Chapter 131

131 Do you want to hear the truth or a lie?

you! Gong mo pushed him away and said in dissatisfaction, "you only know about this!

...

because my partner is you ~"Sheng nanxuan said shamelessly.

Gong mo was stunned, and his face gradually turned red.

She didn't want to talk to him anymore. The moment she did, she would be teased by him and be at a complete disadvantage. It was really too annoying!

She jumped to the ground and tried to escape. In the end, Sheng nanxuan rushed over and hugged her firmly before her feet touched the ground.

She was shocked and raised her head.

He slowly put her down and reproached her, " "You're pregnant and you dare to jump from such a high place?"

f * ck! Gong mo realized that he was hugging him too tightly and pushed him away. go take a shower and change your clothes. Don't let mom smell the oil and smoke on you.

"Alright," he said. Sheng nanxuan let go of her and suddenly asked, " do you want to help me wash? "

Gong mo wanted to beat him up when he heard that.

"Do you want to hear the truth or a lie?" she asked.

Sheng nanxuan rolled his eyes and said, "I want to hear lies."

"You ... I don't want to talk to you!" Gong mo shouted.

This was too much!

He wanted to hear a lie. If she said that she wouldn't help him wash, wouldn't that mean that she would help him wash?

However, if she said she would help him wash, he would definitely say immediately, "Alright! Let's go!"

Hehe, this shameless man really knows how to take advantage of others!

Gong mo decided to talk less to him in the future so that he wouldn't be taken advantage of!

.....

The next day, Sheng nanxuan continued to learn how to cook.

"Take some clothes with you," Gong mo reminded him, "come back after you're done with your meal and take a shower." Otherwise, I'll be exposed when I meet mom."

"It's even harder to explain if you wear one set when you go out and another set when you come back, right?"

"Uh, hehe."

“Don’t worry.” Sheng nanxuan patted her head. I’ll get someone to make me a few sets of the same clothes. Half will be sent here and the other half will be sent there. When I go home these two days, just stop mom from getting close to me. ”

“Alright,” he said.

“When the clothes are delivered, you can take mom out shopping.”

“Yes.”

Therefore, Sheng nanxuan went to work and left work on time every day. It seemed like he worked from nine to five, a very regular routine. On Saturday and Sunday, he would rest at home, like a real white-collar worker in the city.

Mother Zi had been in Beijing for a week and would go out every day, but she went to buy vegetables. She now knew the surrounding supermarkets and food markets very well, but she had not been to other places.

Hence, Sheng nanxuan and Gong mo took her out on Sunday.

Sheng nanxuan drove a car, saying that he had borrowed it from a friend. Then, he took her and Gong mo to a nearby scenic spot.

It was also Gong Mo’s first time here, so he was very excited. Sheng nanxuan wasn’t interested in these attractions. They weren’t as good as Happy Garden. But he still patiently accompanied Gong mo and mother Zhai.

After a day of fun, they returned in the evening and went to the theater to listen to another crosstalk.

Her mother loved the crosstalk performed by these two comedians, but when she was in Nanjiang, she only saw them on television during festivals. Now that they were in the capital, they could actually go directly to the theater to listen!

Mother Zi suddenly felt that there were still advantages to Beijing. At least she could see the real person through the crosstalk, not through the TV. If uncle Gong and the others knew about this, they would be so envious of her.

After returning home, Gong mo was a little tired, so he went to take a shower and rest.

Sheng nanxuan went to his study to settle some matters and called Fang Yang. "Arrange for Yu xinzhuo to meet me tomorrow."

Chapter 132

132 The dark night bar

At the dark night bar.

...

At one in the afternoon, the bar opened. Yu xinzhuo, who had been waiting outside for an hour, immediately walked in.

He was the only one in the bar. He looked around, not knowing how to meet the legendary night God.

However, the person from last night had called him and said that they could meet here today.

He found a place to sit down. The bartender came over and asked, "What would you like to drink, Sir?"

"Give me a glass of water, thank you."

He didn't know what kind of person the night God was or what kind of temper he had, so he didn't dare to drink at all. If he got drunk, he would definitely offend people. Even if he wasn't drunk, it wasn't good to have the smell of alcohol on him.

Yu xinzhuo looked at his watch nervously and stammered over and over again.

At two O'clock, a black car drove into the back alley of the bar and directly into the garage next to it.

