

Ditsy Wife 1691

Chapter 1691: Do you like Lin weiqin?

Tian Yuan put away her phone and soon heard the vibration again. She took it out and looked at it-

Lin weiqin asked, "what did you eat?"

[hotpot.] Tian Yuan took a photo and sent it over.

It was snowing when they returned to the hotel after dinner. There was less snow in the South, and the people on the road were pleasantly surprised. They looked at the snowflakes, screaming and taking pictures. Tian Yuan raised her head, and fine snow fell on her face.

"Yuanyuan." A voice came from the side.

Tian Yuan turned around and saw Si Chen standing in front of her.

"Let's go for a walk together?" Si Chen smiled.

Tian Qi saw that it was still early and nodded.

The two of them walked along the street. Si Chen asked, "Are you cold?" Tian Yuan shook her head and looked at the window by the roadside.

Suddenly, when they passed by a flower shop, Tian Yuan's footsteps paused) and then she quickly walked over.

Si Chen caught up with her, "Yuanyuan-

Tian Yuan turned around and saw that he was holding a bouquet of roses. He quickly walked to her, a little nervous. He took two deep breaths and handed the Rose to her. "Yuanyuan, I ..."

Tian Yuan took a step back and looked at him coldly with her clear eyes. Then, she turned around and strode away.

Si Chen's hand froze. He stood under the fine snow and slowly lowered his hand.

Tian Yuan ran back to her hotel room and rested for a while before sending a text message to Lin weiqin. Si Chen just gave me roses.

Two seconds later, the phone rang, and the caller ID was Lin weiqin.

Tian Yuan picked up the phone, and Lin weiqin asked, you agreed to his request?!

Tian Yuan was a little frightened and forgot to speak.

Lin weiqin thought that she had really agreed. He took a deep breath and a

huge wave of sadness hit him, " "Yuan Yuan Yuan Yuan"

"I didn't agree to it." Tian Yuan's voice was calm.

Lin weiqin was stunned.

"Why would I agree if I don't like him?"

Lin Yuqin immediately heaved a sigh of relief and was ecstatic, " "That's good,

Yingluo.”

“Do you like me that much?” She asked.

“Of course,” he said after a pause.

Tian Yuan thought of what had happened in the past and didn’t speak.

Lin weiqin opened his mouth, but he didn’t dare to ask her if she liked him.

The two of them did not speak) and only the sound of each other’s breathing could be heard.

I’m a little tired, I ‘ Tian Yuan broke the silence first. I’ll rest first.

“Alright,” he said. Lin weiqin’s voice was hoarse.

When Tian Yuan got up the next day, she received a text message from Si Chen.

Si Chen said, “I’m back in the capital.” Don’t take what happened last night to heart, it won’t happen again. I understand what you mean.

Tian Yuan did not reply.

After a while, he sent another message: You like Lin weiqin?

Tian Yuan looked at those words and replied after a long time, I ‘ Probably.

She didn’t know.

Tian Yuan returned to Beijing before New Year's Day and celebrated the new year with Tian Cheng and commander Zeng.

After staying at home for a few days, when she was about to return to her own place, Tian Cheng said to her, " "Yang danqi has been released from prison and will continue to be in the circle. If you bump into her, be careful, in case she does something again."

"Only three years in prison?" Tian Yuan was stunned.

of course not, " Tian Cheng shook her head. but your performance was good, so your sentence was reduced.

Tian Yuan remained silent in a daze.

Zeng Shuai gritted his teeth, 'I still have to get approval from the higher-ups to reduce my sentence. It was all Lin Lei's doing! If he didn't help, who would dare to approve? If I had known this would happen, I would have paid more attention and not let him interfere!"

Tian Cheng sighed. Lin Jing is his sister, after all. Even if she's sick, she has a hard life. How can he not be heartbroken?

Besides, Lin weiqin had been shot and refused to get married because of Tian Yuan. How could he not be resentful? Naturally, he would give them some trouble if he could.

"Just wait and see, the BOSS will definitely beat him up!" Zeng Shuai sneered..

Chapter 1692: You don't have to apologize to me

Tian Cheng had a different opinion, 'he has a good son! You just watch, at most you'll say a few words!"

After saying that, she suddenly froze and hurriedly glanced at Tian Yuan. She was only relieved when she saw that Tian Yuan had no expression.

“What does it have to do with his son?” Tian Yuan was puzzled.

“Ahem, ahem, ahem.” Zeng Shuai choked and looked at her. Why was she so calm when she mentioned Lin weiqin?

