

Ditsy Wife 1751

Chapter 1751: Do you want to comfort him?

Gu Yunhao glanced at the landline phone next to the TV and asked, "Did she call back?"

Grandma Liu was stunned and shook her head. "You don't have her number either, do you?"

"I used to have one, but I changed my number."

Gu Yunhao sighed. if we do this, you won't be able to contact her if you have any illness.

Grandma Liu's eyes welled up with tears.

She was already in her 70s and did not have many more years to live. Every time she had an illness, she would wander around the gates of hell. She was really worried that her granddaughter would not come back even if she died.

Seeing that it was getting late, Gu Yunhao got up and said goodbye, "lock the windows and doors at night. Don't open the door if there's any noise, Call me.

"Alright," he said. Grandma Liu agreed.

don't be too frugal. Use the air conditioner when you need it.

"Oh, my." Grandma Liu nodded.

Gu Yunhao knew that it would be useless to say anything. She would definitely be reluctant.

Fortunately, there was an electric fan, so he wouldn't really die from the heat.

Sheng shuangxue had bought a lot of things in the mall. She was not short of money, so she was too lazy to choose. She only bought the most expensive ones.

In the eyes of the Sheng family, time was money. If they could buy something expensive, they would not spend time on the cheap.

Xiao Mianmian was speechless, but this was also good. There was no sloppiness and it was straightforward!

After a while, they finished shopping and went to eat. On the way, they passed by a furniture store. Sheng shuangxue went in to have a look and ordered the things she wanted to buy online. She made an appointment to deliver them to her door after work tomorrow.

Xiao Mianmian felt that she was really a carefree and efficient person!

After the meal, the two of them walked back to digest the food.

The lights were on, and neon lights were everywhere. The small county looked very prosperous.

When they passed by the night market, there were small stalls and hawkers everywhere. They sold clothes, accessories, and food. It was noisy and noisy. All kinds of flavors were mixed together, and it was full of fireworks.

Suddenly, Sheng shuangxue saw a familiar figure sitting behind the barbecue stall.

Wasn't that Gu Yunhao?

She tugged at Xiao Mianmian. the captain is drinking alone. Should we go and comfort him? '

Xiao Mianmian looked at the plate of barbecue and a few cans of beer in front of Gu Yunhao and hurriedly shook her head. "No, no, Captain doesn't have a good temper."

young lady, you ... Sheng shuangxue pointed at her, exasperated at her.

If you want to chase a man, you have to face the difficulties! When he's drinking, you'll be acting as the flower of interpretation!

It could be seen that Xiao Mianmian was timid. If she really went, she would probably drag her along. She didn't want to meet Gu Yunhao face to face, so she didn't want to go if she could.

"Then forget it, don't blame me for not reminding you!" She said helplessly. I'm older than you, " Xiao Mianmian said seriously. I'm the older sister!

"Yingluo," this wasn't the main point at all, okay?

At night, Sheng shuangxue slept at Xiao Mianmian's place. Her room had not been cleaned yet, and she did not have a mattress, so she did not want to stay there for the time being.

Xiao Mianmian was so enthusiastic that the bed smelled nice. Sheng shuangxue couldn't help but think, " If Gu Yunhao was blind and didn't like her, he might as well accept this girl himself!

The next day, he went to work to build the forensic room with Four-Eyes Zhao. She felt refreshed after not seeing Gu Yunhao for a whole day.

During her lunch break, she made an appointment with a housekeeper online and rushed home as soon as she got off work.

When he passed by the office of the criminal Police unit, the people inside had not moved. They were probably working overtime. When he reached the door, he ran into Xiao Mianmian, and the two of them went back together.

When they got home, Sheng shuangxue moved her things to Xiao Mianmian's place and called the furniture store to deliver the furniture. After waiting for a while, the housekeeper still hadn't arrived, so she called to ask.

At this moment, the group of men returned..

Chapter 1752: Do you need to hire someone to clean?

Gu Yunhao passed by the door and happened to hear Sheng shuangxue's words.

The housekeeper said that there was no one today and they had to wait until tomorrow. Sheng shuangxue was depressed and was arguing with them. She

had already paid for it, so what were they doing?

Gu Yunhao stopped and turned to look at her.

Sheng shuangxue felt that something was not right. She turned around and was stunned for a moment. Then, she said to the person on the phone, "Alright, I can't wait until tomorrow. I'll clean it up myself!"

After hanging up, she took out her phone and looked for someone else. She gritted her teeth and said, "It's not like you're the only family here."

"You want to hire a housekeeper?" Gu Yunhao asked.

"Can't I?" Sheng shuangxue looked up.

