

Ditsy Wife 1721

Chapter 1721: Were you calling for Lin weiqin just now?

Ever since he found out that Tian Yuan was in a relationship, Zeng Shuai had wanted to find out who the bastard who had kidnapped his daughter was!

He wanted to investigate but was stopped by Tian Cheng.

Zeng Shuai was dissatisfied. Over the weekend, he worriedly said to Tian Cheng, "Tian Yuan will definitely go on a date with that kid tomorrow or the day after! Why don't we wait for her downstairs? maybe we can see her!"

"I'm not going to invite you out for such a retarded act." Tian Cheng said coldly.

Zeng Shuai scratched his head and suddenly had an idea. "Didn't Yuanyuan leave a set of spare keys with you?"

"Why?" Tian Cheng asked warily.

"Let's go over!" Zeng Shuai smiled sinisterly. her boyfriend might have left a mark there.

"I'm not going!"

"Honey!" Zeng Shuai was depressed. aren't you worried about Yuanyuan? She said that she would show it to us when her relationship was stable. Who knows how long she would drag it out? Maybe they were already living together! As long as we can find evidence of them living together, it will prove that their relationship is stable!"

Tian Cheng hesitated for a moment. let's go there directly. Shouldn't we say hello to Yuanyuan? " she asked.

Zeng Shuai shook his head. he's dating. He's definitely on a date!

"What if she's at home?"

"Yingluo, we'll go at noon! Who wouldn't be tired of being together in love? Even if they're at home, there'll be two of them, and we'll be able to catch them red-handed!"

"What if he's not an ordinary office worker?" Tian Cheng thought for a moment. 1 1 m afraid he's in the entertainment industry.

"You just don't want to go?!" Zeng Shuai was irritated.

Okay, okay, okay. I'll go take a walk, " Tian Cheng said helplessly. but when you get there, give her a call. Respect her privacy, okay? " At most, we'll fight at the entrance!"

Zeng Shuai hurriedly nodded. Suddenly, he heard the doorbell ring.

Tian Cheng was taken aback. She went to open the door and saw that Tian

Yuan had returned.

"Aren't you going on a date with your boyfriend?" Zeng Shuai's eyes widened.

"I'm not welcome back?" Tian Qi asked, speechless.

"You broke up?"

"You're the one who broke up!" Tian Yuan stomped her feet. I'm going on a business trip next week, and I wanted to come back to accompany you. If I had known, I wouldn't have come back!

“Alright, stop fooling around!” go wash your hands,” Tian Cheng said. it’s time to eat.

That night, Tian Yuan stayed at home.

The next morning, she got up in a daze to go to the toilet.

Commander Zeng and Tian Cheng were washing up in the master bedroom’s bathroom when they suddenly heard her shout, ” “Lin weiqin, the toilet is blocked!”

pf! Zeng Shuai’s mouth full of mouthwash sprayed on the mirror. He turned to ask Tian Cheng, ‘t who is she calling? ‘

Tian Cheng put down her towel and walked out. Commander Zeng followed her hurriedly.

“Tian Yuan!” She shouted as she walked out of the bathroom.

Tian Yuan opened the door and looked at them in horror, a trace of guilt flashing across her face.

She told herself,”calm down, calm down. They’re in the room. They might not have heard what I said.’

She pointed at the toilet. it was blocked just now. I flushed it twice. It cleared again.

At that moment, she subconsciously asked Lin weiqin for help. Now, all the drowsy bugs were scared away.

“Did you just call for Lin weiqin?” Zeng Shuai glared at her.

Tian Yuan panicked and looked away guiltily.

"Tell that bastard to get over here!" Zeng Shuai was furious.

Tian Yuan pursed her lips and lowered her head in silence. Calling him over now, wasn't he asking him to come and die?

Zeng Shuai said anxiously, "you were so desperate back then. I shot him once, and you're with him now!" How do you want your dad to face the world? Ah?" wuwuwu! Tian Yuan pounced on Tian Cheng.. mom-dad is scolding me!

Chapter 1722: tell him to get over here

Tian Cheng hurriedly hugged her and said to CEng Shuai, ""What are you roaring for? The past is the past, and the present is the present. Don't mix them up!

"I don't care, I still want to beat him up!" CEng Shuai said angrily.

"Then beat him up!" Tian Cheng said.

Wu G'Tian Yuan whined in dissatisfaction.

Tian Cheng said to CEng Shuai, "look!" My daughter's heart aches!"

you're still feeling heartache?! Zeng Shuai roared, " tell him to get over here!

Otherwise, if you don't have this opportunity, don't think I'll agree to it!"

Tian Yuan was stunned and hurriedly ran back to her room to call Lin weiQin.

Ceng Shuai immediately laughed in anger and said to Tian Cheng, " "You see, you see! Its wings have hardened, it's going to fly!"