“Forget it if you don’t want to say.” Tian Yuan stood up. I’ll go back first.

ah ... Zeng Shuai was stunned. He thought about it and didn’t bother to say anything. He didn’t like Lin weiqin at all, Hmph!

After Tian Yuan went back, she held her computer and checked Lin weiqin and Lin Lei’s information.

Of the four major subsidiaries of the Huan mo group, Lin Lei’s brilliant night electronics was the most profitable. Sheng nanxuan naturally relied heavily on it.

Lin weiqin’s information was a little vague. She didn’t think about it in detail last time, but now that she looked at it, his research seemed to involve National Defense.

She must have studied something good for Sheng Yiting, or her mother would not have said that.

As Tian Yuan was thinking about this, she received a text message from her phone.

He took a look and saw that it was from Lin Wei.

[when are we having dinner together?]

Tian Yuan replied, [I heard that your cousin has been released from prison.

Have you seen her?]

A moment later, he called.

Tian Yuan picked up the phone and heard him say, "I'm sorry, I only found out two days ago."

"Two days ago?

yes, Auntie and the others came to our house for dinner.

"But you don't have to apologize to me."

Lin weiqin paused and didn't say anything.

He was indeed sorry for this matter, as he did not know about it beforehand. Yang danqi was originally sentenced to seven years in prison. Now that she was released so early, it would be strange if Lin Lei didn't help!

If he had known earlier, he would definitely not have agreed.

"I'm tired of eating outside." Tian Yuan said, " come to my house to do it. Lin weiqin was overjoyed,"good!" Should I go buy some groceries?

"Alright," he said.

[latest entertainment news: yang danqi, who has disappeared for more than three years, reappears at a commercial event.]

At the event, yang danqi was wearing a new brand of clothing and was smiling. Compared to three years ago, she was less energetic but more calm. After the event ended, a group of reporters surrounded yang danqi and asked "Danqi, may I ask where you've been for the past three years?"

"I heard that you're getting married and having children. Is that true?"

why did he disappear without a trace in three years?

Yang danqi had good parents. Even if Yang Jing and Lin Jing could not compete with the Sheng family, they could still gain many benefits with Lin Lei's support.

At least, few people in the circle knew that she was involved in a lawsuit and went to prison. Those who knew didn't spread it, let alone the media and the public.

If she was willing to turn over a new leaf at such a young age, of course, everyone would not ruin her future.

Hence, she was able to return successfully now.

In the face of the reporters' questions, she smiled and said, "I went abroad for further studies and got a master's degree."

No one believed her, but they didn't expect her to be in jail. They guessed that she was giving birth.

However, no matter how they asked, she refused to admit it and insisted that she had gone abroad to study.

After Tian Yuan finished watching the interview, she turned off the TV and snorted in her heart. I haven't even said that I'm really going to study, and you have the cheek to say that you're going to jail? You'd better behave yourself, otherwise ...

Yang Jing wasn't at Star Entertainment, and neither was yang danqi, so Tian Yuan didn't have many chances to meet her.

This was also good, they would mind their own business.

During the new year, Tian Yuan stayed at home. She only returned to her place when the ordinary office workers had to go to work..

Chapter 1693: Valentine's

The next day was Valentine's Day. CEng Shuai and Tian Cheng (mainly CEng Shuai) still wanted to spend some alone time with each other, so they didn't ask her to stay.

She returned to her residence, cleaned the place, took care of a few pots of plants that she had not taken care of for days, and wrote her script until midnight. The next day, she was woken up by the doorbell.

When she got up, she realized that it was already ten O'clock. She went to open the door in her pajamas and saw that there were people delivering flowers outside.

Tian Qi was stunned. She accepted the flowers with anticipation and immediately took out the card inside after closing the door.

[daughter, daddy ordered three bouquets of flowers for you. You have to be happy~]

Tian Qi was so angry that she gritted her teeth and wanted to throw the flower on the ground.

Who asked him to meddle in other people's business?

Not only did he disturb her sleep, but he also had three bunches? Was he afraid that no one would want her and create a good market for her?

This was fraud!

Just as she was feeling depressed, the doorbell rang again.

Tian Yuan threw down the flowers, combed her hair, and went to open the door. Sure enough, it was the young man who had sent flowers outside.

The young man was frightened by her aggressive expression and took out a pen. "Please sign for Yingluo."

"Don't!" Tian Yuan roared, " throw it to whoever gave it to me!

I still have a lot of flowers to send today, " the young man said pitifully. please don't make things difficult for me, okay? '

Tian Yuan was stunned. She took the pen and signed it, then threw the flowers aside after entering the room.

After lunch, she received another bunch. She couldn't help but send Tian Cheng a text message: "Dad is a little bored! If you have the heart to send me three bouquets of flowers, you might have a mistress outside!"

