Chapter 1541: Father and son meet again (11)

He circled the watermelon and tried again, but it didn't work.

He was so angry that he pushed the watermelon. The watermelon rolled away, and Sheng Yiting quickly stopped it.

Tong annian stood up in a Huff and walked back to the living room listlessly. He climbed onto the sofa and stared at the television in anger.

Sheng Yiting walked over and placed the watermelon on the coffee table. After a while, si Lu brought out a plate of washed apples and grapes.

He picked up an Apple and tossed it into the air. Tong annian stared at the Apple in his hand. This Guoguo is so small. I should be able to do it, right?

Sheng Yiting saw through his thoughts and gave him the Apple.

He threw it excitedly, and the Apple fell on the coffee table.

Tong silu,"hehe."

Tong annian was dumbfounded. Why was it different from what he had imagined?

Sheng Yiting picked up the Apple and tossed it a few times before passing it to

Tong annian.

Tong annian threw it on the coffee table again.

Tong silu replied, “the Yingying Apple is for eating.”

Sheng Yiting continued to teach him, and Tong annian threw the Apple on the ground.

Tong silu: “forget it. Just give up on the treatment.

Sheng Yiting handed the Apple to Tong annian again, who said in a wronged tone, ” “It hurts, Yingluo.”

Sheng Yiting was shocked. He quickly put down the Apple, held his wrist, and gently massaged it. “Does it still hurt? It was dad’s fault. The baby has little strength, so she shouldn’t be able to throw such a big thing.”

When Tong annian heard that, he stared at the watermelon and apple.

His father could throw watermelons, but he couldn’t even throw an Apple. He felt so useless!

Tong silu handed her a grape and said,”the baby can play with this.” &Nbsp;

Wait a minute! Fruits were meant to be eaten, not played with. Why had she gone crazy?

“I’m going to do my homework!” She put down the grapes and stood up.

Sheng Yiting passed the grapes to Tong annian, who was in a bad mood after taking a look at them.

Sheng Yiting held his hand and threw the grape out, then caught it with his own.

Tong annian was taken aback. He felt a little accomplished.

Sheng Yiting continued to teach him step by step. After a while, he stopped, afraid that he would be too tired. He peeled the skin off the grape and handed it to him. "Do you want to eat?"

Tong annian looked at the grapes, then at the large watermelon, his heart filled with worry.

He looked up at Sheng Yiting, his heart full of jealousy and admiration.

Daddy, Wanwan, you're really amazing!

However, this baby also wanted to be so powerful!

Someone is better than me. I'm not happy.

Sheng Yiting made lunch. It tasted good, so Tong annian ate very enthusiastically.

"Brother-in-law!" Tong silu said in surprise. Your cooking skills are better than big sister's!"

uh, hehe. Sheng Yiting thought about Tong Siyao's cooking skills. She didn't seem to know how to cook, mainly because she didn't have the chance to practice.

"Your sister's cooking is quite good," he said.

Tong silu smiled but didn't say anything. She poked Tong annian's face. "You're so happy, you know?"

The little guy held his spoon and looked up from his bowl. He said seriously, " "Don't say die! Grandma said,"no chicken, no chicken, no chicken.""

"It's inauspicious." Tong silu said.

“Yes, yes!” The little fellow hurriedly nodded.

Sheng Yiting couldn't help but laugh and touched his head affectionately.

He wasn't used to it, so he turned his head away.

Their relationship had improved a lot today, and Sheng Yiting was no longer sad. He believed that he would get used to it by tomorrow!

After dinner, the little guy wanted to take an afternoon nap.

He didn't need to be coaxed. He fell asleep the moment he closed his eyes.

Sheng Yiting stayed with him for a while. Seeing that he was fast asleep, he quietly left the room and was about to call Tong Siyao.

Just then, Tong silu walked out of the room..

Chapter 1542: I want you to shelter me from the wind and rain

Sheng Yiting raised his head and saw that she was holding an ancient brown envelope.

Tong silu walked over, sighed softly, and handed the letter to him. “This is what big sister wrote for you. She handed it to me before niannian was born and said that she would hand it to you if anything happened to her. Now she said it's useless and told me to burn it, but I still think Yingluo should be given to you.”

Sheng Yitings heart skipped a beat. He took the envelope, which was full of words.

“Thank you,” he said. His throat rolled, and he felt a little uncomfortable.

Tong silu didn’t say anything and went back to her room.

Sheng Yiting opened the envelope. The color of the letter inside had darkened. He opened the letter and saw the words written on the top, [Yiting, by the time you read this letter, I might have already passed away.]