Gu Yunhao sneered. she's really a rich young lady from a big city. She's not even willing to do it herself in such a small room. If you're so afraid of suffering, you shouldn't have come."

Sheng shuangxue was furious. I heard that team leader Gu even renovated the house when he came. I wonder who can't bear the hardship!

Gu Yunhao turned to look at Xiao Mianmian when he heard this.

Xiao Mianmian, who was leaning against the door frame to watch the commotion, was so scared that she slammed the door shut.

Gu Yunhao looked at Sheng shuangxue again,'do you need to hire someone to clean up? What a waste of money!'

"I didn't use your money!'

Gu Yunhao glanced at the group of people from the criminal Police unit who were holding onto their keys and not opening the door. They were standing in the corridor and eavesdropping. Everyone was shocked and hurriedly tried to open the door.

"Since I'm free, I'm here to help my new colleague clean up," Gu Yunhao said.

Sheng shuangxue was stunned. She stuck her head out of the room and found that everyone had come back.

Everyone raised their hands in a standard salute and shouted, " "YESSIR! "

Sheng shuangxue's delicate body trembled. The group of people rushed over and said enthusiastically, " "Sister shuangxue, if you wanted to clean up, you should've said so earlier. Why do you have to go through so much trouble to hire people? Which of our new colleagues didn't go through this before?"

Sheng shuangxue agreed. She thought that this was a good way to improve the relationship between colleagues.

The group of men rolled up their sleeves and started to work. Sheng shuangxue couldn't join them even if she wanted to. Everyone said that she had delicate skin and was afraid that she would get hurt, so she could only command from the side.

Even though they were all rough men, they were very serious when they cleaned up. They swept away the dust at the corners and moved away the large furniture. sweeping the bottom and back of the furniture clean.

He had strength, and the stains on the tiles were also wiped clean.

When the furniture store delivered the furniture, the rough men did not let the workers in (they were afraid that they would dirty the floor). They placed the furniture by themselves, and the whole room looked brand new.

"Alright, that's enough!" Handsome white wiped the sweat off his forehead. shuangxue, take a look and see if there are any other problems.

"No more problems." Sheng shuangxue smiled and said, "I've troubled you so much. Shall we have dinner together later? " My treat! Thank you for your help!"

this Yingluo! everyone looked at Gu Yunhao in unison.

Gu Yunhao asked,"why?" You're not interested in your new colleague?"

"No, no, no!" Everyone hurriedly said, " then let's go back to take a shower and change our clothes.

After everyone left, Sheng shuangxue took back the things she had left at Xiao Mianmian's place and asked Xiao Mianmian to help make the bed.

Now, he really didn't lack anything.

Xiao Mianmian looked around and said, "I'm just missing the things in the kitchen.'

Sheng shuangxue,"Yingluo," I've completely forgotten about cooking!

Forget it, I'll think about it another day. I don't know how to do it anyway.

However, she could buy an oven. Her baking skills were not bad. By the way, she also needed a juicer and a toweler. She just didn't know how to cook..

Chapter 1753: There must be a reason for things to be abnormal

Sheng shuangxue treated everyone to hotpot and they wanted to drink. Gu

Yunhao chided her, "I still have to work tomorrow. What if I get drunk?"

Everyone was disappointed. Sheng shuangxue couldn't help but say, "That's tomorrow's matter."

He was so annoying. He wasn't the one treating, so why did he have to care about this? She's treating everyone, so why can't she let everyone have a happy drink?

"What if there's a police alert at night?" Gu Yunhao asked.

"Uh, hehe." This was a problem.

Just little bit~~ everyone pleaded.

Gu Yunhao thought for a moment and nodded. that's fine. Everyone can only drink two glasses at most. You're not allowed to drink too much!

Everyone agreed happily and called for the waiter to bring a few bottles of beer.

Halfway through the lively meal, Gu Yunhao's phone rang.

Everyone quietened down.

Gu Yunhao took out his phone and looked at it. His expression immediately became serious. He picked up the phone and asked, "Grandma Liu." "Officer Gu, do you have time now?" grandma Liu asked awkwardly.

"Yes, what's the matter? Please don't be so polite."

Grandma Liu sighed and seemed to be relieved. "I think the safety at home was burnt and I accidentally twisted my foot. I didn't want to trouble you, but

Hanhan . . .

"It's okay, I'll be right there. Don't move first." Gu Yunhao hung up the phone and said to Sheng shuangxue, "I have something to do. I can't eat anymore. Thank you for your hospitality.

"I'm fine." Sheng shuangxue said.

"Who's grandma Liu?" she asked after he had left.

