

Ditsy Wife 1811

Chapter 1811: If you don't believe me, check it

"Yingluo, alright." Sheng shuangxue felt sad that he had held back from her.

Gu Yunhao reached out and touched her head. She turned her head away.

drive properly. Don't multitask!

Gu Yunhao retracted his hand and asked gently, "you've had dinner for a long time. Do you feel hungry?
't Do you want to go for supper?"

Sheng shuangxue pouted and turned to ask him, "If I gain weight, will you dislike me?"

"No matter how you are, I will like you very much, very very much."

Gu Yunhao could feel that she was unhappy just now. He was not stingy with his sweet words, trying to make her happy.

As expected, Sheng shuangxue was happy. She said happily, "Then I want to eat grilled fish!"

Gu Yunhao thought to himself, what a glutton! However, he still drove to the best grilled fish restaurant in the city.

After they arrived at the grilled fish shop, the two of them ordered a fish. The waiter asked, "Do you want a drink?"

Gu Yunhao looked at Sheng shuangxue. Sheng shuangxue thought for a moment and said, ""Fruit juice,""

After the waiter left, she whispered, ""Actually, I want to eat ice cream, Yingluo."

Gu Yunhao didn't quite agree. the weather is still very cold.

the colder the weather, the more it feels to eat

Gu Yunhao turned his head and looked outside. He saw a supermarket opposite and go buy it for you."

Sheng shuangxue quickly nodded, showing a satisfied expression.

This boyfriend is quite obedient, not bad!

Gu Yunhao got up, touched his wallet, and asked, " "What kind do you want?"

"As you wish!"

He nodded and walked out.

Sheng shuangxue held her face and looked at him.

The refrigerator in the supermarket was right at the entrance. She saw him walk to the refrigerator and look at it for a while. Then, he opened the lid and rummaged through it a few times before taking out a wrapped box.

When he came back, she couldn't wait to eat it.

Gu Yunhao refused to give it to her and asked with bright eyes, " "Yingluo hasn't done that yet, has she?"

Sheng shuangxue was stunned for a moment, and then blushed. don't worry! I'll still eat that without any problems!"

"Then don't eat it!" Gu Yunhao's face darkened. how old are you? You don't even cherish yourself!"

Hey! Sheng shuangxue shouted. give it to me! I didn't come!"

"Really?" Gu Yunhao looked at her suspiciously.

She raised her head and said,"of course it's true!" If you don't believe me, you can check it!"

"Yueyue," how is he going to check?

Sheng shuangxue had also thought of this problem. At the thought of that scene, it was like a train entering the station-dirty dirty dirty dirty She covered her face, too ashamed to face anyone.

Gu Yunhao awkwardly pushed the ice cream back. "Hurry up and eat!"

Sheng shuangxue opened it with her head lowered. She scooped a spoonful and put it in her mouth, not daring to look at him.

Gu Yunhao did not dare to look at her. The three words "you check" really made one's imagination run wild!

No! It had to be pure! Don't dirty it!

Sheng shuangxue lowered her head and scooped a spoonful of ice cream to his mouth. Blushing, she asked, 't "Want some?"

Gu Yunhao glanced at her, lowered his head, held the spoon in his mouth, and slowly put the ice cream into his mouth.

Sheng shuangxue felt that this action was very ambiguous. She blushed and retracted her hand. I remember something. Yingluo, we went to watch the sunset together. I bought two cans of ice cream and put them in the refrigerator in your car, but I forgot to take them with me. What did you do to them?"

"I've thrown it away."

Sheng shuangxue was stunned. She looked at him in disbelief. She was unhappy when she realized that he did not seem to be lying.

Although the two of them had nothing to do with each other at the time, she was still sad that he had thrown away her things..

Chapter 1812: dog abuse

Gu Yunhao looked at her and asked,"what?" Are you angry?"

"Hmph!" Sheng shuangxue said angrily, " you shouldn't have had a girlfriend!

How did I end up on your pirate ship?"

Gu Yunhao laughed out loud and said, " Alright, alright. Don't be angry. I lied to you. I actually ate them, both of them."

Sheng shuangxue was stunned and mumbled,"you ate them all?" Haven't I eaten one before? You too!"

Gu Yunhao's face turned red and he looked elsewhere.

Sheng shuangxue looked at him and smiled proudly. "Could it be that at that time, you were flirting with me?"

"No, I didn't!" Gu Yunhao denied it sternly. it's just because it's too delicious.

but I've eaten one of them. Sheng shuangxue pouted, feeling a little wronged.

How could this person not have any romantic cells in her? He didn't know how to flirt at all, so why did she like him? I really want to return it!