"Enough, you!" Tian Cheng gave him a slap. there's nothing bad about Wei Qin. At least we know him. Besides, Yuanyuan can accept him now, which means that what happened in the past is no longer a big deal. Even if they break up in the future, there won't be any trauma."

Zeng Shuai was stunned and said gloomily,"but I'm not happy!" Who the hell was he? So much older than Yuanyuan! He's not worthy of Yuanyuan!"

Tian Yuan made the call and happened to hear his words. She asked weakly, " "Dad, mom, Yueyue, have you had breakfast?"

"What do you think?" Zeng Shuai shouted, " I haven't even shaved my beard!

Tian Qi shrank a little. then, you can continue shaving. I'll make breakfast.

"What right do you have to do it? Girls are meant to enjoy life, alright? You already have a boyfriend, yet you still have to settle your own breakfast. What does he do? Let's break up!"

Tian Yuan didn't dare to say that Lin weiqin was the one who usually made breakfast.

Zeng Shuai was smart. He must have guessed that Lin weiqin was staying with him, and that would make Lin weiqin even more guilty.

"Should I ask him to bring her here?" she said.

"What's there to be sincere about buying it outside?"

Tian Yuan felt that her father was really unreasonable!

However, there was no need to reason with a man in menopause. Just let him be.

She said softly, "then I'll call him Yingluo."

Only then was commander Zeng satisfied. He pulled Tian Cheng back to their room. "Let's go, shave with me!"

Tian Cheng: " Yingluo, are you crazy? you want company when you're shaving?"

Tian Qi breathed a sigh of relief and quickly went to wash up.

Lin weiqin would be coming soon, so she couldn't see him in an unkempt state.

Although when the two of them woke up in the same bed, he had already seen her unkempt appearance,

Lin weiqin walked to the door, took a deep breath, and nervously adjusted his tie.

He raised his hand and rang the doorbell. Soon, the door opened, and Tian Yuan stood behind it.

Tian Yuan reached out and pulled him in. Zeng Shuai and Tian Cheng sat on the sofa and looked at him carefully.

He unconsciously straightened his back and nervously shouted, " "Uncle, Auntie."

Hmph! Zeng Shuai turned his head.

Tian Cheng touched her sideburns and lowered her head. Although she didn't give him a stern look, she didn't welcome him either.

Tian Yuan was a little embarrassed. She picked up the container in his hand and said happily, " "You brought breakfast? What are they?"

Lin weiqin carried three Tupperware and she placed them on the coffee table. She opened them in front of CEng Shuai and Tian Cheng and said, " dad, mom, look, this is the breakfast that Wei Qin made. Pan-fried buns, kimbap, sandwiches ...

"He made it himself?" Zeng Shuai glanced at it.

"Wei Qin's cooking is delicious!" Tian Yuan said seriously.

Lin weiqin was at a loss. I came too quickly. I didn't make anything to drink.

Tian Yuan hurriedly stood up. the kitchen is over there. Make it now. Otherwise, these things won't be easy to swallow..

Chapter 1723: I've decided to hate him to the end

Lin weiqin looked at CEng Shuai and Tian Cheng, but both of them ignored him, so he followed Tian Yuan to the kitchen.

CEng Shuai immediately looked at the pan-fried pork bun and said angrily to Tian Cheng, " "Look, look, how could he have done this? He must have bought it outside! You still want to fool me?"

"You didn't eat it, how do you know it was bought outside?" Tian Yuan asked in a low voice.

Zeng Shuai said proudly, “isn’t that simple?” How could it have such a good shape? And how long had it been? he had already finished it and brought it over? And this sandwich, he must have bought it too! This Kimi roll- ” dad-” Tian Yuan’s voice suddenly came.

Zeng Shuai quivered and looked up to see her leaning against the kitchen door

frame. He asked in a bad mood, “What are you doing?”

“Wei Qin asked what you want to eat,” Tian Yuan said weakly.

“I want pizza and congee with pork and century egg!” Zeng Shuai said with his arms crossed.

Tian Yuan was stunned and turned to look at Lin weiqin.

“That will take a long time,” Lin weiqin said softly.

“That will take a long time!” Tian Yuan said to Zeng Shuai.

“I don’t care, I just want to eat that!”

Tian Yuan pursed her lips and was silent for a few seconds before she said angrily, ” “Alright then!”

She turned around and walked into the kitchen, saying to Lin weiqin, ” ‘Do it! It’s best to do it for a long time and starve him to death!’”

Lin weiqin wiped his sweat. How could he dare to starve his future father-in-law to death?

“Where’s the flour?” he asked in a low voice.

Tian Yuan wanted to ask CEng Shuai, but after thinking about it, she decided not to beg him!

She immediately started to rummage through the cabinets.

Zeng Shuai panicked when he heard the sound. He shouted from outside, ‘ ‘Don’t mess up my kitchen!’’

Tian Cheng held her forehead in her hand.

“If you mess it up, I’ll accompany you!” Tian Yuan called out.

