

Ditsy Wife 1311

Chapter 1311: What does she want?

Tong Siyao was stunned. She looked at her and saw that she was looking at her with concern. She was shocked.

...

Previously, that person had only used Yao LAN and Tong silu to threaten her. He had not even set his sights on ye Zi.

Ye Zi was his best friend. If he didn't leave now, would ye Zi also be in trouble?

He couldn't let any more trouble arise from this matter, so it was better to leave this place decisively.

Her mother and sister were already involved, and she didn't know if that person would do anything else. She had to go back and watch over them to be at ease.

As for ye Zi, since she wasn't involved, he couldn't bring her any trouble. Otherwise, ye Zi would be innocent. What right did he have to suffer mishaps because of her?

She shakily folded the clothes and said, "I just feel that we don't match up in terms of social status, and he's too focused on his career. This time, my mother had a car accident. Although it was discovered that there was no problem, we didn't know what the situation was at the time. He refused to accompany me back, so what's the point of bringing a man like Yingluo who doesn't know how to think for me?"

Ye Zi opened her mouth and wanted to help Sheng Yiting, but she felt that she made sense. Moreover, she was Tong Siyao's friend. Helping Sheng Yiting would only cause misunderstandings.

She said helplessly, "then you should think about it clearly." Anyway, you've always been very opinionated, and you've thought about everything carefully. I don't think you'll regret it. But Yingluo,

you must not make this decision on impulse. You must think it through, or you won't be able to find a second man like him in the future!

Tong Siyao stopped packing her clothes and nodded.

Indeed, there would not be a second Sheng Yiting in the world. She liked him, but someone else probably liked him even more, so much so that they would do anything to break them up.

Ye Zi continued, "but you don't have to go home!" You can just change to another place to work!

"Anyway, it's going to be the new year soon. I'll go back and rest for a while. There are many job opportunities in Western Plains anyway. Si Lu is about to enter junior high school, and my mother is getting older and her health is getting worse. If I go home and work, I can take care of them a little. Mom has raised me alone for so many years, and I'm finally able to help share some of the burden, but now I'm outside. I feel uneasy just thinking about it. '

Ye Zi sighed, "if that's the case, I won't keep you." I'll visit you when I have time. You can also come to Beijing. We might still be together when there's a job transfer in the future."

Tong Siyao nodded. Just then, her phone rang.

Ye Zi craned her neck and saw that it was Gong mo. She looked at her worriedly and asked, "What does she want to do?"

Tong Siyao's expression was conflicted as she looked at her.

She came to her senses and hurriedly walked out. "I'll go see what we have for lunch."

Tong Siyao slowly picked up the phone and said in a low voice, "Auntie, Yingying."

"Why did you break up?" Gong mo asked directly.

Tong Siyao said in a hoarse voice, " I'm sorry, Hanhan. The gap between us was too big. It's good to break up, Hanhan.

"You

"I feel too much pressure when I'm with him!" Tong Siyao quickly interrupted her and asked aggressively, " and Auntie won't accept a daughter-in-law who's two-timing, right? " Even if you forgive me today, what about the future? Do you guys really care about this grain of sand?"

Gong mo frowned and hung up the phone.

Tong Siyao put down her phone and wiped the tears from the corner of her eyes.

After some thought, she suddenly picked up her phone and searched for Sheng

Yiting's number.

He was startled.

Are you alright?

Would she be very sad?

Chapter 1312: Do you really not like him anymore?

Sheng Yiting did not go to work on the first day after the holiday.

...

If he lost his wife, what was the point of working and being the president?

On the night of the 2nd, he left home to drink. For the entire night, the 3rd was so drunk that he passed out and slept for the whole day. He continued to drink, sometimes drunk and sometimes awake, until noon the next day.

Seeing that it was about time, Simon decided to carry him home.

Wasn't it just a breakup? He couldn't continue to be depressed!

He carried Sheng Yiting out of the bar. Since he had drunk too much, he did not dare to drive and hailed a taxi instead.

After they got into the car, Sheng Yiting suddenly pulled the driver over and gave him an address.

"Where are you going?" Simon asked him anxiously. Was he drunk? That's not your home!

[Yaoyao urged me to go find Yaoyao.] Sheng Yiting lay in his seat with his eyes closed, tears rolling down from the corners of his eyes. she lied to me. I have to ask Hanhan.

"Why are you still asking!" Simon asked the driver to drive home.

get off me! Sheng Yiting roared. get off me!

Simon,"hehe."

"Where are we going?" the driver asked.

