

Ditsy Wife 1611

Chapter 1611: Follow-up: wedding, worldwide attention

I've already started preparing," Sheng Yiting replied. I've already set the time. "Me too!" Simon replied.

"I was the one who announced it first,"

"I'm an elder!"

"I'm old!"

"My son is about to be born!"

my son is about to go to primary school. I need to give him a legal identity as soon as possible!

Simon suddenly stopped talking.

"Uncle?" Sheng Yiting asked uneasily.

"Then you go first!" Simon said angrily. He hung up the phone after saying that.

Sheng Yiting was puzzled-why did she suddenly think it through?

"My dear, when do you think we should hold our wedding?" Simon went to find Xin Rong, depressed.

Xin Rong was reading a document related to the country's construction. He said without looking up, "
"Just inform me when you're ready!"

Simon took a deep breath and told himself to calm down. She was the Queen! She was busy with national affairs! She was very busy! He didn't ignore her on purpose!

He said, "but you're pregnant. Unless we have it immediately, otherwise ..."

no! Xin Rong suddenly raised his head. then we'll talk about it after the baby is born!

Why did "Yingluo" have a feeling that she didn't want to marry him and wanted to delay it as much as possible?

In the end, it was decided that Sheng Yiting would hold it this autumn, and Simon would hold it next spring.

Sheng Yiting and Tong Siyao's wedding was set to be held in early October at the presidential palace.

On this day, not only were friends and family gathered, but celebrities and politicians from various countries also came to congratulate them.

As the president of a country, Sheng Yiting's wedding was naturally the focus of the world. The entire process of the wedding was broadcasted live on TV. Other countries also bought the broadcasting rights, and the Grand occasion of the wedding was watched by billions of people.

Xin Rong had given birth to a daughter a month ago. She was named Judy. She had just finished her confinement period and had come over with Simon to congratulate them. They also invited the foreign guests. You attended the wedding of the President of China this year. Come to my wedding next year ~

Actually, many people didn't want to go. China is so big, what is your Emilia? However, since the other party had personally invited him, he could only nod.

As a result, the next year, Xin Rong and Simon's wedding was also very Grand and was still broadcasted live around the world.

In China, all the members of the Sheng family were present. Sheng Yiting and Tong Siyao were there as well. Xin Rong had even invited her friends in the entertainment industry.

During the wedding, Sheng nanxuan suddenly turned to Gong mo and said, ‘ our family only gets married after we have children. This won’t do!

“Uh, hehe.”

“Shuangxue, if you do this, I’ll break that man’s legs!’

“Hey, hey, you’re only allowing the officials to set fires, but not the commoners!” However, she would not allow it!

“Ceremony completed!” The Bishop announced.

Gong mo looked over and clapped happily when he saw Xi Meng kissing Xin

Rong.

Sheng nanxuan glanced at her and clapped with a smile.

He had experienced everything in his life, so it was worth it. It was a pity that they didn’t give Gong mo such a grand wedding.

He reached out to hold Gong Mo t s hand. Gong mo asked in confusion, ‘ “What’s wrong?”

Sheng nanxuan sighed. I feel like I owe you so much. I should also give you a wedding that the world will pay attention to.

"I don't want to!" Gong mo blurted out, "how troublesome is that? You're enough. I think I'm more fortunate than them!"

Sheng nanxuan smiled and put his arm around her shoulder. "I'm relieved to hear that."

"Actually, I think I owe you a lot," Gong mo whispered. If you don't mind, I'll pay you back in my next life

"What if I'm not as good as this in my next life?"

"Then I'll pretend that I don't know you," Gong mo said after a moment of thought.

"You . . ."

Gong mo snorted, "you didn't look good at the beginning of your life." I'll slowly discover your good points."

"That's more like it," Sheng nanxuan snorted..

Chapter 1612: Tian Yuan's side story-start

After the summer vacation, Tian Yuan planned to visit her boyfriend.

Her boyfriend was an actor and was filming in another city.

The two of them were High School Alumni and had been dating since high school. They had been together for two years.

When they were packing up, Tian Cheng instructed, " "Don't mess around."

"Who would do that?" Tian Yuan blushed.

hahaha! Tian Cheng laughed. you can do whatever you want. Just take the necessary precautions.

Tian Yuan was really speechless at her open-minded mother!

When Tian Yuan arrived at the set, she realized that her mother was not open-minded at all. It was simply sinister!

She had followed Tian Cheng around the crew since she was a child, so she was no stranger to the crew. She knew many people in the entertainment industry.

Now, she had called half of the crew 'uncle', 'aunt', 'brother', and 'sister' since they were young. This meant that they were all Tian Cheng's eyes! How could Tian Cheng not be at ease?