Sheng Yiting panicked, and a huge fear rose in his heart. He quickly took out his phone and called Tong Siyao.

The phone rang a few times, and he was so nervous that he couldn’t breathe. He was afraid that the words on the letter would become a fact.

It had only been a few seconds, but he felt like he had waited for years. Finally, a familiar voice came from the other side of the phone. “Yiting?” what are you doing? Sheng Yiting heaved a sigh of relief.

“I was taking an afternoon nap. I just fell asleep and you woke me up.” Tong Siyao mumbled in a coquettish voice.

“I miss you.” Sheng Yiting said.

“What’s niannian doing?” Tong Siyao asked.

“I’m taking an afternoon nap like you.” Sheng Yiting laughed. it’s fine. I just wanted to talk to you about the progress. He’s willing to talk to me now, but he hasn’t called me ‘dad’ yet.

“Be patient, he’ll scream.”

“Yes.” Sheng Yiting heaved a sigh of relief. that’s all. Go on and rest. I’ll contact you again tonight.

“Alright,” he said.

Sheng Yiting hung up the phone and could finally calm down to read the letter. However, the words ‘no longer alive’ still made him uncomfortable.

He tried his best to avoid looking at the words and quickly read down.

In the letter, Tong Siyao wrote in detail the reason why they broke up and the terrifying experience during that period. However, at that time, she didn’t know that Lu duo was the mastermind, so she didn’t mention it in the letter.

Sheng Yiting believed that she had her suspicions, but as a news reporter, the most important thing was to be cautious. That was why she didn’t mention a single word about Lu duo in the letter.

The entire letter was filled with her deep worry and despair. At the end, she wrote,

“I know that this is a selfish choice, but I’m afraid of the” what if.”This is the only way. At least I can live on for now. I don’t know what kind of situation this choice will put us in in the future, and what kind of impact it will have on the child. I can only hope that the heavens are kind enough.

Now, I really don’t know what to do. I can only try my best to keep a comfortable attitude and give birth to the child. Sometimes, I would dream that you would suddenly appear, know everything, and shelter me from the wind and rain, while the bastard in the dark did nothing! However, it was only a dream, and only a dream could be so perfect. If you really do appear, the other party might strike first and kill me. So, I’d rather you didn’t appear. At least I’m still alive.’

Sheng Yiting’s heart was filled with all sorts of feelings. He felt sorry for her, he blamed himself, and he was angry at Lu duo.

But more than that, he felt regret.

It turned out that she had been hoping for him to appear. Why didn't he come back then? Why not? He had actually made her suffer so much!

Hello ... a voice came from the front.

Sheng Yiting raised his head and saw Tong annian standing barefoot in front of him..

Chapter 1543: Niannian, call me daddy

He grabbed the lower hem of his clothes and said shyly, "I'm peeing." Sheng Yiting grabbed him, held him in his arms, and kissed him a few times.

ah! Tong annian screamed. release the bad guys! What are you doing?"

"Daddy loves you." Sheng Yiting hugged him tightly.

you're so embarrassed! Tong annian paused, his face reddening in embarrassment. &Nbsp;

"Baby, you want to pee, right?" Sheng Yiting let go of him and carried him to the bathroom.

"Call mommy," Tong annian said after he was done peeing.

"Alright," he said. Sheng Yiting sat him down on the sofa and held him in his arms.

Tong annian immediately crawled away and sat down innocently at the side.

Sheng Yiting looked at him and patted his ahoge. He could not help but laugh.

Tong annian turned his head away and thought angrily in his heart, " What are you laughing at? What's so funny about me?

Sheng Yiting took out his phone and was stunned,'Siyao is sleeping?'

"What is this?" Tong annian suddenly asked as he stared at the letter on the coffee table.

"These are father's documents." Sheng Yiting quickly put the letter away.

He looked at the time. He seemed to have been reading this letter for a long time. Tong Siyao should be up by now, right?

He tried to send a text message,"niannian wants to talk to you on the phone.

Are you awake?"

In less than a minute, Tong Siyao requested a video call.

Sheng Yiting picked up the call and pulled Tong annian into his arms. Tong annian tried to crawl away, but Sheng Yiting said, " "You sit beside me, mom can't see you."

Tong annian's body stiffened, and he obediently sat back down. He puffed up his cheeks and looked at his phone."Mom."

"Niannian is such a good boy." Tong Siyao sat on the sofa. why isn't niannian wearing the new clothes dad bought?

Tong annian pouted,'fine, I won't wear it!'

mom said that new clothes are not suitable for you, " said Sheng Yiting.

they've been washed. You can wear them tomorrow.