Lin weiqin couldn’t help but hold his forehead. If his girlfriend were to argue with his future father-in-law like this, he would be in a more difficult situation!

He found that the Tian family’s kitchen was well-equipped, even with a coffee machine. He said to Tian Yuan, “ ‘The pizza and congee with preserved egg and lean meat are a little long. It’s very late now, so I’ll make some first in case uncle and Auntie go hungry. What do they like to drink?’ ”

“Dad likes black coffee and mom likes latte. You make the coffee, I’ll get the juice.”

Lin weiqin nodded.

Soon, Tian Yuan came out with two cups of juice and coffee on a tray.

I’m still making the pizza and congee with pork and century egg. If you’re hungry, eat first! Tian Yuan put it down and went back to the kitchen.

Zeng Shuai smelled the aroma of the coffee and began to swallow.

Tian Cheng picked up her latte and took a sip. She said in surprise, “ ‘It’s better than the one you make!’ ”

CEng Shuai was furious, he gritted his teeth and decided to hate him to the end!”

“Alright, alright. Your cooking is still the best.” Tian Cheng hurriedly consoled him.

“It’s too late!”

“So you’re not drinking?” Tian Cheng pointed at his black coffee.

He snorted and took a sip of his coffee, his eyes full of surprise. How was that possible? How could Lin weiqin brew such authentic coffee? It must have been an accident!

“It’s awful!” He put down the cup.

Tian Cheng was helpless, ‘what a stubborn mouth!’

She took a bite of the sandwich and felt that it was not bad. She turned around and put it in front of Zeng Shuai’s mouth.

Zeng Shuai didn’t want to eat it, but his wife fed him personally and even took a bite. How could he not eat it?

He took a bite and blinked his mouth. He was even more unwilling to believe that Lin weiqin made this!

Hmph, I’ve been practicing cooking for more than 20 years, but I still can’t make it this good. How old is Lin weiqin? He definitely didn’t do it! He must have bought it outside!

Half an hour later, Tian Qi came out with the grilled pizza.. She walked to the coffee table and saw that the pan-fried buns, kimbap, sandwiches, coffee, and fruit juice were all gone!

Chapter 1724: I don’t want my daughter to hate me

She was a little dumbfounded and angrily shouted, " "How come you guys finished eating? You didn't even leave any for me!"

Lin weiqin's food was so delicious, how could they keep it all to themselves?

ahem, ahem, ahem, ahem. Zeng Shuai licked the sandwich crumbs on his mouth. I didn't eat it. Your mother ate it!

Tian Yuan,"can you make the lie bigger?" How can mommy eat so much by herself!

"It tastes pretty good," Tian Cheng said. What about Wei Qin? what was he doing? Tell him to stop cooking, you two haven't eaten yet, have you?"

I'm fine. Tian Yuan put down the pizza. I'm still making porridge.

Oh, Yingluo, " Tian Cheng said. you don't have to watch me make porridge, do you? " Eat something first, it's so late, Don't Starve your stomach."

Tian Yuan glanced at Zeng Shuai and walked to the kitchen. "Then I'll go get him."

"Why aren't you on my side?" Zeng Shuai looked at Tian Cheng with dissatisfaction.

"How can I do that?" isn't it just a couple? 't Tian Cheng asked in all seriousness. one of them is the good cop, and the other is the good cop.

Zeng Shuai was stunned. He felt that what she said made sense and could not help but nod.

When Tian Yuan and Lin weiqin came out, he pulled a long face.

Tian Qi was angry when she saw this. As the saying goes, 'the mouth that eats people is soft'. He was still acting like this after eating something. He was really too much!

She gave a slice to Tian Cheng, another to Lin Yuqin, and took one for herself, completely ignoring commander Zeng.

Lin weiqin felt that this wasn't good, so he gave his share to Zeng Shuai, ' "Uncle ...

"I ... Don't ... Want ... To!" Zeng Shuai gritted his teeth.

"You'd better eat it yourself," Tian Yuan brought the pizza back and gave it to Lin weiqin.

"You have a man in your heart, so you don't have me anymore, right?" Zeng Shuai said angrily.

"Where are you not here? You were the one who said you didn't want it!"

Zeng Shuai was stunned. He looked at the smiling Tian Cheng and suddenly felt that something was wrong. He shouted at them, " "I want to eat congee with pork and century egg! Hurry up and bring it to me!"

Tian Qi glared at him angrily, stood up, and pulled Lin weiqin to the kitchen.

After they entered, commander Zeng immediately said to Tian Cheng, "Somethings wrong with this! Now, my daughter thinks that you're good and is starting to blame me. Let's switch roles, I'll be the good guy, and you'll be the bad guy!

"How can there be a temporary replacement?" Tian Cheng ate the pizza slowly. Yes, it was delicious.