Tian Yuan put down her luggage at the hotel and strolled to the set. No one knew what she was doing here and thought that Tian Cheng was here.

"Where's your mother?" everyone asked enthusiastically. "Screenwriter Tian is here? What's she doing recently? why haven't I heard anything about her?" she didn't come. I'm here on my own. Tian Yuan answered. "Yo, you're not tired of this place yet? You're here to travel?"

"Oh, Yingying, alright. I'm here to find a friend."

This was the largest film and television base in the country. There were usually many tourists here, either for fun or to meet big stars. However, she had been here dozens of times since she was young. There was no reason for her to come again.

No one knew that she had a boyfriend, so they asked jokingly, " "Is he your boyfriend?"

“No!” Tian Qi’s expression did not change, and her heart did not skip a beat.

No one doubted him. The director called for shooting, and there was no time to ask anymore, so they all went to work.

Tian Yuan walked to the side and observed for a while. When she saw a handyman girl coming over with a drink, she went over and asked, “Didn’t they say that the male lead is the nation’s school hunk, Chen jiahan? Why don’t I see him?”

Chen jiahan was her boyfriend. He was the school hunk in high school, but he became the nation’s school hunk after he became a Taoist. But this grass was the best for her!

The younger sister did not know her, and she was not around just now, so she did not know that she knew most of the people in the crew. She thought that she was a fan of celebrities and said, “Brother Han finished filming today and went to remove his makeup. He’ll probably be back in a while.” “Oh ...” Tian Qi nodded.

After waiting for a while, Chen jiahan still did not come out. She looked around and saw that everyone was busy, so she got up and walked to the dressing room.

She walked to the door and knocked. Someone inside answered, “Please come

“

Tian Yuan pushed the door open and was stunned to see a feminine man drawing his eyebrows in front of the mirror.

The man turned around and asked, “Who are you? Was he from the crew? How come I’ve never seen you before?”

Tian Yuan had never seen him before, but judging from his appearance, he should be a makeup artist. She asked, “I’m looking for Chen jiahan. Is he here?”

“He just left!” The makeup artist turned around and continued to draw her eyebrows.

“When did you just leave?” Tian Yuan asked.

She had been outside the whole time. Why didn’t she see him?

“Just now!” The makeup artist was stunned for a moment. Suddenly, she turned around and covered her mouth with an ambiguous smile. go to the lounge next door and take a look. Be careful and don’t disturb him. I think he’s probably sleeping.

Oh, Yingying. Tian Yuan turned around, closed the door of the dressing room, and then went to the lounge.

There were signs on the door plates of the rooms, and she quickly found Chen jiahan’s private lounge.

Chen jiahan had been in the entertainment industry for less than three years. Last year, he became the most popular young hunk because of a youth idol drama.

Even so, his status in the industry wasn’t high, but as the male lead here, he still had his own lounge..

Chapter 1613: encounter

After hearing the makeup artist’s words, Tian Yuan walked carefully. When she reached the door, she gently turned the doorknob, but it was not locked.

She was a little excited and wanted to give Chen jiahan a surprise.

She pushed the door a crack, and before she could see the scene inside, a voice drifted out first.

“How are things between you and Tian Yuan?” It was a woman’s voice, and it sounded familiar.

“Just like that.” Chen jiahan said indifferently.

“You still haven’t gotten her?” The woman’s voice was a little unhappy.

“Why would I want her?” Chen jiahan tried to please her. I only have you in my heart now. It’s enough to have you.

Tian Yuan finally remembered who this woman was.

Yang danqi, a child star, was currently the most popular flower.

However, Tian Yuan’s understanding of her was more than that. They had known each other since childhood.

Yang danqi was the adopted daughter of the movie King, Yang Jian. As for her adopted mother, Lin Jing.

She didn’t have much interaction with Lin Jing, but the two of them had a deep relationship.

Lin Jing was Lin Lei’s younger sister. Lin Lei and Zeng Shuai were both Sheng nanxuan’s capable assistants and good friends, so they often kept in touch. Therefore, when Tian Yuan was young, she often went to Lin Lei’s house and almost always met yang danqi.

“You’re really useless!” Yang danqi said unhappily, “you can’t even trick a little girl!

Aiya, Yingluo, “Chen jiahan said irritatedly, ‘! my heart is in your heart, how can I still have the mood to care about her? ‘

..

“You ...”

“Alright, alright, my precious daughter, haven’t I satisfied you yet? You’re still in the mood to cause trouble?” Chen jiahan laughed. it looks like I’ll have to let you have a taste of my power again!

ah-” yang danqi exclaimed, ” what are you doing? Enough, if we don’t go out now, we’ll arouse suspicion!”