"There's an old lady who lives in the suburbs. Her children are gone, so she's living alone. When the boss first arrived here, he saw her being robbed and took special care of her after learning about her situation."

yes, yes, yes, the boss visited her every few days and bought her rice, vegetables, and refrigerators. He even said that it was a warm gift from the unit. He simply has money to burn!

I heard that grandma Liu has a granddaughter, " Mr. Bai said mysteriously.

she's really pretty. Is Captain interested in her?

"Forget it!" Another man in his thirties said, " old lady Liu's granddaughter left home after graduating from high school. She came back a few years ago, but now she hasn't been back for at least five years.

"Then why is the boss doing this?" "Do good deeds?"

"I don't see him being so nice to others."

"You're right. When uncle Wang was moving the goods, he told us to do it.

However, he has never called us for old lady Liu. It's obviously different." "There must be something wrong if things are abnormal," Sheng shuangxue concluded.

Gu Yunhao went home to change his uniform, put on a gun and handcuffs before going to grandma Liu's place. When the car approached the bungalow, he only saw a faint light coming from the room in the middle.

The light was wavering, so it should be a candle.

Gu Yunhao stopped the car from a distance and did not drive to the house.

After turning off the engine, he listened carefully for any movement around him. He only got out of the car with the flashlight when there was nothing unusual.

He strode toward the bungalow, holding a flashlight in one hand and a gun in the other, and shouted, "Grandma Liu, I'm here ...

He stood in front of the house and felt that the air was very calm. There was only a quiet and peaceful atmosphere.

He walked into the central room with a flashlight. Grandma Liu was sitting on the sofa, and there was a lit candle on the wooden table in front of her.

Gu Yunhao walked over. She was both relieved and embarrassed. "I'm really sorry to trouble you in the middle of the night."

"It's no trouble at all." Gu Yunhao smiled and said, " I'll go and fix your insurance first..

Chapter 1754: murder case

He walked into the kitchen and found that the fuse had broken.

Grandma Liu said, "it was a little hot just now, so I turned on the air conditioner. Who knew that it would be so hot?"

it's okay. I was too careless. I didn't think of this when I was installing the air conditioner. He said, " it's also Grandma Liu's fault for not using the air conditioner before. Otherwise, she would have found out long ago!

He chuckled as he switched the fuse, and the house was suddenly lit up.

He then went to check on grandma Liu's foot injury. Afraid that it would hurt her bones and tendons, he didn't dare to be careless. He carried her out of the door and sent her to the hospital.

They went to the hospital to get an X-ray and only sent her back when they found that her bones were not injured.

Grandma Liu had a walking stick, but she rarely used it.

Gu Yunhao brought her to the bedside. lean on it if you want to get up at night. Don't do anything else. I'll bring you breakfast tomorrow.

"No need, no need!" Grandma Liu said hurriedly.

"It's fine, it's no trouble. I might not have the time to send you lunch, so I'll get someone else to send it over and cook for you tonight. You should rest for a day or two, or it'll be more troublesome if you fall again, don't you think?"

Grandma Liu knew what he said made sense and sighed. "But it's too much trouble for you, Yingluo."

"It doesn't matter. You should take the medicine for oral consumption on time, and I'll rub the external one for you."

Gu Yunhao left after giving his instructions. He stood at the door for a while before getting into the car.

He turned the car around and looked at the bungalow. He couldn't tell if he was disappointed or relaxed.

Some things would always come, so it was better to come earlier.

When Sheng shuangxue went out in the morning, she found the men of the police force coming back with sweat all over their heads. She couldn't help but be full of doubts.

Everyone greeted each other and went home. Sheng shuangxue locked the door and Xiao Mianmian came out from the opposite side. She walked with her and asked, " I just saw everyone coming back from outside. They're all sweating. Did they go out on a mission? "

"It's probably morning exercise." Xiao Mianmian said.

Oh ... Sheng shuangxue was enlightened. Then she asked curiously, " where do you do your morning exercise?

There was a basketball court downstairs, so playing and running weren't a problem. However, her window was facing this side, so she didn't hear anything at all.

"At uncle Wangs gym," Xiao Mianmian said. Uncle Wang opened a supermarket and his son opened a gym. It's just upstairs. All of us police officers work out there, and it's very convenient. I used to exercise downstairs, and it was too disturbing."

As they were talking, they passed by the supermarket at the entrance of the community. The old man who had stopped Sheng shuangxue the other day asked with a smile, ""Going to work?" that's right, uncle Wang -"Xiao Mianmian greeted.

Sheng shuangxue,"it's him!"

She looked up and saw a big sign with the words "old Wang fitness" on it.

