

Ditsy Wife 1261

Chapter 1261 All of you are bullying me

“Sit down!” Gong mo hurriedly said. Are you used to being here? If you’re not used to it, you can look for Yiting. If he can’t make you feel at home, then just ignore him!”

...

mom! Sheng Yiting’s face turned bitter. Was there such a mother in this world?

“Have you looked around?” Gong mo ignored him and asked Tong Siyao.

“Not yet, we just arrived.”

“Oh, you only saw Yiting’s room, right?” Gong mo asked jokingly.

Tong Siyao’s face turned red, and she lowered her head, too embarrassed to answer.

“Mom, don’t mess around.” Sheng Yiting said hurriedly, “ it’s Siyao’s first relationship. She’s embarrassed to do it in front of me, and you’re still teasing her.

you make it sound like it’s your second time, ” Sheng shuangxue mumbled behind the book.

Sheng Yiting glared at her.

Tong Siyao couldn’t help but laugh secretly.

Sheng Yiting flung her hand away and fell on the sofa, depressed. “You’re all bullying my Yingluo.”

Tong Siyao glanced at Gong mo and Sheng nanxuan, afraid that they would be dissatisfied with her.

Sheng nanxuan did not look at her. He rarely looked at other women. Tian Cheng, Tang Xinxin, and the others were on very good terms with Gong mo, but they weren't very familiar with him. They rarely joked or talked to each other. They never contacted each other in private, and both parties avoided suspicion.

He would look at the girls of each family more often, as he was looking at the younger generation as an elder. However, although Tong Siyao was a junior, she was her " daughter-in-law. He didn't pay much attention to Tong Siyao because he had to avoid suspicion between his father-in-law and his daughter-in-law.

This way, Tong Siyao wouldn't be nervous, but she was also afraid that he didn't like her.

She looked at Gong mo, who was smiling happily. She heaved a sigh of relief.

As for Sheng nanxuan's encouragement to Sheng Yiting, he had said that everything would be fine as long as Gong mo was satisfied. There shouldn't be too much of a problem, right?

They were not even at the stage of marriage yet. They were just dating. Could they stop her from dating Sheng Yiting?

They were people who had been through this. They knew that it was not easy for a couple to get married. Which person didn't date a few times before getting married? It was her and Sheng Yiting's first time, and the probability of them getting married after their first love was quite small.

Therefore, even if the Sheng family did not like her being with Sheng Yiting, they would not be in a hurry to do anything. Who knew if they would break down in the middle of their conversation?

She did not think that she would break up with Sheng Yiting. She just felt that when they were in love, they should love each other well. As long as he did his best and did what he had to do, he wouldn't feel regretful if they didn't end up together in the future, nor would he want to die.

Tong Siyao paused and realized that her thoughts were not good.

She didn't think this way before.

Before this, she wanted to stick to Sheng Yiting every day and imagine what they would do together, including dating scenes, living scenes, marriage, and having children.

But now, probably because they had passed their honeymoon period, she had calmed down. She was so calm that she was cold.

She did not know that she was such a cold person, and suddenly felt that she had let Sheng Yiting down. Sheng Yiting was so good to her, so she should be good to him too.

.....

In the afternoon, Sheng Yiting took Tong Siyao to every corner of Happy Garden.

Sheng shuangxue insisted on following them. Sheng Yiting didn't want to bring her along, but he didn't dare to reject her. He looked at Tong Siyao awkwardly.

"Bring shuangxue with you," Tong Siyao said with a smile.

Only then did Sheng Yiting bring her along.

Chapter 1262 Is he going through menopause?

In the end, she would pester Sheng Yiting when she was riding a horse, when she was playing golf, and even when she was just walking a few steps.

...

Sheng Yiting was so annoyed that he asked someone to send her back to the villa.

The moment she returned, she complained to Gong mo, " "Big brother is too bad, he values the girl more than the sister!"

"You still have the nerve to say that?" it wasn't easy for me to get back into a relationship. Don't try to ruin it, "Gong mo retorted.

Sheng shuangxue pouted. I don't want to cause any trouble. But he's not only good to me now. He's good to other people too. I don't feel good about it.

"It's boring if you're jealous. You have to think about it, there will be one more person who will treat you well in the future."

Sheng shuangxue was stunned. She had never thought of this before. Thinking about it, Tong Siyao did like her. However, who out there didn't like him? Firstly, it was because she had a good father, and secondly, it was because she was loved by everyone.

"Do you like her a lot?" she snorted.

"You don't like it?" Gong mo was puzzled.

"I don't mind." Sheng shuangxue said irritably, " she's better than the people who used to have designs on brother, but she's not perfect.