“What are you afraid of? I only want you.”

MMH, MMH, MMH. yang danqi’s ambiguous snorting could be heard.

Tian Yuan’s hand that was holding the door handle trembled, and the door was pushed open with a gap that was more than the width of a palm.

However, they were so engrossed in it that they didn’t notice the abnormality at the door.

Even though Tian Yuan was inexperienced, she knew what they were doing.

Her eyes widened, and her mind buzzed.

That’s Chen jiahan?

How was that possible?

He was so good to her, how could he do such a thing behind her back?

She wanted to rush in and question him, but she couldn't.

She didn't have the courage.

She gently closed the door, turned around, and ran away. "Wait!" Yang danqi, who was in the room, was shocked.

"What's wrong?"

"I think I heard something."

Chen jiahan was about to fight with his gun, but he was almost scared to death.

He was just an ordinary person. Whether it was Tian Yuan or yang danqi, he could not afford to offend either of them. Otherwise, he would not have been forced by yang danqi to pursue Tian Yuan.

Now, his relationship with Tian Yuan had not been made public. If someone found out that he had an affair with yang danqi, everyone would definitely think that he was dating her. If he and yang danqi were "publicly" known and Tian Yuan knew about it, she would definitely not let him off!

At that time, if yang danqi turned her back on him, he would be left with nothing.

He suddenly stood up, pulled up his pants, and went to the door. He opened the door and saw that there was no one outside.

He heaved a sigh of relief and turned to yang danqi, "I'm fine."

Yang danqi rolled her eyes, sat up, and put on her clothes. "Go out and ask."

Afraid that others would suspect their relationship, the two of them did not go out together.

Yang danqi was afraid that Chen jiahan would ruin things, so she went to ask around herself. After asking a little, she knew that Tian Yuan had come..

Chapter 1614: escape

There was no need to continue asking. Everyone told her, " "He just left. She didn't look too good, it seemed like something had happened. She left in a hurry and didn't even answer when I called her. "

Yang danqi knew that Tian Yuan must have seen it, and she couldn't help but grit her teeth!

She left the crew and met Chen jiahan in the car.

"How is it?" Chen jiahan asked.

"It's her!" Yang danqi said unhappily.

Chen jiahan took a deep breath and asked nervously, " "Then what do we do?"

"Did she contact you?"

"No, I didn't!" then contact her and pretend that nothing has happened. See how she reacts!

Tian Yuan walked out of the film studio in a hurry, thinking as she walked, He did not know when Chen jiahan and yang danqi hooked up! Chen jiahan had been hinting to her that he wanted to go further with her, but she didn't agree!

Before she started dating Chen jiahan, she had asked for Tian Chengs opinion.

Tian Cheng did not even get married. She had never been bound by the secular world and was particularly open-minded. In her opinion, puberty was for dating. If one didn't date, their youth would be eaten by dogs. Knowing that Tian Yuan had a suitor, she was very happy. I thought no one was chasing you because you're so pretty!

Tian Yuan's face darkened upon hearing this.

Tian Cheng supported Tian Yuan's relationship, but she didn't allow Tian

Yuan and her boyfriend to cross the line in case they regretted it in the future.

Falling in love was a wish for her youth to be colorful. Even if they broke up or got hurt, it was still an experience. It was better to talk to a man a few more times and understand how a man could deceive people than to never talk to a man and be easily deceived.

However, Tian Cheng naturally wouldn't allow her to mess around with that matter! First, she was young. Second, men were sometimes crazy and couldn't be shaken off after sleeping with her, such as CEng Shuai.

As for the third condition, it was because Zeng Shuai didn't know that Tian Yuan was in a relationship.

If Zeng Shuai knew that Tian Yuan was in a relationship, he would fly over and beat her up! Just being in love was enough to kill people. If Tian Yuan slept with someone else, he would probably destroy the world.

Tian Cheng did not dare to provoke commander Zeng on this matter, so she told Tian Qi about it.

Tian Yuan had received her support in her relationship and believed that everything was for her own good, so she was naturally obedient in other aspects.

Therefore, no matter how Chen jiahan coaxed and lied to her, she did not move.

Could it be that Chen jiahan couldn't stand the loneliness and went to find yang danqi because of this?

Tian Yuan gritted her teeth and stomped on the ground.

This kind of man was disgusting! A lower-body animal! No wonder her mother told her not to cross the line! When she met this kind of man, even if she gave him, he would not be satisfied and would even go out to cheat!

She could only be glad that she was not too intimate with Chen jiahan. At most, they would just break up!