Then, the rolling curtain Door of the garage was pulled down, and the lights in the garage came on.

Sheng nanxuan got out of the car and Fang Yang, who was waiting in front, immediately walked up to him. "BOSS?"

Sheng nanxuan nodded and the two of them walked into the elevator one after another.

After the elevator stopped, Sheng nanxuan went out first.

Outside was a beautifully decorated corridor with dark colors. He walked forward for more than ten meters and turned into the room next to it.

Fang Yang took out his phone and made a call.

The call went directly to the bar counter. After the bartender received the call, he immediately walked towards Yu xinzhuo."Mr. Yu, please follow me."

Yu xinzhuo was shocked. He knew that he was about to meet the legendary night God. He immediately got up and followed the bartender.

After passing through the noisy crowd, the bar brought Yu xinzhuo to the end of the private room. He opened one of the doors and walked in. He passed through a narrow corridor and continued to walk forward. After walking for a while, they arrived at an elevator. The two of them entered the elevator, but there were no lights inside. It was dark.

Yu xinzhuo's heart was in his throat, and all the hair on his body stood up.

In such a confined space without any light, he wouldn't even know if he was assassinated.

Fortunately, the elevator soon stopped.

As the elevator door slid open, she saw the bright light outside.

The bartender pressed the elevator's button and gestured to Yu xinzhuo. "Mr. Yu, we're here."

Yu xinzhuo walked out and saw that the corridor outside was very wide. Although the decorations were dark, they revealed luxury and quality everywhere, giving off a low-key elegance.

He saw a person leaning against the wall not far away and playing with his phone. He immediately walked over.

The man raised his head and was slightly surprised. This was the person who had helped night God bid for the land at the land auction last time. It was said that he was the boss behind the hotel.

Yu xinzhuo raised his spirits, " "Mr. Fang,"

"Keep forging ahead." Fang Yang glanced at the house behind him, then walked away while playing with his phone.

Yu xinzhuo saw that he had opened a door and disappeared. He turned to look at the door in front of him.

This was an ancient sliding door carved with flowers. Yu xinzhuo put his hands on it and was about to pull it open, but the door opened by itself.

He was slightly surprised, but he still walked in calmly.

As soon as she entered, the door slowly closed behind her.

It was very dark in the room, with only a faint light coming from one direction.

Yu xinzhuo walked over and saw a floor lamp in the corner of the room. There were a few screens in the middle of the room, and in front of the screens was a low coffee table and a round cushion.

Agarwood was lit in the room, exuding a faint Zen intent.

Yu xinzhuo sat cross-legged on the cushion and could vaguely see a person lying behind the screen.

Chapter 133

133 You want to build a relationship with me?

He swallowed nervously. Hello, Yingluo. I don't know how to address you. You don't mind me calling you night God, right? " I'm Yu xinzhuo."

...

Chi ... a sarcastic laugh came from behind the screen.

Yu xinzhuo immediately broke out in a cold sweat.

"You can call me whatever you want." The man said lazily, " this isn't important anyway. Why don't you tell me why you're here? "

Yu xinzhuo was stunned-

Why does this voice sound so familiar?

Sheng nanxuan teased.

Could the night God really be Sheng nanxuan?

Yu xinzhuo glared at the back of the screen, wishing that he could immediately pry open the screen to see what was going on!

But he didn't dare to!

That was the night God! Offending the night God was the end result of going bankrupt!

No matter who the night God's true identity was-Sheng nanxuan from a small southern city, or the beggar on the road, Yingying.

However, when he was here, he was the Emperor of the night, and no one could offend him.

Yu xinzhuo lowered his head and said calmly, "I've long heard of the great name of the night God, and I truly admire you! I've heard that you're omnipotent, and I'm sure you already know the Yu family's recent situation in the stock market. I'm so bold, please enlighten me, night God."

"Yu xinzhuo." Behind the screen, Sheng nanxuan slowly sat up straight, holding an original book in his hand-yes, he was also translating a detective novel for Gong mo at the moment.

He took a pen and made notes on some parts of the book as he said, "your Yu family is the richest family in China. How many people in the world would dare to go against you?"

Yu xinzhuo's eyes twitched as he looked at the figure behind the screen.

Could Yingluo really be the night God?