"Who would be perfect?" Gong mo laughed.

Sheng shuangxue rolled her eyes, hugged her and said, " "You!"

"You're such a sweet talker!" Gong mo laughed.

“Miss Tian’s car has entered the main gate,” the servant said.

Gong mo nodded and said to Sheng shuangxue, ” “Go and pick up your aunt!”

Sheng shuangxue rolled on the sofa and lay on it, holding her face in her hands. “They must have just entered the gate, it’s still early. Where’s dad?”

“I’m taking an afternoon nap,”

he’s not going to get up. Sheng shuangxue looked disgusted again. Suddenly, she asked mysteriously, ” is he going through menopause? ”

Gong mo furrowed his brows and pinched her face.

She howled,”ah ah ah ... It hurts!”

Gong mo let go of her and lectured her,”you still know pain?” Your dad is so good to you, but you only know how to badmouth him.”

“Where? I’m just worried about him! I’m afraid he’ll suffer from dementia in the future. You’ll have a hard time then!”

“I think it’s not bad if he can get dementia.”

But Sheng nanxuan had been through those experiments and his body was different from ordinary people. Did he have the chance to develop dementia?

Sheng shuangxue asked in surprise, ” “Mother! You’re actually hoping for dad to have dementia? It was said that people with Alzheimer’s disease had bad memories. When he forgets about you, you can go and find a second spring, right?”

She felt that she had guessed right and nodded vigorously. "So this is what you're planning!"

Gong mo looked at her helplessly. you only know how to talk nonsense all day. Be careful not to let your father hear you. Don't come to me to beg for mercy. Aren't you going to pick up your aunt?"

Sheng shuangxue was startled. It seemed that they had been chatting for a long time. She immediately got up and rushed out of the door.

There was a wave of heat outside the door. She took off her coat and held it in her hand. Tian Cheng's car stopped just in time.

In the villa, Gong mo saw the car and hurriedly came out to greet them. When he saw Tian Cheng and Tian Yuan, he asked, " "Commander CEng didn't come?"

"He has to work. Probably tomorrow." Tian Cheng was carrying a gift. here, I just bought it.

"That's very thoughtful of you." Gong mo pulled her into the house.

In fact, Tian Cheng had bought Sheng nanxuan a gift very carelessly. If she said that she had bought it casually, she really did.

For so many years, he had eaten it every time. Most of the time, it was tobacco, wine, tea, and the like. Occasionally, it was deer antlers and the like.

Because it was a gift for Sheng nanxuan, she naturally did not put much effort into it. It was enough as long as she showed her sincerity.

Chapter 1263 It's good that cousin is open-minded

Of course, she would try to pick the best ones that the Sheng family could use.

...

As for the gifts for Gong mo and the others, she would have to put in a lot of effort.

Back at the villa, Gong mo called Tian Cheng to the sunroom and asked Sheng shuangxue to play with Tian Yuan alone.

As Gong mo went upstairs, he said to Tian Cheng, " Yiting brought his girlfriend here. They're playing outside right now. I'll talk to her later.

"Is Yiting going to settle down with her?" Tian Cheng nodded and asked curiously.

"I don't know. I won't get involved in the affairs of the young people. He's not a bad person, so let Yiting make the decision."

it's said that a mother-in-law chooses her daughter-in-law, " Tian Cheng said with a smile. you're so straightforward.

Gong mo said helplessly,"I was also picky." How should I put it? I definitely want to find a good man for Yiting, but this family's condition is too poor. However, what kind of background do I have? what right do I have to despise others? Besides, Yiting has only been in a relationship once. What if I ruin it for him and he'll never be in a relationship again? Besides, it's hard to find someone who's better than Tong Siyao. It's easy to find someone with a better family background than her. Anyone in our circle is better than her, but no one is better than the Sheng family. Whether it's Tong Siyao or a family a hundred times better than the Tong family, they're still worse than the Sheng family. What's there to argue about?"

"It's good that elder cousin is able to get over it."

Tian Cheng wrote novels every day. She was not a scheming person, but she had a thorough understanding of human nature. As for the drama of a mother-in-law fighting with her daughter-in-law, she often wrote about it. After hearing Gong Mo's words, she also felt relieved. She was afraid that Gong mo would make things difficult for his daughter-in-law when he reached the age of being a mother-in-law. If that was the case, it would not be good for anyone.

"It's my great fortune to meet a mother-in-law like cousin!" Tian Cheng said with a smile.

"It's a blessing to not have a mother-in-law. He has a car and a house, and his parents are both dead. That's exactly what your CEng Shuai is talking about."