Right! Break up! They had to break up!

She was beautiful, her father was rich, and her mother was talented. What kind of man could she not find? I don't want to make do with him!

That's right, she should have rushed in and kicked his little penis so that he would be impotent for the rest of his life!

Tian Yuan cried as she thought about it. She wiped her tears all the way back to the hotel, picked up her unopened suitcase, and rushed to the airport.

In the car, his cell phone rang.

He looked at the caller ID and saw that it was Chen jiahan.

She gritted her teeth and hung up. What hack? He should have picked it up and scolded him!

She was really useless. Every time, she only imagined it after the fact. She couldn't even let out a fart at that time!

She hated herself for being so useless!

If Shuang Xue came, that adulterous couple would definitely be annihilated into ashes!

At this moment, his phone rang again..

Chapter 1615: come to my place

She looked at it for a while before picking up the phone.

When Chen jiahan heard that the call was connected, he swallowed his saliva and asked nervously, "Yuan Yuan Yuan Yuan"

Yang danqi gave him a kick from the side.

He immediately straightened his body and asked in a self-righteous manner, "Yuanyuan, I heard you came to the production team? Are you here to find me? Why did he leave?"

Tian Yuan moved her lips and abruptly hung up the phone.

She buried her head in her arms, feeling so useless that she didn't even know how to quarrel.

She wasn't the one in the wrong, so she could totally scold him, right? Why should I escape?

She jerked her head up and called back.

As soon as the call was connected, Chen jiahan shouted, "Yuan Yuan-

"Break up!" She shouted. Bastard!"

She hung up the phone after saying that.

Chen jiahan said to yang danqi in a daze, "She said that Yingluo broke up."

"I'm begging her!" Yang danqi did not allow any room for argument as she ordered, "admit your mistake and retain her. Don't split!

"Why?" Chen jiahan was puzzled. since she found out, let's break up ...

"Are you going to listen to me or not?" Yang danqi roared.

Chen jiahan was shocked and nodded in a daze. "O-okay."

He continued to call Tian Yuan, but she was no longer picking up.

Tian Yuan bought a plane ticket back to Beijing. How was he going to answer

to Tian Cheng when he returned?

She didn't want Tian Cheng to know about such an embarrassing thing!

She thought for a while, but she still couldn't think of what to do when she got off the plane.

She dragged her suitcase and walked out in a daze. Suddenly, someone called her, 't "Yuanyuan?"

Tian Yuan was stunned. She raised her head and saw yang danqi's cousin, Lin Lei's son, Lin weiqin.

"Who bullied you?" Lin weiqin asked with wide eyes.

Tian Yuan wiped her tears, lowered her head, and didn't answer.

Who, who, who? Your cousin!

Lin weiqin looked at her thoughtfully for a while, then reached out to pick up her suitcase. "Just got off the plane? Just give it to me. '

Tian Yuan dodged and asked,"why is brother weiqin here?" Are you going on a business trip?"

"No, I just came back." Lin weiqin lifted her suitcase and said, " let's go, I'll take you home.

Tian Yuan stopped in her tracks.

"What's wrong?" Lin weiqin asked, puzzled.

I don't want to go home, " Tian Yuan said in a low voice.

Lin weiqin thought for a while and asked,"then, does ran ran want to come to my place?"

Tian Yuan raised her head and saw that he was looking at her seriously, as if waiting for her answer.

She thought about it for a while. Lin weiqin didn't have a girlfriend, so going to his place wouldn't make anyone uncomfortable. So, she agreed.

"Let's go." Lin weiqin smiled and said gently.

Lin weiqin was picked up by the driver, and Tian Yuan also knew the Lin family's driver.

Tian Qi suddenly felt that it was a mistake to get into the car with Lin weiqin! If the driver saw that she had cried and told on her, what would happen if Tian Cheng found out?

She sat in the back seat with a long face. Lin weiqin opened the refrigerator and took out a bottle of juice for her. "Drink some?"

"Thank you," he said. Tian Yuan took the bottle and twisted the cap, but she couldn't open it after several tries.

"I'll do it!" Lin weiqin hurriedly stretched out his hand.

Tian Yuan hurriedly handed the bottle over and then stole a glance at the driver.

The chauffeur didn't seem to notice her abnormality and had already started driving.

"Here." Lin weiqin handed her the fruit juice that she had just opened.

She thanked him again and thought as she drank her juice, " Her mother and Auntie Lin rarely interacted, so Auntie Lin probably wouldn't care about her situation. Even if she did, she wouldn't tell on her.

She heaved a sigh of relief and gulped down her fruit juice.

Lin weiqin thought,"this child must be thirsty!"