"That's better," he said with a red face.

Sheng shuangxue looked at him thoughtfully and said with a smile, " "Then you have bad intentions towards me?" yes, yes, Zhenzhen. Gu Yunhao was helpless. whatever you say!

Sheng shuangxue reached out and pinched his face.

He sighed but did not move away. He let her do whatever she wanted, his eyes full of love.

Just then, the waiter brought the grilled fish over. Sheng shuangxue immediately retracted her hand and couldn't help but burst into laughter.

The waiter almost knocked over the pot-these two people's behavior was too much, dog abuse! I really want to throw them out.

After eating the grilled fish, the two of them returned to the dormitory.

It was already very late, and there was no way to train.

"I'm definitely going to gain five pounds today," Sheng shuangxue said, touching her belly.

Gu Yunhao did not express his opinion. Such a glutton had yet to gain weight and was already a VIP player of life online.

Gu Yunhao parked the car in the garage and said, " "If you're afraid of getting fat, let's walk two more rounds?"

"Where are we going?" Sheng shuangxue looked at the time and asked.

"On the road outside?"

"Forget it. I want to eat again when I see food."

The two of them held hands and slowly went upstairs. Sheng shuangxue took out her key and opened the door.

sleep early," Gu Yunhao said. don't miss me too much.

"Who would miss you!" Sheng shuangxue glared at him, then opened the door and went in.

Gu Yunhao stood outside the door and looked at her.

"Lower your head," she said, waving him over.

Gu Yunhao's eyes lit up and he lowered his head to look at her.

His masculine scent surrounded her, and she felt her face heat up. She raised her head and gave him a quick Peck on the cheek, then slammed the door shut.

ouch! Gu Yunhao covered his nose and cried out in pain.

Sheng shuangxue was startled. She hurriedly opened the door."Are you okay?"

"What do you think?" Gu Yunhao was in so much pain that his entire body was trembling.

Sheng shuangxue was anxious. She reached out and held his face."Where are you hurt? Quickly let me see!"

Gu Yunhao let go of her, hugged her, and lowered his head to kiss her ...

"Oh!" Sheng shuangxue was caught off guard by the attack and almost lost her balance.

Gu Yunhao carried her and walked two steps into the house. He gently closed the door and pressed her against the wall.

As they were kissing, a woman's laughter came from outside the door. I'm going in!

I don't want to be separated from you, Yingluo. the man's voice came.

Gu Yunhao and Sheng shuangxue were dizzy. They couldn't recognize the woman's voice, but they recognized the man's voice-it was handsome Bai.

That woman must be Xiao Mianmian..

Chapter 1813: I'd rather have fewer dates

Sheng shuangxue pushed Gu Yunhao away and pinched his waist.

Gu Yunhao looked at her, aggrieved. His nose was red-he had just been hit by the door.

Sheng shuangxue felt a little guilty and touched it.

He hissed, obviously in pain.

Sheng shuangxue glared at him. you're still not being honest? " she said.

shush-" he hurriedly put his index finger to his lips.

"Aren't you going back?" she asked softly.

"Wouldn't it be awkward to go out now?" he said in a low voice.

As soon as he finished speaking, he heard the door close and there was no sound outside.

Sheng shuangxue pushed him away and looked out through the peephole.

There was no one outside. She quickly opened the door and pushed him out. "Good night!"

After they started dating, Sheng shuangxue and Gu Yunhao rarely went to the gym.

Both of them felt that working out was too much of a waste of time, so they might as well use it for a date.

As a result, in less than two months, Sheng shuangxue's weight had increased by five pounds!

It was too terrifying!

She quickly jumped off the scale and rushed out of the room to knock on Xiao Mianmian's door.

Before Xiao Mianmian could open it, Gu Yunhao opened it from behind.

Gu Yunhao had heard the sound of her opening the door and thought that something had happened, so he had come out to take a look.

Seeing that she was looking for Xiao Mianmian, he didn't come over. He leaned against the door and asked, "You're still not sleeping?"

"You don't need to care about me!" Sheng shuangxue glared at him. It was all because of him. Otherwise, how could she have gotten fat?

Gu Yunhao was stunned. She was still fine when she just came back. Who provoked her?

At this moment, Xiao Mianmian opened the door.

She was brushing her teeth when she saw the two of them. "Why?"

"I have something to tell you," Sheng shuangxue pushed her in.

Behind her, Gu Yunhao reminded her, "your door is not closed . . ."

"Watch!" Sheng shuangxue roared, entered Xiao Mianmian's room, and closed the door.

"Did you guys quarrel?" Xiao Mianmian asked vaguely.