"I'm very busy, I don't have time to play with you guys." Sheng nanxuan said, "so I can tell you clearly that I'm the one behind the Yu family's incident.

Yu xinzhuo took a deep breath, but he didn't dare to get angry. Instead, he felt relieved.

At least he knew who did it, even if it was the night God. It was better than not knowing.

Yu xinzhuo patiently asked, "then why did you do this, Qianqian night God?" If the Yu family has offended you in any way, please let us know."

"I won't offend you. But I'm happy, so I want to play." Sheng nanxuan's voice was calm, but it carried unparalleled arrogance.

Yu xinzhuo paused and suddenly changed the topic, " "Your voice, sounds like a friend of mine?"

"You want to build a relationship with me?" Sheng nanxuan chuckled.

Yu xinzhuo's body trembled, and cold sweat covered his entire body. He immediately said, "I didn't mean it that way!" It's just that Yingluo "

"Forget it," he said. Sheng nanxuan interrupted him. you can go. I won't care about the Yu family anymore. The outcome will depend on the Yu family's ability."

thank you, night God Qianqian! Yu xinzhuo bowed deeply and stood up nervously.

Walking out of the room, he leaned against the wall as if he was exhausted. He found that his palms were full of sweat.

Night God Qianqian

Who was it?

Could it be Sheng nanxuan?

"Mr. Yu," Fang Yang walked over. let's go, I'll send you out.

“Thank you, Mr. Fang.”

Yu xinzhuo followed him and walked forward. They took the same path they came from, the dark elevator, and the narrow corridor.

After entering the bar, she heard a loud noise.

Yu xinzhuo turned around and saw that the simple and Zen-like room was a completely different world from this one.

“Fang Yang!” A delicate shout came from the front.

Yu xinzhuo turned his head and saw a young and beautiful girl rushing over.

Chapter 134

134 Are you looking down on your follower?

Fang Yang smiled and his eyebrows were filled with joy. The coldness he had earlier disappeared without a trace!

...

Lin Jing rushed in front of her and said rudely, “I have something to tell you!”

“Let’s talk in my office.” Fang Yang’s tone carried a hint of pampering. He turned to Yu xinzhuo and said, “I won’t send you off.”

Yu xinzhuo nodded and walked out, relieved.

Lin Jing was surprised. She pulled Fang Yang and asked, “Isn’t that Yu xinzhuo? Since when did you have a friendship with him?”

“He’s here to find the night God.” Fang Yang walked towards his office.

Lin Jing hurriedly followed and said to the bartender, “Bring two bottles of wine to the office.”

Fang Yang was already sitting behind his desk when he entered the office.

She leaned on the desk and looked at him, asking seriously, “The legendary night God is really with you? You’re his follower?”

uh-huh. Fang Yang looked at her. are you looking down on your Lackey? ”

Lin Jing snorted, “if the night God is really as powerful as the legends say, who would dare to look down on you?” But was the night God really that powerful? I often wonder if the night God was made up by you and my brother.”

“Your brother and I can’t afford that piece of land on the outskirts of the city even if you sell us!”

Oh, I see. Lin Jing also knew that it was indeed a huge amount of wealth.

In fact, it was not that they could not afford it. They could afford it if they pooled their money together and took out a bank loan. After all, Lin Lei, Zeng Shuai, and the others were also very rich.

However, that could only be an investment.

No matter how strong the assets of a big company were, it was impossible for them to come up with billions of cash at any time. In order to create more wealth, their money was constantly flowing. Therefore, most of the time, they would use other ways to exchange for funds. This was how they controlled their capital.

After buying the land, they would definitely develop it, sell it, and earn back the money!

However, that was not the case for that piece of land.

Some people paid in cash and built a private Manor instead of developing it. How much capital did he have to dare to do such a thing?

Even the richest family in the country, the Yu family, didn't dare to do this! That was a few billion. He could make a lot of investments, do a lot of things, and make a lot of money.

But one person did it, and that was night God.

Only he would dare to.

Therefore, he couldn't be fictional.

"Then who is the night God?" Lin Jing sighed.

Fang Yang did not want to talk about this, so he asked, "what are you doing here?" "You're not happy to see me, are you?"

"Of course I'm not happy to see you!" Lin Jing snorted. "if not for nanxuan, I wouldn't have come to you!"

Fang Yang's face darkened.