"Drive slowly," he said to the driver.

"Yes, young master." The driver agreed.

"Let's go to my place," Lin weiqin said..

Chapter 1616: She had a feeling that he was explaining something

"The madam is waiting for you to go home for dinner," the driver said in surprise.

"Did she arrange another blind date for me?" Lin weiqin asked.

"Uh, hehe." The driver acquiesced.

Tian Yuan put down the juice bottle and glanced at Lin weiqin.

Lin weiqin looked impatient, but he came from a rich family and was a top student. He was a tall, rich, and handsome man! It wasn't that he didn't have any suitors since he was young, but he only had one girlfriend after he graduated from University, and they broke up later on.

After that, he never touched the peach flower again. Now that she was 29, how could Auntie Lin not be anxious?

"Brother weiqin, you're not getting married yet?" she asked cautiously.

"There's no rush," Lin weiqin looked at her and smiled.

Since the person involved had said that there was no rush, she was not his mother, so she naturally could not be anxious for him.

She nodded. my cousin also got married last year. He's a few years older than you.

"Yes," Lin weiqin smiled and nodded.

"But the president's child was already very big when he got married!" The driver couldn't help but interrupt.

"Just drive your car!" Lin weiqin glared at him.

The driver felt so wronged. This was clearly what the madam had said. Moreover, he was not wrong! Sheng Yiting got married late, but he had children early!

The car arrived at Lin weiqin's residence, and the driver got out to help carry the luggage.

"That's enough, you should go back early for dinner," Lin weiqin said.

"Madam, then ...

"If she asks you, just tell her that I went on a date with a girl. She won't make things difficult for you."

The driver stared at Tian Yuan with wide eyes, and Tian Yuan choked on her saliva.

Lin weiqin ignored him and called Tian Yuan with her suitcase, "Let's go," he said.

"Don't mention me!" Tian Yuan turned to the driver and said.

What would she do if the Lin family misunderstood her?

Seeing Lin weiqin leave, she quickly followed, " "Why did you say that?"

my mom wants me to get married so much that she's going crazy, " Lin weiqin said indifferently. if I didn't say that, she would've called me a hundred times a night!

"Uh, Yingluo, I've caused you trouble, right? Why don't I just go home?"

"No need!" Lin weiqin hurriedly said, " you saved my life, do you know that? If it weren't for you, I really don't know how to deal with my mom today."

"Yueyue, that's too serious."

"For me, it is."

Tian Yuan stopped talking and kept her head down until they entered Lin weiqin's house.

"Wait a moment." Lin weiqin opened the shoe cabinet and took out a pair of women's slippers, " it's for weiran. Just put it on. There are no other girls here except her.

Tian Yuan was stunned, as if he was explaining something.

Oh, it must be an occupational disease. His imagination was too wild.

She had been influenced by Tian Cheng since she was a child, so she naturally

studied editing and directing in college. She had been making up stories in her head every day. At this moment, she had already come up with N endings for her and Chen jiahan's grudges.

She looked at the pink rabbit slippers on the ground and put them on with mixed feelings.

He didn't expect sister Wei Ran to wear such a young girl's slippers. This was the opposite of him.

Her preferences were similar to Tian Chengs. At this age, although she didn't like women who were too mature, she also didn't like dreamy ones. She preferred simple and fresh ones.

"Take a seat first." Lin weiqin said, " I'll go make dinner. You can put your luggage in the guest room first, the second room over there.

Tian Yuan nodded. Seeing him walk to the kitchen, she hurriedly said, " "Brother Wei Qin! I don't need to cook!"

"You've eaten?" Lin weiqin looked at her.

"Zhenzhen didn't." Tian Yuan said in embarrassment, "how can I trouble you?

I'll just order take-out..!"

Chapter 1617: I can't tolerate sand

"I'm fine." Lin weiqin chuckled, " I want to eat for myself too.

"Uh, hehe." Tian Yuan had no choice but to go to the guest room.

There was only a single bedsheet on the bed in the guest room. There was no blanket or bedsheet.

Tian Yuan put down her luggage and took out her mobile phone. When she found that it was still in flight mode, she hurriedly turned it off, and then the text message notifications kept ringing.

They were all from Chen jiahan.

Chen jiahan kept asking her what was wrong and if she had misunderstood something.

Tian Qi sneered. Was this person not going to shed tears until he saw the coffin? Did he think that she didn't see him rolling on the sofa with yang danqi?

She replied, "I saw the way you were in contact with yang danqi!" What do you think?

Chen jiahan was dumbfounded when he received the text message.

He had always thought that Tian Yuan was conservative and would usually be unwilling to kiss him. Who knew that she would actually say "negative distance contact"!