"Emergency!" Sheng shuangxue said anxiously.

wait for me to finish brushing Yingluo. Xiao Mianmian turned around and walked into the toilet.

Sheng shuangxue followed her in. When she was done, she asked eagerly, ”

“Have you been working out recently?”

Xiao Mianmian took a towel and wiped off the toothpaste foam at the corner of her mouth. if there isn’t any, what about you, ran ran? ‘

“I didn’t grow any taller either, I’ve gained five pounds!” Sheng shuangxue was going crazy. I’ve grown five pounds in less than two months. I don’t have a sense of self anymore! How could she be so depraved because of a man? I want to continue training! I’d rather go on fewer dates than train!”

Xiao Mianmian took a deep breath and quickly pinched her waist, feeling that her Kasaya hadn’t grown.

No! What if it grew to a place that couldn’t be seen?

There was a scale in the bathroom, and she immediately stood on it to weigh herself.

She didn’t like to eat as much as Sheng shuangxue, but she had still gained two pounds.

It was too terrifying!

“I also want to continue training!” She shouted, ” what if handsome Bai dislikes me? ‘

Sheng shuangxue’s face darkened,”he wouldn’t dare.” But you really should train. If he despises you, you can beat him up!’

“Yingluo,” that’s not how you should use a boyfriend!

"It's settled then!" Sheng shuangxue clenched her fists. from tomorrow on, run and do yoga. Don't miss anything! Oh right, I also need to practice Taekwondo. If they dare to mess around, I'll beat them up!

Xiao Mianmian thought it made sense. Beating people up was secondary. The most important thing was to maintain her figure so that she could make handsome white dizzy.

Sheng shuangxue went back after they finished talking.

As soon as she went out, she realized that Gu Yunhao's door was closed, but her door was still open.

She was upset.

1 told him to look, and he's just looking like this? Wasn't she afraid that her (home) would be stolen?!

Chapter 1814: Need to be prepared

She rolled up her sleeves and rushed forward, knocking on Gu Yunhao's door a few times.

No response?

He knocked a few more times.

"He's here," Gu Yunhao suddenly came out of her house.

She jumped in shock and immediately realized that he was really helping her guard the door. She stammered, "Why did you go there?"

“Didn’t you ask me to help you keep an eye on it?”

Sheng shuangxue blushed and walked over. “Then you can go back now!” Gu Yunhao lowered his head. give me a kiss.

Sheng shuangxue pushed him away. don’t be shameless! I’m telling you, I’m going to resume working out tomorrow.”

Gu Yunhao raised his eyebrows. did you just tell Mianmian this?

“Yeah! Do you know how much weight I’ve gained after being with you?”

“Oh, how did you grow? It’s a good thing, which means that you’re very happy with me.

“Hehe, Yingluo, I’m not happy at all right now.”

Gu Yunhao hugged her. I think it’s good to put on some weight, ” he said softly. you were too thin in the past.

“I didn’t!” She didn’t believe in such flowery words. When she really gained weight, he would despise her.

Gu Yunhao said helplessly, ‘forget it if you don’t believe me. You girls just love to look pretty.”

“Who’s the one who loves beauty? Women who like beautiful women are much less than men who like beautiful women!”

What kind of twisted logic is this?

Sheng shuangxue pushed him away. I have to put on my Facial Mask. Good night!

Gu Yunhao pulled her back and kissed her on the cheek. you want to train, right? I'll go with you."

Sheng shuangxue smiled. She put her arms around his neck and kissed him back on her tiptoes.

Sheng shuangxue, Gu Yunhao, Xiao Mianmian, and handsome Bai had returned after disappearing from the gym for nearly two months.

The others expressed one after another,"this is simply dog abuse!" I also want to find a girlfriend/boyfriend to train with!

It was already summer, and a little exercise would make him sweat.

It was not a good idea for a couple who had just started dating to train together. It was easy for them to think of dirty things.

One day, when they were about to go to bed, Xiao Mianmian went into Sheng shuangxue's room and asked shyly, " "Yingluo, how far have you progressed with Captain?"

Sheng shuangxue knew that something was wrong. She grabbed her and asked, " "What's wrong? you and handsome white are having fun?"

Xiao Mianmian blushed and said, " no, it's just a feeling. I'm almost there. Why are all men like that? When we weren't dating, you couldn't tell if Yingluo was just my handsome Bai comparing Yingluo to that Yingluo ah Yingluo."

"Hehe, all men are the same!" Sheng shuangxue sneered.

"Then you and Captain Yingluo"

"I know what I'm doing. Besides, my Yun Hao definitely has better self-control than your commander Bai."