Coincidentally, there was a knock on the door. He leaned back in his seat and said coldly, "Come in."

"Boss, miss Lin." The bartender came in with the wine.

Fang Yang and Lin Jing did not speak. The bartender put down the wine and went out.

Lin Jing took a sip of the wine and looked at Fang Yang. did you know that nanxuan is pregnant? ”

“I know,” Fang Yang looked at her impatiently. don’t say ‘that woman’. She’s Nan Xuan’s legal wife!

“What legal wife?” Lin Jing said irascibly, ” she must have used the child to tie Nan Xuan down! This kind of woman was the most disgusting! Nan Xuan must have been set up by her! We want to save nanxuan!”

“What are you trying to do?” Fang Yang squinted.

“What are you doing?” Lin Jing smiled evilly. just think of a way to abort the child! When the time comes, I’ll see if she-”

“What did you just say?” Fang Yang’s expression changed drastically, and he stood up in shock.

Chapter 135

135 He will hurt your entire family

She wanted to get rid of Gong Mo’s child? Get rid of the night God’s child? She didn’t want to live anymore!

...

Lin Jing thought that he was shocked by her wit and said proudly, ” I also want nanxuan to know her true colors! Let nanxuan know who is worthy of his love!”

“That’s enough!” Fang Yang shouted, ” you’re not allowed to do that!

“Why?” Lin Jing looked at him in dissatisfaction. Fang Yang, let me tell you, even if I didn’t do that, I wouldn’t have liked you!

Fang Yang paused for a moment. if you want to do it, you can do it yourself. Why are you telling me? ” he asked.

Lin Jing was stunned. She bit her lip and glanced at him. because I can't contact Yingluo. I need your help!

"Don't you dare!" Fang Yang roared, " you want to harm her, and you're asking for my help? "

"Don't you like me? You won't even do me a favor, how can you say you like me?"

"I like you, but that doesn't mean I'm going to help you do bad things!"

you're simply afraid that I'll be with nanxuan! Do you think that you'll have a chance just because I'm not with nanxuan? In your dreams! If you help me, I will be grateful to you! I'll only hate you when you're like this!"

Fang Yang reached out his hand and lifted her chin, looking at her closely.

His eyes were filled with anger, which gave her a shock.

She had never seen him like this before. He was so aggressive and explosive, unlike his usual self.

Usually, he didn't look capable, so she didn't even bother to look at him. But at this moment, Yingluo was not any worse than Sheng nanxuan.

Lin Jing felt her heart shake. Perhaps she was frightened by him, she looked at him nervously, her heart thumping.

Fang Yang exerted some force and she felt a sharp pain in her chin. She frowned slightly.

"Lin Jing! I like you, but I don't like your endless unreasonable and vicious behavior! I don't like these things!"

Fang Yang shook her off and wiped his hands with a tissue as if he had touched something dirty.

Lin Jing frowned, feeling a little hurt.

Fang Yang looked at her sternly. be good. Don't hurt your brother.

"What does it have to do with my brother?" Lin Jing shouted in dissatisfaction.

Fang Yang chuckled when he heard that. He walked slowly to her side, reached out, touched her face, and bit her ear.

Lin Jing almost jumped up.

Fang Yang held her down and suddenly pushed her against the wall. Then, he pressed her against the wall tightly with his body and lowered his head to whisper into her ear, " "Didn't you want to know who the night God is?"

Lin Jing was stunned and looked at him in surprise.

He slowly kissed her, gently biting her lips, and then kissed her ear. As he kissed her, he said, " Do you think nanxuan is only the son of Nanjiang's richest man? I'm telling you, no! Including your brother, many people have to listen to him! He was the biggest BOSS! Do you understand? If you dare to hurt a single hair on Gong Mo's head, he will hurt your entire family!"

what? " Lin Jing was shocked and pushed him away. you're talking nonsense!

By saying this, did he mean that nanxuan was Yingluo and Yingluo was Yingluo?

It's that Yingluo.

Night God?

“Whether I’m farting or not, you can ask your brother.” Fang Yang turned his back to her. you can go! Don’t come looking for me in the future! I don’t want to admit that I’ve ever liked a woman like you!”

you ... Lin Jing stared at him in disbelief. After a moment, she turned around and left angrily.

If you don’t like it, then don’t! She didn’t beg him to like her!