He was having a meal with yang danqi. Yang danqi asked, "What's wrong?"

Chen jiahan quietly showed her his phone.

"Admit your mistake!" Yang danqi sneered.

Chen jiahan gritted his teeth and dialed Tian Yuan's number.

When Tian Yuan saw the caller ID, she gritted her teeth.

After a while, he heard a knock on the door.

She was shocked and remembered that she was with Lin weiqin. She hurriedly hung up the phone and ran to open the door.

Lin weiqin was standing outside in an apron and she shouted, " "Brother Wei Qin?"

Lin weiqin looked behind her and saw her phone on the bed. "Why aren't you picking up the phone?"

Tian Yuan didn't know how to explain herself when her phone rang again.

Lin weiqin looked at her deeply and said:

Tian Yuan didn't want to disturb him, so she quickly ran back to answer the phone and then turned to look at him.

He nodded slightly and went back to the kitchen with the spatula. Tian Yuan was stunned, not expecting him to have such a homely side.

"Yuanyuan!" Chen jiahan's voice was heard. I was wrong, okay? I was just acting on impulse. You're the one I love!"

"I can't tolerate any sand in my eyes!" Tian Yuan said, " I don't care if you're acting on impulse or if you've thought it through. Anyway, you've touched someone else, so I don't want you anymore!

you ... Lin jiahan was dumbfounded. No matter how many moves he had, when faced with her reaction, he had nowhere to put them to use!

"From the moment I found out that you cheated on me, our relationship was over!"

Lin jiahan saw that yang danqi was glaring at him like a tiger and couldn't help but get angry. "Tian Yuan! Why are you so high and mighty? Which man didn't have needs? If you don't give it to me, won't you allow me to think of a way to solve it?"

"You don't have hands!" Tian Qi shouted.

Lin jiahan was stunned and said angrily, "Men are all like this, it's fine if you don't want it! Don't tell me you're still looking for a Virgin?"

"I don't want a Virgin! I don't care how much history you have before me, but you can only be mine! If you can't do it, then get lost!" Tian Yuan hung up the phone in anger.

Chen jiahan slowly put down his phone and looked at yang danqi. "It looks like it won't work, Yingluo."

Yang danqi lowered her eyes and said, "you can ask her out and explain it clearly." Did she give you a present? Give it back to her! We're using this as an excuse to meet!"

"Why?" Chen jiahan was puzzled.

Yang danqi glanced at him and chuckled, "If you ask, I'm not afraid to tell you."

She hooked her finger at him, and he was like an obedient dog, stretching his head over.

Yang danqi whispered a few words into his ear and he was shocked, "Why did you do that? First, she told me to chase her, then ..."

"I naturally have my own reasons. Your heart is aching, isn't it?" Yang danqi looked at him with dissatisfaction.

He hesitated for a moment and didn't dare to make a sound..

Chapter 1618: Afraid of losing you

Tian Yuan put down her phone and sobbed softly on the bed.

She liked Chen jiahan very much, and at this moment, her heart felt as if it was being torn apart. She couldn't help but wonder if she should forgive him. That way, at least she wouldn't lose his Hanhan.

No! No!

There were some things that could not be tolerated.

In fact, nothing could be tolerated. As long as there was one, there would be two, three, and so on. There was no end to it. They only looked at which ones were harmless and which ones were absolutely not.

Of course, he could not do such a thing.

She would rather be sad now than be sad for the rest of her life!

Knock, knock, knock-

Someone knocked on the door again.

Tian Qi sat up abruptly and wiped her tears in a hurry.

Really, if I had known, I wouldn't have come. I almost forgot that I was at someone else's house.

It was not good to be in someone else's house. She could not even cry. If she went home, her mother would definitely comfort her, Yingluo.

However, she did not want Tian Cheng to worry.

She took a tissue, wiped her tears, and went to open the door.

She had already given up on herself. Anyway, Lin weiqin had seen it before, so she didn't care if she cried more.

Lin weiqin glanced at her and said, "it's time to eat." &Nbsp;

"Yes." Tian Yuan lowered her head and followed him into the dining room.

There were four dishes and a soup on the table. There were meat and vegetables, and they were very exquisite.

Tian Yuan sat down slowly and said in surprise, "Brother weiqin, your cooking skills are really good!"

Lin weiqin smiled: " you haven't even eaten yet. How do you know that I'm good at cooking?"

I can tell, " Tian Yuan whispered. I can smell it.

Lin weiqin took a bowl of soup and handed it to her, " "Drink some soup first." "I'll do it myself!" Tian Yuan hurriedly went to get another bowl.