Simon waved his hand helplessly and said, "ask him!" Ask him!

The driver had no choice but to drive to the previous address. The traffic was so heavy that Sheng Yiting fell asleep.

Simon was having a headache. He closed his eyes and leaned to the side, not noticing it. When he heard the chauffeur say " we're here " and saw the situation, he felt his head hurt even more.

Just as he was about to go back, he saw Tong Siyao and ye Zi pass by.

He hurriedly got out of the car and called out to Tong Siyao.

Tong Siyao turned around and looked at him in surprise.

"Come and take a look!" He pointed at the car in exasperation.

Tong Siyao was shocked and took a step back.

Simon was furious, "you dare to run?!" Are you going to take responsibility? Are you trying to kill him?"

Dead?

Tong Siyao panicked. What happened to Sheng Yiting?

"Let's go and take a look," ye Zi whispered. Otherwise, it won't be clean and it'll pester you in the future."

Tong Siyao looked at the car. There was no movement inside. She was worried and ran over.

When she saw Sheng Yiting, who reeked of alcohol and was unconscious, her heart ached, and she couldn't stop her tears.

She reached out to touch his face and felt that his skin was burning hot, so uncomfortable that she couldn't breathe.

Her tears fell down and fell on him.

She lowered her head and buried her face in his arms. "Yiting Chengcheng, don't be like this. I'm not good enough. I'm not worth Chengcheng."

Sheng Yiting moved and murmured in his dream, "Yaoyao, Qianqian."

Tong Siyao grabbed his sleeve tightly. Thinking of the demon's warning, she suddenly got up and backed away. She didn't dare to look at him again, let alone approach him.

She took a deep breath, raised her hand to cover her face, and wiped her tears.

"You really don't like him anymore?" Simon looked at her, puzzled.

Tong Siyao's heart skipped a beat, and her face immediately turned cold. "How can this be fake?"

"Why do I feel like you can't let it go?" Simon mumbled.

"I used to like her, so I feel guilty. Naturally, I can't let it go."

Simon frowned. Thinking of how she had an affair behind Sheng Yiting's back, and how he had blamed himself for drinking so much, he was furious and said in disgust, "Then you can go! Let's break up today, and don't come and bother me in the future!"

"I've always been straightforward, it's better if he doesn't come and pester me!" Tong Siyao looked at Sheng Yiting with a straight face. Holding back the sadness in her eyes, she sneered. "Who's the one looking for me now? If he can't let me go, I don't mind letting him be a mistress!"

Pa!

Simon slapped him.

Tong Siyao's face turned to the side. She felt a burning pain on half of her face. Her ears were buzzing, and her brain was in a mess..

Chapter 1313: Living a drunken life is a coward's behavior

She couldn't remember anything, only one thought: Good hit!

...

Ye Zi rushed over and shouted at Simon, " "Why are you hitting me? Are you still "She can't be considered a woman!" Simon glared at Tong Siyao, turned around, and got into the car. He shouted at the driver, " "Start the car!"

He didn't have the concept of not hitting women, because he had encountered many female assassins and female spies over the years. If he didn't make a move, he would have lost his life long ago!

Besides, Tong Siyao was his junior, a junior who had hurt his nephew. He didn't feel any pressure in educating her.

Of course, if it was a female companion or girlfriend, he would still be tender and protective. It was just that no one had the luck to enjoy his tenderness yet.

Simon sent Sheng Yiting home, and he slept all the way until the next morning.

He walked out of the room in a daze and saw that everyone was having breakfast.

Sheng shuangxue's eyes widened and she shouted with concern, " "Big brother!"

"What day is it?" he asked.

the 5th, " Sheng nanxuan said. today is the inauguration of the President. Cheer up.

it's not like he's the president. What's wrong with taking a day off? " Gong mo said, his heart aching.

"I'm fine." Sheng Yiting walked to the table. it's time to go to work.

The current president was re-elected. No one had given a resignation speech yesterday, so the government staff were relatively free. It was nothing for him to take a day off. If he didn't go today, it wouldn't make sense.

Sheng shuangxue and Simon both looked at him worriedly.

Sheng nanxuan said, "that's right. A man should still put his career first. As for Yingluo, if you can't bear to part with her, you can find a way to get her back. Living in a drunken stupor is the behavior of a coward."

"I see." Sheng Yiting paused and nodded.

After the meal, he changed into a suit and put on a tie. He seemed to have become the high-spirited Sheng Yiting again, even more fierce than before.