Xiao Mianmian pouted and said in dissatisfaction, " "You can't trample on my handsome Bai like this.'

"I'm just telling the truth." Sheng shuangxue looked innocent. She pulled her and said softly, " but I have to remind you. You can do it, but you must take precautions.

"Who said anything about doing it?" Xiao Mianmian's face was so red that it was about to bleed.

we're already dating, and it's already the season when our blood is boiling. It's very easy for us to get into a relationship we still have to be prepared Xiao Mianmian gave her a sidelong glance. you're ready?"

"Of course I know what to do. What if it happens? Therefore, you must be mentally prepared. If it happens, you must take precautions. Also, you've only been dating for two months. Even if you've done it, don't be in a hurry to move in.. Otherwise, you can just wait to wash his clothes and cook for him!"

Chapter 1815: everyone has their own little secrets

you're speaking as if you've lived together before, ran ran, " Xiao Mianmian muttered softly.

"I've cohabited with my college classmates before, I've seen enough. Men, they would be exposed after a long time! Therefore, he couldn't treat them too well. He had to train them well! Of course, there are also A Few Good Men who treat women like treasures from the beginning. My dad and brother are like that!"

Xiao Mianmian rolled her eyes. I realized that in your heart, your evaluation of your father and brother is higher than the captain's!

“That’s only natural!” Sheng shuangxue’s face was serious. Gu Yunhao still has a long way to go!

Yingluo suddenly feels a little sympathetic for the captain.

While Gu Yunhao was making breakfast, he heard his phone ring to remind him of something.

He was stunned for a moment. Then, he suddenly remembered something. He wiped his hands and went back to the room. He picked up his phone and looked at the screen. The screen showed-“Saturday, Liu Xi’s birthday.

Gu Yunhao calmly deleted the message and went back to cook.

Soon, someone knocked on the door. He smiled and went out to open the door.

Sheng shuangxue was standing outside the door. She had come here for breakfast.

After opening the door, he said,“I told you to take the key, but you didn’t want it. How convenient would it be to come in by yourself?”

“Aren’t you afraid that I’ll secretly look at your phone when you’re not paying attention?” Sheng shuangxue asked.

She heard that men were all afraid of women looking at their phones.

Gu Yunhao’s face stiffened. He felt inexplicably guilty when he thought of the reminder he had just received.

If she really saw that remark, it would probably set off a storm, right?

Seeing his expression, Sheng shuangxue pouted and snorted. "You men are indeed the same! They all had their little secrets! I thought you would be honest. Is there any secret on the phone that you don't dare to let me know?"

"Nonsense," Gu Yunhao turned around to get breakfast. take a seat first. It'll be ready soon.

Sheng shuangxue followed him out. you're not going to shake it or something. Are you going around seducing girls? " she asked. "I can't even deal with you, and I still dare to hook up with others?" pfft-" Sheng shuangxue laughed.

She believed that he wasn't that kind of person and didn't pursue the matter.

As for secrets, everyone would have some, right?

She respected him, so it was fine if he didn't want to tell her. In any case, the two of them had only been together for a short time, and they were still at the stage of being familiar with each other. They had not reached the point where they could completely hand each other over.

"Do you have any plans for Yingluo this weekend?" Gu Yunhao asked while they were eating.

"I didn't." Sheng shuangxue smiled. you have one? '

"No, I didn't," He smiled awkwardly. I have something on Saturday, so I might not be able to accompany you, Yingluo.

uh? " Sheng shuangxue was stunned. She wanted to ask what was going on, but then she remembered what she had just thought. She respected his privacy.

Since he didn't want to tell her, she wouldn't ask.

If he wanted her to know, he would definitely tell her. Asking all these questions made him seem like he had no dignity.

She bit her lip. then you go do your own thing. I can arrange my own time.

"Is it alright?" Gu Yunhao looked at her.

No. she smiled. I'm afraid I'll get sick of being with you every day.

"You'll get tired of it?" He asked sourly.

She glared at him and said,"but you said you had something to do!" Why did he sound like that? Why don't you bring me along on Saturday?"

Gu Yunhao choked. you can drive, right? I'll leave my car with you. If you want to go to the city, it's more convenient to drive by yourself."

"Yes." Sheng shuangxue lowered her head and drank the porridge bitterly.

He had something that he was unwilling to share with her. This feeling was terrible!

She said she was magnanimous, but only she knew how she would do it..

Chapter 1816: Why can't I bring myself along?

On Saturday morning, Sheng shuangxue was still sleeping when she was woken up by the doorbell.

She opened the door with drowsy eyes. Gu Yunhao was standing outside in a white shirt, looking very handsome.