Tong Siyao couldn't be bothered to correct him. She rolled her eyes and asked

Tong annian, " "Did niannian call daddy?"

Tong annian glanced at Sheng Yiting, but he remained silent.

"I haven't," Sheng Yiting said. There's no hurry. Niannian is still not familiar with me.

Tong annian's eyes turned and he snorted in his heart. You're tactful!

"But you're coming back in two days," Tong Siyao said, "how can he not call you?" Niannian, call me daddy."

Tong annian lowered his head and played with his fingers.

"In two days, daddy will be going back to mommys place. Niannian, come over with daddy, okay? That way, I'll be able to see mom."

Tong annian raised his head and looked at her with sparkling eyes.

She nodded. mom's serious. Are you coming?"

"I want it!" Tong annian hurriedly nodded.

"Then call me daddy

Tong annian's face fell. He pouted and glanced at Sheng Yiting. Suddenly, he pushed Sheng Yiting away, slid to the ground, and ran toward the bedroom.

Sheng Yiting sighed and said to Tong Siyao, "The child is awkward, you don't have to force him."

"I'm doing this for you. As long as he was willing to call out for the first time, the rest would be smooth. Otherwise, don't complain to me if he's uncomfortable for a month or even a few months.'

Sheng Yiting: " Yueyue. sob, sob. If that's the case, I'm really aggrieved!

Tong Siyao quickly asked, "what is he doing?" Don't get hurt."

"I'll go take a look."

Sheng Yiting walked into the bedroom with his phone and saw Tong annian sitting on the floor, putting on his shoes.

He hurriedly showed it to Tong Siyao. Tong Siyao smiled and said, "Niannian is so capable

Tong annian raised his head and pouted at Sheng Yiting. He then lowered his head and continued.

Sheng Yiting walked over and placed the phone in front of him. "Mom is talking to you.."

Chapter 1544: Of course, mommy loves you more

Tong annian raised his head and grabbed his phone. "Mommy, Yingluo." "What's wrong with the baby?" Tong Siyao asked.

Nian Baobao pouted and turned around with the phone in her hand. She mumbled softly, "Mommy, you don't love me anymore. You're Yingluo.!"

He turned to Sheng Yiting and asked unhappily, "You're not going out? I want to have a private talk with mom!"

Yueyue. Sheng Yiting was helpless. alright, I'll go out.

Little wimp, you're actually whispering!

What's the big deal? He'd know when he asked Siyao!

Sheng Yiting left the room and thoughtfully closed the door.

Tong annian immediately stood up from the floor and climbed onto the bed.

He pulled up the blanket and covered himself.

mom can't see you like this, " Tong Siyao said helplessly. &Nbsp;

Tong annian was stunned. He could only throw the blanket aside and look at her pitifully."Mommy, Yueyue, do you love that person more and not the baby anymore?"

"Which person?" Tong Siyao asked.

"That's the one!" Nian Baobao pouted angrily.

"If you don't tell me clearly, how would I know?" Tong Siyao asked on purpose.

"Mommy, you're bad!" Nian Baobao shouted.

"It's done," Tong Siyao consoled her, " of course, mommy loves you more. Daddy's in the back, right after the back. There's grandma and aunty in front of him.

Sheng Yiting, who was eavesdropping outside, was speechless.

I'll take it that you're just trying to coax the child! I'll settle the score with you later!

Nian Baobao was happy and counted with her fingers. baby, grandma, Auntie, Yingying, and then that person.

"Are you happy now?" Tong Siyao asked with a smile.

The baby looked at his hands and was still unhappy. "Can you place him on the other hand?"

Sheng Yiting was speechless. What did that mean?

Tong Siyao,"baby, you're so cruel!" How could he put his father behind the fifth place? Even if we can, we don't have that many people in our family!

I can take care of little flower and little white. You can keep them.

Sheng Yiting: "???" What were Xiaohua and Xiaobai?

okay, " Tong Siyao replied helplessly. ran ran, let daddy use his other hand.

then, when should I raise Xiaohua and Xiaobai?

Sheng Yiting , 'what exactly are Xiaohua and Xiaobai? It didn't sound good. It seemed to be a cat or a dog or something. He actually wanted her to line up behind a cat or a dog?

“When the baby is willing to call me daddy, I can raise him.” Tong Siyao said. Sheng Yiting ,’my wife is still on my side drive away

Nian Baobao roared ,’mommy, you’re bad! You’re biased! You don’t love me anymore, sob sob sob sob ‘

Sheng Yiting was shocked. He pushed the door open and entered.”Niannian, what’s wrong?”

“Wu Wu Wu,” Tong annian pushed him away.’Go away!” Bad guy!