Tian Cheng replied,your dad wants to please you, but you don't know what's good for you?' Then go get yourself a boyfriend. Your dad doesn't need to worry.

"F * ck!" Mommy has changed. She's actually loyal to daddy! Was the baby not important anymore? Hmph!

Two hours later, Tian Cheng received another bouquet of flowers. Suddenly, she felt that something was wrong.

Why were there four bunches?

She jumped up and picked up the card to check it. She realized that the second bouquet was from Lin weiqin, Wanwan.

Tian Yuan looked at the words on the card-" happy holiday-Lin Yuqin "-and was dumbfounded.

The flowers had been harvested for a long time, so wouldn't it be bad if she didn't give a response?

She picked up her phone and sent a message: I received your flowers, Yingluo.

Lin weiqin:

[my dad said he ordered three bouquets of flowers for me. I thought it was her, so I didn't look at the card. I only realized it when I received the fourth bouquet.]

Lin weiqin immediately called her. Tian Yuan picked up the phone and heard his laughter.

He laughed and said,"I thought it was a cough!" The person who sent the flowers called me and said that you were unhappy. I didn't contact you after that."

"I thought it was my dad who was causing trouble." Tian Yuan said weakly, "he's so bored!

"He's doing this for you," Lin weiqin paused. he loves you very much.

yes, "Tian Yuan replied. She remembered how ruthless Zeng Shuai had been when he had beaten her up three years ago, Right, she seemed to have beaten him up a second time.

“Ahem!” Lin weiqin asked nervously and carefully, “is ran ran free tonight?”

Tian Yuan bit her lip, chuckled silently, and said in a low voice, “Although I’ve received a lot of flowers, my dad has to accompany my mom, so he definitely won’t ask me out. There’s no one else, Yingluo.”

“It’s still early, maybe there’ll be more later?”

“You’re right.” Tian Yuan said, “if you don’t, I’ll go to annian and xiaxia-”

“Why are you looking for them?”

the president and his wife must be going on a date too, They must be very lonely.

“An Nian doesn’t like it when others steal his sister.” Lin weiqin said, “I don’t have an appointment tonight. Why don’t we make up the bill together?” They could go and eat delicious food. There are many restaurants today that can’t

be entered by one person..”

Chapter 1694: The ear stud she received four years ago

“Alright,” he said. Tian Yuan agreed.

Lin weiqin paused.

“What’s wrong?” Tian Yuan asked.

"I didn't expect you to agree, Yingluo," he said, sighing. He agreed so quickly.

"I want delicious food." Tian Yuan snorted. if it doesn't taste good, I won't eat with you anymore.

"Yingluo is under a lot of pressure." haha! Tian Yuan laughed.

In the evening, Tian Yuan stood at the entrance of the neighborhood.

She was wearing a red dress and a white coat. Her hair was draped over her shoulders, and her bangs were tied behind her ears, revealing her forehead, face, and ears. She looked pretty and energetic.

Lin weiqin's car slowly drove over. She lowered her head and held the bag nervously.

Lin weiqin looked at her beautiful figure and sighed in his heart.

How could there be such a girl in the world? She would always arrive before the man on a date. Couldn't she just let him wait for her?

He stopped the car and walked over. have you been waiting for a long time?

Tian Yuan shook her head and walked toward his car.

He was stunned and hurriedly opened the door for her. "What's wrong? Are you not happy that I'm late?"

"You're not late." She whispered and got into the car.

He was stunned. He was indeed not late for the agreed time, but he was later than her.

He closed the door and turned to the driver's seat.

After getting into the car, he saw that she had already put on her seat belt, so he had no choice but to start the car. He could not help but feel nervous.

What did he mean by not saying a word?

No matter what, at least they had a meal together.

No matter what, there was a special meaning to this day.

Could it be

Was she nervous?

He looked at her, and she lowered her head to take out her phone and shouted, "Drive properly!"

Lin weiqin shivered and almost turned the steering wheel askew. He didn't dare to move and drove seriously.

He stopped the car at the entrance of the Western restaurant.

Usually, the waiters would take the initiative to open the door, but today, they were observant and stood still, leaving the opportunity to the man.

Lin weiqin got out of the car and walked over to open the door for Tian Yuan.

Tian Yuan took off her coat after getting into the car. At this moment, she held her bag and coat in one hand and got out of the car with the other hand. After standing up straight, Lin weiqin suddenly shouted, "Yuanyuan!"

Tian Yuan raised her head in confusion and saw that he was staring at her. To be exact, he was staring at her ears.