Tian Cheng sipped her tea. Her cousin was here again, speaking up for CEng Shuai every day. If she was not afraid that Sheng nanxuan would be unhappy, she would have joked with him.

Gong mo pushed her away with a smile and said, "don't be so cocky." Be careful, he might get tired and ignore you."

"I already have a daughter. Are you afraid of him?" Tian Cheng raised an eyebrow. it's good that he's ignoring me. I'm happy to be at peace!

Gong mo was really helpless. alright, alright, alright. I respect you for being a man! However, for Yuanyuan's sake, she should at least treat him better. You're the only one I'm worried about before I leave. Don't let the old lady have any regrets."

"I don't believe in those things," Tian Cheng mumbled.

.....

When Sheng Yiting and Tong Siyao returned to the villa, the servants were preparing dinner.

Sheng shuangxue and Tian Yuan were sitting in front of the piano, playing the music.

"Yuanyuan is here?" Sheng Yiting asked.

Tian Yuan immediately got up and called him brother Yiting, then looked at Tong Siyao.

"This is Yao Yao." Sheng Yiting said.

Tian Yuan's face reddened, and she quickly greeted him. She had seen him before, so it wasn't like she didn't know him.

Sheng Yiting saw Sheng shuangxue playing the piano and ignoring him and Tong Siyao, so he led Tong Siyao to her. where are mom and dad? "

"How would I know?" Sheng shuangxue didn't even look at him.

Tong Siyao bit her lip, feeling that she was targeting her. It didn't seem like he really hated her. It seemed like he was just throwing a tantrum. What should he do?

"You're wrong!" Sheng Yiting suddenly said.

Sheng shuangxue paused, and the music stopped.

! Then you do it!! She quickly retracted her hand and stood up.

Sheng Yiting smiled. He glanced at Tong Siyao, squeezed her hand, and sat down in front of the piano.

Chapter 1264 feeling inferior

He put his hands on the piano. Tong Siyao was confused at first. Could he play the piano? Then, he realized that with his good background, it wasn't difficult for him to be versatile.

...

She lowered her head and saw his long fingers. She felt that his hands were born to play the piano.

He moved his fingers, and the beautiful sound of the zither rang out in the living room.

Tong Siyao looked at him in a daze. She moved her hand to his face and realized that he was so outstanding. She couldn't help but feel inferior.

In the past, she didn't feel inferior and didn't think that she was worse than others. That was because she hadn't met a truly outstanding person.

Furthermore, this was the person she truly liked!

If it was another person, what did it have to do with her no matter how outstanding he was? No one was perfect. No matter how outstanding a person was, they would still have flaws and shortcomings. Who knew what kind of dirty heart was hidden under a gorgeous appearance? With this in mind, she didn't need to feel sad for anyone.

But Sheng Yiting was different.

Beauty is in the eyes of the beholder. In her eyes, he only had good points and no shortcomings. The more she understood him, the more she felt that she was too far away from him.

At the end of the song, Sheng shuangxue snorted, "What's so great about it? You're so much older than me, and you've practiced the zither longer than I have!"

"I don't play it often, but someone has been learning." Sheng Yiting recalled how he used to play with Lu duo here. He sighed inwardly, retracted his hand, and stood up.

Tong Siyao came back to her senses and looked at him. Although she knew that it would not be strange for him to learn more skills given the Sheng family's situation, she could not help but be surprised.

He played so well, so there shouldn't be a problem for him to walk the path of music, right?

"Aren't you guys going to eat?" Sheng nanxuan's voice came.

The few of them jumped in fright and turned around to see him standing in front of them.

Gong mo and Tian Cheng, who were further behind, looked at them with a smile.

The few of them looked embarrassed and hurried over.

Sheng shuangxue hugged Sheng nanxuan's arm and called out sweetly, "Daddy!"

"Let's go eat!" Sheng nanxuan smiled.

"Aunty," Sheng Yiting greeted Tian Cheng.

Tong Siyao followed in a low voice.

Tian Cheng agreed with a smile and asked Tian Yuan to sit beside her.

While they were eating, Gong mo picked up some food for Tong Siyao.

Tong Siyao was flattered and hurriedly said, "Thank you, Auntie!"

Sheng nanxuan knocked on his bowl beside him. Tong Siyao looked at him in confusion. Gong mo picked up a chicken foot and threw it into his bowl helplessly.

Tong Siyao immediately knew what was going on. Was her uncle jealous?

How could he break through when he suddenly felt that he was in danger?

"Have you taken a look outside?" Gong mo asked with a smile.

Tong Siyao nodded. I've seen them all. They're beautiful.