Only the people closest to him could see the struggle and exhaustion between his brows.

In the Lu family's house in beiming city, Yu Xinran hung up the phone and sighed softly.

Lu Rou asked, "what's wrong?" Is there anything wrong with grandmother and the others?" Just now, Yu Xinran was on the phone with the Yu family.

"No, I didn't," I heard that your cousin Yiting broke up with his girlfriend," Yu Xinran said.

Lu Rou sighed, "I thought it was something important." Cousin Yiting's matter is under uncle's care, what are you worried about?"

"I was just thinking that Xuanji's family of equal social status was indeed the precious advice left by the ancestor." Yu Xinran sighed. they don't get along well. Even if no one objects, they won't be able to get along. They'll break up sooner or later.

"What are you sighing about?" Lu Rou was stunned and asked.

Yu Xinran smiled and pinched her face. "You I know you're all grown up now. You've collected a whole box of love letters and you're about to reach the age to fall in love. Remember, don't find someone who doesn't match the Lu family background. Otherwise, it'll be a waste of effort and there won't be any results."

"You're worrying for nothing!" Lu Rou said unhappily, " cousin Yiting broke up. Maybe it's because their relationship has broken down. What does it have to do with the family? " You're looking down on the poor!

Yu Xinran was stunned for a moment before she smiled helplessly. "Whatever you say. You'll understand once you experience it."

She stood up and tiredly went upstairs.

Lu Rou's face was full of doubt. She picked up her phone and called Lu Yang. "Dad, are you coming back for dinner tonight? Her mother was in a bad mood, and Hanhan just called her grandmother.. When she heard that cousin Yiting had broken up with his girlfriend, she sent a huge sigh, saying that their families did not match, and even lectured her, Hanhan, for what? I'm not in a relationship!"

Chapter 1314: Lu duo returned to the country

In the office, Lu Yang, who was flipping through documents, paused and said, I'll be back right away. Try to persuade your mother.

...

He put down the phone and sighed. Was she still unable to let go of Gong Bai?

Fortunately, Gong Bai hadn't appeared in the past few years. Otherwise, she would have abandoned her husband and son to follow him. When Lu Yang thought of this, he felt a burning anger in his heart!

But he never dared to burn it on Yu Xinran.

All these years, he had loved and cared for her so much, how could he bear to hurt her even a little?

She had given birth to two children for him. She would not go against him. Sometimes, she would also be gentle and tender. That was enough for him to be grateful.

But Gong Bai was an unknown variable. He was afraid that his happy life would be gone if Gong Bai came back.

He was angry at Gong Bai, but Yu Xinran was still worried about him after he

He gritted his teeth and wondered if he should find Gong Bai and kill him!

But if he did that, wouldn't he be making life difficult for himself?

The living could never compete with the dead. If Gong Bai were to die, Yu Xinran would remember him for the rest of her life.

Lu Suan sneered, 'forget it! Yu Xinran was his legal wife after all. She had a marriage certificate and a pair of children. How could she run away? If she wanted to run, she had to agree first!

And he would never let her go!

The car drove into the villa's Gate. Lu Yang saw an unfamiliar car parked in the garden, and the servants were moving the luggage from it.

Lu duo and David were standing next to the car.

He asked the chauffeur to drive the car over. When he got out of the car, Yu Xinran and Lu Rou were walking out of the villa.

Yu Xinran looked at him and smiled. Then, she pulled Lu duo and asked, " "Why didn't you tell me you were coming back?"

Lu duo smiled gently. if I tell them, uncle and Auntie will definitely send someone to pick me up. I'll be troubling you too much.

"We're a family, so why would we be afraid of trouble?" Yu Xinran looked at her disapprovingly and pulled her inside. let's go in first. It's cold outside.

Lu duo giggled and followed her, holding her arm. After taking two steps, she turned back and teased Lu you won't be jealous that I'm holding auntie's hand, right?"

Lu Yang looked at her helplessly, a little embarrassed. your aunt misses you every day. You should talk to her more when you're back.

I know æ "Lu duo said coyly.

Dinner was ready, and everyone went to eat after a short rest, reminiscing about the past as they ate.

“Will you be going out again this year?” Yu Xinran asked Lu duo.

“I won’t. I’ll be busy after the new year.” Lu duo said obediently.

“That’s good. It’s time for a good rest. Did you contact your parents? I called them a while ago and they said they’re coming back for the new year.”

Lu duo was stunned. She said lightly, “let them be. I’m used to it anyway. If they don’t come back, I’ll go and see them.”