It’s good that he doesn’t like her, so she won’t be annoyed by him!

Chapter 136

136 How terrifying is it?

Lin Jing rushed all the way to Lin Lei’s company and directly rushed into the president’s office. “Brother ...”

...

There were still a few people in Lin Lei’s office, and he was in a meeting with them.

He glanced at Lin Jing and said to the others, “You guys can leave first.”

Everyone took their things and left. When they passed by Lin Jing, they greeted her, “Miss.”

Lin Jing ignored them. After the door closed, she quickly rushed to Lin Lei’s side, grabbed him, and asked, “Brother! Was Nan Xuan the night God? You all have to listen to him? Isn’t that right?”

Lin Lei jumped in shock. Fang Yang told you?!

In this world, only Fang Yang would tell Lin Jing these things.

Fang Yang liked her and had always been very tolerant of her.

“Is it true?” Lin Jing’s body swayed. She couldn’t believe that the man she had liked for so many years was actually the mysterious Emperor of the night.

If it’s like this ...

She liked him even more now. Who wouldn’t like such a powerful man?

However, if he was the night God, he must be as cold and emotionless as the legends said, right? How could she snatch him over?

what did you do?! Lin Lei suddenly grabbed her and questioned her loudly.

Although Fang Yang liked Lin Jing, he would not tell her everything without any principles. Unless ...

What did she do to force Fang Yang to do this?

This matter must be related to Nan Xuan.

Lin Lei was drenched in cold sweat.

Sheng nanxuan was too terrifying!

How terrifying was it?

Not only did he have superb business skills, but he also had various abilities that ordinary people could not imagine. Even if they sent the most powerful assassin to assassinate him, it would be impossible to succeed!

Otherwise, why would he and CEng Shuai, who were the overlords of the business world, be so willing to be at his beck and call?

Because they had seen it with their own eyes ...

Someone wanted to assassinate him, but he quickly dodged the bullet the moment the gunshot was heard.

He broke a person's bones and neck with one hand.

When he ran, he could even catch up to the car.

There were many more, but he was a mystery! An existence that was so powerful that no one dared to provoke him!

What did Lin Jing do to make Fang Yang tell her Sheng nanxuan's identity?

She must not offend Sheng nanxuan. Otherwise, she would only meet her doom.

Lin Jing was frightened by his reaction and didn't dare to speak. The more she was like this, the more anxious Lin Lei became. He grabbed her and asked, "Say it! What did you do? You didn't do anything to Gong mo did you?"

Lin Jing's face paled when she heard this.

Lin Lei was shocked.

He knew that Lin Jing liked Sheng nanxuan. Now that Gong mo was Sheng nanxuan's wife, he was equivalent to her love rival. She would definitely not let this go.

Lin Jing retracted her neck and said in a low voice, "I haven't become a Pixiu yet."

you ... Lin Lei knew what was going on.

This girl! She must have taken advantage of the fact that Fang Yang liked her and asked him to help her deal with Gong mo!

How would Fang Yang dare?

He knew that Sheng nanxuan doted on Gong mo because Fang Yang had told him so. It was not a direct observation. However, Fang Yang had seen it with his own eyes! The more he had seen it with his own eyes, the more he knew the pros and cons!

“You’re crazy!” Lin Lei roared, “ looks like if I don’t discipline you, you won’t know what’s good for you!

“I didn’t do anything,” Lin Jing said stubbornly, “ besides, isn’t Nan Xuan your friend? ”

“Even blood Brothers have to settle accounts clearly! Besides, he’s not only my friend, he’s also my superior!”

“You didn’t say it before.” Lin Jing was a little scared. After all, the legendary night God was too terrifying.

Chapter 137

137 Someone is looking for you at school

If she only thought of Sheng nanxuan as a rich second generation from Nanjiang, there was nothing to be afraid of. He could not even compare to her status!

...

But if he was the night God, no one in the world could stand on the same level as him.

“You’re going overseas tomorrow!” Lin Lei said, “ don’t mention nanxuan’s matters to anyone!

“I don’t want to!” Lin Jing shouted, “ why? I didn’t do anything!”

Lin Lei was stunned and looked at her sternly. “Then don’t ever do anything!”

.....

Sheng nanxuan received a call from an unknown number on his way home.