"Do you like it?"

Tong Siyao was stunned. She nodded and lowered her head to eat shyly.

Gong mo picked up some more food for her, " "There will be a lot of guests tomorrow. You will stay by Yiting's side,"

As soon as he finished speaking, Sheng shuangxue, who was next to him, knocked on her bowl.

Everyone looked over and saw Sheng shuangxue staring at Gong mo innocently.

Gong mo picked up some food for her and turned to blame Sheng nanxuan. "It's all your fault!"

Sheng nanxuan thought, what does Yingluo have to do with me?

Tong Siyao, "Wanwan's boyfriend grew up in such an environment?" It was really lucky that he wasn't Blinded by the Light.

Tian Qi pouted and asked Tian Cheng in a low voice, " "Is daddy not coming?"

She also hoped that her parents would be like her aunty and her uncle, but alas.

"I'm coming. You miss him? Didn't we just meet yesterday?" Tian Cheng asked, puzzled.

"Yingluo didn't." She was only worried about her parents 'marriage!

Gong mo glanced at them and said to Tian Cheng, " "Since Yuanyuan misses dad, you can call Zeng Shuai later and ask him to come over today."

Chapter 1265 I wonder if you've gained weight

Tian Cheng didn't want to argue with Tong Siyao about this, so she said to Tian Yuan, " "If you miss him, then hit him yourself!"

...

Hearing this, Tian Yuan was overjoyed and nodded repeatedly.

Tong Siyao couldn't help but be confused. She thought their behavior was strange.

After dinner, Tian Yuan couldn't wait to make a phone call.

Tong Siyao had nothing to do, so she went back to her room. After a while, he heard someone knocking on the door.

She didn't know who it was, but since they were in someone else's house, she naturally went to open the door at once.

Sheng Yiting was standing outside with two servants.

I'll bring you the gown for tomorrow, " Sheng Yiting said. try it on.

Tong Siyao was stunned. She glanced at the servant but didn't refuse.

After the servant put down the gown and left, Tong Siyao said to Sheng Yiting, " "You didn't mention it before."

“It’s my dad’s birthday and there are many guests, so I have to wear it. If you’re wearing it, just put it here. What do you have?” Sheng Yiting knew what she was worried about. He reached out and touched the tip of her nose. I made it with your size last time. I don’t know if you’ve gained weight. If it’s too big for me, I can’t do anything about it. ”

you’re the one who’s gained weight! Tong Siyao’s face turned serious.

Sheng Yiting burst into laughter. Then, he pulled her into his arms and kissed her a few times.

Tong Siyao pushed him away. get out, I need to change.

Sheng Yiting hesitated for a moment before leaving regretfully.

He didn’t know when he would stop avoiding suspicion.

When Tong Siyao changed her clothes, she was very worried. If I really gain weight, Yingluo

Oh my God, this was simply a tragedy!

Taking off her original clothes, she looked at her figure in the mirror and stroked her waist with her hand. The curves were still there, so Yingying shouldn’t have put on weight, right?

She quickly put on the gown and felt that it fit her. She couldn’t help but heave a sigh of relief and happily took it off.

After she changed back into her clothes, she suddenly remembered that she didn’t even look at the style of the dress just now.

She wanted to try again, but she was afraid that Sheng Yiting would be waiting outside, so she opened the door.

Anyway, she believed in his judgment.

Sheng Yiting looked over and asked in surprise, " "Why did you take it off?"

"Aren't you wearing it tomorrow?" Tong Siyao said innocently.

"Yingluo, I want to see the effect." Sheng Yiting was depressed.

"Uh, hehe."

"Is it good? Do you like it?" He asked with concern.

Tong Siyao was too embarrassed to tell him that she didn't notice, so she nodded. "Nice, I like it."

Sheng Yiting chuckled. it's still early. You're sleeping already? "

"What else?" She didn't dare to have any entertainment activities in other people's homes.

"Let's go for a walk." He said.

The two of them left the villa and walked along the road in the direction of the manor's Gate, chatting about something irrelevant as they walked.

On the way, she saw a car driving towards her.

"Yuanyuan's father should be here," Sheng Yiting said.

A moment later, the car stopped in front of them. The window of the driver's seat slid down, and sure enough, it was Zeng Shuai sitting inside.

Zeng Shuai glanced at them and smiled at Sheng Yiting. "A walk?"

Among Sheng nanxuan's generals, commander Zeng treated Sheng Yiting the best, and Sheng Yiting's feelings for him were not ordinary. The two of them were much more casual when they spoke.

yes. Sheng Yiting smiled. why did uncle Zeng only come now? " Why didn't you come for dinner earlier?"