He sighed and held her hand, saying, “Don’t hate them in your heart,” “I didn’t!” Lu duo put on an innocent face. I’m just telling the truth.

Yu Xinran smiled and let go of her hand. “It’s good that you didn’t.”

Lu Yang and his wife often called back. They were fine in the past, but recently, they said that Lu duo had distanced herself from them a lot, and they were very nervous. The two of them also felt guilty towards Lu duo, so they decided to come back during the new year and not go out again. They wanted to stay at home and spend more time with Lu duo. If Lu duo went out to perform, the couple would accompany her so that they could cultivate the feelings that had been delayed..

Chapter 1315: I didn’t wrong her

Actually, when Lu duo was young, she was very open-minded. She was addicted to the world of music and didn’t think it was a bad thing that her parents weren’t around. She could go and look for them during the holidays and see the outside world, which made her happy.

...

She had once said that many of the children there had no parents and were sick without a doctor. She was much more fortunate than them. Even if her parents were not around, she still had her uncle, aunt, cousin, and a bunch of relatives and friends. Her parents were there to do a good deed, not to abandon her. Although she would miss them, she didn't feel sad.

Now that he had grown up, he was sentimental and spent less time with his parents, so his mentality had changed a little.

Moreover, she was at the age to fall in love, and it did not go well the first time she fell in love with Sheng Yiting.

Yu Xinran remembered the call she had received in the afternoon and said, "There's still a month until the new year. Take a break for two days and go to the capital to see your Grand Master."

Lu duo nodded. I haven't been back for so long. I was planning to visit everyone anyway.

Yu Xinran wanted to say something but stopped. She felt that some things were better to say in private.

Before she went to bed, Yu Xinran said to Lu Yang, "when Duoduo goes to the capital, I'll go with her and visit mom and dad.

let Duoduo rest for a while," Lu Yang said. we'll go together when Rourou is on vacation. Then, Rourou can spend her winter vacation there and keep mom and dad company.

"That's too long," Yu Xinran said, " Duoduo is going to see uncle on behalf of Lu Yang. It's not good to drag things out.

Lu Yang paused and suddenly changed the topic. Rourou said that you made a lot of comments this afternoon, saying that you were not of the right family and that you should educate her. He couldn't help but laugh. she told me that she would never fall in love at such a young age.

Yu Xinran's expression stiffened and she smiled. "She only listens to half of what I said. When did I educate her? Yiting had broken up with his girlfriend on his birthday. Sigh, that girl was really ruthless. She would never let Yiting celebrate his birthday again. Forget it, I'll go check on Duoduo. She shouldn't be asleep yet. She doesn't have any friends in beizhi, so she probably won't wait until Rourou's holiday to go to the capital. I guess she'll go alone."

"Yes."

Yu Xinran took a deep breath and left the room with her head lowered.

Lu Suan did not accuse her of missing Gong Bai.

She didn't know why, but she missed Gong Bai more and more recently.

When she heard that he went to Country M, she wondered where he was and if she would meet Lu Song.

That bastard Lu Song didn't come back during the Christmas holiday. He didn't know if he would be free for the new year! There was no spring Festival in M Nation, but it would be on for about half a month around Christmas.

As he thought about it, he walked into Lu duo's room.

Lu duo was in the bathroom. She helped to check the door and windows, and after waiting for a while, Lu duo came out.

Yu Xinran asked with concern, "you haven't been back for so long, are you used to it?" Is there anything missing?"

"Auntie, you're so considerate, what can I be lacking?" Lu duo threw herself into her arms like a spoiled child. Auntie, you're like my real mother, aren't you? " She's even better than my own mother. She won't care if I'm well or not." don't say that, " Yu Xinran hurriedly chided. they love you the most.

Lu duo looked at her and smiled. She hugged her tightly and said faintly, " "But I've almost forgotten what they look like. Yingluo had a nightmare once, and my first reaction was to call her 'Auntie'. I remember when I was sick when I was young, you were the one who took care of me.. ' "

Chapter 1316: You should at least give Lu duo a chance, right?

Yu Xinran caressed her head, her heart aching.

...

When Lu duo was born, she had only been married to Lu Yang for slightly more than a year. Because of her previous miscarriage, her body was still recuperating, and she did not know when she would be able to have a child.

She missed the child that she had miscarried a lot. Now that Lu duo had suddenly come, she was very fond of her. After Lu Yang and his wife went abroad, she treated Lu duo as her own, so their relationship was naturally not ordinary.