She was wearing a cassock that he had given her for three years. It was an earring that he had given her four years ago.

The White pearls and shiny diamonds were just like before, just like his feelings for her.

Lin weiqin was very excited. He knew what this meant.

Tian Yuan reacted, blushed, and lowered her head in embarrassment.

He suddenly reached out and pulled her into his arms.

Yuanyuan, Yuanyuan. he hugged her tightly, unable to control his excitement.

He had been waiting for this day for far too long.

He was so excited that he trembled slightly, and he kissed her hair.

Tian Qi blushed and pushed him away. She did not manage to push him away, so she gave him a hard push and glared at him."W-what? Observation period!

Don't mess around!"

Lin weiqin smiled. She was so cute.

Tian Yuan's face turned even redder, and she growled, " "Don't laugh!"

Lin weiqin immediately put on a stern face and looked at her pitifully, like a big, gentle dog.

Tian Yuan choked, turned around, and walked into the dining room angrily.

Lin weiqin threw the car keys to the valet and chased after him.

Tian Yuan took a deep breath and calmed down, like a noble young lady.

He walked to the seat reserved by Lin weiqin and pulled out a chair for Tian

Yuan.

Tian Yuan picked up her coat and was about to put it on the back of the chair when he immediately said,
" "I'll do it!"

Chapter 1695: Is this your new girlfriend?

Tian Yuan glanced at him and handed it to him.

He smiled slightly, and his eyes were full of joy. He waited for her to sit down before going to his seat.

He suddenly regretted it.

He was afraid of awkwardness, so he had booked a table in this Hall. There were so many people around. If she didn't like him, he would just treat her as an ordinary friend.

If he had known that there would be such great progress, he would have booked a private room with good privacy.

This was their first date, right? I should leave some romantic memories, Yingluo,

Fortunately, he had bought her a gift and put it in his coat pocket.

Terrible! He left his coat in the car and didn't bring it in!

I can only wait until after dinner, Yingluo.

Lin weiqin blamed herself-why did she take a step forward, but she kept dropping the ball?

The waiter passed them the menu, and he asked nervously, "What do you want to eat?"

"I can order it myself," Tian Yuan glanced at him and said in a low voice.

Yingluo felt that she was being despised by her sweetheart. Was he really too stupid?

Lin weiqin lowered her head and looked at the menu quietly.

After Tian Yuan slowly finished ordering, he closed the menu and said to the waiter, "The same as her."

"Why are you being lazy?" Tian Yuan glared at him.

Lin weiqin,"ran ran."

He took the menu back and began to order seriously. Every dish was different from hers.

Tian Yuan smiled in satisfaction.

“I’ll give you mine too,” Lin weiqin said.

“Ahem!” Was she that obvious?

Lin weiqin sighed in his heart. He didn’t know if she was really on a date with him or if she was here to eat delicious food.

“You two don’t want wine?” The waiter asked.

Lin weiqin glanced at Tian Yuan, and seeing that she didn’t give any advice, he ordered champagne and white wine,

When the waiter served the meal, he gave three glasses, one for champagne, one for wine, and one for water.

Tian Yuan didn’t touch the wine and just kept drinking water.

Lin weiqin looked at her. She said, it’s easy to get into trouble when drinking. I don’t drink anymore.

“Yingluo knows.”

“What does it have to do with you?” Tian Yuan was stunned.

“I won’t drink it anymore.”

Tian Yuan laughed helplessly and lowered her head helplessly.

This person was really, actually pretending to be obedient. This Baobao didn't say that I'll accept you, so why are you in a hurry to show your loyalty?

Lin weiqin gave her his dessert and she said unhappily, " "I've gained a lot of weight."

"I can't tell."

"Are you going to take responsibility if I gain weight?" Tian Yuan glared at him.

Lin weiqin lowered his head and chuckled, " "I'm just afraid you won't agree."

* Cough cough cough * Tian Yuan also lowered her head and ate his dessert with a red face.

He raised his eyes and smiled, looking at her attentively and tenderly. "I'll be your Kasaya in the future."

Suddenly, a surprised female voice was heard, " "Wei Qin ..."

Tian Yuan looked up, and her expression changed.

After Lin weiqin took a look, his expression also changed, and he quickly looked at Tian Yuan.

Tian Yuan pursed her lips, straightened her back, and remained expressionless.

A beautiful woman in a flirtatious red dress with long curly hair came over and put her red-painted hand on Lin weiqin's shoulder. "Long time no see, I didn't expect to see you here!"

It was also red, but Tian Yuan was wearing winter clothes, which made her whole body look warm.