Zeng Shuai choked. It was not like Sheng Yiting did not know about his relationship with Tian Cheng, and he was teasing him on purpose. "Isn't it your dad who arranged so much work for me?" he glared at her.

Sheng Yiting smiled and pulled Tong Siyao to the side. "Uncle Zeng, hurry up and get some rest."

Chapter 1266 The woman I like is not ordinary

"You think I'm a third wheel here? are you chasing me away?" Zeng Shuai snorted.

...

"If you want to think this way, that's fine too."

Zeng Shuai snorted again and drove away.

are we going forward or going back? " Sheng Yiting asked Tong Siyao.

Tong Siyao looked around. The street lights were bright, but there was only the Sheng family's Villa. She couldn't see anyone. It was cold."Let's go back,"

Sheng Yiting held her hand as they turned around and strolled back to the villa.

The two of them continued to chat. Tong Siyao said how beautiful this place was. Sheng Yiting looked up at the sky and sighed. "It's a pity there aren't any stars."

The pollution in the big cities was serious, and it was too difficult to see the stars, only once or twice a year.

Tong Siyao comforted her, "you'll be able to see it when we get to Xi Yuan." The stars there are so big that the entire universe can see them clearly. Out of the 365 days in a year, you can see them for 300 days."

What was the difference? This was the difference!

"Every time I lie on the grass, I feel so small and have no worries. Because those troubles were even smaller than the entire starry sky. How could a person leave a trace under the starry sky? What's the point of worrying about that? Aren't you going to work hard?"

Sheng Yiting burst into laughter.

Tong Siyao also laughed, "I'm stupid, right?" Thinking of all these nonsense, Yingluo."

"Silly? Such a philosophical question is very wise, okay? I knew it, the woman I like is not ordinary."

Tong Siyao blushed and pouted. why do you always relate everything to this?!

"I'm not bullshitting. The truth! I'm really sincere!"

.....

The next day, Tong Siyao got up early.

After breakfast, more and more guests arrived.

The guests were all relatives and friends of the Sheng family, most of whom they had met at the Valentine's Day concert.

you'll follow my mom in the morning and chat with everyone, " Sheng Yiting said to Tong Siyao. in the afternoon, you'll follow me.

yes. Tong Siyao nodded and asked, " you have something on this morning? "

"Dad and I are entertaining the elders together. We'll have lunch together."

"Alright," he said.

"Call me if there's anything,"

Tong Siyao nodded, a little nervous.

If someone was targeting her, she would not complain to Sheng Yiting. It was her father's birthday, so she would bear with it if she could. There was no need to make everyone unhappy.

Surprisingly, no one bothered her at all.

She guessed that it was because Gong Mo's attitude towards her was good. Everyone had to give face to the Buddha.

Sheng shuangxue stopped snorting. Obviously, she didn't want to be a joke. Even when a certain young lady spoke rudely to her, she even spoke up to help.

However, when no one was paying attention, Sheng shuangxue mumbled to her, " don't think that I like you because you're my brother's girlfriend. If you get bullied, it'll be a disgrace to the Sheng family. Do you know the severity of the situation? Don't look like a bun!"

"Yingluo." Where did she have a bun-like face?

The more he looked at the little sister, the more adorable she was!

.....

After lunch, everyone went to rest.

Sheng Yiting took the opportunity to bring Tong Siyao to Sheng nanxuan's house to give him a gift.

Sheng nanxuan did not plan to sleep. He stayed in the study. When the two left, they stated their intentions and presented the gifts.

The gift was Tong Siyao's proposal, a string of obsession beads. Sheng Yiting had spent hundreds of thousands of Yuan to buy a string of long-dated ones.

Sheng nanxuan couldn't help but raise his eyebrows and look at Sheng Yiting.

"Dad, how do you feel?" Sheng Yiting asked uneasily.

Chapter 1267 This Tong Siyao is not simple

In the past, because Sheng nanxuan often wore the string of beeswax that minling gave him, he would not choose this.

...

However, Tong Siyao said that the prayer beads were for playing with, not for wearing. Moreover, it was a gift from his son. Sheng nanxuan would definitely like it.

Moreover, people nowadays liked to spin things in their hands as they got older. Even the young and powerful people did this. Who knew if Sheng nanxuan had such a need? It was also a good thing that his son had thought of it first.

Sheng Yiting, on the other hand, thought that since his family was so rich, his father must have used a lot of tricks. The string of prayer beads in his hand might be a good way to dispel his hostility. So, he made his choice.