Lin weiqin directly placed the soup in front of her and picked up another bowl to continue scooping the soup.

Tian Yuan had no choice but to drink from the bowl.

"Did you quarrel with your boyfriend?" Lin weiqin asked.

Tian Yuan's movements froze, and she buried her head deeper.

Lin weiqin's throat rolled twice, and he slowly drank the soup, his eyes dark and gloomy.

Tian Yuan suddenly raised her head and said, "brother weiqin, Wanwan."

"What?"

"Aren't you men all very casual?"

"Why do you ask?" Lin weiqin asked.

"What does loyalty mean to you? If you have a girlfriend or a wife, would you still look for someone else?" your boyfriend cheated on you? " Lin weiqin asked sharply.

Tian Yuan lowered her head and said, "maybe it's my fault." "I've always refused to do that with him." Is he Yingluo?"

"Don't believe in those things." Lin weiqin put down the bowl, and the bottom of the bowl hit the table, making a crisp sound. if he really cares about you, he'll be scared.

"Afraid?"

"I'm afraid of making mistakes, afraid of losing you." Lin weiqin stared at her intently. everyone knows that women don't share a man with others. It's the same for men. So even if he really didn't understand, he should understand that he couldn't allow other men to touch his woman. If that's the case, then the fact that he cheated on you proves that he's not afraid of losing you and doesn't care about you at all."

Hearing this, Tian Yuan's tears fell, and she said sadly, " "You're too much, Yingluo"

Lin weiqin was shocked and asked in a hurry, " "What's wrong? I .

"Why did you expose me?" Tian Yuan looked up and cried as she asked, " why?

ran ran is clearly your bad habit! How could he not care about me? He's carrying me, which means he's still afraid of me finding out!"

"Then you can go and find him!" Lin weiqin was furious.. he made a mistake and you're still finding excuses for him? You deserve to be hurt by him! You should just forgive him!"

Chapter 1619: I won't mess around

Pa!

Tian Yuan slammed the table and stood up, looking at him angrily.

He leaned back in his chair and said with a straight face, " he carried you only because of the excitement. He's not afraid that you'll find out!

Tian Yuan slapped the table again and said in a trembling voice, " "You still dare to say that!"

"You ate my food here, why can't I tell you?" Lin weiqin pointed at the food on the table.

When Tian Yuan saw this, she straightened her neck and didn't eat!" I only drank the soup!'

Lin weiqin choked and glared at her, " "You've been eating a lot since you were

YUU11b'.

Tian Yuan was taken aback and immediately felt a lack of confidence, so she sat down silently.

Speaking of which, she had really eaten a lot of Lin family food when she was young. However, now that she had grown up, she didn't visit him casually like when she was young and didn't eat much.

Lin weiqin saw that she had sat down and heaved a sigh of relief. She picked up her bowl and filled it with rice, then picked up some food for her. She said softly, " "Since he's not good, then don't want him. You're such a good person, who can't you find?"

Tian Yuan looked at him with tears in her eyes and said,"but you men are all like this!!!"

"Who said that? I won't mess around!"

Tian Yuan was stunned and her eyes widened.

He turned his head and said uneasily, "that's exactly what I think." If you like someone, you have to be loyal to her and everything will be hers. I can't bear to let her things be stained with even a little dust. Besides, when you really like someone, you'll really be afraid. You can't wait to perform to the best of your ability, and you can't wait to be perfect. How would you dare to make mistakes? Think about it, has your father ever done anything rash?"

"He..."

Tian Yuan wanted to say, "he's been messing around a lot!"

Even after so many years, she could still find the gossip about Zeng Shuai when he was young. She had read a lot of them.

However, after having her mother, he had indeed become more obedient.

Not only her father, but many other people-Sheng nanxuan, Sheng Yiting, and Wu Di-did not mess around!

Even if they had it when they were young, they would have turned over a new leaf after meeting someone they truly liked.

So, Chen jiahan was not a good match for her.

She heaved a sigh of relief and picked up the bowl to eat in big mouthfuls. Lin weiqin stared at her and asked nervously after a moment, " "Is it good?"

Tian Yuan slowed down. She had eaten too fiercely just now and didn't taste it well. Now that he tasted it carefully, it was really delicious.

She nodded, tears still hanging on her eyelashes.

Lin weiqin chuckled and handed her a tissue, " "Wipe your tears."

Tian Yuan took it awkwardly, lowered her head, wiped it, and continued to eat.

After she finished eating, she asked to wash the dishes.

"There's no rule in the Lin family for girls to wash the dishes, you should go and rest," Lin weiqin said.