What a simple and crude name,

Sheng shuangxue decided to apply for a fitness card after work.

She worked out every day in the capital and had a gym at home. It was a habit she had developed since she was young, and she could not stop.

She was a little bored at home last night, so she could only do yoga in bed. He had originally wanted to buy a yoga mat, but it seemed that there was no need now. He could just go to the gym every day.

When it was almost time to get off work, Sheng shuangxue stretched her neck and joints, thinking, "I have to buy kitchenware first.

A colleague from the criminal Police unit suddenly passed by the door and said in a hurry, "There's been a murder, let's go immediately!"

Zhao Si was stunned and looked up. The criminal Police had already left.

"There's a murder!" Sheng shuangxue hurriedly stood up.

Zhao Siyan also reacted, and the two of them hurriedly took their tools and set off.

After getting into the car, the police siren was sounded, and the car drove smoothly to the crime scene..

Chapter 1755: The English letter "I" in her palm

Sheng shuangxue followed the criminal Police team upstairs quickly. She was wearing a police uniform and a white coat, which made her small face look cold and weak.

When she entered, Gu Yunhao had already arrived and raised his head to look at her.

There were three bodies in the room, a pair of adult men and women, and a child of two or three years old. It looked like a family massacre.

Sheng shuangxue stopped in her tracks. She couldn't bear it and was angry- she couldn't bear it for the dead, but she was angry for the murderer.

She suppressed her emotions and worked calmly.

According to the time of his liver temperature, he passed away from ten in the morning to two in the afternoon.

Gu Yunhao ordered his men. find out what His Excellency's job is. Check his daily routine and whether he goes to work in the morning.

Sheng shuangxue felt a little uncomfortable looking at the dead body of the child. The child was about the same age as shengxia, so he must be as lively and lovely as her. But now, he was completely lifeless and covered in blood.

She didn't want to face it, so she checked the adult female victim first.

The fingers of the female victim's right hand were twisted-the thumb was straight, but the other four fingers were bent inward, as if they were trying to grab something.

Sheng shuangxue turned her hand over. Her fingers were bent as if she was practicing the nine Yin white bone claw. Her palm was full of blood, and there seemed to be a wound in the middle.

Sheng shuangxue frowned and put it down. She continued to work.

Two hours later, everyone returned to the police station. They had not eaten yet.

They definitely had to work overtime tonight, so Gu Yunhao asked someone to order takeaway. Everyone rested and discussed, " nothing valuable was lost. He's probably seeking revenge.

"The man is working, and the woman is a full-time housewife. The man would go home for dinner at 12 O'clock every day and leave at about 1:30. He went to work this morning and had an argument with the

boss, so the boss didn't suspect anything when he didn't go in the afternoon. He even thought that he didn't go in a fit of anger."

"There are leftovers at home. It looks like they were made at noon, so the whole family had lunch."

"Then the time of death should be around 10 'clock."

Sheng shuangxue sat at the conference table, her chin resting on the table in a daze.

Gu Yunhao glanced at her but did not say anything.

After a while, the delivery arrived and old Yang said, " "Everyone, eat first. I'll give you 20 minutes."

Everyone immediately started eating seriously.

Xiao Mianmian didn't leave the venue. She had already eaten and was arranging the things needed for the meeting.

When everyone had a meeting, she was also making records, while Sheng shuangxue and Zhao Siyan went to the autopsy.

After the bodies were cleaned up, more clues could be obtained from the surface.

The autopsy room was short of manpower, so it was already late at night

when all the dissections were done.

Sheng shuangxue rubbed her neck and went to Gu Yunhao with the autopsy report.

Everyone had not left yet. Gu Yunhao glanced at her and said, " "You don't seem to be afraid at all."

“What’s there to be afraid of?” Sheng shuangxue told everyone, “ all three of them died from excessive blood loss. Their throats were slit. He didn’t know if it was a coincidence, but in addition to the fatal wound, there were two other wounds in different positions. They didn’t seem to be caused by a fight, but rather like they were deliberately made up after the event. It was worth noting that there was an English letter “1” on the palm of the female victim’s hand. I counted it as two wounds, otherwise, there would only be one fatal wound on her body.

The weapon was the fruit knife from the scene, which was a perfect match. Only the fingerprints of the deceased family of three were on it.

According to the analysis of the food in their stomachs, they did have lunch. The time of death was 1:30 p.m., Yingluo.”

After she finished speaking, Gu Yunhao nodded at her. it’s late. You should go back and rest. We’ll talk about the rest tomorrow..

Chapter 1756: Send a copy to the captain

Sheng shuangxue saw that the others had no intention of leaving, so she asked, “ “You guys still have to work overtime?”