Looking at the number on the caller ID, he searched in the depths of his mind with his super memory and found that it was a phone call from the University department’s office. On the first day of the University term, the form teacher had said.

However, in his four years in University, he didn’t fail any subjects, didn’t cause trouble, and didn’t participate in any club activities. Yingying had almost no contact with the Department office. He had already graduated, so why would the school look for him?

He picked up the phone and a woman’s voice came from the other end. Hello, are you Sheng nanxuan, a fresh graduate from the mathematics Department? ”

“Yes.” Sheng nanxuan replied indifferently.

“Someone came to the school to look for you. He said he’s your relative.” The female teacher said.

“Relative? What relative?”

“He doesn’t look much older than you. He’s tall and handsome. Maybe he’s your brother.”

“My brother?” Could it be Sheng Dongyi?

No way, he couldn't contact me and went to the school to find me?

Sheng nanxuan did not want to see him. He said to the teacher, "Can you help me ask what his name is?"

"Alright," he said. The teacher put down the microphone and turned around to ask the man sitting on the sofa.

Sheng nanxuan's hearing was good. He heard a low and gentle male voice say, "Just say that my name is Gong Bai, and he should call me cousin."

Gong Bai?

Sheng nanxuan's eyebrows twitched. It was Gong Mo's cousin.

"He said his name is Gong Bai, so you should call him cousin," the teacher said.

"Okay, I got it. I'll be right there." Sheng nanxuan hung up the phone and said to the driver, "to Capital University."

After arriving at Capital University, Sheng nanxuan went straight to the department's office.

On the way, he heard someone call out to him, nanxuan! Why are you still in school?"

Sheng nanxuan turned around and could not help but laugh."Wu Di? What are you doing in school?"

Wu Di walked over casually and said with an irritated face, "Don't say anymore! Didn't I fail two subjects? If you don't give me the graduation certificate, I'll come back to settle it. "

Sheng nanxuan was speechless. it's been three months since you graduated. You're only dealing with it now? "

“Didn’t I go overseas to play? I’m not in a hurry to find a job, so it doesn’t matter if I get it or not.”

“Since it doesn’t matter, why did you come back?” Sheng nanxuan asked in amusement. Then, he turned around and walked away.

Wu Di put her hand on his back and said, “I was beaten up by my old man. It hurts! Right, what are you doing? Didn’t you graduate in first place? don’t tell me you didn’t get your graduation certificate?”

“Someone came to the school to look for me. I’ll go take a look.”

oh, oh, oh ... Wu Di nodded. then let’s go together. I’ll go and tie it too!

The two of them entered the elevator with their arms around each other. Wu Di’s hand was still on Sheng nanxuan’s shoulder.

Sheng nanxuan was not used to people being so close to him.

If he was the night God at this time, he would definitely break the other person’s arm.

However, he never revealed his identity as the night God in school, so everyone treated him as an ordinary rich second generation and didn’t pay much attention to him.

But Wu Di was a natural acquaintance, and she would put her arm around his shoulder every time.

He swung his shoulder, causing Wu Di’s hand to slip and her entire body to slip to the side, almost falling.

Chapter 138

138 Can’t let down your guard

“What are you doing? We haven’t seen each other for such a long time, and you’re actually so heartless!” Wu Di looked hurt.

...

Sheng nanxuan dusted his clothes and ignored him.

“Why are you so cool? Be careful that you don’t get a wife!”

“Yu xinzhuo didn’t tell you?” Sheng nanxuan was stunned and turned around.

“Tell me what?” Wu Di frowned. I don’t interfere with his business. You know that. What, don’t tell me you’re working for him? Are we still friends? I already said that if you go to the Yu family’s company instead of the Wu family’s company, I’ll cut off all ties with you!”

“No, I didn’t,” Sheng nanxuan shook his head, speechless.

He had almost forgotten that although the Yu and Wu families were relatives, for some reason, the relationship between the two families was not good.

Although the Yu family would attend the Wu family’s banquet and the Wu family would also attend the Yu family’s business, they only maintained a friendly relationship on the surface. Even when the two families met, they would fight openly and secretly.

Therefore, Yu xinzhuo couldn’t take the initiative to contact Wu Di and tell her about himself.

Yu xinzhuoyue suspected that he was the night God, so it was impossible for him to do that. Was he that easy to fool?

