Chapter 171

171 The prenatal examination

“I’ll help you.” Sheng nanxuan turned around. you lie down. I’ll make you supper first and then take a shower. Be good ~ don’t dislike me, I definitely won’t get the smell of smoke and alcohol into the supper.”

...

Gong mo pushed him away and lay down in a Huff. After he left, she couldn’t help but wrap herself in the blanket and laugh.

.....

On the morning of the weekend, Sheng nanxuan and mother Zhai took Gong mo to the hospital for a prenatal examination.

Sheng nanxuan had wanted to ask Fang Yang to make an appointment with the best doctor for him. It was inevitable that he would have to use the name of the night God. Given time, it was only a matter of time before the people around him were exposed.

Although he liked peace and quiet, it was not a bad idea to expose his identity for the sake of his wife and children.

However,

After Wu Di found out that Gong mo was pregnant, he told Gong mo that he had someone in the hospital and that he could ask him for help if he needed it.

Sheng nanxuan did not stand on ceremony.

The Wu family was mainly involved in the medical industry, and they used their name to suppress people, but it was probably not as convenient as their own people.

What was the saying? A strong Dragon could not suppress a snake in its own territory. It was the same logic.

Wu Di knew that Gong Mo's prenatal examination was today, so he had been waiting at the entrance of the hospital early in the morning. When they arrived, she would personally take them to the Obstetrics and Gynecology Department.

When they reached the office, Wu Di saw two doctors there and asked, "Where's your Department Director?"

One of the female doctors stood up and said, "It's third young master. The director has gone to a meeting." Today, professor Yu came to visit and many people went to welcome him."

uncle?" Wu Di's expression changed. my third uncle is here?"

"Yup ~"

"Why didn't you say so earlier?" Wu Di felt a little unlucky. when will the director be back?"

we don't know,"the doctor said.

"Then let's sit down." Wu Di said to Sheng nanxuan.

Mother Yan felt embarrassed and said in a low voice, "Do I have to be a Department Director? It'll be the same even if you change the doctor."

"Let's just wait." Sheng nanxuan said, "I'm tired from the journey. I can take a break.

He wanted to find out more about the Yu and Wu families, and the medical industry might be involved with the Sheng family. Of course, he wanted to stay and see what would happen.

It was a private hospital with good service. There was a special lounge in the Gynecology and Obstetrics Department for the pregnant women and their family members. In the lounge, there were related books to read, as well as desserts and drinks to order.

Her mother felt that it must be expensive to give birth to a child in this hospital, but she did not say anything at this time. Gong mo and their child were the most important. A good doctor was better than anything else.

After the nurse brought some snacks and tea, she asked Gong mo in a low voice, "Do you need money for this?"

"I don't want to." this is the standard of service, "Gong mo said softly. otherwise, why would it be more expensive than a public hospital?"

"Tsk tsk tsk tsk tsk." Her mother couldn't help but shake her head.

Sheng nanxuan laughed. from your expression, "he asked Wu Di," you don't seem to want to see your third uncle? "

"Who wants to see him?" Wu Di complained, " I didn't even dare to greet him at the banquet last time! It's not like you don't know that our two families don't get along."

Yu Qingliu was like a lunatic. In addition, the Yu family and the Wu family had not been on good terms all these years. Wu Di really did not want to see him!

then why did he come here to visit? "

"Tsk, we're just disappointing family! My dad wants him to be the hospital director."

The Wu family didn't have a genius doctor like Yu Qingliu, and this hospital was run by the Wu family, so it was now managed by Wu Di's father. However, Wu Di's father's medical skills were limited. Although his management skills were good, he still hoped that a director with high medical skills would be in charge.

The decision to make Yu Qingliu the Dean was largely made by Wu Di's father alone.

Chapter 172

Yu Qingliu's hostility

Wu Di couldn't understand why his father would stick his warm face to the cold butt of the Wu family when they were already at odds with each other!

...

At this moment, there was a commotion outside.

Wu Di heard his father's voice-

"This is the VIP lounge of the Gynecology and Obstetrics Department, Yingluo."

"Third young master just brought a friend over, and he's resting inside," another voice said.

It was a doctor from the OB/GYN Department.

Wu Di frowned and stared at the door. Did they want to come in? But he didn't want to see his third uncle at all!

But the door still opened.

Wu Hao brought Yu Qingliu and a group of doctors and directors into the room.

“Wu Di!” Wu Hao glanced at Sheng nanxuan and Gong mo. are they your friends? ”

“Yes.” Wu Di stood up and had to introduce both parties. my classmate, Sheng nanxuan.