Sometimes, she hated Lu Yang and his wife. Even if he wanted to save the world, he could go alone. How could he leave the child behind and leave?

"When you go to the capital, you can catch up with Yiting," she said as she combed Lu duo's hair.

Lu duo was stunned. She raised her head and looked at her in confusion.

"Yiting broke up with his girlfriend, and I heard that he's been in a bad mood recently." You've been good friends with him since you were young, so you can comfort him and accompany him to relax."

Lu duo's parents weren't by her side since she was young. Later on, she went abroad alone. Now, she was even running around the world without a fixed residence. The more he thought about it, the more his heart ached. Yu Xinran would support her wherever she could.

In the past, she didn't want Lu duo to ruin other people's relationships. But now that Sheng Yiting was single, she should give Lu duo a chance, right?

Lu duo's eyes lit up and she quickly nodded. Even if Yu Xinran didn't say it, she would still go to Sheng Yiting. She came back this time for him.

Seeing that she was happy, Yu Xinran sighed. It seemed like she had done the right thing.

"Do you still like him?" she asked softly.

"Can't I?" Lu duo asked uneasily.

Before Yu Xinran could say anything, she grabbed Yu Xinran and said, "Auntie, I know that it's not good to be a third party, so for the past year, I've been so busy that I couldn't stop. I didn't listen to his news, didn't contact him, and didn't even think about him. I just wanted to forget him! But I've liked him since I was young, how could I forget him? Now that he's broken up, can I, Yingying, try it?"

Yu Xinran hurriedly nodded. you're a good child. Go ahead. He's single, and you're not going to ruin anyone's life, so why can't you?"

Lu duo heard this and hugged her excitedly. "Auntie! I knew it, you love me the most!"

"I didn't allow you to chase after him last time," Yu Xinran smiled.

"I know, Auntie is doing this for my own good, afraid that I'll turn bad. I'm very grateful that you're doing this because you really care about me. My parents don't even care about me. I'm praised by so many people and called me the goddess of the violin all because of my aunt's education over the years!"

Yu Xinran couldn't help but laugh, 'look at what you're praising me to. Hurry up and sleep, it's pretty late.'

"Good night, Auntie." Lu duo sent her out of the room with a smile. After closing the door, her face changed and she sneered at the air.

Auntie, you must remember that in my heart, you're better than my own mother. In the future, you'll also treat me like your own daughter

Sheng Yiting had been working hard for half a month without stopping. He would go home after work and rest on the weekends. He would also help Sheng nanxuan with his work, not giving himself any free time.

Although he seemed to be in good condition, Gong mo knew that his heart was already rotten.

"He can't be like this in the afternoon." Gong mo said to Sheng nanxuan, " he's holding back his energy now. If he collapses from exhaustion, I don't know how long it'll take for him to recover. Can't you try to talk him out of it?"

Sheng nanxuan said, "he's a man. He knows what to do." She couldn't just not let him vent, right? He didn't drink, didn't go on a hunger strike, and returned home on time every day. Wasn't that good? Although it's a little tiring, I don't want to waste time thinking about it..

Chapter 1317: the more you love, the more it hurts

Gong mo thought for a moment and said awkwardly, " 'I'm worried about Yingluo. Tong Siyao is so irresponsible! She's so straightforward, she broke up with me and even quit her job ..."

...

“Don’t mention her!” Sheng nanxuan frowned. I don’t feel good seeing Yiting like this. If you say another word, I’m afraid I’ll find someone to kill her.

“Don’t you dare mess around!” Gong mo hit him anxiously. Let Yiting solve his own problem!”

“Don’t worry, I’m not stupid.”

Even though Sheng Yiting was hurt now, it was all because of love! The more you love, the more it hurts! If he found someone to kill Tong Siyao, Sheng Yiting would probably cut off all ties with him.

The next day, after Sheng nanxuan and Sheng Yiting went to work, Lu duo came to visit.

Now that Yu Zhengming and Wu surong weren’t around, Gong mo and the others wouldn’t go to the Yu family’s house once a week, so they didn’t know that she had come to the capital.

It had been almost a year since they last met. Gong mo had forgotten about Sheng shuangxue’s complaint and was welcoming her warmly.

Sheng shuangxue was on holiday and doing her homework in the study. When Gong mo called her out, she pouted in her heart. She sat quietly beside Gong mo, looked at Lu duo, and sweetly called out, “”Sister Duoduo

Lu duo passed her the present she had brought and touched her face. “Xue ‘er has grown so much taller

Sheng shuangxue smiled and said, “sister Duoduo has also become much more beautiful.