However, she was wearing a cooling gown, and her entire person was radiant. Lin weiqin's shoulders collapsed, and her body swayed, almost falling down.

She hurriedly held onto the table and couldn't help but glare at him. Then she looked at Tian Yuan with a smile and asked, "Is this your new girlfriend?"

"Sister Leyi, I'm Yuanyuan," Tian Yuan raised her head..

Chapter 1696: Stay in hell forever

Le Yi, Lin weiqin's girlfriend from ten years ago, and his only girlfriend in this life, had broken up with her eight years ago.

Tian Yuan felt that Lin weiqin had remained single after they broke up, which meant that she had some weight in his heart. Her love for him might have just been an accident. How could she like him as much as he said?

If he really liked her, he wouldn't be with le Yi,

Obviously, she had forgotten that when Lin weiqin and le Yi started dating, she was only 13 years old.

Le Yi looked at Tian Yuan and smiled in surprise, "It's you ..."

She looked at Lin weiqin strangely and looked back and forth a few times. She sighed and said, "I didn't expect you two to be together."

"You're here for a date?" Lin weiqin looked at her.

Her face stiffened, and then she smiled. I was too excited to see an old friend. I would've forgotten if you hadn't reminded me.

Le Yi opened her handbag, took out a card from it and put it in his hand," it's my name card. Let's catch up another day

After she finished speaking, she walked away, swaying her hips.

Lin weiqin threw the name card on the ground and looked at Tian

Yuan,""Yuan Yuan- "

"I'm full!" Tian Yuan took a deep breath.

She stood up, picked up her bag and coat, and walked out.

Lin weiqin hurriedly followed her, and when he saw her walk out of the door, he reached out to pull out the ear studs on her ears. He rushed over and grabbed her, " "You can't do this to me!"

One of Tian Yuan's ear studs had already been removed, and she was staring at him stubbornly.

Lin weiqin's heart ached,"what can I say to make you believe me?" Tian Yuan, can you not be like this? Don't make me go to heaven and then hell- "

"Then you can stay in hell forever!" Tian Yuan roared, pushed him away, and strode away, throwing the earring on the ground.

Lin weiqin froze on the spot. She suddenly remembered that she had called her ex-boyfriend.

"I can't stand sand," she said.

Could it be that this was also sand?

Lin weiqin slowly walked over and found the ear studs she had thrown away along the street.

He held the earrings, the pearls and diamonds shining under the street lights. It was as eye-catching as it was on her ear just now, and it was as glaring in his palm now.

He clenched his hands, took a deep breath, and looked back at the dining room.

He could see the men and women inside through the French windows.

He didn't see le Yi, so he gritted his teeth.

Was her sudden appearance a coincidence?

Whoever dared to make him suffer, he would make their entire family suffer!

Tian Yuan walked quickly on the street, her whole body trembling.

She wanted nothing more than to start a happy relationship with him and be a happy couple in the future. She dressed up seriously at home, changing clothes one after another, and combing her hair one after another.

He, on the other hand, directly presented his ex- girlfriend to her!

She didn't care if he was wronged or not, but it was his fault! Who told him to get an ex- girlfriend!

It was supposed to be a day worth remembering, so why did she have to endure such disgusting people and things?

Tian Yuan raised her hand and pulled at her carefully woven bangs.

Her scalp was in pain, and her hair was in a mess. Like a crazy woman, she lifted her feet to take off her high heels and threw them on the ground. She sat on the steps by the roadside and cried.

The men and women passing by looked at her, pointed at her, and sympathized with her.

On a day like today, she didn't know if she had been rejected by someone, if she had been abandoned by her boyfriend on a happy date, or if she had just seen her boyfriend cheating on her.

"Tian Yuan!" A familiar voice came.

Tian Yuan looked up and saw Si Chen in a thick coat..

Chapter 1697: Don't make me angry

His face was full of anxiety as he sat down beside her and asked with concern, "What's wrong with you? Why is Yingluo crying here?" wuu ... Tian Yuan twisted his shoulder and cried on his shoulder.

Si Chen gasped-damn, Tian Yuan was so strong! No, this seemed to be a grappling hand. Could she have practiced it before?

waa ... Tian Yuan cried out with all her might.

Si Chen didn't feel the pain in his shoulder anymore. He asked with heartache, "Did Lin weiqin bully you?"

"Don't you mention him to me!" Tian Yuan roared.

Si Chen paused and raised his hand. He held the back of her neck and pressed her against his body. He said softly, " "Alright, Yingluo, you can cry then. I'll accompany you. "

Tian Yuan stopped crying and leaned on his shoulder, looking at the floor tiles in front of her with teary eyes.