However, if Sheng nanxuan didn't like it, he wouldn't say that it was Tong Siyao's idea.

Sheng nanxuan counted two beads in his palm and could not help but smile. "Not bad."

As he counted, he forgot to stop.

Sometimes, he would think that he was too cruel sometimes. Should he go and believe in Buddha for the good of his wife and children? But when he turned around, he thought, "I control my life, not the heavens. I'll risk my life for whoever dares to touch my family, and the heavens will do the same!"

However, was it the same as naivety? If naively wanted to go against him, he would definitely have no choice.

Perhaps with this string of prayer beads, he would think twice before he acted. At least when he was spinning the prayer beads in his hand, he would immediately remember: This was a gift from my son, and Gong mo didn't want me to do this.

Sheng Yiting observed his expression and saw that he was satisfied. He immediately said, "Siyao helped me choose.

Sheng nanxuan smiled. it's not your idea. Don't I know you well? " Look at all the uncreative things you give me every time, I don't even care to scold you! If I didn't give birth to you, I would have ignored you long ago."

Sheng Yiting touched his nose and smiled. "So, dad has been despising me for so long."

Sheng nanxuan turned his head to look at Tong Siyao. Tong Siyao became nervous and felt that his eyes were going to penetrate her.

Could it be that Yingluo had guessed his thoughts?

When she recommended this gift, she thought that since Sheng nanxuan was so rich, he must have done a lot of bad things. She had to find a way to calm him down.

The will bead was a good item, very suitable for those in power to use. Even if he was full of evil tricks, he still looked very kind on the surface.

Of course, she didn't dare to tell Sheng Yiting about this, or it would seem like she was talking bad about Sheng nanxuan.

She recommended this gift for Sheng nanxuan's own good. Who asked him to be her boyfriend's father? Otherwise, she wouldn't care how much trouble he would seek!

No one spoke, and the room immediately fell silent.

Sheng nanxuan counted the beads slowly, and Sheng Yiting became anxious. "Dad ..."

Sheng nanxuan's eyebrows twitched, and he glanced at him. He said to Tong Siyao, " "The present is not bad, I like it very much."

Tong Siyao let out a sigh of relief. I'm glad you like it, " she said hurriedly.

Sheng nanxuan kept the Rosary and put it back into the box. you're not bad either. Our Yiting might not be doing well, so please bear with him."

"Yiting's great, I'm just not good enough for him." Tong Siyao lowered her head and said in shame.

The corners of Sheng nanxuan's mouth curled up. Of course, his son was the best. Hmph!

"Go and rest." With a hook of his finger, he closed the red sandalwood box that contained the bead. have a good banquet later.

Sheng Yiting agreed immediately and went out happily with Tong Siyao.

Sheng nanxuan looked at their backs and narrowed his eyes.

This Tong Siyao was really not simple-this was a good thing.

Chapter 1268 Your shyness is all for me alone

Yiting probably didn't realize how smart Tong Siyao was. The man in love, ah Yingluo

...

Sheng nanxuan shook his head. He opened the red sandalwood box and started counting the beads again.

Tong Siyao was stunned.

It was not bad.

If Yiting were to be a manager of a company, she was not qualified to be a good wife.

The business world competed on monetary capital. Even if the Sheng family did not need to marry, they could not marry an orphan who had nothing.

It didn't matter if he married her, it wouldn't affect him. If this was the case for every generation, then it would be impossible for all his descendants to be like him. But was that possible?

However, Sheng Yiting's future was a political one, which was different.

As long as one had a brain for politics, even if one had no money, the capitalist would invest, and he was that capitalist. As for the target of the investment, it didn't matter if he was born rich or poor. As long as he could manage the country well, he could be sent to the president's position.

What that position required the most was not money, but brains.

.....

In the evening, Sheng nanxuan's birthday party was about to begin.

Tong Siyao was wearing a white present and standing side by side with Sheng Yiting under the ginkgo tree to welcome the guests.

Sheng Yiting would introduce Tong Siyao to each guest.

Seeing how serious Sheng da was, everyone naturally looked at Tong Siyao. I've never heard of the Tong family. Could it be that their family background is ordinary? Was Sheng Yiting planning to marry her?

Tong Siyao was a little nervous at first, but then she thought, "Cowering was also an act, being generous was also an act. Rather than being ridiculed, it was better to be praised! She simply greeted everyone as if nothing had happened, just like a real rich young lady.

Sheng Yiting was amazed. When no one came, he whispered, " "It's the first time I've seen you like this. You're really embarrassing."

"What's wrong?" Tong Siyao's heart skipped a beat. Could it be that he did not do well?