“Sheng?” Wu Hao’s smile froze. He said reluctantly, “the Sheng family of Nanjiang?”

“Yingluo is.”

Sheng nanxuan wanted to deny it, because he had already cut off all ties with the Sheng family. However, there was no way to change his background, so he could only answer this way.

He extended his hand and shook Wu Hao’s hand. “Sorry for the disturbance.”

Wu Hao’s expression was indifferent. He immediately pulled back his hand after shaking it, obviously unwilling to have any contact with him.

you’ve already graduated. You should find something serious to do. Don’t waste your time! Wu Hao said to Wu Di.

“Let’s go to other places.” Yu Qingliu suddenly said. She looked at Sheng nanxuan coldly and turned to leave.

Wu Di called out to the director of the Obstetrics and Gynecology Department in a low voice, and the director stayed behind.

I’m sorry, “Wu Di said. I’ll have to trouble you to do a prenatal examination for my friend.

Yu Qingliu suddenly turned around, her cold eyes landing on him.

He was shocked and looked at him in confusion.

Yu Qingliu smiled and said to Wu Hao, "although it's a private hospital, there should still be rules." If I'm the Dean, I won't allow such a thing to happen!"

Wu Di, "Wuwu."

Yu Qingliu flicked her hand and left.

Wu Hao glared at Wu Di and followed with his men.

The director wiped his sweat and asked Wu Di in a low voice, " "Why don't we wait?"

"Wait, wait, wait for what?" Wu Di felt very embarrassed. my friends are all here! Are you making a pregnant woman wait? I want you to check it now!"

this Yingluo ... Gong mo and mother Gong felt very embarrassed. why don't we just forget about it? "

Aiya, the world is big, but the pregnant woman is the most important. How can we just forget about it? " Wu Di said, " the director is not busy. You've all waited for a long time, go for an examination first! Don't take my uncle's words to heart, he's a very unpredictable person, so just treat his words as farts!"

"Then let's go for a checkup," said Sheng nanxuan.

"Is it alright?" Gong mo asked softly.

"What's the relationship?" Sheng nanxuan hugged him and whispered, " if we don't ask Wu Di for help, we can ask Fang Yang for 'help'.

Gong mo came to a realization!

He was so powerful, why would he need Wu Di's help? He accepted Wu Di's good intentions. He said that he was younger to make friends with Wu Di, but he said that he was older to give Wu Di face.

Yu Qingliu's words had probably offended him. She couldn't help but mourn for the Yu family.

The results of the prenatal examination showed that everything was normal, and mother Zhai was very happy.

Sheng nanxuan decided to take them out for a meal and invited Wu Di.

They had taken a taxi when they arrived and left the hospital. Wu Di went to the parking lot to get her car while they waited at the entrance.

After waiting for a while, a black car slowly drove over and stopped in front of them.

This wasn't Wu Di's car, so Gong mo and mother Zhai didn't take it to heart. They only thought that it was someone who came to the hospital to see a doctor.

Sheng nanxuan felt someone's gaze on him from inside the car. He narrowed his eyes and looked at the window.

Chapter 173

173 Investigate the Yu family

A moment later, the car window rolled down, revealing Yu Qingliu's cold and arrogant face.

...

Just now in the hospital, Sheng nanxuan had felt Yu Qingliu's hostility towards him.

No matter what, Yu Qingliu was already forty years old, and was born into a wealthy family like the Yu family. How could he not have a bit of shrewdness? No matter how unruly he was, he couldn't have said such malicious words.

Unless he couldn't stand it anymore! He was hostile to this person!

Yu Qingliu already had a high status in the medical world, and her father was the richest man in the country. Naturally, she was not afraid of offending anyone, so she said whatever she wanted.

At that moment, Yu Qingliu still looked at Sheng nanxuan with hostility.

He held a cigarette between his fingers and put it to his mouth. He took a puff and blew out the smoke. Then he reached out the window and threw the cigarette butt away.

The cigarette butt landed on Sheng nanxuan's shoes, and some of the ashes landed on his pants.

"Eh?"

Gong mo yelped in shock. When she saw the cigarette butt flying towards her, she reached out and pulled Sheng nanxuan back. In the end, Sheng nanxuan still fell for it.

She frowned and bent down to help him Pat off the ashes on his pants.

Sheng nanxuan held her arm and stopped her from doing so.

Gong mo looked at him in confusion, but his eyes fell on Yu Qingliu's face.

Gong mo followed his gaze and saw that the car had already left.

that Wufu, " Gong mo said doubtfully, " seems to be Wu Di's third uncle? "

"Yes, don't tell Wu Di."