The shadows of people flitted across the floor tiles, and many of them were in pairs.

"Yuanyuan." Lin weiqin's voice was heard.

She was shocked and turned her head to see him standing in front of her with a straight face and looking at her with a dark expression.

She glared at him fiercely and did not move

Si Chen looked at Lin weiqin for a moment, then reached out and pressed Tian Yuan into his arms.

Lin weiqin immediately rushed over and punched him in the face, then pulled

Tian Yuan up.

Tian Yuan staggered a few times to regain her balance. Her bag fell to the ground as he grabbed her hand, but she didn't struggle.

Si Chen got up and yelled at Lin Wei, " "What are you doing?"

Lin weiqin pointed at him. if you dare to have any ideas about her, I'll make sure you won't be able to survive in China!

Si Chen quivered and looked at Tian Yuan.

Tian Qi stood there in a daze and did not react at all.

He couldn't help but smile, knowing that he had completely lost.

No matter how fierce the quarrel between the couple was, it was still a fight at the head of the bed. What was he trying to get involved in?

He turned around and strode away.

The onlookers sighed in disappointment, "this person is too lacking in courage. He was scared away just like that. He should have fought, fought, and snatched!"

Lin weiqin heaved a sigh of relief and looked at Tian Yuan.

Tian Yuan looked up at him and began to struggle.

He picked her up in his arms.

Tian Yuan struggled and shouted, "let me go!" Lin weiqin, put it down!"

Lin weiqin turned a deaf ear and walked a few steps to his car, putting her in the front passenger seat.

Tian Yuan got up, but he blocked the car door with his entire body.

Tian Yuan pushed him a few times, but she couldn't push him away. She raised her head, and he slowly bent down and stammered, She suddenly felt a little scared and took a step back.

"I'll send you home," he said, staring into her eyes.

Tian Yuan glared at him.

He stood up and turned to leave.

The car door wasn't closed, so Tian Yuan got up and ran. The moment her feet touched the ground, she realized that she wasn't wearing shoes.

She was stunned for a moment. She looked up and saw him walking towards where she had been sitting.

She fell back into her seat and stared at the cold air in a daze.

After a while, Lin weiqin came over with her shoes and bag.

He was tall, like a noble prince.

He walked in front of her and placed his bag in her arms. He knelt down on one knee and helped her put on her shoes.

After putting them on, he looked up and so cold, don't take off your shoes in the future." Remember to take a bath in hot water when you get home, so you can sleep more comfortably at night."

Tian Yuan wanted to stand up, but he hugged her legs and stared at her threateningly. "Don't make me angry!"

Tian Qi stared at him in disbelief. He still wanted to be angry?

She moved a little, but he refused to let go of her.

She raised her bag and hit him. After a few hits, his hair was all messed up. She threw her bag down and cried.

Lin weiqin got up and hugged her, only letting her go after she had cried enough. He gently placed her on the seat and ran..

Chapter 1698: Do you think this is your own home?

The car stopped at the entrance of Tian Yuan's community. Lin weiqin lowered his head and unfastened Tian Yuan's seat belt. He picked up a jewelry box in the front of the car and placed it on her lap.

Tian Yuan looked over but didn't move.

"A holiday present." He said.

"Take it away!"

Lin weiqin didn't take it away. He put his hand into his suit pocket, took out the pair of ear studs, and put earplugs on her ears.

Tian Yuan pushed him away, grabbed the box in her hand, and threw it at his face. "Take it away!"

Lin weiqin froze and continued to put on her ear studs.

She pushed him away again and gave him a slap.

Lin weiqin closed her eyes and bent down to pick up the box. She opened the box and placed the ear studs inside. Then, she closed the lid and handed the box to her.

Tian Yuan saw that there was a crystal necklace in the box.

If she didn't remember wrongly, it was a new design from a certain big brand. There was only one of it and it was worth a lot.

"What do you want if I don't want you?" She yelled at Lin weiqin, then lowered her head and started crying.

Lin weiqin paused and slowly put the things back.

Tian Yuan opened the door and got out of the car. She cried as she walked into the community.

The next morning, her eyes were completely swollen.

After washing up, she cut two pieces of potatoes and put them on her eyes. She lay on the sofa in a daze.

She was a little hungry. She was thinking about what to eat, so she might as well starve to death!

As he was thinking, the doorbell rang.

She hesitated for a moment and slowly got up, the potato chips falling from her eyes.

She threw the potato chips into the trash can and went to open the door.

He looked through the peephole and saw that it was Lin weiqin.

She turned around and leaned against the door, feeling angry and conflicted.

After a few minutes, she still hadn't decided whether to open the door or not, but her phone rang.