"I don't care! I don't want my daughter to hate me!" Zeng Shuai said.

sigh ... Tian Cheng sighed helplessly. then stop fooling around.

“Hehe.” What did she mean? Zeng Shuai widened his eyes and looked at her. how can we let that brat off so easily?!

“Why do you have to be so distant with Yuanyuan?” Tian Cheng said softly, “you’ll give Yuanyuan a sweet date after you hit her. Let her know that you love her. Even if you bully Lin weiqin, she’ll turn a blind eye. If Lin weiqin was unhappy, she would even scold Lin weiqin. Wouldn’t that be great?”

Zeng Shuai thought for a while and said true. But I’m not happy about it. She’s my daughter!

“They’re just dating, not getting married. On the day of the marriage proposal, let them wait slowly anyway, Yuanyuan is still young, it’s not too late to wait another ten years to get married.”

Zeng Shuai slapped his thigh and said excitedly, “My wife is smart!”

“Ten years is too early.” Tian Cheng nodded and smiled. Anyway, you can have a child. After you have a child, you can even drag your marriage until you’re

70 or 80 years old.”

Zeng Shuai shivered and glanced at her. Suddenly, he felt a little sorry for Lin weiqin.

She had endured for almost thirty years before getting married. Could it be that Tian Yuan had also inherited Tian Chengs carefreeness and stubbornness?

He couldn’t help but light candles for Lin Wei in his heart..

Chapter 1725: Luckily she was smart

After a while, Tian Yuan and Lin weiqin came out with a bowl of congee with pork and century egg.

Zeng Shuai coughed. He finally didn't find Lin weiqin as unpleasant to the eye as before.

Tian Yuan was also persuaded by Lin weiqin. Lin weiqin told her not to go against Zeng Shuai, but Zeng Shuai also couldn't bear to leave her.

She thought, "then I'll give you another chance!" If you don't appreciate it, I'll make congee with pork and century egg all over your face!

She opened her mouth and smiled sweetly at Zeng Shuai. dad, the congee with pork and century egg is ready. I made it with weiqin. Try it.

Seeing her smile at him like a flower, CEng Shuai felt much better.

It seems that my daughter still has me as her father in her heart!

He took the porridge and glanced at Lin weiqin. He still felt that it was an eyesore. However, when she thought about how her daughter's lifelong happiness might be tied to him, she felt that it was better to treat him better.

He coughed twice and said with a straight face, "quickly sit down!" Didn't you guys not eat yet? Don't say I'm starving you."

Tian Qi's eyes turned. She could tell that his attitude had changed. She pulled Lin Yuqin to sit down, and the four of them began to eat slowly.

Tian Cheng had just eaten a lot, so she only had a bite of the pizza and gave the rest to CEng Shuai. She also had the same bowl of porridge as CEng Shuai.

Lin weiqin thought to himself, "the relationship between my in-laws is really good, hehe."

Zeng Shuai finished his food quickly and was a little full. He looked at Lin weiqin and asked, "did you personally make all these?"

Lin weiqin straightened his back and nodded.

"The pan-fried pork buns and seaweed rolls are also from the restaurant?"

"Yes.

"Not bad." CEng Shuai smiled mysteriously.

Lin weiqin's scalp went numb. This was the calm before the storm.

"Then I'll leave lunch to you. I'd like to see how good your cooking is!" Zeng Shuai gritted his teeth and smiled.

Tian Yuan pursed her lips and smiled, thinking, Wei Qin's cooking skills are very good, just wait to be slapped in the face!

Seeing her like this, Zeng Shuai was very happy, As expected, his wife was right! Give her a carrot after a stick, and her daughter would stand on his side!

He said to Lin weiqin, "Yuanyuan's mouth has been trained by me. If your cooking skills are not good, I will not agree to you two being together!" I can't bear to let my daughter suffer!"

"Yes," Lin weiqin nodded. Fortunately, he was confident in his cooking skills.

Tian Qi looked at CEng Shuai and was very touched. "Daddy!"

Zeng Shuai waved his hand and said, "alright you can go and buy groceries after dinner." Your mom and I will just sit here and enjoy life!"

Tian Yuan chuckled and threw herself at him to hug his arm. yes! Your daughter has grown up, and you guys have reached the age where you can enjoy life. It's a pity that my cooking skills are not very good. I'll ask weiqin to cook for you in the future!

Zeng Shuai glanced at Lin weiqin, and the corner of his mouth twitched. This b * stard snatched my daughter away. Isn't it enough for me to see him for a When Tian Qi saw his expression, she was overjoyed.

On the other hand, Tian Cheng was more and more satisfied with her son-in-law. "From the looks of it, you often eat what Wei Qin cooks?" she asked Tian Yuan.

"Yeah!" Tian Yuan laughed, "he makes delicious food and sends it to me almost every day!"

Lin weiqin glanced at her and lowered his head like an obedient baby.