“Alright,” he said.

Mother Zhai passed a piece of tissue to Gong mo, who handed it to Sheng nanxuan. Sheng nanxuan lowered his head and wiped the ashes off his pants and shoes.

“This person is so inconsiderate. How could he throw cigarette butts everywhere?” mother Yan said.

When Gong mo saw Wu Di’s car approaching, he quickly said, “Don’t bother about him.”

Wu Di jumped out of the car. I think I saw my third uncle’s car just now, “he asked with concern. are you all okay?”

“I’m fine.” Sheng nanxuan said, “get in the car. What do you want to eat?”

“Why ask me? Of course, sister-in-law is the boss! I’ll just eat whatever I want~”

.....

When he got home, Sheng nanxuan went to his study and called Fang Yang. “Investigate the Yu family.”

“The Yu family?”

“And the Wu family.” Sheng nanxuan remembered that Wu Hao’s expression wasn’t good either. He added, “especially Yu Qingliu and Wu Hao. See if they have any grudges with the Sheng family.

“Good! I’ll try my best to find out within 24 hours.”

“Yes.”

Sheng nanxuan was not in a hurry and responded lightly.

He walked into the living room and saw Gong mo and mother Zhai each flipping through a book as Thick as a Brick.

“What are you guys doing?” Sheng nanxuan smiled and walked to Gong Mo’s side. He saw that she was holding a collection of ancient poems, while mother Zheng was holding a dictionary.

He looked at Gong mo with even more curiosity.

“I suddenly thought of naming our child, so we decided to take a look,” Gong mo said with an embarrassed smile.

“I see!” Sheng nanxuan sighed. this should have been my business. Instead, I’m making you worry.

“What’s there to worry about? This is just fun.”

then let’s take a few and record them. After the child is born, I’ll find a fortune-telling master and ask him to help us choose the child based on the birth characters.

“Is it easy to find a master?” Her mother asked.

“It should be possible to ask Wu Di and the others for help. If you really can’t find it, then forget it. There are also fortune-tellers on the internet nowadays. As long as it’s not a big problem, it’s fine.”

Although Sheng nanxuan said so, he definitely did not think so in his heart.

As the night God, he had a group of Masters ready every minute!

Chapter 174

174 Schoolmate with Sheng nanxuan

“That’s fine.” Mother Zhai was not very superstitious. It was good that there was a master. In the past, there was no master in Momo’s name. It was her father’s random thought. Isn’t it good now? You got married to such a good husband!”

...

Sheng nanxuan couldn’t help but laugh, “mom is complimenting me, Yingluo.”

“You know about it?” you’re my biological daughter now. I feel like I’m your daughter-in-law, not your daughter,” Gong mo said sourly.

“Oh my, you’re jealous?” Her mother said, “I only treated nanxuan as my biological son because he treated you well. Otherwise, I would have ignored him!”

hahaha ... Gong mo and Sheng nanxuan laughed. The living room was filled with a joyous atmosphere.

This family was warm and harmonious, and they were all very satisfied.

.....

In the office, Fang Yang handed a thick stack of documents to Sheng nanxuan.

Naturally, he could not let Sheng nanxuan read the information seriously, so he said, “I’ve found out what boss asked me to do. Surprisingly, this matter involves someone who has never appeared before.

“Oh? Who is it?” Sheng nanxuan raised his eyebrows and flipped through the information.

“Yu Zhengming’s daughter, Yu qinghuan. She’s older than Yu Qingliu by seven years,”

Sheng nanxuan flipped open the information and saw Yu qinghuan’s personal information.

“Continue,” he nodded.

“Twenty-five years ago, Yu qinghuan went missing. After that, Yu Zhengming entered the media industry. Yu qinghuan was a reporter, which was probably an important reason for Yu Zhengming to enter the media industry. Not many people knew about this, and the upper-class society spread that Yu qinghuan had died of cancer-because of this, Yu Qingliu went to study medicine. Another rumor was that Yu qinghuan had eloped with someone and was chased out of the family. However, it’s been more than 20 years since that incident, and no one has mentioned it. I guess many people have forgotten about it.”

“Do you know why she disappeared?” Sheng nanxuan asked.

we haven’t found the exact reason, but it might be related to the Sheng family.

“Oh? Tell me!” Sheng nanxuan said hurriedly.

If Yu qinghuan had disappeared because of the Sheng family, then Yu Qingliu’s hostility towards him had a reason.

After all, he had never interacted with Yu Qingliu before. It was impossible for Yu Qingliu to hate him, but it was possible for him to hate his surname.