Sheng Yiting shook his head. I knew you could handle the situation from the start. But you kept blushing. I almost forgot about it.

Tong Siyao blushed again. what did you say? " she asked.

Sheng Yiting hurriedly said, " I understand! I understand! I understand! I understand! I understand! Your shyness is only for me. "

Tong Siyao was even more embarrassed and pinched him secretly.

quiet! Someone's coming! Sheng Yiting quickly said.

Tong Siyao quickly stood up and looked forward with a smile. She was shocked-President!

She had thought of all kinds of big shots, but this was the only one she had not thought of. She could not react in time.

Sheng Yiting vaguely knew the relationship between Sheng nanxuan and the president, but in front of the agents and servants, he had to give the president face. He was the president, so he didn't have the right to introduce Tong Siyao unless the president asked.

After the president greeted Sheng Yiting, he looked at Tong Siyao and asked with a smile, " "This lady is Yingluo."

my girlfriend, Tong Siyao. Sheng Yiting introduced.

Hello. the president extended his hand to Tong Siyao. Hello.

“Hello, Mr. President.” Tong Siyao’s heart was beating fast, but she still shook his hand calmly.

The president raised his eyebrows. He didn’t expect her to be so calm. He was impressed.

After shaking hands with Tong Siyao, he turned around and gestured to the photographer behind him. Then, he and Sheng Yiting stood on either side of Tong Siyao and the three of them took a photo together.

No one would have thought that this photo would go down in history.

After the president left, Tong Siyao heaved a sigh of relief and asked Sheng Yiting, “Why is the president here?”

Sheng Yiting thought she was nervous, so he comforted her. “Don’t be afraid. The president has one nose and two nostrils, what’s so special about that?”

Chapter 1269 Memorial significance

“He’s the president.” Tong Siyao said seriously.

...

I used to visit the President’s House when I was young. He’s not the only President I’ve seen.

“When you were young?”

“My brother-in-law is President ding’s daughter.”

Tong Siyao suddenly understood and nodded. "President Ding Yuan is not bad, Yingluo."

of course ~ it was his father's taste.

.....

When the party ended, it was already past nine in the evening. Tong Siyao was exhausted.

Today, she was almost like half the mistress of the house.

Did the Sheng family treat her so well because they were optimistic about her and Sheng Yiting's future?

What a surprise. She thought that the Sheng family would not like her no matter what.

When she got up the next day, she packed her luggage and went downstairs. Sheng Yiting was waiting for her at the stairs.

"Are you done packing?" he asked.

"It's done,"

"Then let's go after dinner."

"What time is the flight?"

"Eleven o'clock, we can make it."

Tong Siyao nodded and realized that it was very quiet around them. There was no one else. "Where's uncle and aunty?" she asked, puzzled.

“They’re still sleeping. Don’t worry about them.”

Tong Siyao remembered that there was a guest who stayed the night before. She hesitated for a moment and didn’t ask. Instead, she focused on eating breakfast.

When he went upstairs after eating, Sheng shuangxue and Tian Yuan had just woken up. The two of them muttered as they walked over, and the four of them bumped into each other.

“Have you had breakfast?” Sheng shuangxue asked Sheng Yiting.

“Yes.” Sheng Yiting patted her head. I’m going to the airport with your sister-in-law. You have to be good at home.

The word “ sister-in-law ” made Tong Siyao blush. She looked at Sheng shuangxue, who gave her a sulky look, then shook off Sheng Yiting and went downstairs.

Tian Yuan hurriedly caught up with her. Sheng shuangxue said, “ “You’re a thing that values sex over your sister!”

Tian Qi turned around in horror and saw Sheng Yiting smiling as if Sheng shuangxue had just praised him.

Tian Yuan was even more frightened. She caught up with Sheng shuangxue in a hurry, thinking that brother Yiting was crazy.

Tong Siyao sighed helplessly and whispered to Sheng Yiting, “ “Shuangxue doesn’t seem to like me.”

“No way, she’s just throwing a tantrum. At such a young age, he had many thoughts. If someone really bullies you, she definitely won’t do it. ”

Tong Siyao smiled. I’ll go get my luggage.

Sheng Yiting nodded, and the two of them went back to their rooms.

Tong Siyao sighed in her heart. She was afraid that Sheng shuangxue would really hate her in the future if she got used to being awkward.

She carried her luggage out of the door and saw Sheng nanxuan walking over. She was slightly surprised and called out nervously, "Good Morning, uncle!"

"It's late," Sheng nanxuan said expressionlessly.

At this moment, Sheng Yiting also came out and said with a smile, "Dad, you're up so early?"