She remembered that he said he couldn't accompany her today and asked in frustration, "What are you doing?"

"I made you breakfast." Gu Yunhao passed her the key to his room. when you've slept enough, you can go over and eat by yourself.

Sheng shuangxue was stunned for a moment. She looked at him and let go of the door."Give it to me, I'm too lazy to run!"

"Yingluo, alright." Gu Yunhao turned around and went home. A moment later, he brought the breakfast he had prepared over.

Sheng shuangxue had already returned to her bed. She looked at him while holding the quilt.

"If it's cold, you can heat it up before eating," he said.

"In this weather, I can't wait to eat something cold." Sheng shuangxue mumbled.

He smiled, walked over, and rubbed her head. He lowered his head to kiss her.

"I didn't brush my teeth!" She quickly dodged and shouted.

"I don't mind," He smiled.

"Get lost! I despise you!"

"What's wrong with me that you're despising me?" Gu Yunhao held her face and asked resentfully.

She pushed him away. you only know how to take advantage of me.

Gu Yunhao was speechless. He rubbed her head and got up.

She shouted, "wait-"

"What's wrong?" He turned around.

I don't want your kiss, " she said with a red face. can't you be a little stronger?

Gu Yunhao, "shua shua shua."

"Hmph! Don't say I'm not good enough to you later, Yingluo!"

Gu Yunhao pounced on her and kissed her ruthlessly.

However, he only kissed her for two minutes before he let her go. He patted her head and said, " "I know you're tired. Go back to sleep."

After saying that, he left with a smile.

Sheng shuangxue looked depressed. How was he feeling sorry for her? He was simply in a hurry to do his thing.

Sheng shuangxue slept for another two hours. After getting up and having breakfast, she sent a message to Xiao Mianmian, " [are you on a date?]

Two minutes later, Xiao Mianmian replied, [yeah. Have you been abandoned by the captain?]

Sheng shuangxue said, [the boat of friendship has sunk again.]

Xiao Mianmian replied, [can we continue sailing if I play with you?]

Sheng shuangxue replied,[forget it. I don't want to be the third wheel.]

Xiao Mianmian's heart ached a little.[did the captain really not accompany you?]

Sheng shuangxue replied, [he's busy!] Actually, it's good to be separated from

each other once in a while. Distance makes beauty ~]

Xiao Mianmian said insincerely, [that's true.]

Sheng shuangxue felt that Xiao Mianmian didn't even feel pain in her back when she said this with someone accompanying her!

She dropped her phone and didn't reply, and Xiao Mianmian didn't reply either. The small boat of friendship began to shake.

Sheng shuangxue took a deep breath and looked at the car keys that Gu Yunhao had left.

She bit her lip, picked up her keys, and left.

She went to the supermarket to buy some things and then drove to grandma Liu's house.

Hmph, if Gu Yunhao liked to be a good person or do good deeds, she could do it too.

Sheng shuangxue turned on the music and looked at the dusty road, shaking her head. Soon, they arrived at grandma Liu's house.

She parked the car on the main road, looked at the empty space in front of grandma Liu's house, and started the car again.

From the main road to grandma Liu's house, there was a small road just enough for a car to pass through.

As the car neared the house, grandma Liu walked out.

Sheng shuangxue smiled and slowly stopped the car. At this time, another person came out.

Sheng shuangxue was dumbfounded.

The person who came out later was Gu Yunhao.

H-how could he be here?

She sat in the car in a daze, her mind blank.

Was this the place he came for today? But why couldn't he bring him along?

Chapter 1817: What are you doing here?

Gu Yunhao walked over and opened the car door. He looked at her with a complicated expression. why are you here? '

“Can’t I come?” Sheng shuangxue stared at him, trying to suppress her anger.

“No, I didn’t,” Gu Yunhao’s voice was low. He reached out to help her down.

come down first.

Sheng shuangxue didn’t know how she got out of the car when she saw grandma Liu smiling outside.

Gu Yunhao closed the car door and pulled her into the house. it’s hot outside. Let’s go in first.

“You are little Xue, right?” Grandma Liu walked over and said lovingly, “ I haven’t seen you in a long time.

Sheng shuangxue smiled stiffly. Oh, grandma Liu. I bought you a gift.

Grandma Liu was stunned and said, “ “Since you’re here, why did you buy a gift?”

“It’s nothing valuable.” Sheng shuangxue opened the trunk of the car and took out a box of milk, a box of nutritional supplements, and a bag of vegetables.

these are for you to nourish your body.

why are you the same as little Gu? ” grandma Liu asked with a smile. you even bought groceries? ‘

Sheng shuangxue looked at Gu Yunhao, who felt uncomfortable all over. let’s go in first. It’s hot outside.