Gong mo suddenly recalled what Sheng shuangxue had said last year. He felt a little strange.

“Has brother Yiting gone to work?” Lu duo asked.

Gong mo nodded. he won't be back until the afternoon. You can stay here and have fun. We can have dinner together when he comes back.

Lu duo lowered her head shyly and nodded in agreement.

Gong Mo's heart skipped a beat, could it be that she likes Yiting? No wonder she had been so mean to Tong Siyao. It seemed like she was jealous.

Gong mo was conflicted.

She really didn't like Lu duo's way of doing things. But if it was because she liked Sheng Yiting, it was not a big deal. Now that Sheng Yiting was in a bad mood, it would be a good thing if Lu duo could comfort him.

Gong mo couldn't wait for Sheng Yiting to recover immediately, so he decided to let them go with the flow. The children and grandchildren had their own fortunes, and she couldn't care less. She would let Sheng Yiting decide who he wanted to be with!

Sheng Yiting walked into the house, looking exhausted. He changed his shoes like a zombie and walked into the living room. He heard someone sweetly shouting, "Brother Yiting

Sheng Yiting raised his head and saw Lu duo standing gracefully by the sofa with her hands crossed in front of her, her face shy.

He frowned imperceptibly and pursed his lips without saying a word.

Lu duo's face stiffened and she looked at Gong mo for help.

Duoduo is calling you. Why are you in a daze? " Gong mo hurriedly said to Sheng Yiting.

"Oh." Sheng Yiting snapped out of his daze and sighed tiredly. He said to Lu duo, " it's you? When did you arrive?"

"I came this morning," Lu duo smiled.

"Take your time, then." Sheng Yiting nodded. Then, he went back to his room with his briefcase.

Gong mo was embarrassed. He smiled at Lu duo and said, " "He's been in a bad mood recently."

Lu duo heard this and tried to probe,"I heard that ran ran broke up with sister

Siyao?"

Gong mo nodded helplessly and said to her, " "Have a seat. I'll go check on the food.

Lu duo nodded. After she left, she immediately went to Sheng Yiting's room. She walked to the door and knocked on it, but no one answered.

She bit her lip and paced back and forth outside the door. After a while, she heard the door open and ran up to it..

Chapter 1318: It seems to be Sheng Yiting's order

Sheng Yiting had changed into casual clothes. He was slightly surprised to see her, and then he closed the door and walked into the living room. Lu duo quickly followed him and shouted, "brother Yiting-"

...

"Is there something?" Sheng Yiting turned around and asked.

Lu duo looked at him, bit her lip, and whispered, " I heard that you broke up with sister Siyao, Yingluo.

Sheng Yiting's eyes turned cold as he turned around and strode out. At the entrance, Gong mo came out of the kitchen and asked, " "What's wrong with you guys?"

Sheng Yiting sat on his feet and took out a pair of shoes from the shoe cabinet. As he put them on, he said, " "I have something to do, so I won't be having dinner at home."

Gong mo was stunned and looked at Lu duo.

"I'll go with brother Yiting!" Lu duo hurriedly said.

Gong mo looked at Sheng Yiting.

Sheng Yiting frowned and did not say anything. He put on his shoes and left.

Lu duo hurriedly followed him, but he didn't care about her and closed the door directly. If it wasn't for Lu duo's quick reaction, she would have been locked inside.

Gong mo couldn't help sighing when he saw them in this state.

Lu duo walked to the elevator and looked at Sheng Yiting, who was beside her, feeling uneasy.

Sheng Yiting stared at the elevator door, unmoved.

After the elevator door opened, he walked straight in and reached out to press the close button. Lu duo could only shamelessly squeeze in.

Standing beside him, she heaved a sigh of relief. She sized him up from time to time, but he did not say anything.

They walked out of the elevator and arrived at the underground parking lot. Sheng Yiting walked towards his car. Lu duo followed him unsteadily in her high heels and asked pitifully, " "Brother Yiting, why are you ignoring me?"

"You can go up." Sheng Yiting turned around and looked at her. it's almost time for dinner.

"You're not eating?"

"I have something to do."

Lu duo was stunned. She stood on the spot and asked sadly, " "You still hate me, right? Do you know how much I like you? You have a girlfriend, so I can only stay far away from you. I can't even tell you that I miss you! Now that you've broken up with her, can't you just give me a chance?"

"It's not over between us," he said, looking at her.

Lu duo stood rooted to the ground, watching him get into the car and drive it away.

