why would I?" Sheng Yiting's face darkened. the big bad Wolves are all made up in fairy tales.

"I'm just using an analogy! Don't you understand the metaphor?"

Sheng Yiting looked at Tong Siyao apologetically. Tong Siyao smiled and shook her head, indicating that it was okay.

Sheng Yiting was very grateful.

She was indeed angry at Lu duo's words just now. However, she didn't feel unhappy at all when Sheng shuangxue was so aggressive. Instead, she was a little spoiled.

It seemed that she really liked shuangxue. They were destined to be a family!

He looked at Sheng shuangxue and asked, " then, let's send sister Siyao back to school first? "