He reached out to pick up the things. Grandma Liu held Sheng shuangxue’s hand and asked, “ “Why didn’t you guys come together?”

"I, ran ran, I didn't know he was coming." Sheng shuangxue said in a low voice. Her heart ached as if it was being stabbed by a knife.

Grandma Liu turned around to look at the car. that's Xiao Gu t s car, right? '

"Yup," Sheng shuangxue forced a smile. I heard from the captain that he had something to do today. I asked him if he needed a car, but he said no. So, I borrowed it.

Oh, I see, Yingluo. grandma Liu looked at them and thought that they were not together yet. She felt that it was a pity. The more she looked at the two of them, the more she felt that they were a good match.

After entering the house, Gu Yunhao brought the vegetables into the kitchen and said to the two of them, " "You guys rest, I'll do it."

Sheng shuangxue glanced at him and didn't say anything.

Gu Yunhao took a deep breath. His mood was very heavy.

Sheng shuangxue sat there for a while. She wanted to go and help, but she didn't know how to face Gu Yunhao, so she didn't go in. Instead, she kept grandma Liu company.

Grandma Liu was very happy. She turned on the TV and watched the show with her.

Sheng shuangxue was absent-minded and didn't say a word. Her hands unconsciously clutched her pants.

"Xiaoxue, what's wrong?" grandma Liu suddenly asked. Did you encounter something that made you unhappy?

Sheng shuangxue came back to her senses and smiled. no, I'm not. I'm watching TV.

"Is that so?" Grandma Liu didn't believe her. She patted her hand and said, ' Xiaoxue, if you have anything bothering you, you can tell grandma. Grandma will comfort you, ah!'

Sheng shuangxue nodded with a smile. I know. I won't be polite to you.

Grandma Liu nodded and said, " I remember that you were quite happy the last time you came."

"Uh, Yingluo, I've been a little annoyed at work recently."

"It's the holidays, so don't think about it. Relax, relax."

"Alright!" Sheng shuangxue nodded and turned to look at the kitchen. She suddenly felt cold.

Gu Yunhao was also very frustrated at the moment. He absent-mindedly

prepared dinner.

Neither of them said a word during the meal, and ate happily alone.

Gu Yunhao picked up a piece of fish and gave it to Sheng shuangxue. Sheng shuangxue immediately picked up her bowl and dodged. He paused for a moment and had no choice but to eat by himself.

Sheng shuangxue picked up some stir-fried vegetables and ate them. She felt that they were a little salty, so she quickly spat them into the bowl and stared at Gu Yunhao.

Gu Yunhao was stunned. He picked up the vegetable and took a bite, but he also vomited from the saltiness.. He quickly took the vegetables from Sheng shuangxue's bowl and ate them when grandma Liu wasn't paying attention!

Chapter 1818: You don't need to say anymore

When he saw grandma Liu eating the vegetables, he hurriedly said, ‘ ‘Grandma Liu, that dish ...

“What’s wrong with you guys?” grandma Liu asked with a smile. Hurry up and eat! This vegetable is delicious!”

Gu Yunhao, ‘Yingluo,”

No wonder grandma Liu’s dishes were always salty. It turned out that the old lady’s taste buds had degenerated.

After the meal, Gu Yunhao started to clean up the dishes.

“I’ll do it, I’ll do it!” Grandma Liu said. How can I let you guys keep fighting?”

Gu Yunhao glanced at Sheng shuangxue and said, ” “Alright then, I’ll have to trouble you, grandma Liu. I suddenly remembered that I still have something to do, so I’ll leave with shuangxue first. I’ll come see you another day.”

Okay, okay, okay. grandma Liu hurriedly nodded. She took Sheng shuangxue’s hand and said, ” come again another day. Don’t buy anything anymore.

Sheng shuangxue smiled and left with Gu Yunhao.

Gu Yunhao had originally planned to stay here and accompany grandma Liu until she fell asleep before leaving. It was Liu Qian’s birthday today. He didn’t believe that grandmother Liu wouldn’t contact her!

But Sheng shuangxue's sudden arrival forced him to change his plan. Otherwise, he might lose his girlfriend.

Grandma Liu stood at the door and waved at the two of them. She only sighed and went back to wash the dishes after the car disappeared at the end of the road.

In the car, Gu Yunhao said, "actually, I can explain."

Sheng shuangxue leaned against the car window and didn't even look at him.

sure, you explain!

Gu Yunhao choked.

This was different from what they had agreed on!