Wuwuvvuwu!”

Sheng Yiting looked at Tong Siyao helplessly. Tong Siyao’s face darkened and she said seriously, ”
“Niannian, you’re disobedient. Mommy is going to be angry! ‘ waa ... Tong annian grabbed his phone and covered the bed with the screen.

Sheng Yiting,”Yueyue, my son is so smart!”

He picked up his phone and said to Tong Siyao, ” how about this? I’ll hang up first. I’ll talk to him.

Tong Siyao nodded tiredly.

Sheng Yiting guessed that her wound must be hurting, so he said, ” “Go and rest. ”

“Yes, I am. Tell niannian that I’ll call him later and tell him to stop crying. Mom knows she’s wrong.”

When Tong annian heard that, he stopped crying for a moment. Then, he stopped crying and sniffled as he turned his head to look at his phone.

Sheng Yiting ended the call and put his phone away..

Chapter 1545: Is he really dad?

Tong annian looked at him accusatorily, you hung up on me! I haven't said goodbye to my mother yet!"

Sheng Yiting squatted down in front of him. who said that mom is bad? who smashed her phone? " he asked. Mom is sad."

Nian Baobao was so guilty that she did not dare to speak.

"Daddy knows that baby doesn't like Daddy, but it's okay. Daddy will work hard to make you like me. But, let's not make mommy sad, okay? Her mother had to work every day. It was so hard. The baby isn't by her side, and she misses you every day, Yingluo."

Tong annian's eyes turned, and he asked carefully, " "Will mommy miss me every day?"

"Of course. She never called her father when she could not see him. But when I can't see the baby, I beat him every day."

Tong annian thought for a moment. 'It seems like mom does love me, and she's not biased.'

"Then I'll apologize to Mama later." He said softly, " but mommy won't let me raise Xiaohua and Xiaobai. Can you tell mommy? '

"Of course!" Sheng Yiting smiled. But baby has to tell Daddy first, what are Xiaohua and Xiaobai?" Tong annian looked at him.

"Huh?" he looked back, puzzled.

Tong annian pushed him away and shouted, "you're not my father!" You don't even know little flower or little white! "

Sheng Yiting felt that he could not please his son anymore.

"Are you guys okay?" Tong silu's voice was heard.

Sheng Yiting turned around and saw her standing outside the door. She must have just woken up from her afternoon nap.

Tong annian got up and ran over. "Aunty, aunty, I want Xiaohua and Xiaobai." "Mommy said that you can only have one when you grow up." Tong silu said.

nuvvuvvu, " the baby felt wronged.

actually, dad knows what Xiaohua and Xiaobai are, " Sheng Yiting said. he asked me that on purpose so that I could talk to him more.

Sheng Yiting pretended to sigh. baby usually doesn't talk to daddy. Daddy feels bad.

Tong silu felt that her brother-in-law was very cunning. She wondered if her sister had been deceived in this way.

She looked at Tong annian's suspicious expression and really wanted to expose Yingluo.

"Then what do you think Xiaohua and Xiaobai are?" Tong annian asked.

Sheng Yiting quickly looked at Tong silu, who was stunned.

Nian Baobao was smart. She waved her hands at Tong silu and said, " "Aunty, you're not allowed to tell him!"

Tong silu hurriedly turned around and went back to her room. Okay, okay, okay. I won't say anything. I'm going to memorize some English vocabulary.

She walked into the room, took a book from the bookshelf, opened it, and

'read' it aloud. parrots rabbit.

Sheng Yiting understood what he meant and said to Tong annian, " little flower is a beautiful bird, and little white is a cute rabbit, right? ' Baby Nian heaved a sigh of relief. So he really was her father, Yingluo.

But he had never seen her before, so how did he know?

"How did you know?" he asked, puzzled. I didn't tell you." "You said it. One day, you had a dream and told me in your dream."

Tong annian's eyes lit up, and he looked at him excitedly.

He was really her father!

One day, Nian Baobao had a dream. She dreamed of her father. Of course, at that time, he didn't know what his father looked like. He didn't see his father's face in his dreams, and everything was a blur.

However, Nian Baobao knew that he was her father, so she asked him, " Dad, do you love me? Why didn't you come to see me?

"Daddy said," of course I love you. When you wake up, daddy will be here."

Nian Baobao hurriedly said,'remember to bring Xiaohua and Xiaobai for me!' Little flower was a talking bird, and little white was a rabbit with long ears!

Chapter 1546: Baby, call me daddy again

Then, he woke up from the dream, but he didn't see his father at that time.

He didn't expect his father to be late.