She ignored Lin weiqin and went to look at her phone.

It was a text message from him-I brought you breakfast, it's getting cold. Tian Yuan was furious. She rushed to open the door and shouted at him, '

"You ..."

"Let's eat first?" Lin weiqin lifted the thermal lunch box in his hand.

"I don't want to eat ...

Lin weiqin lowered her head and stood there pitifully.

Tian Qi was stunned. She slammed the door and turned around.

Lin weiqin heaved a sigh of relief and immediately followed.

He put down the thermal lunch box and went to the kitchen to get the utensils. When he came out, Tian Yuan shouted,"do you think this is your own house?!"

"I made you some purple sweet potato porridge." Lin weiqin said in a low voice as she opened the thermal lunch box and scooped some porridge into it. we'll talk after you finish eating.

When Tian Qi was willing to open the door for him, he became nervous. He was afraid that if he did something wrong, he would be chased out by her.

“Want to try it?” he walked over with the porridge.

“I don’t want to eat this!” Tian Yuan turned her head.

“Then what do you want? I’ll make it for you immediately.”

Tian Qi was stunned. She didn’t know what she wanted, so she lowered her head and cried.

Lin weiqin’s heart ached and she pushed the porridge away. then let’s talk first

...

“I don’t want to talk to you!”

Yuanyuan ... Lin weiqin was helpless.

“Go look for your ex-girlfriend! ”

Lin weiqin paused and asked carefully, “ “You’re so angry, can I assume that you like me?”

Tian Qi’s eyes widened, and she jumped up to hit him.

Lin weiqin saw that things weren’t looking good and pounced on her to hug her, “ “I was wrong!”

“Let go!”

“I was really wrong!” Lin weiqin hugged her tightly and knelt on the floor, ‘

I should have waited for you in the first place. I shouldn’t have dated someone

“What did you just say?” Tian Yuan didn’t understand.

Lin weiqin raised his head and looked at her. I liked you when you were still in primary school..

Chapter 1699: So I’ve decided to wait for you

Tian Qi’s eyes widened and she looked at him in disbelief.

He raised his hand and gestured, “you were about this tall back then, and I was about to graduate from college.” Anyway, you’ve always been cute in my eyes since you were young. No one else can be compared to one-ten-thousandth of you! Wei Ran was still messing with me. She asked me who my real sister was. But one day, you were so cute that I couldn’t help but want to kiss you. I was shocked and felt that I was a pervert. You were still in primary school, how could I have such thoughts about you? So, I can only distance myself from you and not dare to be nice to you anymore, Yingluo.”

Tian Yuan remembered that he had indeed slowly distanced himself from her at that time, and he had lost his temper at her for no reason, causing her to slowly distance herself from him as well.

“But I still couldn’t. I couldn’t forget you, so I got myself a girlfriend.” Lin weiqin said painfully, “I’m very serious about dating, but dating and shopping are like completing a mission. I don’t like it at all. When you graduated from junior high school, you went to celebrate your aunt’s birthday. I was there too. That day, you were wearing a little dress. The top was champagne colored, and there were butterflies and flowers at the bottom.’

“It’s Fengye Zhenzhen,” Tian Yuan corrected him weakly.

“It’s Fengye.” Tian Yuan said with certainty, “there are photos as evidence. Lin weiqin thought for a while and took out her phone to look at the photos. “You have one too?” Tian Yuan craned her neck and took a look.

cough, cough, cough. Lin weiqin didn't dare to let her see the screen. He sneakily opened the photo album and took a look. It was indeed Fengye.

He said in been looking at it all the time, why didn't I notice it?" I've always remembered it as a butterfly."

"Butterfly then." Tian Qi asked, " what happened after that?

"Ahem!" Lin weiqin looked at her guiltily and blushed as she looked away.

that day, I suddenly realized that you're not a child anymore. Your waist is your waist, and your butt is your butt. You're like an adult.

Tian Yuan chimed in,"whoosh, whoosh, Whoosh!" He couldn't have been fantasizing about her in his mind at that time, right? He was simply a beast!

Lin weiqin said faintly,"at that time, I thought that I was also very young and we weren't that far apart." So I've decided to wait for you, wait for you to grow up."

Tian Yuan had never expected that he had such hidden feelings for her.

She felt a little relieved, but she didn't believe it. "I'm Yingluo. How would I know if you're telling the truth?"

Lin weiqin paused, "how do you want me to prove it?"

"I'm Yingying!"

"I have a clear conscience!"

“Then you and le Yi . . .”

“We’ve only held hands.”

Tian Yuan’s eyes widened, ‘how is that possible? You two have been together for two years!’