Wasn't it always "you listen to my explanation" and "I don't want to listen, I don't want to listen" on TV?

She was so straightforward that he couldn't find any words to say.

He thought for a while before saying, "actually, ran ran, something happened to the thing I was going to do, so I can't do it anymore." She happened to pass by grandma Liu's place, so she went to see her. I was just about to call you over because it was still early and I was afraid that you weren't up yet. Who knew that you would come over by yourself?"

Hearing that, Sheng shuangxue turned her head and glared at him. I was just passing by, and you brought rice and vegetables?!

The two of them had come to an agreement and sent living supplies to grandma Liu. The old man would definitely not accept a farewell gift.

Gu Yunhao choked when he heard this. He tightened his grip on the steering wheel and said helplessly, "Okay, I went to see grandma Liu on purpose! You've said before that I'm only good to her. There must be a reason. Yes, I have my reasons! But Yingluo can't tell you yet."

"Then, there's no need to say anything!" Sheng shuangxue said angrily.

Gu Yunhao stopped the car, grabbed her, and said, "I didn't mean to hide it from you ..."

"I didn't ask you to tell me! You don't need to say anything!"

"Shuangxue-"

"You really don't have to say anything." Sheng shuangxue shook him off in frustration. I respect you. I want to go back and rest."

Gu Yunhao looked at her, sighed softly, and started the car again.

After grandma Liu finished washing the dishes, she walked into her granddaughters big bedroom, opened the drawer in the closet, and took out an old phone that was probably new.

In the past few years, grandma Liu had been using this phone to contact Liu Qian. The landline in the central room was just a decoration.

Liu Qian told her not to let anyone know about the phone. Hence, she did not even mention it to Gu Yunhao.

Liu rarely called back, at most two or three times a year-during the new year, on her birthday.

Usually, she was the one who called, but Liu Qian often changed her number.

Most of the time, it didn't go through, so she could only wait for Liu Qian to call.

And Liu Qian had told her not to call unless it was something important, and to just wait for her call..

Therefore, no matter how much grandma Liu missed Liu, she didn't dare to hit her. She was afraid that Liu would be angry.

However, today was Liu Qian's birthday, so grandma Liu had to greet her.

She took out her phone, found the number from the last call, and called

Yingying.

After two rings, the call was connected.

Grandma Liu smiled happily. Qianqian, Qianqian.

"Grandma." Liu Qian's voice was cold. what's up? Why did you call me all of a sudden?"

Grandma Liu was stunned, thinking that she had interrupted her work. She was a little nervous. well, Yueyue, I was just thinking that today is your birthday, Yueyue.

Liu Qian smiled. I see! If grandma didn't mention it, I would have forgotten about it. In the whole world, only grandma remembers my birthday."

When grandma Liu heard this, she heaved a sigh of relief and reproached, '

"You don't even remember! Don't work so hard, Yingluo."

"I know. How have you been recently?"

"It's pretty good." Naturally, grandma Liu only reported the good news and not the bad.

&Nbsp; " you said that a police officer visited you often, " Liu asked. are you still going?

"Come on, you just came today!" Grandma Liu smiled. She was happy that her granddaughter was willing to chat with her. but Xiao Gu might be in a relationship soon. The girl is very beautiful. Ah, Xiao Gu is a good person. I was thinking that if you came back, you could develop your relationship with him, but you never came home. Now, it's someone else's."

Liu Qian laughed. it's just not fate. Who cares who he is? it has nothing to do with me. Take care of your body." alright, Feifei. grandma Liu knew that she was going to hang up the phone after saying this. She said reluctantly, " you should be careful too.

"I know," Liu Qian said, " by the way, you have to remember what I said.

I know, I know, " grandma Liu agreed. why did you make it so troublesome? '

Besides, officer Gu isn't a bad person, so why can't you tell him?"

Liu Qian's voice turned cold. you know I'm afraid of trouble. Don't you think it's annoying that people keep asking you questions?"

Okay, okay, okay. grandma Liu was afraid that she would get angry, so she quickly comforted her. when are you coming back? " Grandma hasn't seen you in many years." soon, Yingluo, " Liu Qian said lightly. it should be soon.

"It's true!" Grandma Liu was happy. then ...

“I’ll tell you when I get back. I’m hanging up now. Take care of your health.”

hey ... grandma Liu wanted to say something, but there was already a beep from the phone.

“Aiyaya!”

She hung up the phone in disappointment and put it back in the cabinet.

Sheng shuangxue and Gu Yunhao started a Cold War.

Gu Yunhao knew that he was in the wrong, but there were some things-he couldn’t say, didn’t want to say, and didn’t dare to say!