"Yueyue, shall we go and buy Xiaohua and Xiaobai now?" Tong annian's eyes sparkled as he looked at Sheng Yiting.

It was really hard to reject such a cute gaze.

However, Tong Siyao must have her own reasons for not letting him raise her, Sheng Yiting was a little troubled.

Nian Baobao tugged at the corner of his shirt pitifully. "Daddy, Yingluo"

Sheng Yiting was shocked. He quickly squatted down and hugged him. "What did you just call me?"

Nian Baobao was also shocked, thinking, 'why did I say the words in my heart?

Although he really wanted a father, and the person in front of him was very powerful and very suitable to be a father, he still hesitated.

"Baby, call me that again!" Sheng Yiting was excited.

Nian Baobao pouted. I don't want to! I've had enough of making one mistake! He hadn't thought about whether he wanted this father or not!

call me daddy one more time, baby, " Sheng Yiting said. daddy will buy you a flower or a white doll!

Tong silu, who was eavesdropping in the room, thought, 'he's too treacherous!'

Nian Baobao shook her head, looking as if she would not bow down for five buckets of rice. "I'll call you after you buy it. If you don't, you still need to think about it."

Tong silu thought, 'henzhen and his son are as cunning as each other!' And the student has surpassed the master. Good job, Nian Baobao! She wouldn't even call him when he bought it!

Sheng Yiting suddenly looked up at her. Startled, she quickly lowered her head to read her book, mumbling "Apple" and "banana".

"Can I raise it?" Sheng Yiting asked.

uh, hehe. Tong silu raised her head. he can, but I'm afraid he'll die within two days.

Did he die from playing ""?

This Kasaya

Was she like Sheng shuangxue?

Sheng shuangxue, who was already able to dissect the rabbit independently, said, "It's none of my business!"

"Then let's go buy some!" Sheng Yiting made a promise.

Tong annian happily jumped up and down, yay! Xiaohua, Xiaobai, I'm coming!

Sheng Yiting, 'Yueyue is so worried about Xiaohua and Xiaobai. What should I do?'

I'm taking him out now, "he asked Tong silu. do you want to go?"

"Now?" Tong silu looked outside. it's very hot outside.

"I'll be careful."

"Then you guys go ahead, I won't be going." What's the point of going out with brother-in-law? He still had to avoid suspicion.

Sheng Yiting happily carried Tong annian. "Then let's go buy Xiaohua and Xiaobai together!"

"Aunty, let's go together!" Tong annian was shocked.

I'm not going. Baby will go with daddy, okay? " Tong silu asked gently.

Tong annian shook his head. I don't want Yingluo. I want aunty to come along.

"Why don't we go after dinner?" Tong silu asked Sheng Yiting. Anyway, it's hot outside now. It's not good to get a heat stroke."

"Yingluo, alright." Sheng Yiting was a little disappointed. He wanted to buy Xiaohua and Xiaobai as soon as possible so that his children could call him 'daddy' more.

He reached out and stroked the child's hair. "Is it because you're not familiar with dad, so you don't want to go?"

Tong annian turned his head away innocently and ran to look for Tong silu. "Aunty, I want to eat Guoguo."

"I need to do my homework. I'm going to find your father!"

Tong annian puffed up his cheeks and turned to look at Sheng Yiting.

"Niannian, Come to Daddy. Daddy will get it for you," Sheng Yiting said.

He turned to the coffee table and picked up a fruit knife to peel an Apple.

Tong annian hesitated for a moment and looked at Tong silu. Seeing that Tong silu was unmoved, he had no choice but to go to Sheng Yiting.

Sheng Yiting glanced at him and continued to peel the Apple.. baby, do you know how to eat grapes?

Chapter 1547: The savage Son

Tong annian sat on the sofa and turned on the television. He switched it on to a cartoon, then grabbed a grape and put it in his mouth. After chewing, he spat out the grape skin."Sour!"

"I'll skin you later," Sheng Yiting said helplessly.

After a while, he finished peeling the Apple.

He picked up the piece of skin that was not broken and said to Tong annian, "

"Look, it's even taller than you."

Nian Baobao stared at the long apple skin angrily and thought, " Hmph! Only you can do it! When I grow up, I'll peel it longer than you!

Sheng Yiting peeled a few grapes for him, then picked up a peeled apple and continued cutting.

Tong annian looked at him curiously. After a while, he handed over a rabbit-shaped apple slice. It was so lifelike!

Tong annian was stunned, and he hurriedly went over. "Little white!"

"Yes, little white." Sheng Yiting gave him the Apple. here, eat it. Tong annian looked at him in horror. how can you eat Whitey?!