“I can’t do anything else, but I can’t help holding hands.”

“I suddenly feel like you’re a scumbag,” ‘Ilian Yuan mumbled.

“It’s all because of you!” Lin weiqin replied.

“But le Yi is innocent.’

Lin weiqin paused for a moment. I’ve let her down in the past, but at least I didn’t hurt her. I bought her clothes and bags when she wanted them. We’re even now!

Tian Qi immediately felt sour and asked angrily, “You even bought her clothes and bags?”

He started sweating. Back then, he had used her as a shield for the sake of his conscience.

However, there was no need to explain this kind of thing. Tian Yuan was a Petty Girl!

He coughed and said, “I’ll only buy it for you in the future.”

Tian Qi snorted and turned her head away.

Lin weiqin leaned over and asked pitifully, “I’ve already confessed, can you not be angry?”

"I'm going to get angry, what can I do?" Tian Yuan asked deliberately..

Chapter 1700: You 're my boyfriend now

"Then I'll continue to beg you." Lin weiqin hugged her waist and lowered his head to rest on her lap.

Tian Yuan pushed him and said,"get up!" You're so heavy, don't press on me!" The words "Yingluo" made one's imagination run wild.

Lin weiqin stood up silently, picked up the porridge and asked, " "Do you want to eat?"

"Are you going to starve me to death if I don't eat?"

Lin weiqin smiled and immediately a little cold, I'll go heat it up for you." What else do you want to eat? I'll make it for you!'

Tian Qi lay lazily on the sofa. you can see for yourself. I don't know what to eat.

Lin weiqin looked at her hesitantly and went to the kitchen to cook.

Tian Yuan glanced at him, bit her lip, and pondered. Was he telling the truth? Did you really like me that long ago? Why did she feel like she was dreaming?

After a while, Lin weiqin came back with a bowl of hot porridge.

Tian Yuan took the porridge and ate it slowly, while Lin weiqin looked at her nervously.

She glanced at him and turned to the side.

Lin weiqin clenched her fists and asked carefully, " "Now that the truth is out, can you be my girlfriend?"

Tian Yuan paused and glared at him. you want to bribe me with a bowl of porridge?!

Yingluo had another pot over there, and she had made so many delicious dishes before.

"At least two bowls!" Tian Qi said mischievously as she held back her laughter.

Lin weiqin was extremely excited and pounced on her to hug her.

Tian Yuan 1 haven't agreed to it yet!"

Lin weiqin paused and turned to the kitchen to get another bowl of porridge. "Two bowls!"

"Yingluo's price has increased! It's no longer the same as before!"

"For a lifetime." Lin weiqin thought for a while.

"What?"

"I'll cook for you for the rest of your life, lots and lots of delicious food." He looked at her seriously.

Tian Yuan pursed her lips, her cheeks blushing.

She lowered her head and said with a smile,"then I'll have to consider it,

Yingluo."

“You’re still considering?”

you’re saying sweet words now. I feel like I’ve been bewitched, so of course I have to consider it.

“How are you confused? If you’re bewitched, just nod.” Lin weiqin said gloomily.

Tian Yuan bit her spoon and looked at him with her black eyes. She put down the bowl. She had already finished the porridge.

She picked up the second bowl and ate it silently.

Lin weiqin thought for a moment, then picked up the empty bowl and went to the kitchen.

After a while, a fragrant smell came from the kitchen.

Tian Yuan looked at him in confusion. A few minutes later, he brought over a scallion pancake.

“It’s tasteless to just eat porridge. Eat this.”

Tian Yuan glanced at it, but didn’t move. She held the bowl and drank the porridge with all her might.

After she finished, she put the bowl down and looked at him. “Two bowls!

You’re my boyfriend now! ”

Lin weiqin paused and was a little dumbfounded.

When Tian Qi saw that he did not respond, she turned around in dissatisfaction and grabbed the pillow hard.

See, see, he said he liked her, but he didn't like her at all!

The next second, Lin weiqin rushed over to hug her and asked excitedly, "Yuanyuan, I'm not dreaming, right?"

"I want a lot of delicious food!" Tian Yuan turned around.

"There is." Lin weiqin smiled, cupped her face, and kissed her.

Tian Yuan was taken aback and was a little unaccustomed to it.

This was the third time they had been intimate, apart from the two times he coughed.

He had kissed her that night as well, but he had been drunk then, and it was different from now.

Lin weiqin was a little excited at first, but when he realized that she didn't react, he calmed down.

He paused, hesitating as he pressed his lips against hers.

Should I retreat?

She was already his girlfriend.. Wasn't that his right?