“Twenty-five years ago, a drug produced by shengshi pharmaceuticals was a big hit, which greatly damaged the interests of the leading company in the medical industry, Wu pharmaceutical. Not long after, shengshi pharmaceuticals had a problem with the quality of their medicine, which was probably the Wu family’s doing. Yu qinghuan was a reporter, so she was likely here to find out the truth. If she went missing while investigating this matter, then there’s a reason why the Yu family and the Wu family aren’t on good terms. After all, the cause was the Wu family’s business conflict.”

Bang! Bang!

Sheng nanxuan suddenly slammed his fist on the table. His eyes stared at the name “Yu qinghuan” on the document, and no one knew what he was thinking.

Fang Yang was shocked and asked in fear, ""BOSS?"

"You, get out." Sheng nanxuan said stiffly.

Fang Yang hesitated for two seconds before he went out worriedly.

His BOSS was not in a good mood today. He had never seen him like this before.

Sheng nanxuan quickly looked through Yu qinghuan's information.

There was a blurry photo on it. It was a graduation photo of Yu qinghuan in University.

Her graduation photo could be found on the school's website, but she probably couldn't find any other photos. After all, the Yu family was the richest family in China. Nowadays, even the daughter of a rich family, Yu Xinran, rarely had photos of her, let alone a person who had been missing for 25 years.

She had graduated from the media department of Capital University and was an alumna of Sheng nanxuan.

Chapter 175

175 His mother's name is Wu Huan

Shengshi pharmaceuticals, missing Wanwan

...

She might have been locked up in the lab by the Sheng family for experiments.

Sheng nanxuan's nails scratched the word 'Huan', leaving a deep mark.

Sheng nanxuan's hands trembled.

Was it a coincidence that his mother's name had the word 'Huan' in it?

Probably, Yingluo.

His mother's name was Wu Huan, not Yu qinghuan.

At this moment, his phone rang.

Sheng nanxuan took a deep breath and composed himself. He picked up his phone and saw that it was Wu Di.

Wu Di mumbled,

He suddenly looked at Yu qinghuan's parents column on the information ...

Yu Zhengming, Wu surong, Xuxu

At that time, although the Yu family wasn't the richest family, they were still very famous. The surname Yu was very rare, and it was too easily exposed. If Yu qinghuan were to go for the interview, would she change her name and become Wu Huan?

Sheng nanxuan slumped into his chair and closed his eyes.

His phone kept ringing, but he didn't pick it up or hang up.

.....

Sheng nanxuan called Gong mo and told him that he would be home late that night.

"Sure," Gong mo replied obediently.

Sheng nanxuan paused and suddenly felt a little displeased. "You're not going to ask me where I went?"

eh? "Gong mo was stunned. what's wrong?"

"Yingluo is fine!" Sheng nanxuan took a deep breath and replied.

After a moment of silence, Gong mo said in a low voice, " "You don't seem to be happy, Yingluo. What's wrong?"

"I'll be happy if you care more about me."

"....."

"Alright! I'm hanging up!" Sheng nanxuan hung up the phone.

Gong mo held the phone in his hand and was confused. Who provoked him?

After some thought, she called Fang Yang to find out the truth.

"Is your BOSS not happy today?"

"Uh, Madam Xuanji ..."

"Tell me the truth!" Gong mo said sternly, " otherwise, I won't be happy either! If I'm not happy, I'll go to him and complain!"

Sweat

If you tell on me, I'll definitely be in trouble!

"Boss told me to look up information on the Yu and Wu families. I don't know why he's suddenly unhappy," Fang Yang said in a hurry.

"The Yu and Wu families?"

it seems to be involved with the Sheng family.

"I see, Yingluo, what's the specifics?"

"I can't explain it clearly." Fang Yang felt that it was good to stop there, but he did not want to go into the details. After all, it was about the boss. Even if he told Madam, it would be equivalent to leaking the secret.

"The boss is calling me, I'm hanging up!" Fang Yang said in a low voice.

"Eh?"

Gong mo wanted to ask Sheng nanxuan where he was going tonight, but he let it go after he hung up.

After thinking for a while, she was suddenly shocked. Why did she have to ask Sheng nanxuan where he was going at night? He's making it look like Cha Qin!

Only a woman who cared a lot about her husband would do this, right?

How could she care about him?

Alright, Yingying actually cared a little. After all, they've been living together for a few months. Life has been so happy, so it's only natural that they'll get used to it, Yingluo.

Gong mo couldn't help but worry. He was so powerful, but he was suddenly unhappy. It could be that the matter had become serious.

Aiyoyo

Hopefully, he was fine.