"Uh, Yingluo, this is an Apple, not a rabbit."

Tong annian puffed up his cheeks and thought for a moment. He took the Apple and held it in his hands. He lowered his head and greeted her in a low voice. "Xiao-Xiaobai,"

Sheng Yiting's heart was in a mess. He reached out and rubbed his head.

Tong annian unhappily twisted it away and crawled a little to the side with Xiao-Xiaobai.

Sheng Yiting continued to carve the watermelon with a smile. He didn't expect that this skill could not only coax his wife but also his child.

The ancient people said that having more skills was not a burden, and they were not lying!

Tong annian held Xiao-Xiaobai and swallowed his saliva. He said softly, "Xiao-Xiaobai, I'm going to eat you

Sheng Yiting, 'who was the one who was against eating little white?

Tong annian patted Xiao-Xiaobai's back as if he was consoling it. Then, he stuffed Xiao-Xiaobai into his mouth and started munching.

Sheng Yiting said, "Yueyue," his son's cute appearance seemed to have a cruel heart.

After dinner, Tong silu and her classmates went to watch a movie, while Sheng Yiting and Yao LAN took Tong annian for a walk.

"Are you in love?" Yao LAN asked Tong silu.

"You wish." everyone's busy with their studies now, " Tong silu said. where would they find the time to be your son-in-law? ' Yao LAN was left speechless.

Sheng Yiting felt that he had been unjustly accused.

After they left the house, Tong annian noticed that Tong silu was not with the rest. He pulled Yao LAN and asked, " "Where are you going, aunty?"

"Bad things! Let's just ignore her!"

"Auntie is a good person!" Tong annian widened his eyes. He wouldn't do bad things.

Sheng Yiting, 'she's so young, but she already knows how to give me a nice guy card.'

The two adults and one child went to a bird and flower shop. Tong annian picked a colorful parrot and a soft Panda rabbit.

The little guy was overjoyed. He walked with the cage and said, " you're Xiaohua and Xiaobai. We'll be good friends in the future.

"Alright, look where you're going," Yao LAN said, " grandma will carry it for you. You can play when you get home.

Tong annian reluctantly handed the cage to her and then waved his hand. Xiaohua and Xiaobai were so heavy!

After taking a few steps, he began to circle around Yao LAN. He looked at Xiaohua on the left and Xiaobai on the right.

After running a few rounds, he called out, “grandma, give little white to Wanwan. Yes, give him.” He pointed at Sheng Yiting and whispered.

“Who is he?” Yao LAN asked.

Tong annian pouted and looked at Sheng Yiting pitifully.

Sheng Yitings liver trembled at her cuteness and he hurriedly said, ” “I’ll do it!”

“I’ll walk in the middle!” The little guy was immediately happy.

In this case, he could see little white when he looked to the left and little flower when he looked to the right. He didn’t have to run around anymore..

Chapter 1548: The baby’s heart is bitter

Sheng Yiting touched his head and said affectionately, ” “Our baby is so smart.”

“Baby!” The parrot suddenly cried out.

Tong annian was overjoyed, ‘Xiaohua spoke! He’s calling me!’ “Yes, yes, yes, Yingluo, let’s go home and play.” Yao LAN said.

After returning home, Tong annian excitedly introduced his family to the parrot and rabbit. "This is grandma, and this is Yingluo."

When it was Sheng Yitings turn, he paused. "Well, we'll talk about this later.

I'm the baby ..."

"I'm the baby!" The parrot suddenly cried out.

Fuck! Sheng Yiting was startled. This parrot was a demon! "I'm a baby," Tong annian said to the parrot seriously.

"I'm Baobao!"

Tong annian felt wronged, "I'm baby Yingluo."

"I'm a baby," replied the parrot.

wuwuwuwu, " Nian Baobao turned to look at Yao LAN and said, " Xiaohua bullied me.

"No, no, I didn't," Yao LAN hurriedly said, " it's imitating your speech. You're the baby, it's nothing."

"I'm the baby!" The parrot shouted.

Sheng Yiting was furious,'what kind of parrot is this? how dare it quarrel with someone!' Should I return it?"

"Don't, don't!" I want Xiaohua, " Tong annian shouted, afraid that he wouldn't be able to take care of her.

The parrot suddenly sighed, "I feel bitter in my heart, but I won't say it," said the parrot.

Yao LAN asked in a daze, "parrots have intelligence? Don't they all learn to speak like humans?"

Sheng Yiting facepalmed. it must be the previous owner. I'll go ask him.

After buying a few bags of feed, Sheng Yiting picked up the bag containing the feed, which had the phone number of the flower and bird shop printed on it. "I just bought a parrot and a rabbit with my child," he said in a low voice. oh, oh, oh hello, hello. Is there a problem?" The boss asked.