“Yes, you and Mianmian can get off work.” He said, “ we found out that the female victim, He Li, had an affair. We’ve already followed this lead. I hope it’s simple and we can solve the case tonight.”

Sheng shuangxue nodded. In a small city like this, there shouldn’t be any complicated cases.

She yawned. Mianmian and I will go first. Call me if you need anything. I’ll be on standby.

Hearing this, Gu Yunhao raised his eyebrows and looked at her. He could not help but smile.

He didn't expect a rich young lady like her to be so serious in her work. She

wasn't afraid of looking at corpses. She probably really liked this profession.

It was said that she and Yu Xinya were very close. She had probably learned a few of Yu Xinya's perverts.
(Yu Xinya: Wanwan)

Sheng shuangxue didn't sleep well that night.

In her light sleep, she had a dream. She dreamed that He Li e s family of three had been killed.

The murderer was very calm, just like a professional killer. He was fast and accurate. After killing the man, he used the tip of the knife, which was dripping with blood, to make a few cuts on the man and the child's bodies. Then, he grabbed He Li's hand and slowly and contentedly carved an " I " on her palm.

Sheng shuangxue looked at his back. He was tall and thin. After doing all this, she stood up and threw the knife on the ground. She took off her white gloves and dusted her hands. Her fingers were long and slender like jade, like an artist.

He turned his head and looked over. Sheng shuangxue woke up in shock. She had forgotten most of the scenes in her dream, but she still remembered the feeling.

Based on the evidence she had gathered, she would draw the murderers appearance in her mind without any reason and only rely on her intuition.

She wouldn't tell anyone about the scenes she described based on her intuition, because most of them were inaccurate.

She raised her hand to wipe the sweat off her forehead, feeling that the air was a little stuffy.

She didn't usually turn on the air conditioner all night. She usually set it to be around four hours. At this moment, the air conditioner had already dissipated.

She looked at the time and saw that it was almost eight o'clock. She took the remote control and turned on the air conditioner before getting out of bed.

After washing up, the temperature in the room was very pleasant, and it calmed one's heart.

She packed up and went out. Xiao Mianmian, who was opposite her, also came out, rubbing her neck.

"Good Morning, I wonder how the case is going." Sheng shuangxue looked at the closed doors of the other rooms and asked, "they didn't come back?"

"Yes, I'm going to buy them breakfast." Xiao Mianmian said in a daze.

"Then let's go together!"

There was a Baozi shop downstairs. The group of men ate a lot, so the two of them bought two large bags. Sheng shuangxue suddenly had a feeling that she had already integrated into this group.

"Are you scared?" Xiao Mianmian asked. "I'm not afraid. And you?"

"I'm not afraid, but I feel that it's cruel.' yeah, Yingluo doesn't even let a child off. She's too much.

When he arrived at the office, he saw that everyone was sitting in their chairs in a mess. They seemed tired, but they were all awake.

"You guys didn't sleep?" Sheng shuangxue asked.

"I just slept for a while." Handsome white said while yawning.

Xiao Mianmian glanced at him and hurriedly said, "let's eat first."

A middle-aged man said, "sister shuangxue, send one to the captain!" "Why do you want me to send you there?" Sheng shuangxue widened her eyes.

sigh, Captain Gu is kind to the newcomers. We're going to be scolded.

hehe. damned fellow Daoist, please don't kill me. Can you say it out loud?

Xiao Mianmian smiled secretly and said, 'go quickly. By the way, where's the captain?' She asked handsome white.

Handsome white mumbled as he bit into his bun, "He went to the rooftop to get some wind.."

Chapter 1757: You 're the one who's concerned about me

Sheng shuangxue stuffed the bun into Xiao Mianmian's hands. "You go! I don't know how to get to the rooftop."

Xiao Mianmian hurriedly refused, "no, no, no! I still have to organize the files! You go, I'll go to work first!" He ran off as he spoke.

ah ... Sheng shuangxue was dumbfounded. Don't you like Gu Yunhao? If he didn't seize such a good opportunity, he would be doomed to be alone!

She looked at the others, who turned around with their buns in their mouths, not looking at her.

“Where’s the rooftop?!” She asked angrily. go out and turn left to find the stairs. Go upstairs, go upstairs, go upstairs, walk up, if you can’t go up, you’ll be there.

Was “Huahua” the heavens?

Sheng shuangxue left angrily with the steamed buns in her hands. She didn’t even bring a cup of water with her. She wished Gu Yunhao would choke to death.

Gu Yunhao, who was on the rooftop, suddenly sneezed.