"But Yingluo"

"Go on." Lin weiqin said helplessly, "take a good bath and have a good sleep. Everything will be fine tomorrow.

Hearing this, Tian Yuan wanted to cry again, so she went back to the guest room with her head lowered.

Then she remembered-which girl in the Lin family didn't wash the dishes? When she went to the Lin family's house as a child, didn't Lin weiqin specifically instruct Lin weiran to wash the dishes?

In the morning, Tian Yuan woke up in Lin weiqin's guest room. Thinking of what had happened yesterday, her heart ached terribly.

She covered her head with the blanket and hid in the bed to recuperate for a while before she got up.

When he opened the door, a piece of paper fell from the doorknob.

He picked it up and saw the words,"there's a new toothbrush and towel in the bathroom.'

She didn't need to guess to know that it was written by Lin weiqin. Her handwriting was as beautiful as ever.

In the past, she had always thought that with such beautiful handwriting, the success rate of writing a love letter to a girl would be higher..

Chapter 1620: He held his breath

Tian Yuan craned her neck and looked around. It was quiet all around, so Lin weiqin had probably gone to work.

She heaved a sigh of relief and walked into the bathroom to wash up. Then, she went back to her room to pack her luggage and pushed it out.

She took the note and planned to leave a message for him.

She walked into the living room and smelled the aroma of food. She was shocked and looked up to see him sitting at the dining table.

He was reading the newspaper when he heard her movement and looked up.

“You’re up?”

mm, ran ran. Tian Qi looked at him in a daze. He didn’t go out? Why aren’t you making a sound?

“Come over and eat.” Lin weiqin stood up.

Tian Yuan pushed her luggage over and placed it by the wall. She asked awkwardly, “When did you wake up? Why didn’t you wake me up?”

“I know that you girls like to sleep in, so I didn’t disturb you.” He chuckled. how is it? Are you feeling better after a good night’s sleep?”

“Yingluo, yes.” Tian Yuan bit her lip. She was still very sad, but she didn’t want to affect him with this emotion.

“Have a glass of water first,” he said as he poured her a glass of warm water.

“Thank you,” he said. Tian Yuan took the water and drank it while looking at the food on the table- oatmeal, sandwiches, and fried eggs were quite sumptuous.

“You made it?” She asked softly.

“Yes.

Tian Yuan couldn't help but exclaim, “you're so capable!” “It's nothing much, let's eat first.” Lin weiqin smiled.

“Yingluo is so embarrassed.”

“You've already sat down.”

Yingluo! she didn't think of that just now!

Tian Yuan pursed her lips gloomily and said in a bad mood, “Then I won't be polite!”

Lin weiqin laughed heartily, “you're welcome!” I don't know how to explain this to great uncle.”

“Hmph!” Tian Yuan picked up the sandwich and started eating it.

Lin weiqin glanced at her box and her eyes darkened.

After the meal, Tian Yuan said, “let me do the dishes!” I'm really sorry to have disturbed you for the whole night and not have done anything.”

“I won't disturb you.” Lin weiqin said, “but if you insist, then we'll take a shower.

“Alright!” Tian Qi breathed a sigh of relief and quickly cleaned up the dishes.

After entering the kitchen, Lin weiqin followed her in with an apron, “Wear this, don't dirty it.”

“Alright

Tian Yuan reached out and was about to take it when he said, " "Your hands are wet, let me help you."

"Alright," he said. Tian Yuan stood with her back to him.

He helped her put on the apron and tied the strap behind her back. He held his breath when he saw her fair neck.

After waiting for a long time, Tian Yuan asked in confusion, " "Still not done?" "It's done," He quickly tied the belt and stepped back.

Tian Yuan felt strange. She touched her neck and turned to look at him, but he had already turned around and left.

She shook her head, thinking that she was probably hallucinating.

After washing the dishes, she returned to the living room and saw Lin weiqin feeding the goldfish.

"Are you leaving?" he asked.

"Yes." thank you so much for troubling you yesterday, " Tian Cheng said, embarrassed. I'll treat you to a meal some other day? '

"Alright," he said. He smiled, put down the fish food, and walked over. I'll send you.

"No need!"

"It's fine, I'm free.'

Tian Yuan thought that since he was so bored that he was feeding the fish, he did seem to be free, so she agreed.

Lin weiqin carried her suitcase and took her downstairs. Then, he personally drove her.

The Tian family's house was not far from here. Although there was a traffic jam on the road, they arrived in less than half an hour.

After the car stopped, Lin weiqin helped to take out the box from the trunk.

When he handed it to Tian Yuan, he said, " Yuanyuan, you deserve to be treated well. Don't be sad and hesitate for someone who's not worth it..