"I just want to ask what's going on with Parro. How could she argue with someone? And it's using Internet slang. Does it usually go online?"

hahahaha Yingluo, " the boss said. it doesn't go online, so I taught it when I had nothing to do. How was it? Fashionable enough, right?"

"Yingluo" fashionable my ass!

Sheng Yiting saw that he really wanted to raise the child and asked worriedly,

' "You didn't teach it anything inappropriate for children, did you?"

"Don't worry! Didn't you bring the child here to buy it? How would I dare to sell it? This one can't learn anything else, and it's full of babies. I think it's quite suitable for children. The other one would say "yamete," I didn't sell it to you, did I?"

"Yingluo, if you dare to sell my son anything that only talks about yaingdie, you don't have to open your shop anymore!"

Sheng Yiting hung up the phone and turned to Yao LAN. "It's fine. The boss taught me. I'll probably forget it after a while."

Tong annian was already infuriated by the flower. He threw it aside and took the carrot to feed the rabbit.

The rabbit had just eaten and refused to eat.

Tong annian nervously asked Sheng Yiting and Yao LAN, " "What's wrong with little white?"

"Little white is full. Let's let it out for a walk." Sheng Yiting said.

Tong annian excitedly let little white out. Little white was probably afraid of being in a strange place, so it curled up on the ground and refused to move.

Tong annian poked it with his chubby finger. It was as if a switch had been turned on. It ran away and turned into Tong silu's room.

Tong annian chased after him and shouted, " "Little white! Little white! Where are you?"

Sheng Yiting couldn't go to Tong silu's room, so he could only stand outside and watch.

Yao LAN collected the clothes that were hung on the balcony. Most of them were Tong annian's new clothes. She put the clothes on the sofa, and Sheng Yiting started to tidy up the clothes..

Chapter 1549: She called him "dad" again

Yao LAN brought Tong silu's clothes into the room and called Tong annian out.

Tong annian carried the chubby rabbit and said to Sheng Yiting, "It's so

heavy!"

“Yes, it’s time to lose weight.” Sheng Yiting asked, “baby, when are you going to shower? I can wear new clothes after the shower

Tong annian opened his mouth and took a deep breath. He couldn’t lift this Fat Rabbit.

He gently put the rabbit on the ground, walked to Sheng Yiting, and said seriously, “”Don’t Call Me Baby, call me baby.”

“Why, Yueyue?” Sheng Yiting asked.

“The baby sounds better.”

“Okay, baby. You’re the only baby in our family.” “I’m good at enduring!” The parrot suddenly cried out.

Fuck!

This was crazy!

Sheng Yiting grabbed the Apple and threw it at her.

The parrot fell from the pole and screamed, “ ah! “They hit people! They’re hitting people!

Nian Baobao glared at Sheng Yiting in dissatisfaction. “You’re bullying little flower Yingluo.”

“What’s ffffong?” Yao LAN came out of the room and suddenly exclaimed.

The two of them looked over and saw that Xiaobai was squatting in the middle of the living room and peeing.

Sheng Yiting sighed and said to Tong annian, " "I finally know why your mother didn't want you to take care of her."

Aiya ... Tong annian ran over to hug Xiao Bai. Xiao Bai, be embarrassed! You have to go to the toilet if you want to pee, do you know that?"

Sheng Yiting replied, "Yueyue, how did it know?" It's just a brat!

"Hurry up and bring little white back to the cage." As Yao LAN spoke, she went to get a mop.

Just as Tong annian was about to grab Whitey, it ran away.

Sheng Yiting wanted to catch the rabbit, but when he saw him pouncing on him, he ignored the rabbit and caught his son first!

Hence, he pulled Tong annian into his arms. &Nbsp;

Tong annian raised his head and reproached, " "Why didn't you catch little

white?"

"If I catch Xiao Bai, you'll fall, my good baby."

Tong annian's eyes widened. Wait, he seemed to have shouted something he shouldn't have just now, Yingluo.

Sheng Yiting shook his little body and said happily, " "Baby, say it again. Go on, go on, daddy will catch you a rabbit after you're done."

"You won't catch them if I don't call you?" Nian Baobao asked unhappily.

“Catch!” Sheng Yiting gave him a Peck on the cheek. but daddy really wants the baby to cry out.

Nian Baobao turned around to take a look. Yao LAN was mopping the floor, and Xiao Bai was ... Eh? eh?
Where did Xiaobai go?

“Little white is gone!” He shouted.

“You’re so young and you’ve already learned how to change the topic?”