"Early?" Sheng nanxuan's hand moved. He was counting the beads in his hand.

I'm going to the airport with Siyao. Sheng Yiting smiled when he saw her.

"Be careful on the road."

When Sheng nanxuan saw the two of them going downstairs, he turned around and went back to his bedroom.

Gong mo was just getting out of bed. Seeing his relaxed look, he couldn't help but say, "You despise your son every day, but when I give you a present, you don't let go."

"It's rare that I've given it to my heart's content, and I'm giving it with my sweetheart. How meaningful is it?" Sheng nanxuan put down the prayer beads and walked towards her. why didn't you sleep a little longer? "

"We still have guests at home." Gong mo pouted.

Tian Cheng, Yu Xinran, and the others hadn't left yet. She had slept till late in the morning, so who was going to entertain them?

"They didn't wake up either," Sheng nanxuan said.

"He might be awake now." Gong mo rolled his eyes at him.

"Then get up. If you don't get up soon, you'll starve," he said with a smile.

Chapter 1270: Why should I be surprised?

Gong mo snorted and looked at the Rosary in confusion, 'Do you like Siyao a lot? „

...

"I only like you."

"I didn't say that I like her," Gong mo said as he glared at him.

"It's alright," He pursed his lips. among the girls I've seen, I haven't seen anyone better than her.

"What about Lu duo?"

"Her?" Sheng nanxuan frowned. let's not talk about anything else. She doesn't even come for my birthday. How good can she be? "

Gong mo was speechless,"you're nobody to her, so it's fine if she doesn't want to come!" Besides, she's so busy now. Yesterday, she moved to another city and is busy with her performance."

"Hmph, she's not my woman anyway, so just let her be."

In the afternoon, Sheng Yiting and Tong Siyao arrived at Xiyuan province.

The moment he walked out of the airport, Sheng Yiting could clearly feel that the air was much fresher. He could not help but take a few deep breaths.

“Isn’t it nice?” Tong Siyao laughed.

Sheng Yiting looked at her and said, ‘Yiren. But no matter how pleasing it is, it can’t be compared to you.”

Tong Siyao blushed and said, “you’re talking nonsense again!” I’ll give mom a call first. You can also tell uncle and Auntie that you’re safe.”

After the call, the two of them left the airport in a car.

Tong Siyao’s home was in Xizha city. After Tong Yuan’s death, the country had given Yao LAN a pension, a house, and a job in order to compensate her family.

Xizha’s land was barren. The Aborigines could only graze, and the Zhuang family couldn’t grow anything. They had to rely on energy development and the state’s support to develop the economy, so the population was not large. The prices here were expensive because they were all transported from other provinces. Not only was the transportation fee expensive, but the supply was also in short supply. The house prices were cheap, after all, the population was small.

Sheng Yiting and Tong Siyao got into the taxi. Along the way, they saw wild grass growing on both sides of the road. There were only a few carriages passing by. There were cows and sheep on the grass, and the sky was blue with white clouds. A large bird flew past, probably an Eagle.

Soon, the car entered the city.

Tong Siyao turned to Sheng Yiting and smiled. “Are you surprised?” “Why should I be surprised?” Sheng Yiting raised his eyebrows.

this isn't the grassland, " Tong Siyao said proudly.

Outside Xiuyan province, 90% of the people felt that there were grasslands or wastelands everywhere, and people lived in tents. But in fact, the development of the provincial capital, Xizha city, was very good. Although it was not comparable to an international metropolis like Beijing, it was still a modern city with many high-rise buildings and overpasses, but not as dense as Beijing.

I'm not an ignorant person, " Sheng Yiting laughed. I'm not surprised.

Not long ago, the Congress had handled a development proposal for Xiuyan province, and he had been following up. He probably knew more about Xiuyan province and Xizha city than Tong Siyao.

At this moment, they were gradually approaching the city center.

Xi Zha was still behind other cities, as could be seen from the height of the buildings.

In other provincial capitals, there were thirty to forty-story high-rise buildings everywhere.

Xi Zha, on the other hand, had fewer on the 30th or 40th floor, and more on the 10th or 20th floor.

A few particularly tall buildings were sparsely scattered in the row of buildings, giving off the feeling of a crane standing among a flock of chickens.

Sheng Yiting patted the back of Tong Siyao's hand. "This place will develop very well in the future. Although it's slower than the other cities, it'll still be the same."

Tong Siyao nodded, paused, and said worriedly, " "Actually, there are times when I don't want to develop too much, or else the environment will be destroyed. However, they are all Chinese, and the people of Western Plains should also use water and electricity.. Why can't they enjoy it?"