Tian Cheng looked at them and touched Tian Yuan's head. "Don't be so delicate. Wei Qin still has to go to work. How tiring is it to run around every day to cook for you?"

Tian Yuan coquettishly burrowed into her arms and didn't say anything.

Hmph! Her mother was more cunning than her father. She must have been trying to trick her with that question just now to see if she was living with Lin Wei!

It was a good thing she was smart!

"What's the use of having a boyfriend if he can't even do this?" Zeng Shuai snorted.

Tian Cheng rolled her eyes at him..

Chapter 1726: Dad will settle accounts with you

Lin weiqin and Tian Yuan came back from buying the ingredients and immediately went to the kitchen to get busy.

Zeng Shuai followed him in, and Lin weiqin became nervous, " "Uncle ..."

"Get out!" CEng Shuai said to Tian Yuan with a straight face.

"But ..."

"He made you do things in his own home, so he can't abuse you when I'm not watching!" CEng Shuai shouted.

Tian Yuan said helplessly,"if I don't do anything, I'm afraid he'll dislike me,

Yingluo." "I won't!"

"He would dare!"

Lin weiqin and CEng Shuai said in unison.

"Sweet talk," Zeng Shuai snorted coldly.

"Alright, I'll go out," Tian Yuan said helplessly.

She turned around and walked out. Seeing Zeng Shuai standing still, she quickly asked, "Dad! You're not going out?"

Zeng Shuai crossed his arms and said fiercely, "I'll supervise him!" Tian Qi was afraid that he would bully Lin weiqin, so she hesitated.

"You should go and accompany Auntie," Lin weiqin said.

Tian Yuan had no choice but to leave.

Zeng Shuai looked at Lin weiqin-he wanted to see if Lin weiqin had personally cooked the dishes!

Lin weiqin looked at him and started to get busy.

Zeng Shuai looked at his actions. He seemed to be very skilled, even more so than him. How was that possible? It was definitely just for show! It was nice to look at, but not nice to eat!

In the end, Lin weiqin prepared a sumptuous lunch. After Zeng Shuai tasted it, he obviously felt that his cooking skills were not as good as the other party's, and he was a little unhappy!

"When did you start learning to cook?" He asked Lin weiqin fiercely.

Lin weiqin replied honestly, "when I was in junior high school, I would occasionally help my mother." After I graduated from University, I've been working on my own."

Zeng Shuai was very indignant, "what does this mean?" Are you challenging me? You're the only one who has the talent and the learning time is short, but the effect is good?

He really wanted to continue targeting Lin weiqin. Anyway, he was his father-in-law and he had the most authority!

However, at the thought of Tian Yuan, he mumbled,

He looked at Tian Yuan's worried expression and his heart softened. Forget it, forget it. He didn't want his daughter to be too worried, and he didn't want her to hate him.

He glanced at Lin weiqin, "then you still need to practice more." Learn a few more dishes, or else Yuanyuan will get tired of eating and won't want you anymore. I won't help you!

Tian Yuan smiled and finally heaved a sigh of relief.

Lin weiqin also secretly heaved a sigh of relief and nodded to CEng Shuai.

Zeng Shuai snorted again, but he was still very unhappy.

After the meal, Lin weiqin also cleaned up the kitchen.

Zene Shuai checked it and snorted. " "Alright! You guys go on your dates. don't say that I' m unreasonable!"

"Thank you, dad!" Tian Yuan said, " if you don't mind, we can come over later-"

"I despise it!" CEng Shuai said with a straight face.

Tian Yuan paused and pouted. then I'll come back before I go on a business trip. I'll take weiqin with me.

Zeng Shuai glanced at Lin weiqin and gritted his teeth, but he didn't object.

Tian Yuan pounced on him, hugged him, and kissed him on the cheek. "I knew that daddy is the best!"

Zeng Shuai smiled and patted her head gently. "Go on. If he bullies you, tell me and I'll settle the score for you."

Tian Yuan suddenly fell silent and then nodded, her eyes a little wet.

When Lin weiqin had slept with her, he had beaten Lin weiqin up and even shot him. At the end of the day, he was just feeling sorry for her.

She silently let go of Zeng Shuai and left with Lin weiqin.

"What's the matter?" Lin weiqin asked after they entered the elevator.

Tian Qi looked at him and said, "dad, ran ran is really good to me. She loves me very much.."

Chapter 1727: I'm even more nervous

"That's right, so don't be angry with him. He really can't bear to part with you, and he's afraid that you'll get hurt."

I know, ran ran, " Tian Yuan whispered and looked up at him with certainty.

but you won't hurt me.

“Of course I won’t hurt you.” Lin weiqin held her hand tightly. but, Wanwan, I did hurt you a little back then. It’s only natural that you’re afraid. It’s normal for your parents to be worried about me because of what happened back then.

What I want to do is to make them believe in me like you. This isn’t something that can be done in a day or two, so don’t be anxious.”