He rubbed his nose, put his hands on the railing, and looked at the city.

The police station was only six stories high, so they could not see far.

Although Nanshan was a small county, there were more and more high-rise buildings every year. The view from the lower areas was completely blocked.

Hearing the footsteps, he turned around and saw Sheng shuangxue walking toward him coldly.

She was in her uniform And her eyes were wild. It was obvious that she did not like him.

However, he felt that she looked very beautiful like this.

She was originally a lively girl, but in order to go to work, her hair was all tied up, and the buttons of her uniform were buttoned up neatly, making her face look even whiter and petite. It was the standard uniform temptation! It was really tempting to commit a crime!

She walked in front of him and handed him the bun. “Here, your team members are afraid that you’ll starve to death.”

Gu Yunhao laughed. they're afraid that I'll starve to death. Why don't they send it over themselves? '

"You should know better than me, right?" Sheng shuangxue sneered. it's your own fault.

Gu Yunhao lowered his voice and said,"how would I know?" You're the one who's concerned about me, aren't you? why are you using my team members as an excuse?"

you-" Sheng shuangxue was furious. She threw the steamed bun at him with wide eyes.

ah ... seeing that steamed bun was about to fly over the railing, Gu Yunhao rushed over to catch him.

"Ah!" Sheng shuangxue was startled. She rushed over to pull him up, afraid that he would fall.

Gu Yunhao held the bun and turned to look at her.

She was stunned and blushed. She realized that she was grabbing his sleeve and shaking it off.

"Thank you for your concern." Gu Yunhao said seriously.

"I'm just afraid that if you jump off a building in front of me, I won't be able to get away with it!"

"I understand," He said.

They had only known each other for a few days, so it was impossible for them to have any ambiguous feelings.

He sighed, took a bite of the bun, and said, " "I'm sorry for just now. I shouldn't have joked with you."

Sheng shuangxue was embarrassed to argue with him.

"I won't allow it next time!" She said with a straight face.

"Yingluo is just a little frustrated."

Sheng shuangxue was puzzled, 'you're still irritated? You must be an old police officer, right?'"

Gu Yunhao almost bit his tongue. He widened his eyes and looked at her. "I'm old?"

Sheng shuangxue looked at him and couldn't help but laugh. "I'm talking about experience, not age."

"Yingluo is more like it."

Sheng shuangxue put her hands on the railing and looked at the surrounding scenery.

Although the sun had come out, it was not too hot.

"Have you made any progress on the case?" she asked.

No, Gu Yunhao shook his head and sighed. Gao Sen has been eliminated as a suspect.

Gao Sen was the woman who had an affair with the deceased He Lia He was 30 years old, married, and was a high school classmate of He Li. Because of this relationship, the two families kept in touch. However, He Li's husband and Gao Sen's wife did not know that they had an affair..

Chapter 1758: It's a heart

Gu Yunhao and the others interrogated Gao Sen overnight. They collected his fingerprints and DNA and compared them with the information collected at the scene. There was no trace of him at the scene at all.

Sheng shuangue watched the video of the interrogation last night.

Gao Sen was shocked at first. He obviously didn't believe that He Li e s family would encounter such a mishap.

When the police asked him about his relationship with He Li, he begged the police in a panic, "I beg you, please don't tell my wife about this!"

Sheng shuangxue said hatefully, "scumbag!" You dare to do it but don't dare to admit it, are you men all like this?"

The group of men from the criminal Police unit thought, "Wanwan was really shot even though she didn't do anything!" what's wrong? " Gu Yunhao asked. is your father like this too? ' you ... Sheng shuangxue glared at him. She wanted to hit him in the face.

However, seeing that his eyes were bloodshot, he probably didn't sleep last night, so he let it go!

After all, she was serving the people. If she was unreasonable, she would be too uncultured!

Gao Sen denied killing anyone. According to him, he had not seen He Li for almost two weeks.

then do you know about He Li and her husband's personal relationship? " the police asked. is it possible that they have enemies?

"I don't think so." Gao Sen shook his head. Her husband is a good man, and he doesn't seem like someone who would make enemies.'

“Then why did she have an affair with you?”

Takamori was stunned for a moment, and his face turned red. He awkwardly said, “He’s just too boring, so Lili didn’t think he was passionate. Besides, it’s very boring for Lili to do housework and take care of the children every day.” Everyone laughed, “you can have an affair just because you’re bored?”

No matter what Gao Sen’s character was like, there was no evidence that he had killed anyone, so he could only let him go.

However, Gao Sen’s wife had become a suspect.

He Li was Gao Sen’s lover. If she knew about this, she would definitely be angry.