Sheng nanxuan laughed coldly in his heart.

He was tactful!

“Right, what are you doing now? Where do you work?” Wu Di asked.

“You don’t have a job, do you believe me?”

“It’s fine even if you don’t work! You don’t need money to spend, so why don’t we start a company for fun?”

“How can I afford to play now?” The elevator arrived and Sheng nanxuan walked out. my father has cut off all ties with me. Didn’t you know? ”

Wu Di’s eyes widened. what kind of joke are you making?!

Sheng nanxuan couldn’t help but sigh, ‘have you been living a drunken life for the past few months? The Sheng family published a newspaper article and chased me out of the house. Surely you’ll hear something about it, won’t you?”

He didn’t know anything. She didn’t know if he had a big heart or if his acting was exaggerated.

It seemed like he still couldn’t let his guard down.

After all, the Yu family and the Wu family were relatives. What if they were only at odds on the surface, but were actually on the same side?

If the two families joined forces to plot against him, Yingluo,

They were courting death! He would definitely not be polite!

“I was traveling in Africa to see the Great Migration of wild animals. I didn’t pay much attention to the domestic affairs. However, I heard from my dad a few days ago that the Yu family has been in a bad state recently. Their stocks have been falling and their market value has shrunk by tens of billions!”

At this point, Wu Di changed the topic. are you serious? are you severing ties and acting in a TV show? ”

“It’s true.” Sheng nanxuan said lightly.

Wu Di was stunned. Looking at his expression, he was afraid that he would be sad, so he reached out to put his hand on his back.”Alright, let’s go out for a drink later and talk about it slowly.”

Sheng nanxuan quickly dodged. another day. I want to go home.

“Go home? Weren’t you chased out of the house? Are you playing with me?”

“I’ve built a new home, okay?” Sheng nanxuan patted his shoulder. I’m married. I have to go home to accompany my wife. Go have a drink yourself, no need to call me!”

Wu Di was stunned on the spot. A few seconds later, he rushed forward.”What did you just say? You’re married? When did this happen? Why didn’t you inform me! F * ck, you’re too mean! We’re still brothers!”

“Silence!” Sheng nanxuan glared at him.

He immediately shut his mouth and became quiet.

He took a few more steps forward and arrived at the department’s office.

Sheng nanxuan walked in and saw a young, handsome man in a suit sitting on the sofa.

The man exuded the aura of a business elite. When he saw someone enter, he looked over and slowly stood up.

Chapter 139

139 We will always be a family

The female teacher behind the desk also stood up. She looked at Sheng nanxuan and Wu Di, who came in after him, and asked, "What do you want to do?"

...

"I am Sheng nanxuan." Sheng nanxuan looked at her.

"Oh, Yingluo, it's you!" The teacher smiled and pointed to the man beside the sofa. he's the one looking for you.

Sheng nanxuan nodded and walked toward Gong Bai.

He walked to the front of Gong Bai and found that his line of sight was the same as Gong Bai's.

He glanced at the window behind Gong Bai and saw their shadows on the glass-he was two centimeters taller than Gong Bai.

Hmm, not bad.

He, Sheng nanxuan, was invincible. Even if he was less than two meters tall, he could not be shorter than anyone, right?

Furthermore, this person was Gong Mo's family-the family who had treated Gong mo badly!

"Hello," he said. Gong Bai stretched out his hand. my name is Gong Bai, I'm gong Mo's older cousin.

Sheng nanxuan glanced at his hand and turned. "Let's talk outside."

Gong Bai's hand froze. He slowly withdrew it and followed her with a frown.

When Wu Di saw this, she pulled Sheng nanxuan back in confusion. "Who is this?"

"I don't."

Wu Di: " I don't know you guys. You guys were standing so close just now, and you even looked at each other affectionately.

Gong Bai, who was at the back, said,"Zhenzhen, I'm gong Bai, your wife's cousin! Zhenzhen!" He didn't put his future brother-in-law in his eyes at all!

Wu Di wanted to follow them to see what was going on, but Sheng nanxuan turned around and said to the teacher, " "Teacher, Wu Di is here to settle the graduation certificate."

Wu Di,"Wuwu."

The teacher glanced at Wu Di, a little disdainful of a rich second generation like him who could not even get a graduation certificate! However, he was the second generation of a rich family after all. He had strong parents behind him, so he didn't dare to offend him.