Tian Qi nodded. When she walked out of the elevator, she suddenly pounced on his back.

His body swayed, and he had no choice but to squat on the ground and carry her on his back.

you’ve met my parents, ” Tian Yuan asked with a smile. when are you going to take me to meet your parents? ‘

you can go if you want to. We already know each other anyway, and we don’t have to prepare anything.

Tian Qi was shocked and said,”how can that be?!” Now that my status is different, I have to be careful. I have to go and buy Gifts for Uncle and Auntie.” Lin weiqin was shocked and happened to walk to his car.

He put her down and looked at her in horror. Speaking of which, this is my first time visiting Yingluo, but only Yingluo brought some breakfast? ‘

Tian Yuan,”hahaha-”

“You still dare to laugh!’

I’m sorry, ran ran. Tian Yuan laughed so hard that she couldn’t catch her breath. I didn’t mean to, ran ran, but I think if it was someone else, there would definitely be no hope.

Lin weiqin’s face was filled with despair.

it's fine, it's fine. We can make up for it you've already conquered their stomachs with your cooking skills!

"I just want to go back in time."

"Turning back time probably won't change anything. I told you to send breakfast, but you sent me something else. You're obviously an opportunist."

"My dad will be unhappy!"

When Lin weiqin heard this, he felt that it made sense and finally felt a little relieved.

Tian Yuan wanted to go to the Lin family's house. Speaking of which, she hadn't been there for many years. Now that her identity was different, she couldn't help but feel nervous.

Originally, she said she would go the next day, but she tossed and turned the whole night and couldn't sleep. She hugged Lin Yuqin and asked, "What should I do if uncle and aunty don't like me?"

"I won't."

"Definitely!" Tian Yuan said gloomily, "it's my fault that you're still single. They must've wanted to have grandchildren a long time ago, ran ran."

"Without you, I'll be single forever."

"Yingluo can't! I'm even more nervous!"

"Then we won't go tomorrow, we'll go another day." Lin weiqin sighed.

"Yingluo, is this okay?"

I haven't told my parents yet. Of course, I can. It's not like I'm standing you up. Tian Yuan heaved a sigh of relief. alright then, ran ran. after that, she hugged him and soon fell asleep.

Lin weiqin sighed,"it seems that this matter can't be rushed. Fortunately, I've already gotten commander Zengs approval."

As for his family, he would find time to chat with Lin Lei and wait! Lin Lei already knew that he was with Tian Yuan, so his mother should also know, right?

Lin Wei rubbed her forehead and fell asleep with Tian Yuan in her arms.

Before Tian Yuan went on a business trip, she said that she was going to his house, but she was so nervous that she didn't go.

After Tian Yuan left, he went home and reminded his family-he would bring Tian Yuan over later, and no one was allowed to show her any attitude!

Mother Lin was a little uncomfortable, but she understood the relationship between the Lin family and the Zeng family. Moreover, Tian Yuan had connections with the Sheng family, so it was not her place to object. Otherwise, it would ruin Lin Lei and Lin weiqin's careers.

She said,"since we're already together, don't make trouble in the future and get along well.." Have you ever thought about when you'll get married?"

Chapter 1728: obeying his wife

Lin weiqin,"uh, Yingluo."

“You’re not young anymore!” Mother Lin said anxiously. Get married early and have children! ”

Lin weiqin smiled and said, “ men can give birth no matter how old they are. Tian Yuan is still young. There’s no need to rush. Besides, you haven’t retired yet, have you? Now that she’s born, you won’t be able to hold her many times. Tian Yuan’s mother, on the other hand, has a lot of time to waste on her.

Mother Lin shuddered and said, “then let’s delay it by a few years!” When I retire, I can take care of your children!”

He couldn’t let someone else hold his grandson every day!

Lin weiqin smiled and nodded.

When Tian Yuan returned from her business trip, he asked her, “ You shouldn’t be so nervous now, right? Come to my house when you’re free?” Tian Yuan was stunned and became nervous again, “I’mYingying.”

“I’ve already told my mom. She’s looking forward to it.”

Tian Yuan’s eyes widened and she asked, “w-what did you say?” What was her reaction?”

“Of course you’re welcome. A few years ago, she already set you as her daughter-in-law and blamed me for not being able to live up to her expectations every day.”

Tian Yuan blushed and felt a little happy. “I just bought a gift for Yingluo. I don’t know if she’ll like it.’

She turned around to organize the gifts. Lin weiqin looked at her and said, ‘ “I’ll definitely like it. Didn’t I tell you that? You actually remembered it all.

You’re so considerate, but you’re actually jealous of me. ‘

"Is it not enough for you to have me?" Tian Yuan glared at him.

"Of course it's enough!" He laughed and hugged her. It's good enough that you know you're mine, Yingluo."

Lin weiqin felt her soft body and had an idea. He lowered his head and kissed her.