The police did not summon Gao Sen’s wife directly, but investigated her first.

Gao Sen’s wife was working as a makeup guide in the mall. When the incident happened, she was trying out products for a customer. The surveillance camera in the mall had captured the entire process.

Her behavior before and after the incident was normal, and her bank account was clean. She was a very ordinary person, so she was quickly eliminated as a suspect.

The case had suddenly entered a bottleneck period. Old Yang called for a meeting and asked everyone to do their best to solve the case as soon as possible.

They were just a small county. If the case couldn’t be solved, the city would send people over, which would be bad for everyone.

Gu Yunhao said, “this case is very strange. It’s not like everyone doesn’t want to solve it.” Now that he couldn’t even find a suspect, he could only slip away from the beginning. And the letter in He Li’s palm, is it really a letter, or is it just a coincidence caused by the wound?”

Sheng shuangxue looked at the photo again. I think, according to the shape of her fingers, this wound was probably made on purpose. she said.

She stretched out her left hand and bent her fingers into the same shape as He

Li.

Everyone was looking at her.

She looked at it a few times but had no clue. She then stretched out her right hand and made the same gesture. Suddenly, she felt that this posture was a little familiar and suddenly put her hands together.

“It’s a heart!”

Gu Yunhao, “Yingluo.”

Everyone: ‘I Whoosh! Whoosh! Whoosh!

Sheng shuangxue put down her hand awkwardly. ahem, ahem. I just wanted to let everyone relax. she coughed.

“Maybe shuangxue’s thinking is right,” a colleague said.

“It doesn’t matter if it’s right or wrong, as long as it’s useful, it’s fine!” Gu

Yunhao said.

let’s not mess around, ” Sheng shuangxue said hurriedly. Zhao Siyan and I will look at the materials again to see if we can find any new clues..

Chapter 1759: I'll treat you to supper

Gu Yunhao nodded and said, "alright, let's split up." If you encounter a bottleneck, start from the beginning!

By then, the city already knew about the situation and requested old Yang to solve the case within 48 hours.

In other words, they only had one day left.

Everyone worked late into the night, but there was no progress.

Gu Yunhao ordered. go back and rest. We'll gather tomorrow morning. We'll fight again after we've rested enough.

Everyone thought about it and sighed. They listened to him and went home.

Sheng shuangxue also packed her things and left. She went home and took a

shower. She felt hungry and went out for supper.

After she went downstairs, she looked at the road, not knowing where to go.

After standing for a while, a voice came from behind him, "What are you doing?

Sheng shuangxue was startled. She turned around and saw Gu Yunhao walking over.

"I'm a little hungry," she sighed tiredly.

Gu Yunhao smiled. then, shall I treat you to supper?

Sheng shuangxue looked at him suspiciously. She had a "you're so generous" expression on her face.

Gu Yunhao felt that she was looking down on him too much and went forward in a fit of pique. "Let's go!"

Sheng shuangxue was unfamiliar with the place, so she had to follow him.

Soon, he found a barbecue stall and asked for a bottle of beer. He asked her, "What do you want to drink?"

"I also want beer."

"How's your alcohol tolerance and alcohol tolerance?"

"Don't worry, I won't cause you any trouble."

Yingluo, "Gu Yunhao silently complained. don't you know who your father and brother are?"

While eating barbecue and drinking cold beer, Sheng shuangxue looked up at the sky in a sullen mood.

Gu Yunhao asked with concern, "what's wrong?" "You're not used to such a big case?"

Sheng shuangxue's first reaction was that he was mocking her. Then, she felt that he seemed to be sincere."A little."

"Is this the first time you've encountered a real murder case?"

“Not really. I’ve met one during my internship. However, this is the first time I’ve seen a child die. I can’t imagine what kind of perverted murderer could be,”

Gu Yunhao took out a cigarette, lit it, and took a deep puff. when you experience more, you’ll know that simple killing is already mercy. how can you think like that?! Sheng shuangxue said in disbelief, ” no matter how serious it is, it’s a freak to take someone’s life!

Gu Yunhao nodded very calmly. then some people are especially abnormal. They are ultimate abnormal.

“Hmph!” Sheng shuangxue turned her head away.

“But after this case, I have a new understanding of you.” He chuckled.

“I don’t need to!”

“Don’t you want to hear me praise you?”

“Can you not smoke?” Sheng shuangxue asked after a pause.

When Gu Yunhao heard this, his movements froze for a moment. Then, he approached her and arrogantly blew a smoke ring on her face.

you-” Sheng shuangxue was furious. ahem-ahem, ahem, you pervert!