At night, when Gong mo was still in a daze, Sheng nanxuan came back.

She opened her eyes when she heard footsteps and the rustling of clothes being taken off.

Under the dim night light, his figure was very blurry. She saw that his back had a healthy bronze color, sexy and strong.

She sat up and turned on another light.

Sheng nanxuan turned around. did I wake you up? "he asked.

"No, I didn't," Gong mo picked up his alarm clock and saw that it was almost 12 am.

Sheng nanxuan walked over, sat by the bed, and hugged her. Then, he kissed her.

Chapter 176

not that

Gong mo didn't reject him. He could feel that he was in a bad mood, so he responded to him obediently as a form of comfort.

...

After a while, Sheng nanxuan let go of her.

“Have you had dinner?” she asked, panting.

He didn’t smell of cigarettes or alcohol. He didn’t seem to have gone to a social event.

“I’ve eaten. I’m going to take a shower.” Sheng nanxuan stood up.

“Wait!” Gong mo suddenly shouted.

“What’s wrong?” Sheng nanxuan looked at her.

Gong mo looked from his face to his waist and stared at his pants.

After a while, she got out of bed and picked up the shirt he had just hung on the coat rack.

She held the shirt with both hands, bit her lip, and looked at him after a moment. Seeing that he was calm and looking at her in confusion, she hung the shirt back and whispered, “This doesn’t seem to be the Kasaya you wore when you went out.”

To be exact, his clothes and pants were not what he had worn when he left the house this morning.

Sheng nanxuan looked at her and his eyes suddenly lit up.

Gong mo, on the other hand, was a little nervous and walked back to the bed in a daze. When she was about to get on the bed, he pulled her back.

She raised her head and saw that he was looking at her with a burning gaze, and her heart skipped a beat.

He couldn’t be angry, right? Blame me for being a busybody?

“I didn’t mean anything else, ran ran. I might have remembered it wrong,” she stammered.

She wanted to pull her hand back, but he hugged her.

nanxuan?! Gong mo was shocked.

Sheng nanxuan hugged her tightly, his body trembling with excitement.

After a while, he let go of her and held her face. “Do you remember what I was wearing this morning?”

I might have remembered wrongly, Zhenzhen. Gong mo didn’t want to argue with him.

If he had someone outside, that would be reasonable, right?

Which rich and powerful man would behave himself?

Sheng nanxuan was unhappy when he heard her say that. “What do you mean? Wasn’t he just a moment ago?”

“I don’t mean anything!” Gong mo pushed him away. I want to sleep!

“Gong mo!” Sheng nanxuan’s voice sank. don’t just say half of it! You clearly remember it, so why do you say you remembered it wrong?”

“Alright! I remember!” then tell me why? ” Gong mo asked.

Sheng nanxuan looked at her and suddenly laughed. He reached out and held her face.”Ink ink, ink, ink.”

“Why?” Gong mo was not happy.

“Wifey Yingluo”

what are you doing?” Gong Mo’s eyes flickered and he asked awkwardly, ” what are you doing? ”

“I’m so happy.” He hugged her. I thought you never cared about me, ran ran.

“.....”

“I didn’t expect you to even remember what I wore when I left the house in the morning.” Sheng nanxuan kissed her ear. you clearly care about me, don’t you? ”

what did you say? “Gong mo muttered in a low voice. He helplessly pushed him away and lowered his head, not daring to look at him.

did you misunderstand? ” Sheng nanxuan asked, “you thought I went to another woman’s place to change?”

“Aiya!” Gong mo shouted in panic and hit him.

It was so embarrassing!

If he dared to say that, he definitely didn’t have any.

However, she asked this question, which made her seem petty.

Momo. Sheng nanxuan grabbed her hand and kissed her on the cheek. I’m happy that you’re jealous.

“Who’s jealous!”

“It’s you!”

“I’m not!”

“Alright, I don’t. Then I don’t need to tell you what’s with my clothes.” Sheng nanxuan let go of her and was about to leave.

Hey! Gong mo shouted, “ don’t leave!

Chapter 177

177 I am very happy

“I’m leaving,” Sheng nanxuan glanced at her. hug me if you can ~”

...

you ... Gong mo blushed and turned around, ignoring him.

Sheng nanxuan stopped. Seeing that she was not moving, he went to the bathroom after a while.

Gong mo snorted, lifted the quilt and got on the bed. He put his hands on his stomach and rubbed it gently, “”Baby Yingluo, your father is very annoying, isn’t he?”

Ten minutes later, Sheng nanxuan came out of the shower.

Gong mo turned over and faced the outside with his back facing him.