The two of them hadn't seen each other for a long time, and they were both a little moved. Since it was still early, Lin weiqin planned to make love first before cooking dinner.

At this moment, his phone rang. Tian Yuan was shocked and quickly jumped out of his arms.

He looked at her helplessly and picked up the phone. "Why?"

Tian Yuan was puzzled-who was this person?

Lin weiqin simply pressed the hands-free button and placed the phone on the coffee table.

Tian Yuan saw that the caller ID was Lin weiran.

She held her breath, not daring to let Lin weiran discover her existence.

Lin weiran asked,"didn't you say Tian Yuan was coming back today?" I've ordered a hotpot with Wu Yan, ask her to come along!"

"Couldn't you have asked her out earlier?" Lin weiqin asked.

Tian Qi pinched him and thought,"why are you talking to your sister like that?"

Lin weiran asked,'I'll treat you to a meal. Don't you want to eat?"

"I want to make it myself."

"Then we'll come over!"

"Forget it. How can I refuse your treat?"

"Look at how stingy you are! I'll definitely badmouth you in front of Tian Yuan later and make her ignore you for a few more years!"

Lin weiqin frowned and hung up the phone.

Tian Yuan chuckled and looked at him triumphantly."It seems like sister Wei Ran is on my side

"Are you happy?" Lin weiqin pinched her face. my whole family is on your side. I look like 1 was picked up from the streets. But if you're with me, don't call Wei Ran sister anymore. She should call you sister-in-law!"

Tian Qi blushed and said,"she's older than me, so I should call her sister's Yingluo,"

"Follow your husband after you marry him ..."

Tian Qi immediately put on a straight face and asked seriously, "Why don't you marry and obey your wife?"

"I also want to." Lin weiqin laughed and said, " I'll listen to you when it comes to other people, but I really can't do it in my family. You can't make me call her sister Wei Ran, right? ' hoho. Tian Yuan couldn't help but laugh when she thought of that situation.

Lin weiqin hugged her. yes, ran ran. When you marry a wife, you must obey her.. When will you be willing to be my wife? '

Chapter 1729: Ugly daughter-in-law meeting in-laws

Tian Yuan was stunned and jumped up abruptly. I-I-I'm going to change my clothes! We can't be careless when we see sister Wei Ran!"

Lin weiqin looked at her anxious appearance and stretched lazily in satisfaction.

Two hours later, the two of them arrived at the private room of the hot pot restaurant. Lin weiran and Wu Yan were already there.

When she saw Tian Yuan, Lin weiran immediately stood up and pulled her to her side, "I finally get to see you! My brother is really ... He's still hiding you when you're already together."

Tian Yuan called out in embarrassment,"sister Wei Ran, Wanwan.'

"What is it called?" Lin weiran's eyes widened and she looked at Lin weiqin, "you should just call me by my name-sister-in-law! Otherwise, I'm afraid someone will abuse my Wu Yan again

When Wu Yan heard this, he immediately straightened his back like he was injected with chicken blood. Ran ran said that I'm her daughter!

"Then I won't call you brother Yan anymore?" Tian Yuan glanced at him and smiled.

Wu Yan's face twisted and he said with a stiff smile,""Alright! I'll follow my wife's orders, so I'll call you sister-in-law!"

Tian Yuan recalled that she had just discussed with Lin weiqin about "obeying your wife when you marry" at home, and her face immediately turned red as she glanced at Lin weiqin.

Lin weiqin was very satisfied with their reactions and asked, "Have you ordered the dishes?"

"If you didn't come, how would I dare to order?" Lin weiran said, "what if there's something Yuanyuan doesn't like to eat? "

"What did you call her?" Lin weiqin raised his eyebrows.

Lin weiran choked and shouted at Tian Yuan, "Sister-in-law."

Tian Qi was so angry that she pinched Lin weiqin. "Don't talk nonsense! The eight words haven't even taken shape yet!"

I thought I was only a bit away, ran ran, " Lin weiqin mumbled gloomily.

"Sister Wei Ran, let's order!" Tian Qi choked and said helplessly.

No matter what, this meal was still very enjoyable.

When they left after eating, Lin weiran said to Tian Yuan, "My parents miss you, so we'll go over for dinner some other day! By the way, it's my mom's birthday next week. Why don't we do it then?"

Tian Yuan was stunned and looked at Lin weiqin in horror. "It's auntie's birthday. Yingluo, I seem to have forgotten." She lowered her head and added in a low voice.

From what she remembered, when she was very young, she went to the Lin family to celebrate mother Lin's birthday.

“You’ve already prepared the gift, and you’re saying it’s too late?” Lin weiqin looked at her profoundly, “you really don’t have to pretend not to care in front of me.

Tian Yuan’s eyes widened, and she poked him in the waist.

Lin Wei Ran laughed and went back to her parents’ house with Wu Yan. She put in a few good words for Tian Yuan in front of mother Lin.