Gu Yunhao laughed out loud. Sheng shuangxue was so angry that she shouted at the boss, ” “The bill!”

wait! Gu Yunhao hurriedly waved his hand at the boss. wait a little longer! Then he asked her, ” why? no one in your house smokes? ‘

“No, I didn’t!”

“Yingluo, you have such a good upbringing.”

Sheng shuangxue didn’t bother to answer him.

Gu Yunhao said, ‘you’ve done a good job. Even though she’s emotional, she’s still very calm when it comes to her work.’

I’ve told you, I graduated with the first place in my major. Sheng shuangxue said seriously.

Gu Yunhao chuckled. I can feel it. It’s very powerful. No wonder you’re the best in your profession.

She glanced at him and turned to the boss. “One more bottle of beer!”

“You’re still drinking?” Gu Yunhao was surprised.. if you get drunk and reveal your true self, you can’t kill her!

Chapter 1760: Sheng shuangxue was full of resentment

pf! Sheng shuangxue choked. ahem! Ahem! Ahem! You’re the real man! I’m a lady!’

“I’m a man.”

Sheng shuangxue was speechless.

After eating the barbecue, she suddenly had a sudden thought. “Eh? Should we go to the scene and take a look?”

“Now?”

“I can’t sleep.”

Gu Yunhao glared at her. go back and sleep!

Sheng shuangxue pouted and walked forward gloomily.

Gu Yunhao looked at her dejected back and suddenly wanted to touch her head.

This girl must have been very cute when she was young. It was a pity that he didn’t get to see her.

After returning to their residence, the two of them returned to their rooms.

Gu Yunhao sat on the sofa in a daze for a while. When he walked into the toilet, he could faintly hear the sound of water coming from the next door. He guessed that she was taking a bath.

He stood in front of the mirror for a while, then suddenly turned around, picked up the key, and left the room. He gently locked the door and left.

Sheng shuangxue went back to her bedroom after taking a shower. Suddenly, she heard the sound of a car coming from downstairs.

Puzzled, she walked out and leaned on the balcony to take a look-a car slowly drove out from the garage. It looked like it belonged to Gu Yunhao?

Sheng shuangxue was immediately displeased. She said she would go to the venue, but he refused. Now, he was going there secretly!

He asked her why she made such a judgment? This was only logical reasoning.

Now that they were having a headache over this case, and she had just mentioned it, this was the only way.

She turned around, changed her clothes, and went downstairs. She also wanted to go to the scene.

Only when he was standing on the road did he realize that he had been too careless!

She didn't have a car, and there were no taxis or three-wheeled vehicles on the road. Did she have to walk there? That place was a little far. By the time she arrived, he might have already left. Besides, she didn't have an 'if'. Was she going to climb over the wall?

She sighed and went upstairs with her head drooped. She decided to buy a car after the case was solved!

She turned off the lights, turned on the air conditioner, and sat on the bed to meditate.

About an hour later, she heard the sound of a car coming from downstairs. She went to the balcony to take a look first and sure enough, it was that car!

She immediately ran to the door and unlocked it. Not long after, he heard footsteps and opened the door.

When Gu Yunhao passed by, a gust of cold air from the air conditioner hit him. He shivered and turned to see Sheng shuangxue leaning against the wall in a white dress, like a female ghost.

"What are you doing?" Gu Yunhao jumped up in shock.

"You went to the crime scene?" Sheng shuangxue asked, full of resentment.

"No, I didn't!" Gu Yunhao shouted. However, when he remembered that it was midnight, he lowered his voice again. what are you doing here? Go back to sleep, you'll be busy tomorrow!"

"You really didn't go to the event?" Sheng shuangxue pouted. Gu Yunhao facepalmed. I'm going to see grandma Liu.

"Who is it?"

an old lady who lives alone. She sprained her ankle two days ago. I wanted to visit her these two days, but I didn't have time because of a case. I can only go at night.

"She's not asleep yet?" Sheng shuangxue was puzzled.

"Why do you care about others? I should go to sleep! If you're late tomorrow, I'll cut your pay!"

"Hmph!" Sheng shuangxue turned around and closed the door. who cares about that little salary!

Gu Yunhao touched his forehead. He didn't sleep well the entire night when he got home. There was always a female ghost floating around in his dreams with resentment.

As he floated, night God and the president came out, looking at him with a big knife.

The next morning, Gu Yunhao went to the criminal Police unit and asked someone to bring Gao Sen in for questioning again.

At this time, Gao Sen's wife also knew about the situation and came with Gao Sen. Gu Yunhao also arranged for someone to ask her.

Sheng shuangxue came over from the forensic room and asked everyone, "

"Do you need any help?"