"Come with me," she said.

Wu Di followed him and looked at Sheng nanxuan gloomily.

"I'll treat you to a meal some other day!" Sheng nanxuan said with a smile.

you said it! Wu Di said.

Sheng nanxuan waved his hand and walked away without looking back.

Gong Bai followed him gloomily.

Sheng nanxuan kept walking forward.

When he went downstairs, Gong Bai caught up with him in big strides when he realized that he was not going to talk to him. "Sheng nanxuan!"

what's the matter?" Sheng nanxuan stopped and turned around.

Gong Bai choked. Of course, he had something to do with him, but what was the point of him leaving?

"Are you Gong Mo's husband?" he asked helplessly.

Sheng nanxuan narrowed his eyes and crossed his arms."So what if I am?"

"It's like this," Gong Bai said awkwardly. I heard that second aunt and Momo have come to the capital, but I can't contact them. I knew that Momo and you were married, so I went around to find out your school and contacted you through the school. I want to see them, and I hope you can take me there."

Oh, I see. Sheng nanxuan looked at him. are you sure they want to see you? "

Gong Bai looked embarrassed. I know that my parents might not be very good, but in my heart, second aunt will always be the elder, and Momo will always be the younger sister. We'll always be a family.

Sheng nanxuan's face was full of mockery.

Why didn't they say that they were a family when they plotted against Gong mo and his mother?

Gong Bai guessed that he knew about the mess in the gong family, but it seemed that he couldn't persuade him in a short time.

He took out his business card. this is my business card. If they are willing to see me, please contact me.

Sheng nanxuan caught the name card between two fingers, glanced at it, and said, "OK~"

.....

When Sheng nanxuan entered the house, Gong mo was sitting on the sofa and knitting a sweater.

The aroma of food wafted from the kitchen, and he couldn't help but ask, "Why don't you come in? What if you vomit again?"

Chapter 140

140 It used to be pretty good

mom is making soup. The smell is not pungent. I want it.

...

Gong mo put down the yarn and walked over to help him carry his briefcase. He whispered, "You seem to be a little late today."

Sheng nanxuan smiled and wrapped his arm around her waist. He whispered in her ear, "What's wrong? Are you afraid that I'll go out and mess around?"

"No way!" Gong mo moved his hand away and returned the briefcase to him. take it in yourself!

"Come here, I have something to tell you."

"Should I tell Mom?" Sheng nanxuan asked.

of course I'm going to tell her. As for whether or not I'll see her, it's up to mom.

.....

After the meal, Mother Gong sighed while holding Gong Bai's business card. "Although your eldest uncle and eldest aunt are not good people, Gong Bai is a good man. But after he left the country, he stopped contacting us. I don't know if that has changed."

Gong mo hesitated for a moment before saying, "my cousin used to treat us very well. He took good care of me and was very filial to you." Do you want to see her?"

"Do you want to see her?" mother Yan asked after some thought.

"He's already here, so it's a bit unreasonable to not see him. It's up to you. If you want to see me, I'll see you."

"Then let's meet, Yingluo."

"How is Gong Bai?" Sheng nanxuan asked.

"It was good in the past." Gong mo smiled, "he is the only one who is good to us in the gong family. He was tutoring me during my middle school Examination. At that time, he was in his third year of high school and was at the peak of his career. He was afraid that first aunt would be unhappy, so he always secretly helped me. "

"Your results aren't good?" Sheng nanxuan asked. He didn't remember that. She was one of the top students in her class in high school.

"At that time, I wanted to get into the provincial key universities, but I was afraid I wouldn't get in. After that, I got in with his tutoring."

"That's not bad." invite him to our house? "Sheng nanxuan asked.

Since Gong Bai was good to Gong mo, he would naturally treat him with courtesy.

“No, we’ll go outside.” Her mother said, “ when the time comes, we’ll arrange a place and have a meal. Then, we’ll leave our contact details so that we can keep in touch in the future or something. No, she had to see if he had any ulterior motives. In case he has any ulterior motives, it’s better to keep in contact with him less in the future.”

Mother Gong was also heartbroken by the gong family. She couldn’t believe it even if it was Gong Bai, who used to be very good.

After all, they had not seen each other for a few years. Moreover, once people entered society, they would have the pressure to live and would not be so pure.