After a while, he hugged her from behind and tapped her stomach with his finger.

“It’s not comfortable for me to lie down like this,” Gong mo slapped him away.

“Did I tell you to lie down like this?” Sheng nanxuan said unhappily. He moved to the side to let her lie flat.

Gong mo pouted and didn't say anything. It was all because of him.

He put his hands behind his head and looked at the ceiling.

Gong mo yawned and asked in confusion, “What are you doing, Yingluo?”

Sheng nanxuan was silent for a few seconds before he suddenly asked, “Did I tell you about my mother?”

“What?” Why did he suddenly mention this? “Yes, she did. Happy Garden was named after her,” Gong mo answered honestly.

“Didn't I say this before? You actually remembered it.” He laughed.

Gong Mo's face turned red. She seemed to be paying more attention to him than he knew or thought.

Isn't this Yingluo?

Does that mean you like her?

Gong mo was a little reluctant to accept this fact.

She had only been separated from Sheng Dongyi for a few months. Although she hated Sheng Dongyi, she couldn't help but wonder if she was a Playboy or not serious about a relationship when he fell for someone else so quickly.

She didn't want to be that kind of person.

"I'm very happy that you can remember things that are related to me." Sheng nanxuan said.

"Oh, Yingluo, is it?" Gong mo answered absent-mindedly.

"I went to Happy Garden in the afternoon." He said, "I was riding a horse over there. I sweated a lot and then I changed my clothes.

"I see." Gong mo heaved a sigh of relief and leaned his head on his shoulder.

Of course, she wanted to know why he changed his clothes. It would be good enough if she knew the truth.

She raised her head and asked, "what happened?" You didn't seem happy when you called."

it's nothing. I just suddenly thought of my mother. He paused. my mother is Wu Huan.

"Wu Huan?"

I don't know anything else. I only know this name. Sheng nanxuan put his hands down, hugged her, and closed his eyes.

Gong mo recalled Fang Yang's words, "BOSS asked me to look up information on the Yu and Wu families. I don't know why he's suddenly unhappy." Seems like she's involved with the Sheng family, ran ran.

The Wu family? Wu Huan?

Gong mo was shocked. Could it be that Sheng nanxuan's mother was a member of the Wu family?

“What’s wrong?” Sheng nanxuan felt her tremble and opened his eyes to look at her.

She quickly shook her head and hugged him. “I’m sleepy.”

“Then sleep.” He said softly and kissed her on the forehead.

The next day, when Gong mo woke up, Sheng nanxuan had just finished washing up and was coming out of the bathroom.

“Why are you up so early?” he asked, puzzled.

“Momo wants to go to the toilet.” Gong mo said gloomily.

Sheng nanxuan could not help but laugh. He walked over to help her. “Be careful,”

“I’m not a kid.” Gong Mo’s face reddened and he pulled his hand away.

“You have one in your stomach.”

Gong Baibai glanced at him. you still have to go to work. Why don’t you hurry? ”

“Alright, then.” Sheng nanxuan released her. since you’re up, eat something before you sleep.

“Yingluo knows.”

Chapter 178

meeting an old friend in a foreign land

Gong mo and his mother were bored, so they went to watch a play together.

...

A stage play ticket cost 200 to 300 yuan. Mother Zhai was reluctant to spend this money, but Gong mo was pregnant. She was afraid that Gong mo would be bored at home every day, so she was naturally willing to spend it.

On the way there, mother Zheng sat in the taxi and said to Gong mo with the ticket in her hand, "Your dad wrote this drama before. When he's at work, he's the one who writes the script for his unit's play."

Hearing her mention her father again, Gong mo held her hand with a complicated expression.

She smiled and said, "I'm fine!" It's just that I've been thinking about him recently."

Gong mo didn't know what to say.

Mommy must love Daddy a lot, right? Otherwise, she wouldn't have been so hung up on her father after he had left for so many years.

"What other shows have you written, dad?"

"What can he come up with?" Her mother laughed and said, "in the two years that he was working, his unit only rehearsed for a play twice.

"Yes." Gong mo suddenly thought of something. didn't dad write novels before? We can sort out his novels and publish them."

Father Zhai used to write short stories, which were usually published in magazines and had never been published.

"He's not a famous author, so who would publish for him?" mother Yan said disappointedly.

I'll get nanxuan to ask. Their company is in need of a large number of drafts, so maybe they can."

Her mother's eyes lit up and she nodded. "That's good!"

She knew that Sheng nanxuan worked at a book Company, but she did not know that he was the chief CEO and the boss behind the scenes. She thought that he was just an ordinary employee.