She could not help but clench her teeth. Her face was about to turn ferocious when she suddenly remembered that they were in the Sheng family's territory. She immediately squatted on the ground and burst into tears.

In the car, Sheng Yiting put on his Bluetooth Earphone and made a call. "Help me investigate something."

The next day, Lu duo returned to beiming city. The moment she got off the plane, she received a call from David.

someone is investigating Tong Siyao's situation in the past few months, David said. I think Sheng Yiting was the one who ordered it.

Lu duo narrowed her eyes and hatred flashed across her face. "Will they trace it back to us?"

"No, everything that needs to be dealt with has been dealt with. However, I'm afraid we can't monitor Tong Siyao and her people in the near future.

Otherwise, if Sheng Yiting's people counter-monitor her, we'll be in trouble."

Lu duo gritted her teeth and sneered, " "She's of no use now, so don't bother about her!"

Early in the morning, ye Zi opened the door, wrapped in thick layers of clothes. She was shocked to see Sheng Yiting standing outside the door in a cool and domineering pose.

Sheng Yiting turned to look at her. where's Siyao? ' "

Ye Zi opened her mouth and was about to answer, but she thought it was wrong. She turned around and walked away, ignoring him.

Sheng Yiting followed her all the way to the subway station. When he saw that she was about to take a taxi, he stopped her. "Where did Tong Siyao go?"

"How would I know?" Ye Zi shook him off and shouted, " stop pulling me! People who don't know better might think that there's something going on between us!"

"You're living with her, how could you not know?"

...

"I just don't know!"

"Then don't leave today!" Sheng Yiting grabbed her scarf and dragged her out.

Hey! ye Zi shouted. why are you so unreasonable? " I'm going to work, okay? The full attendance award was about to be gone! Hey, I'm going to interview the number one Best Actor today, are you going to compensate me for being late?" interview who? " Sheng Yiting stopped. interview who? "

P It's none of your P P cking business!"Ye Zi snatched the scarf back P

"Tell me your name and I'll arrange for you to do an interview." Ye Zi's heart skipped a beat. The temptation was too great! "What's the price?" she asked warily.

Give me Siyao's phone number.

He couldn't get through to Tong Siyao's previous number, so she must have changed.

He did not expect this woman to be so decisive!

"I won't betray my friend!" Ye Zi refused immediately.

Sheng Yiting stared at her and sneered. "You're such a good bestie!" of course! ye Zi smiled proudly.

Sheng Yiting turned around, his eyelids twitching. "She kicked me, so I have to get to the bottom of this!"

"I don't know about that Wanwan either." Ye Zi pitied her. She's gone home and hasn't contacted me. '

"Go home?" He should have thought of this earlier.

“What’s going on with you guys?” ye Zi asked carefully.

“I also want to know,” Sheng Yiting gritted his teeth and walked out of the subway station against the flow of people.

The Tong family of Xiyuan province.

After the doorbell rang, Yao LAN welcomed an old lady in her sixties. The old woman was dressed in a red cotton-padded jacket, full of energy, looking kind and festive.

Tong Siyao and Tong silu shouted, “ old lady Chen. then, she laughed secretly.

Yao LAN glared at them and said to Tong silu, “ Aren’t you going to do your homework?”

Tong silu ran back to her room, and Tong Siyao immediately went to get some water for the guests.

Yao LAN and old lady Chen sat on the sofa. Tong Siyao put down the water and sat at the side with a smile.

After exchanging pleasantries for a while, old lady Chen went straight to the point. She took out a photo and said to Yao LAN, he’s quite well-to-do. He’s honest, knows how to earn money, and he’s a doting man. He even served in the Army for a few years. Don’t you like being in the Army the most? ‘

“Aiya, I won’t tell you!” Yao LAN said.

Hearing that, old lady Chen looked at Tong Siyao. “Yaoyao, can you bear to see your mom be a widow for the rest of her life? In the past, she was afraid that her stepfather wouldn’t treat you well. Now that you’ve graduated from college

“Lulu is still studying.” Yao LAN said.

“Ah, Lulu is in junior high school now. There’s also Yaoyao taking care of her, what are you worried about?” Old lady Chen said earnestly, “ you’re young now. You don’t want to be old. You’ll know when you’re older. It’s hard to not have someone who can support each other!”

When Tong Siyao heard this, she couldn’t help but advise Yao LAN, “ Mom, please consider it. I think it’s not bad.”