He could only play dumb and ignore the key to the problem. He tried to please her by cooking for her and giving her gifts every day.

Since the entire police station knew that they were together, it wouldn’t be strange for him to try to please her.

But Sheng shuangxue didn’t appreciate it. Everyone knew that they had quarreled.

After work, Sheng shuangxue asked Xiao Mianmian to go shopping with her.

Xiao Mianmian knew that she had been in a Cold War with Gu Yunhao for a long time and was definitely in a bad mood. Since she was willing to accompany her, she went shopping with her.

“What happened between you and Captain?”

“He’s hiding something from me!” Sheng shuangxue said angrily, “ by the way, do you know what’s going on with that grandma Liu? ‘

“Ah? I don’t understand.”

“You’ve been here for so long and you still don’t understand?”

Xiao Mianmian was embarrassed. the captain rarely says anything to others. What, you guys are fighting because of that Yingluo?”

“Hmph!” Sheng shuangxue got angry at the thought of it. In Gu Yunhao’s heart, she couldn’t even compare to an old lady!

Xiao Mianmian was speechless. other people argue with a third party because of a beautiful ex-girlfriend, but you’re arguing because of an old lady in her 70s or 80s?!

“I just don’t like him treating me like an outsider!” Sheng shuangxue said, ‘ it’s fine if you didn’t get caught by me. He’s already been caught, but he still won’t say anything. What’s the meaning of this?”

“Uh, Yingluo might have some unspeakable secret?” Xiao Mianmian advised, I think Captain is so good to you. Even if he doesn’t want to tell you something, it must be for your own good.

“But I don’t like the feeling of being excluded by him.”

oh, oh, oh. Xiao Mianmian really didn’t know how to persuade him. She thought about it and said indignantly, “ yes! This was too much! Then you should hang him out more!”

Sheng shuangxue nodded. She didn't want to talk to a certain someone now!

After shopping, she treated Xiao Mianmian to a meal.

She had just sat down in the dining room when she received a message from

Gu Yunhao.

Gu Yunhao asked, [have you eaten?]

Sheng shuangxue put down her phone and ignored him. Xiao Mianmian was chatting with handsome Bai opposite her, holding her phone and not looking up.

She was a little depressed and picked up her phone again. Gu Yunhao had sent another message: [remember to eat.]

Why do you care? I'm already an adult and I still don't know how to eat?

Sheng shuangue threw her phone down angrily. Xiao Mianmian was shocked. She glanced at her and continued to chat with handsome Bai.

Sheng shuangxue thought for a while, then picked up her phone again to check the calendar.

It would be Sheng nanxuan and Gong Mo t s birthday soon. Sheng nanxuan's birthday was on the weekend. If she could go back and celebrate his birthday with him, he would definitely be very happy.

Hmph in the whole world, only father treated her the best. What was Gu Yunhao to her?

Sheng shuangxue immediately went to the website to book plane tickets.

“Have you made up with the captain?” Xiao Mianmian asked.

Sheng shuangxue looked at her. I’ve decided to go home. I don’t want him anymore!

Xiao Mianmian believed him and was shocked.

Sheng shuangxue snorted and pinched her face. I don’t want him. I still want you! I’ll definitely come back

Xiao Mianmian blushed and pushed her hand away. I already have Bai Shuai. I won’t have a relationship with you!

it’s so sad! Sheng shuangxue said sadly.

After dinner, the two of them went to watch a movie.

When she returned to the dormitory, she went upstairs and turned into the corridor. From a distance, she saw Gu Yunhao leaning against the door.

Xiao Mianmian hurriedly said, “ I’ll go find handsome white! After that, she knocked on the door of handsome white and went in.

Sheng shuangxue stopped and looked at Gu Yunhao angrily.

Gu Yunhao put out the cigarette in his hand and straightened his body to look at her.

Sheng shuangxue stood there for a while, then took out her keys and walked over.

She walked in front of him and opened the door without looking at him.

“Are you still angry?” Gu Yunhao asked in a low voice.

“I can’t be angry?”

“No,” Gu Yunhao said softly after a pause.

Sheng shuangxue walked into the room and slammed the door.

Gu Yunhao grabbed the doorknob, knocked his head against the door, and turned to go back to his room.

Sheng shuangxue fell on the bed with a pillow in her arms. Her phone rang, but she didn’t look at it. After a while, she got up and found that it was a message from Gu Yunhao-[grandma Liu is related to a case.] [the case has to be kept a secret. I really can’t tell you.]

[why didn’t you say it was related to the case earlier?] You’re lying! [continue making up stories!]

Gu Yunhao said, “seems like we’ve missed a good opportunity..”