The two of them went to the theater, found their seats, and waited for the show to start.

Seeing that there were still more than ten minutes left, Gong mo took out his mobile phone and sent a text message to Sheng nanxuan. Mom and I were watching a play in the theater.

Sheng nanxuan quickly replied, "why didn't you call me?"

"How do I call you on a weekday?"

"When are you going to tell mom? I don't have to work, but I work so hard every day that I can't even accompany you."

"Alright, let's take it slow. I won't talk to you anymore, I've muted it. "

"When will you watch the play? I'll pick you up when you're done."

"Don't drive here!"

"Okay, okay, okay, I'll take the bus, ran ran."

we don't need the bus. You can ask the driver to send you here first and wait for us at the entrance. We can take a taxi together on our way back. Gong mo replied helplessly.

"Yes, sir."

After Sheng nanxuan replied, he put down his phone and said helplessly, "So troublesome, Yingluo."

Gong mo muted his phone and the audience behind him suddenly patted her shoulder.

She turned around in confusion and saw a beautiful long-haired beauty who looked a little familiar.

Gong mo?! the long-haired beauty looked at her in surprise.

Gong Mo's eyes widened as an idea flashed across his mind, "Sweet heart!"

ah! Tang Xinxin screamed in excitement, and the people in the front and back rows all looked at her. She hurriedly apologized in a low voice and grabbed Gong mo. it's really you! I thought I was mistaken!"

Her mother turned around and looked at them. Tang Xinxin immediately called out, "Auntie, I'm tang Xinxin. I've been to your house before!

"Ah, I remember you!" Her mother said happily.

I didn't expect to see you guys here, "Tang Xinxin was so excited that she couldn't speak coherently.

"I didn't expect that Yingluo hadn't seen you for so many years," Gong mo said excitedly.

yeah, it's been four years, "Tang Xinxin said with emotion. I haven't seen you since I graduated from high school.

Chapter 179

179 It's also fate

"I've been trying to contact you, but I couldn't." Gong mo said.

...

Aiyo, Aiyo. Tang Xinxin sighed. When she was about to explain, she found that the play had started, so she said in a low voice, "let's talk outside."

okay ~"Gong mo nodded happily.

Tang Xinxin was her best friend in high school. They had made an appointment to go on a trip together when they graduated from high school, but Tang Xinxin had never contacted her. When she went to Tang Xinxin's house, she found that Tang Xinxin's whole family had moved away. She heard from the neighbors that they seemed to have gone abroad.

He didn't expect to meet her here. It must be fate.

After the play ended, Gong mo and Tang Xinxin stayed for the time being and planned to leave after the people around them had left.

"I'll treat you to a meal. We can talk later," Tang Xinxin said.

I'll treat you ~"Gong mo said.

"Aiya, you don't have to be so polite with me!" Tang Xinxin shouted.

"I think you'll definitely shout for me to treat you later."

"Why?"

that's because Yingluo has someone to foot the bill! Gong mo laughed.

This was how a girl's friendship worked. If she found out that the other party had a boyfriend, she would definitely ask the other party to treat her. When Sheng nanxuan came over later, Tang Xinxin would definitely ask them to treat her to a meal.

“Do you have a boyfriend?” Tang Xinxin asked with doubt.

“Oh, Yingluo is not my boyfriend.” Gong mo stood up. let’s go out first.

sure! Tang Xinxin stood up and took out her phone while walking.

She had also muted her phone just now, so when she looked at it, she saw that there were a few missed calls!

“This is terrible!” Tang Xinxin shouted.

“What’s wrong?” Gong mo asked.

“My boss is calling me.” Tang Xinxin lowered her voice. I don’t know what kind of work I’m working on. I’m so annoyed, Yueyue.

Gong mo and Tang Xinxin finally walked out from the middle of their seats and faced each other.

Gong mo noticed that Tang Xinxin seemed to have grown a little taller.

Tang Xinxin found that her belly was a little bigger, but she didn’t look fat at all. She pointed at her belly and screamed, “Y-y-you ...”

“I’m pregnant,” Gong mo replied with a smile.

“You’re married!” Tang Xinxin shouted.

Gong mo nodded. that’s right. My husband is coming to pick me up. Let’s have dinner together.

“No matter! You have to treat us!” Tang Xinxin shouted.

Gong mo snorted, “Didn’t I tell you?” I was planning to invite you anyway!”

Humph! Tang Xinxin glared at her. you’re too fast! She just graduated from college and she’s already married? You’re actually pregnant!”

uh ... Gong mo didn’t know how to explain.