After Tong Yuan’s death, there were always matchmakers for Yao LAN. In the first few years, there was an endless stream of matchmakers. Yao LAN insisted on not agreeing and there was no one else after that.

The old lady in front of her was a patient that Yao LAN met at the hospital. When she was sick, she was all alone. Yao LAN was collecting medicine from the pharmacy and she almost fainted outside the pharmacy. Yao LAN was especially caring towards her during that period of time. After she recovered, she was very grateful to Yao LAN. When she found out that Yao LAN was taking care of her two daughters alone, her heart ached for her. Every few days, she would come to be Yao Lan’s matchmaker.

Yao LAN was currently 43 years old and looked especially young. She looked like she was in her 30s. Not to mention ten years ago, there were many suitors even without a matchmaker..

Chapter 1320: Yao Yao is blessed

Of course, it was not too bad now. The more she was like this, the more granny Chen couldn’t bear to see her waste her time.

...

Tong Siyao had done her research and found that old lady Chen’s matchmakers were quite reliable.

For example, the man today was an honest and wooden man. He had been in the Army for a few years when he was young and was now repairing cars. His wife had been dead for almost ten years, and he had no children.

His wife had died of illness. He had borrowed a lot of money to treat her illness and had spent almost all of it paying off in the past ten years. Now that he had no more debts, his annual income was not bad, and he had some savings, he wanted to find someone to spend the rest of his life with.

He didn't want to have another child because he was honest. With that little money, he could find a young man to raise a child for someone else. He might even be cheated of his money. He wanted to find someone with a child so that he could be filial to him.

When old lady Chen found out about the situation, she immediately thought of Yao LAN and quickly came to be a matchmaker.

She wasn't after the red packet from the matchmaker. She just wanted a man like him to be suitable for Yao LAN. If she missed this opportunity, she wouldn't be able to find him again!

Yao LAN was dead set on not telling her, but when she heard Tong Siyao's words, she glared at her.

Tong Siyao was innocent, "I'm doing this for your own good, Yingluo."

"You don't want to be filial to me in the future, do you?" Yao LAN asked, "you're trying to push me to someone else!

"Nonsense! If you find one, don't I have to be filial to another one? How am I not filial to you?"

"Then all the more I can't find one, it'll only add to your burden!"

Tong Siyao was stunned. She realized that her mother could be unreasonable sometimes.

Yao LAN was indeed uncultured. She had not even attended primary school and had to rely on self-study to learn how to read. When Tong Siyao was in primary school, she used to share a textbook with two people. She read it more seriously than Tong Siyao. Other people's fathers would teach their children to do homework, while Tong Siyao's father would teach her mother.

Fortunately, Yao LAN had learned how to read at that time. After Tong Yuan's death, he was able to arrange a job in a pharmacy for her. It was easy and decent.

She didn't neglect her studies all these years, which was what Tong Siyao admired the most. From her appearance, she had an elegant temperament. No one would believe that she had not gone to school when she was young.

Seeing that she couldn't get through to Yao LAN, old lady Chen asked Tong Siyao, "Yaoyao, why don't you find one? What kind of girl do you like? I'll introduce you!"

Tong Siyao, "Yingluo."

The doorbell rang, and she hurriedly got up. "I'll open the door!" "Does Yaoyao have a boyfriend?" old lady Chen turned to Yao LAN.

him? Yingluo has Yingluo," Yao LAN replied vaguely.

Tong Siyao opened the door and saw Sheng Yiting standing outside. Her eyes widened.

Sheng Yiting sneered, lifted her chin, and kissed her.

Tong Siyao pushed him away excitedly and shouted, "What are you doing here?"

The people in the room were shocked. Yao LAN hurried out and her eyes widened in surprise when she saw Sheng Yiting. Didn't you say you broke up? Why is it here again?

She looked at Tong Siyao.

"I'm going out for a bit!" Tong Siyao said. Then, he took *** away.

Old lady Chen walked to Yao Lan's side and asked, "is that Yaoyao's boyfriend?"

Yingluo, you're from the East, right?"

"Yes." Yao Lan's mind was elsewhere. What's so good about the people in the East?

"Yaoyao is a lucky girl." Old lady Chen nodded.

After Tong Siyao left the house, she realized that she was wearing thin clothes and was walking very fast. She wanted to find a place with heating to hide. Sheng Yiting thought she was going to run away and grabbed her.

"I'm cold!" She shouted.

Sheng Yiting was taken aback. He immediately took off his scarf and coat and put them on her.

I don't want your stuff! Tong Siyao pushed it away resolutely..