Sheng Yiting put him down helplessly and went to look for the rabbit.

Tong annian hurriedly followed behind him, and little white popped out from behind the sofa. &Nbsp;

Tong annian shouted excitedly,”

Sheng Yiting rushed over while little white rushed to the door. Just as they were about to catch it, the door suddenly opened and it ran out.

“What’s that?” Tong silu, who was standing at the door, was dumbfounded.

“Little white is gone!” Tong annian cried.

Tong silu turned around. The little rabbit was still hiding in the corner.

She thought for a moment, rolled up her sleeves, squatted on the ground, and beckoned to B. rabbit, ”
“Come over here.’

The little rabbit’s ears twitched, and it stepped back.

Sheng Yiting went back to the living room and took a carrot. Tong annian hurriedly took the carrot and squatted on the floor. "Rabbit, come here.."

Chapter 1550: You guys are whispering again

The little rabbit was probably a glutton. It bounced over to her. Tong silu

hurriedly caught it and heaved a sigh of relief.

The three of them returned to the living room. Yao LAN had already mopped the floor.

Sheng Yiting suddenly felt embarrassed.

He did buy a pet, but he would be leaving in two days. Yao LAN and Tong silu were tired from cleaning the house.

He told Tong annian to put the rabbit back into the cage and said to Yao LAN, " "If this rabbit runs around, it'll be troublesome to clean up. Why don't I hire a servant for Auntie? Anyway, you're usually so busy with work and you have to take care of niannian. You should have been hired long ago."

Tong silu said, 'my sister used to say the same thing. She asked someone to take care of niannian, but she refused. She was afraid that those people would secretly mistreat niannian.' She said she hired someone to do the housework, but she said she did it after work.'

"I'm still young. It's not like I'm so old that I can't move," Yao LAN glared at her.

but it's so hard to take care of the child, ran ran, " Sheng Yiting said.

"Didn't you want to bring him away? The rabbit and the parrot are both his, so he naturally has to take them with him. When the time comes, there's no need to ask for help."

Sheng Yiting thought about it and agreed, so he hummed in agreement.

Yao LAN had been taking care of Tong annian since he was born. He suddenly felt a little embarrassed to take him away just like that.

Sheng Yiting gave Tong annian a bath before returning to the hotel. Tong annian changed into the new clothes he had bought and looked at him pitifully. He asked worriedly, "You're leaving?" baby, " Sheng Yiting asked with a smile, " do you miss your father?

"If you don't come, no one will help me catch Whitey," Tong annian said awkwardly.

so that's all I can do? "Sheng Yiting looked disappointed. is that all I can do?" "Are you coming tomorrow?" Tong annian looked at him expectantly.

"Of course," he nodded.

Tong annian heaved a sigh of relief. Quickly say goodbye to little flower and little white! "

Sheng Yiting, "Yueyue. "

Well, he couldn't disobey his son's orders. He obediently went to say goodbye to the parrot and rabbit.

The rabbit was well-behaved and as adorable as Tong annian.

The parrot was too much. It flapped its wings and said, " "This baby is not happy! "

Sheng Yiting gritted his teeth in hatred and wanted to break its neck.

He glared at the parrot with hatred. The parrot flew up with a cry, but it was pulled off by the shackles.

Tong annian glared at the parrot. Xiaohua, you're not good. You have no manners. You have to say goodbye, okay? ' ah ... the parrot squeaked again. It was even more unhappy.

Sheng Yiting returned to the hotel and called Tong Siyao to report his schedule for the afternoon.

After Tong Siyao finished talking to him, she called Yao LAN and asked Tong annian, " "Daddy bought little flower and little white for niannian, right?"

"Yes." Tong annian agreed with a smile. "Did you say thank you to dad?"

"Ah!" The little fellow was shocked. 1 forgot.

"Then remember to tell me tomorrow, okay?"

"Alright," he said. The little fellow was very happy today and was especially easy to talk to.

"I heard that the baby even called him daddy? Father told me that he was very happy."

The little guys focus was particularly different, and he asked indignantly, " "You guys are whispering again!"

Yingluo. alright, you're the baby. You win.

Over the next two days, although Tong annian was still unwilling to call Sheng Yiting 'daddy', he did not reject Sheng Yitings contact.

Although he was still a little awkward and proud, he had never seen someone like Sheng Yiting before-a mature man who was taller, more handsome, and more powerful than other people's fathers. He would help him instead of beating him up when other children bullied him. He would throw huge watermelons, peel apples that could not be peeled, make delicious food into nice shapes, and hold him in one hand without feeling tired.

His heart was filled with admiration!