“But that’s good,” Tang Xinxin sighed. For someone like me who doesn’t have a boyfriend now, it’ll drag on for a few years. I might not even be married by the time your children are in primary school.”

“Uh, Yingluo won’t.”

“Alright, alright, let’s go out first.” Tang Xinxin held her arm and walked outside.

When they reached the door, the three of them stood together and waited for Sheng nanxuan.

“I’m calling my superior. I’m afraid that something might happen,” Tang Xinxin said.

“Yes.” Gong mo nodded and took out his phone to check the time.

It was just past five o’clock, and it looked like he had to wait. With his mother by his side, Sheng nanxuan would definitely not dare to appear too early. Otherwise, his mother would suspect that he had skipped work early.

Tang Xinxin ended the call and looked at Gong mo in disappointment. “Momo, we might not be able to have dinner together, Yingluo.”

“What’s wrong?” Gong mo asked with concern.

I'm going back to the company to work overtime. Tang Xinxin was upset. maybe another day. Let's exchange phone numbers. I'll contact you another day!

Chapter 180

180 Almost got "who"

"Alright," he said. She and Gong mo exchanged phone numbers.

...

"Is your husband not here yet?" Tang Xinxin looked at the road.

Gong mo shook his head.

"Ah, I wanted to say hello to him first. Forget it, I'll think about it next time! I'll be leaving first ~"

"Okay, be careful."

I know. You be careful too. Stand by the side and don't bump into anything.

"Yes." Gong mo smiled and waved at her.

Seeing that she had gotten into the taxi, mother Zhai asked, "You were the best with her in the past, right?"

that's right, hehe. Gong mo sighed, feeling a little melancholic.

It had been four years since they last met, and he wondered if they could still return to the way they used to feel.

After a while, Sheng nanxuan arrived. He walked over from the side of the street and looked like he had taken the bus.

“Mom, Momo!” He ran over, took Gong Mo’s bag, and helped him down the ladder. shall we eat outside today? ”

“There’s no need, right?” Said her mother.

“Listen to Momo,”

The two of them then looked at Gong mo. “Let’s eat outside. I want to eat grilled fish,” Gong mo said after swallowing his saliva.

you ... mother Zhai looked at her reproachfully. you don’t know how to save for your husband.

my money is for Mo Mo to spend. What’s there to save? ” Sheng nanxuan laughed.

“Why not? You’ll have children in the future!”

“I’ll earn more in the future.” Sheng nanxuan reached out to hail a taxi.

a meal won’t cost much, ” Gong mo whispered to his mother. you don’t have to save money.

“Alright, alright, alright, it’s not like you’re spending my money anyway!” Mother Yan said helplessly.

When they were eating the grilled fish, Qimo said to Sheng nanxuan, ” “I bumped into my high school classmate when I was watching the play.”

Sheng nanxuan was stunned and looked at her fiercely. “S-is it?”

He almost asked 'who'. That was close!

her name is Tang Xinxin. We all call her sugar heart. We used to be deskmates in high school. I'm the best friend of her. Gong mo smiled. but I lost contact with her after she went to university. He didn't expect to meet her while watching a play! I wanted to treat her to a meal, but she has to work overtime, so I can only do it another day."

oh, oh, oh. Sheng nanxuan lowered his eyes and handed her a bowl of fish with its bones removed. He pretended to be puzzled and asked, "she's at work. How does she have time to come out and watch a play?"

uh, hehe. Gong mo hadn't thought about this before. He stammered, "I think he's on leave and has to work overtime, so he went back.

"Yes."

Gong mo bit his lip and lowered his head in silence.

He asked her a question as if Tang Xinxin was a liar. She was a little upset.

After all, she was her best friend and sister during her school days.

The next afternoon, Gong mo received a call from Tang Xinxin. When he saw the caller ID, he was overjoyed.

To be honest, after coming to Beijing, although everything went smoothly, he still lost friends. She was looking forward to it when she thought that Tang Xinxin would be her friend in the future.

Tang Xinxin's weak voice was heard when she picked up the phone. "Ink ink, ink, ink."

"What's wrong?" Gong mo asked worriedly.

I wanted to have dinner with you, but I received a temporary assignment from the company. I have to go to another city.

“Ah? That’s fine, another day.”

“But I don’t know how long this assignment will last! It might take half a year for him to come back!” Tang Xinxin said angrily.

“Yueyue, shall we have dinner together today?”

“It’s too late. The company has already booked the plane tickets. I’m at the airport now!” Momo, if you miss me, I’ll call you when I’m free, ” Tang Xinxin said sadly. By the way, when is your due date? I’ll definitely be back!”