At first, mother Lin blamed Tian Yuan for delaying Lin weiqin, but she also knew that Lin weiqin was stubborn. Without Tian Yuan, he might really be single for the rest of his life!

Therefore, the little bit of gloominess and awkwardness in her heart had long

disappeared. Now that she heard Lin weiran say something good, she was happy, ” “That’s good! After all, I watched her grow up, so I know her well and know that she’s not a bad person.”

Besides, commander Zeng only had one daughter, so this marriage was worth it. They were a perfect match.

Tian Yuan and Lin weiqin didn’t wait for her birthday and came the next day.

Mother Lin was even happier. She pulled Tian Yuan aside and asked, ” “How have you been abroad for the past few years? It’s all my weiqin’s fault, otherwise you wouldn’t have to do this.”

“Actually, it’s my fault. when I was having a chat with brother Wei Qin, ” Tian Yuan glanced in the direction of the kitchen and whispered, ” I treated him as a brother and didn’t think about it in this way. It happened so suddenly, so I was a little evasive.

“That’s great now!” Mama Lin held her hand and said, ” now that we’re together, if anything happens in the future, don’t run around.. Tell me and I’ll help you teach him a lesson!

Chapter 1730: Our family's girls are meant to enjoy life

Tian Yuan smiled and said, "he won't." I don't believe him, but I believe in Auntie! He was brought up by you. You're so good, so he can't be wrong! Oh my!

Mother Lin was overjoyed and said happily, "You're so sweet! He was not like Wei Ran, who was like a monkey every day! Do you know how much I wanted to change you into my daughter when you were young? She only knows how to cause trouble!"

"I really like sister Wei Ran's personality!" Tian Yuan said sincerely, "I've admired her since I was young.

"What's so good about her? "Hahaha, Yingluo," mother Lin said, but she was very happy in her heart.

She gave birth to Lin weiran, so of course, she liked it when others said that Lin weiran was good. Even if Lin weiran was bad, she was the only one who could say it. How could anyone else?

She believed in Tian Yuan's sincerity. She remembered that Tian Yuan had been quite clingy to Lin weiran when she was young. Even if Lin weiran didn't like her, she would still cling to her.

I remember that ran ran didn't treat you well when you were young. Why do you still admire her? " Mrs. Lin asked.

"How could that be? Sister Ranran has a sharp tongue but a soft heart." Tian

Yuan blushed.

When she was young, Lin weiran didn't like her because Lin weiqin was too good to her, and Lin weiran was jealous! Later, she found out that Lin weiqin didn't treat her well because she was his sister, and she was relieved.

In the kitchen, Lin Lei was smoking a cigar as he smiled at Lin weiqin. "I heard that your mother likes her a lot."

"Don't smoke here." Lin weiqin said disdainfully, "be careful not to fall into the pot!"

Lin Lei paused and deliberately lit up the cigar in the pot of boiling water.

you ... Lin weiqin was furious.

Hmph! Lin Lei walked out with a cigarette in his mouth. He didn't believe that he would dare to fight with his own father.

Lin weiqin sighed helplessly and decided not to make the Dongpo meat that her father loved.

Lin Lei returned to the living room, and Tian Yuan hurriedly stood up. "I'll go help Wei Qin."

"No need, no need!" Mrs. Lin hurriedly said, "you can just sit down. He can do it alone."

"How can we do that?"

"It's fine." Mother Lin pulled her back to her side. when Wei Ran and Wu Yan come, they will help him.

She was even more embarrassed if he said "Yingluo." The other three people of her generation were all working hard, so how could she sit back and enjoy the fruits of their labor?

When Lin weiran and Wu Yan came over, she insisted on following them to the kitchen.

"Wei Ran, Tian Yuan, get out. It's too narrow here," Lin weiqin said.

"Alright," he said. Lin weiran didn't like to do housework, so she only went into the kitchen for show. She immediately pulled Tian Yuan out.

"I was wondering what you guys were busy with," mother Lin laughed. Our family's girls are living in luxury."

"I remember that Auntie used to cook a lot," Tian Yuan said in a low voice.

"Aiyingluo, that's because your uncle doesn't know how to feel sorry for others.'

"Eh?" Lin Lei was stunned. you're accusing me!

"Hmph!" Mother Lin glared at him.

Lin Lei opened his mouth, unable to refute.

Speaking of which, he and mother Lin had randomly chosen their marriage partner. They didn't have a deep relationship and had rarely quarreled in recent years. However, they had been used to each other's existence for more than 30 years, and it would be a lie to say that they had no feelings for each other. Whoever dared to touch his wife, he would also fight with his life!

However, after thinking about it carefully, he did not seem to treat her as well as CEng Shuai, Sheng nanxuan, and the others. He did give roses and gifts during the new year, but it was more of a formality. He didn't know how to say sweet words, and now that he thought about it, it was a little perfunctory.. Hmm, I wonder if it's too late to start coaxing my wife now?
